NAMING OF NEW METROPOLE

This to confirm our recent telephonic discussion about the above matter.

Mr Mandela has agreed that the new metropole may be named after him. As I mentioned to you, he would wish to be consulted about the exact format in which the name is finally used.

Regarding recent press reports about an ANC decision about the naming of metropolises, we would want to state that our permission is subject to that aspect being amicably settled and agreed upon between your council and the ANC's national leadership.

Yours sincerely
