VERSOEKSKRIF

AAN: DIE BURGEMEESTER, GESIE VAN DEVENTER

DRAKENSTEIN MUNISIPALITEIT

PAARL

7646

ONS VERKLAAR DAT:

Ons, die gemeenskap van SARON, hiermee ons misnoe en ontevredenheid uitspreek teenoor die Burgemeester, Gesie Van Deventer en die Drakenstein Munisipale raad vir die wyse waarop die behoeftes van SARON gemeenskap deur hulle geignoreer en geminag word.

Die afgelope 15 jaar was hierdie gemeenskap blatant geignoreer en het geen verandering vir ons gemeenskap plaasgevind nie. 15 Jaar van lee beloftes, kospakkies en DA t-hemde het tot 'n einde gekom.

ONS VERSOEK DAT:

1. DIE PROSES VIR DIE BOU VAN HUISE ONMIDELLIK BEGIN.

Die nood vir behuising is hoog in ons gemeenskap en ons mense is al etlike jare al op 'n waglys. Ons het n waglys van bykans 1000 behoeftiges. Dit is duidelik dat alles in ander dele van Drakenstein plaasvind. Die gemeenskap wil ook die verandering op ons dorp voel.

Die afgelope jare het inwoners se huise uitgebrand en of was die dakke deur die wind afgewaai. Geen daadwerklike ondersteuning was vir diesulke families gegee nie. Ons versoek n verduideliking waarom ons inwoners nie in hulle nood gehelp word nie.

2. DIE ONTWIKKELING VAN TEERSTRATE ONMIDELLIK BEGIN WORD.

Die ontwerp van die teerstate is meer as 15 jaar gelede gedoen , maar geen teerstrate is sedert dan geteer nie. Die strate hou nie net 'n gesondheidsrisiko in gedurende die somermaande nie maar is in die meeste gevalle in so n swak toestand dat die gebruik daarvan lei tot beskadiging van voertuie en dat dit vir voetgangers nie loopbaar is nie. Ons neem kennis dat in ander gebiede binne Drakenstein miljoene rande spandeer word om bestaande teerpaaie op te gradeer terwyl daar gemeenskappe is soos SARON wat nie eers oor teerpaaie beskik nie. Ons neem ook kennis dat die munisipaliteit so baie geld het dat hulle goeie bestaande teerpaaie opgradeer deur dit met plaveisel te verfraai, terwyl gemeenskappe soos SARON met swak grondpaaie tevrede moet wees. Hierdie blatante diskriminasie moet gestop word. Daar is geen rede waarom Drakenstein Munisipaliteit nie hierdie paaie kan teer nie.

3. DIE DAADWERKLIKE OMHEINING VAN DIE MUNISIPALE BEGRAFPLAAS PLAASVIND

Die toestand van die munisipale begrafnis getuig van swak munisipale dienslewering en disrespek teenoor die gemeenskap van SARON. Die Gemeenskap vra etlike jare al dat die Munisipale begrafplaas omhein word aangesien grafte deur rondlopende diere vernietig en deur kwaaijongens geplunder word. Families en begrafnisgangers spandeer duisende rande aan blomme en grafstene wat binne enkele ure na die ter aarde bestelling van n afgestorwene vernietig word, As gemeenskap voel ons dat Drakenstein Munisipaliteit ons met minagting behandel en geen respek toon teenoor gemeenskap en ons geliefdes wat ter ruste gelaat word nie.

4. DIE BELOFTE VAN 'N VEELDOELIGE SENTRUM / STADSAAL ONMIDELLIK REALISEER

Die gemeenskap het het geen fasiliteit waar gemeenskapsfunksies of jeug aktiwiteite gehuisves kan word nie. Funksies soos n matriekafskeid of n troue word buite die dorp gereel en ons gemeenskap moet tot 25km te reis om so n funksie by te woon. Hierdie aangeleentheid was die afgelope 10 jaar by al julle IDP vergaderings as n prioriteit aan die munisipale amptenare voorgele en telkens was dit net n lee belofte. Ons is nou moeg van 10 jaar se beloftes en versoek onmiddelike implimentering.

