(c) The list of textbooks available to each school:

The Department of Basic Education has developed a National Catalogue of Approved Textbooks for all grades from Grade 1-12 to support the implementation of the Curriculum and Assessment Policy Statement (CAPS). The National Catalogue has been sent to provincial education

departments for use in the procurement process for learners in all South African public schools. The list of approved textbooks listed on the National Catalogues can be found on the following URL : <http://www.education.gov.za/LTSMNotices/tabid/645/Default.aspx>

The attached table provides (a) the list of textbooks available to each school per subject per phase and (b) the languages in which these textbooks are available to each school.

It should be noted that there are presently no textbooks available for certain subjects/languages as no textbooks for these subjects were approved during the evaluation process for the national catalogue.
