Dear Mr. Ngobeni

SUBJECT: ADDENDUM TO THE SERVICE LEVEL AGREEMENT IN RELATION TO
GAUTENG SCHOOLS INFRASTRUCTURE PROGRAMME BETWEEN GDI, GDF AND IDT.

In line with the subject matter an agreement was concluded to the total of R150 million with scope limited to additional Classrooms, Restoratives and new schools. Subsequently the scope rose to R540 million as a result of additional works including additional Grade R's and Toilets.

As a result of the latter the 10% transferable to IDT will be based on R542,6 million. To enable processing of 10% the contract has to be revised.

Please note attached proposed addendum to that effect.

Regards,

Ms. M. Modipa