5. LOSLOPENDE DIERE BEKAMP WORD EN STUKKENDE KAMPE ONMIDDELIK HERSTEL WORD.

Die afgelope meer as tien jaar het loslopende diere verskeie padongelukke veroorsaak en talle mense het gesterf ondanks waarskuwingsborde wat aangebring was. Loslopende perde en beeste vernietig op gereelde grondslag tuine en eiendom van inwoners. Dit verskaf ook nie'n goeie beeld vir toeriste of besoekers aan die dorp nie.

6. EKONOMIESE ONTWIKKELING PLAASVIND, GESTIMULEER WORD EN WERK MOET GESKEP WORD OP SARON.

Daar is min / geen ingesteldheid by die munisipaliteit om kleinbesigheidsontwikkeling aan te moedig of te ondersteun nie of om ons werklose jeug daadwerlik by werkskeppingsprogramme te betrek nie.

Met die ontwikkeling van die windkrag projek naby Gouda/Saron was enkele / geen jongmense van SARON opgelei of in diens geneem nie. Ons jongmense en gemeenskap versoek 'n verduideliking waarom ons nie in diens geneem was nie. Ons stel dit onomwonde dat enige toekomstige ontwikkeling nie sonder ons toestemming en betrokkenheid meer sal plaasvind nie. . Ons versoek n verduideliking van die munisipaliteit en windkragprojek , waarom SARON se gemeenskap nie deel was van hulle werkskeppingsprojek nie. Ons verneem ook dat n gemeenskapstrust gestig is en dat die gemeenskap van SARON daarvan uitgesluit is. Ons versoek u kantoor om die vergadering met hulle te fasiliteer sodat die gemeenskap antwoorde kan kry.

Ons versoek dat plaaslike arbeid gebruik word wanneer werk op SARON gedoen word. Dit sluit in die toekoms in, die bestuurder van die vuilisverwyderingslorrie(s) en werkers, asook alle ander arbeid wat deur Drakenstein gelewer word. Die werkloosheidsyfer is hoog op SARON en ons sal nie meer toelaat dat ander ons werk op die dorp kry nie, terwyl ons eie mense van ellende omkom nie.

Die gemeenskap het kennis geneem dat die munisipaliteit n pensioenaris, afgetrede skoolhoof en voorsitter van die DA tak tydelik aangestel het om inwoners te help met deurnisvorme asook belasting en dienste kwessies. Die DA propageer dat hulle omgee vir die jeug maar op SARON bewys hulle weereens die teendeel deurdat hulle eerder n pensioenaris aanstel. Ons versoek dat sy aanstelling onmiddelik beindig word en dat 10 jongmense op SARON aangestel en opgelei word om daardie dienste vir die munisipaliteit op SARON en elders te doen.

7. KONSULTASIE MET DIE GEMEENSAP OOR DIE UITREIKING VAN DAGVAARDIGINGS T.O.V MUNISIPALE DIENSTE REKENING

Dit het aan die lig gekom dat munisipale rekeninge slegs op sekere mense in die gemeenskap beteken is. Dit dui op die inkonsikwente optrede van die Munisipaliteit. Ons versoek dat die Munisipaliteit die gemeenskap kom toespreek oor die aangeleentheid ten einde optrede te verduidelik. Die gemeenskap het dit op verskeie vergaderings genoem dat die betaling van water vir ons 'n beginselsaak bly en versoek dat tot tyd en wyl die water dispuut met die gemeenskap nie bygele word nie, geen diensfooi vir water gehef word nie. Ons verneem hoe ver die proses is en versoek dat die gemeenskap se wil handhaaf word totdat die dispuut tussen die Munisipaliteit en SARON se gemeenskap bygele word.

ONS VERTROU DAT:

1. Die transformasie proses en grondeise nie weer as verskoning aangewend word vir die nielowering van dienste aan SARON gemeenskap nie.
2. U teen 11 Julie 2015, op ons versoekskrif sal antwoord.

VERSOEKSKRIF

AAN: DIE BURGEMEESTER, GESIE VAN DEVENTER

ONS VERKLAAR DAT:

Ons, die gemeenskap van SARON, hiermee ons ongelukkigheid uitspreek teenoor die Burgemeester, Gesie Van Deventer en die Drakenstein Munisipale raad vir die feit dat hulle sedert ons optog in 2015 niks gedoen het aan die griewe van ons gemeenskap nie. Die behoeftes van SARON se gemeenskap word deur Drakenstein Munisipaliteit geignoreer en geminag word.

Die afgelope 15 jaar was hierdie gemeenskap blatant geignoreer en het geen verandering het in ons gemeenskap plaasgevind nie. Jare van beloftes, kospakkies en DA t-hemde moet op 3 Augustus 2016 in die gemeenskap, by die stembus tot 'n einde gekom.

Ons weereens ons versoekskrif aan u voor.

ONS VERSOEK DAT:

1. DIE PROSES VIR DIE BOU VAN HUISE ONMIDELLIK BEGIN.

Die nood vir behuising is hoog in ons gemeenskap en ons mense is al etlike jare al op 'n waglys. Ons het n waglys van bykans 1000 behoeftiges. Dit is duidelik dat alles in ander dele van Drakenstein plaasvind. Die gemeenskap wil ook die verandering op ons dorp voel.

Die afgelope jare het inwoners se huise uitgebrand en of was die dakke deur die wind afgewaai. Geen daadwerklike ondersteuning was vir diesulke families gegee nie. Ons versoek n verduideliking waarom ons inwoners nie in hulle nood gehelp word nie.

2. DIE ONTWIKKELING VAN TEERSTRATE ONMIDELLIK BEGIN WORD.

Die ontwerp van die teerstrate is meer as 15 jaar gelede gedoen, maar geen teerstrate is sedert dan geteer nie.

Die strate hou nie net 'n gesondheidsrisiko in gedurende die somermaande nie maar is in die meeste gevalle in so n swak toestand dat die gebruik daarvan lei tot beskadiging van voertuie en dat dit vir voetgangers nie loopbaar is nie. Ons neem kennis dat in ander

gebiede binne Drakenstein miljoene rande spandeer word om bestaande teerpaaië op te gradeer terwyl daar gemeenskappe is soos SARON wat nie eers oor teerpaaië beskik nie. Ons neem ook kennis dat die munisipaliteit so baie geld het dat hulle goeie bestaande teerpaaië opgradeer deur dit met plaveisel te verfraai, terwyl gemeenskappe soos SARON met swak grondpaaië tevrede moet wees. Hierdie blatante diskriminasie moet gestop word. Daar is geen rede waarom Drakenstein Munisipaliteit nie hierdie paaië kan teer nie.

3. **DIE DAADWERKLIKE OMHEINING VAN DIE MUNISIPALE BEGRAFPLAAS MOET PLAASVIND**
Die toestand van die munisipale begrafnis getuig van swak munisipale dienslewering en disrespek teenoor die gemeenskap van SARON. Die Gemeenskap vra etlike jare al dat die Munisipale begrafplaas omhein word aangesien grafte deur rondlopende diere vernietig en deur kwaaijongens geplunder word. Families en begrafnisgangers spandeer duisende rande aan blomme en grafstene wat binne enkele ure na die ter aarde bestelling van n afgestorwene vernietig word, As gemeenskap voel ons dat Drakenstein Munisipaliteit ons met minagting behandel en geen respek toon teenoor gemeenskap en ons geliefdes wat ter ruste gelaat word nie.
4. **DIE BELOFTE VAN 'N VEELDOELIGE SENTRUM / STADSAAL ONMIDDELIK REALISEER**
Die Burgermeester se belofte van n Gemeenskapsaal aan die gemeenskap, het weereens nie waarheid geword nie. Hoe lank nog wil die DA- Munisipaliteit ons mense belieg. Die gemeenskap het het geen fasiliteit waar gemeenskapsfunksies of jeug aktiwiteite gehuisves kan word nie. Funksies soos n matriekafskeid of n troue word buite die dorp gereel en ons gemeenskap moet tot 25km te reis om so n funksie by te woon. Hierdie aangeleentheid was die afgelope 11 jaar by al julle IDP vergaderings as n prioriteit aan die munisipale amptenare voorgele en telkens was dit net n lee belofte. Ons is nou moeg van 10 jaar se beloftes en versoek onmiddellike implimentering.
5. **LOSLOPENDE DIERE BEKAMP WORD EN STUKKENDE KAMPE ONMIDDELIK HERSTEL WORD.**
Die afgelope meer as tien jaar het loslopende diere verskeie padongelukke veroorsaak en talle mense het gesterf ondanks waarskuwingsborde wat aangebring was. Loslopende perde en beeste vernietig op gereelde grondslag tuine en eiendom van inwoners. Dit verskaf ook nie'n goeie beeld vir toeriste of besoekers aan die dorp nie.
6. **EKONOMIESE ONTWIKKELING PLAASVIND, GESTIMULEER WORD EN WERK MOET GESKEP WORD OP SARON.**
Daar is min / geen ingesteldheid by die munisipaliteit om kleinbesigheidsontwikkeling aan te moedig of te ondersteun nie of om ons werklose jeug daadwerlik by werkskeppingsprogramme te betrek nie.
Met die ontwikkeling van die windkrag projek naby Gouda/Saron was enkele / geen jongmense van SARON opgelei of in diens geneem nie. Ons jongmense en gemeenskap versoek 'n verduideliking waarom ons nie in diens geneem was nie. Ons stel dit onomwonde dat enige toekomstige ontwikkeling nie sonder ons toestemming en betrokkenheid meer sal plaasvind nie. . Ons versoek n verduideliking van die munisipaliteit en windkragprojek , waarom SARON se gemeenskap nie deel was van hulle werkskeppingsprojek nie.

Chief
→ Traffic

Ons verneem ook dat n gemeenskapstrust gestig is en dat die gemeenskap van SARON daarvan uitgesluit is. Ons versoek u kantoor om die vergadering met hulle te fasiliteer sodat die gemeenskap antwoorde kan kry.

Ons versoek dat plaaslike arbeid gebruik word wanneer werk op SARON gedoen word. Dit sluit in die toekoms in, die bestuurder van die vuilisverwyderingslorrie(s) en werkers, asook alle ander arbeid wat deur Drakenstein gelewer word. Die werkloosheidsyfer is hoog op SARON en ons sal nie meer toelaat dat ander ons werk op die dorp kry nie, terwyl ons eie mense van ellende omkom nie.

Die gemeenskap het kennis geneem dat die munisipaliteit n pensioenaris, afgetrede skoolhoof en voorsitter van die DA tak tydelik aangestel het om inwoners te help met deurnisvorms asook belasting en dienste kwessies. Die DA propageer dat hulle omgee vir die jeug maar op SARON bewys hulle weereens die teendeel deurdat hulle eerder n pensioenaris aanstel. Ons versoek dat sy aanstelling onmiddelik beindig word en dat 10 jongmense op SARON aangestel en opgelei word om daardie dienste vir die munisipaliteit op SARON en elders te doen.

7. SARON WATERKWESSIE

Die gemeenskap het op verskeie vergaderings genoem dat die betaling van water vir ons 'n beginselsaak bly en versoek dat die water dispuut onmiddelik met die gemeenskap bygele word. Die water behoort aan die gemeenskap van SARON en nie aan Drakenstein Munisipaliteit. Ons verneem hoe ver die proses is en versoek dat die gemeenskap se wil handhaaf word totdat die dispuut tussen die Munisipaliteit en SARON se gemeenskap bygele word.

8. AFHANDELING VAN DIE GROND TRANSFORMASIE PROSES

Die Burgemeester en Drakenstein Munisipaliteit het weer die onafgehandelde Transformasie proses gebruik vir hulle versuim om dienste te lewer en ontwikkeling op SARON te laat geskied. Die DA-Munisipaliteit gee eenvoudig net nie om vir ons gemeenskap nie. Ons versoek die onmiddelike afhandeling van SARON se Grondtransformasie proses. Ons stel dit onomwonde dat die meentgrond die eindom van SARON se Gemeenskap is en dat dit so beskerm sal word. Die toekening van meentgrond vir landbou doeleindes die afgelope jare het sonder konsultasie met die gemeenskap plaasgevind en was onwettig. Dit moet gestop word en die grond moet onmiddelik beskikbaar wees vir die bree gemeenskap se gebruik. Die Munisipaliteit se onwettige toekening van ons meentgronde word betreur en sal beveg word deur die regmatige eienaars van SARON – Die gemeenskap.

