Dear

PAIA REQUEST RELATING TO PIER NO. 2 IN THE PORT OF DURBAN

Your request for information in terms of the Promotion of Access to Information Act, 2000, refers.

Please be advised that the "Deepening and Lengthening of Berths 203 to 205 Project" ("the Project") is currently in the **Feasibility Study Phase**.

It is to be noted that the **Feasibility Study Phase** includes the Environmental Authorization ("EA") process where the Project Team has submitted the final documents and comments to the Department of Environmental Affairs ("DEA") to assess the Project and provide a decision on the Environmental Approval.

The following website has been created by the Environmental Assessment Practitioner (EAP) appointed as part of the EA process:

<http://www.berth203to205expansioneia.co.za/reports.htm>

and the documents listed below, which are to be found on the listed website, have been made available to the public:
