Introduction

The Ceasefire Campaign (a voluntary organisation) was established in August 1993 as a result of a decision taken at the 1993 Peace Festival organised by the End Conscription Campaign. Ceasefire's objectives are to work towards the demilitarisation of society, to reduce and ultimately eliminate the arms industry in South Africa and to support other organisations with similar aims. Ceasefire's activities include campaigning, lobbying, networking, research and information dissemination.