Hiermee versoek ons dat u kantoor binne 14 dae konstruktief teugvoering gee op hierdie memorandum.

MEMORANDUM TO DE VILLIERS & POPE TRANSPORT
FROM WORKERS

Nicola
24/1/11

We, the workers of Pople Transport render our service to the company, not to be beaten by our employer. We are adults just like you. As all managers require workers to respect them each worker also deserve respect from the managers.

It is sad to learn that you still apply Apartheid mentality towards your employees by beating them. We are a democratic country.

You need to be ashamed, Mr Nico Pople, to beat people still like old days of apartheid. Wake up Nico it is no longer apartheid. Learn to work with your workers in peace.

Learn to respect your workers. They are the people, who put food on your table so that your family can eat. They are the people who give school to your children because of their hard work. Instead you thank your workers by beating them, what a shame Nico Pople.

Why do you still treat people like slaves in your company? It is high time that we must name and shame such employers like you. If you want to be helped stop coming to work drunk because every time you drunk you victimise people or beat them. This is the first step.

Don't come to work if you are drunk. Stay at home. Leave people that are not drunk to manage the business, because you are playing with our employment.

You can't come drunk to work then expect workers to respect you. If you are drunk don't run the business. Let your managers manage your business.

We know it is your business and it is our employment. Please don't gamble with our employment.

It is not us that come drunk to work, it is you. Why do we have to suffer if you, Mr Pople, are the one that is coming to work under the influence and doing wrong things.

We want to be treated like human beings. We are also human the same as you.

Let us do our work without been harassed by you and your managers. You know that we are doing our work to the best of our ability.

We also want you to give back our trucks. Don't give our trucks to new drivers to victimise us. This must stop.

It is good to create employment. This employment that you create must have full tools of work for everybody. You must not take tools of work from one worker and give to the other without replacing the 1st workers tool.

To make a statement that you will make sure that these union members will suffer and that you want to work them out of your company must stop.

We are not baboons as you call us we are human like you. Stop calling us names and kaffers. The racist remarks must stop with immediate effect.

At the workplace there is no worker that is above the law or immune in the laws of the company or rules and regulations, the rules and regulations must comply consistently.

When Nikki Victor assaulted one worker you said nothing until the union intervened. You gave Nikki a final written warning after the union intervened.

You dismissed Michael Hlatana because he was defending himself against you by slapping you when you were attacking him while being drunk.

You dismissed Elliot Matholengwe because Nikki accused him of swearing at him.

All these things happened at your company. You didn't dismiss Nikki when he assaulted Khotso. You dismissed Matholengwe although he didn't swear at Nikki. You dismissed mr Hlatana because he defended himself from being assaulted by you.

Mr Pople, how could you said to Khotso, who was assaulted by Nikki, your manager, that if Khotso doesn't withdraw the charges against Nikki you will personally make his life miserable in his employment.

URGENT NOTICE OF INTENT TO MARCH

ECONOMIC FREEDOM FIGHTERS is a radical and militant Economic Emancipation Movement which brings together revolutionary, fearless, radical, and militant Activists, workers' movements, Non-governmental organizations, community based organizations, lobby-groups under the need to pursue the struggle for economic emancipation

The above mentioned EFF Sub-region hereby gives notice of intent to the Drakenstein Municipality. This intention emanates from an agreement between EFF Drakenstein Sub-regional structure and the Drakenstein municipality. On the 10th May 2016 the Drakenstein Municipality promised to give explanation to serious allegations brought against the municipal officials; that the municipal officials couldn't deny at the time of the agreement. Acting Mayor (Poole Conrad) promised that on the 25th of May 2016, they would call a meeting and give answers. Off which they did not. Because of the reasons stated here above we intend to march on the 9th June 2016 to the Drakenstein Boulevard Municipality Building, Paarl and demand answers.

We also intend to start our march from Dromedaries' road via Langabuya then join the Jan Van Riebeeck Road till we reach town. There will be marshals to control the crowd and to ensure no vandalism would take place during and after the march.

We are hoping that this correspondence will create mutual understanding. r

Yours in writing

STOP FARM WORKER & FARM DWELLER EVICTIONS

22 March 2016

MEMORANDUM TO:

- Drakenstein Municipality
- Minister of Rural Development & Land Reform: Minister Gugile Nkwinti
- Rural Development and Land Reform Portfolio Committee

A few weeks before Christmas 2015, 23 farm worker families were lawfully evicted from a single farm, Soetendal, Wellington. Most of them had lived and worked on the farm for many years. On the day of the eviction, the families were treated with no dignity or humanity. The eviction order required the Drakenstein Municipality to provide the families with alternative accommodation. They provided small, poorly constructed corrugated shacks, two taps and eight shared toilets. Already with the little rain that we've had, the houses are flooding as water seeps through the ground, which has no foundation or adequate floor covering.

The devastating impact of farm worker evictions on families, especially children and older people, is immeasurable. Children have dropped out of school, other have started taking drugs, while small children are in danger of being run over by cars on the busy street. The houses are so hot and overcrowded that two children have had heat stroke, while an elderly woman needed oxygen because she could not breathe in the house. The houses are insecure, burglaries are common, the area is unsafe and in close proximity to many drug dens. Nothing has come of our numerous attempts to get the municipality to address the problems being experienced by the community.

In effect, the Extension of Security of Tenure Act (ESTA) allows for the lawful eviction of communities like Soetendal; allows courts to grant eviction orders even when there is no decent alternative accommodation for evicted families; and allows municipalities to provide inadequate and inhumane dwellings for evictees. Furthermore, other basic services like water, sanitation and refuse removal are also inadequate.

While the current review of ESTA is welcomed, farm workers and dwellers demand, the community demands:

- A meeting with the Drakenstein Municipality within seven days to discuss the urgent housing and living conditions of the evicted community. This will include:
 - ✓ The immediate provision of foundations in the dwellings
 - ✓ The immediate fencing of the community's settlement
 - ✓ The immediate provision of more toilets and taps
 - ✓ The immediate securing of the structures – e.g. roofs, windows, walls, doors, etc.
- An immediate end to farm worker evictions
- No evictions to be granted unless decent, humane alternative housing is provided
- Water, sanitation and electricity to all farm dwellers evicted from farms and living in informal settlements

- Fast track housing developments to secure decent housing for evicted farm workers, especially for women and single mothers
- The provision of commonage in all municipalities

Farm workers call for a recognition and restoration of their human rights to decent housing, tenure security, water and dignity. We cannot celebrate Human Rights Day in a context of evictions and landlessness.

ANC Draft Memorandum

The African National Congress (ANC) and the residents of the Informal Settlements of Mbekweni are embarking on the service delivery march to the Drakenstein Municipality. The informal settlements involved are Bhekela, Swartberg, OR Tambo, Silvertown 1, Silvertown 2, White City, Block B, Block C, Thembani 1 and Thembani 2. This service delivery march is informed by the lack and selective service delivery by the Democratic Alliance to the residents of Mbekweni especially those who stay in the Informal Settlements.

The vulnerable people in this municipality is experiencing none service delivery since the governance of the Democratic Alliance. The residents of the informal settlements have been the victims of fire disasters during summer due to among other things of not having electricity which force them to use paraffin and gas stoves.

Poor sanitation and lack of drinking water results in dirty places which causes health hazard especially for children and elderly people. The mayor needs to take responsibility of these victims of fire disasters because she has been promising these residents electricity for the past four years. This municipality has been allocated funds by the National Department of Energy but fails to implement the electrification of the informal settlements.

Instead of listening to the concerns of the people this municipality has arrogantly laid criminal charges. As the ANC government we are informed by the Freedom Charter and the Reconstruction and Development Programme to give free basic services like drinking water, proper toilets and decent living conditions which include electricity.

The ANC in the Drakenstein sub region demands the following:

1. The Drakenstein mayor must withdraw the criminal charges laid against the 23 members of the community who were arrested.
2. The acceleration of the implementation of the electrification of the informal settlements at Bhekela, Swartberg, Thembani 1, Thembani 2, OR Tambo and White City, Block B, Block C, Silvertown 1 and Silvertown 2.
3. The Drakenstein municipal mayor and Deon Louw must step down with immediate effect for failing to implement the agreed program for the electrification of the informal settlements.
4. The Drakenstein municipality must identify the alternative sites for the danger zones.
5. The investigation of the Housing Allocation of the Drommedaris Housing Project.
6. The implementation of the land transfer of the land of Transnet to the Drakenstein municipality.
7. The municipality must install new water taps and toilets and improve the services provided to the current toilets.
8. Installation of sanitation services and drinking water at the informal settlements of Block B and Block C.
9. Toilets and taps next to the Sports Ground have not been functioning for the past nine months.
10. The ANC is opposed to the proposed Water To Energy Facility and demand for the withdrawal until there is proper consultation with the community of Drakenstein.

As the African National Congress, we are giving you as the Drakenstein municipality mayor seven days to respond to this memorandum. Failure to adhere to this deadline will make this municipality ungovernable.

ANC Boland Region.

**March for service delivery including housing allocations
and a call to the Drakenstein Municipality to stop the proposed Waste Recovery, Beneficiation and
Energy Project.**

On Friday the 29 April 2016, the African National Congress Boland region, will March to the Drakenstein Municipality to demand electricity for the communities along the railway line from wellington to Mbekweni.

The ANC Will lead the call of service delivery not limited to sanitation, water and basic services like emergency points as well as housing allocations, and demand that the proposed toxic Waste to Energy project be scrapped.

The four communities fighting to be electrified are a stone throw away from the proposed hazardous site, a major disastrous exercise, they will suffer the most from breathing the the harmful chemicals in the air, put children's health at risk, as it is close to schools. The Municipality has been warned by many experts and engineers in the field of renewable energy not to go down this road.

As the ANC, we refuse to sit and watch the Democratic Alliance destroy all the hard work done by our National government to create a conducive environment for businesses to strive in the international markets for local produce.

Grapes, wine and other agricultural products are the backdrop of the regions economy. If the DA continues on this destructive path, many of our people will suffer the consequences of their mismanagement, their disregard for the environment, the economy, and the entire farming community along the bergriver.

The DA insists on carrying on with this project which begs the question, Who stands to financially benefit from this multibillion rand project? Clearly it's not the people and the local businesses.

Energy generated in this process of burning waste is NOT renewable energy, it is in fact "extremely dirty" energy, experts have warned.

Our March starting in Mbekweni stadium 09:30, is in solidarity with the communities demanding electricity, water and Sanitation and the protection of the environment, and a prosperous economy that creates jobs.

The DA has failed in its duties to uphold it's constitutional mandate to protect the citizens of Drakenstein and the environment.

In Sake: Bewusmakingsoptog – Saterdag 19 September 2015

Geagte Heer / Dame

Bovermelde skool gaan deur 'n vlag van inbrake, diefstal, vandalisme en strukturele afbreek van geboue en die skoolterrein. Ons beoog om op Saterdag, 19 September 2015 vanaf 09h00 tot 10h30, 'n Bewusmakingsoptog vir leerders, ouers, opvoeders en lede van die gemeenskap te hou.

Ons is van mening dat die inwoners en gemeenskap rondom ons skool 'n enorme bydra kan lewer om hierdie probleme wat tot die agteruitgang van ons skool as struktuur, met sy ryke akademiese geskiedenis, hok te kan slaan. Met hierdie optog wil ons die gemeenskap herinner aan die sosiale verpligting wat hulle het aan Weltevrede, om hierdie skool weer tot sy glorie te herstel, met haar Akademiese Etos "*second to none*." Hierdie Bewusmakingsoptog moet as duidelike boodskap aan ons onmiddellike skoolgemeenskap dien om weer eienaarskap van hulle skool te neem.

Ons sal dit baie waardeer indien u ons sal ondersteun om die veiligheid van leerders, ouers opvoeders en gemeenskaplede op die roete te help verseker, maar ook die flinke floei van verkeer kan help verseker. Opvoeders en ouers sal ook ondersteun om mense wat deel is van die optog ordelik en gedissiplineerd te hou.

Aangeheg is 'n roetekaart van die strate wat ons op ordelike wyse wys invaar. Ons hoop dat ons aansoek gunstig oorweeg sal word.

Met dank by voorbaat.

Die uwe
