No. P.S. 391

THE NATIVE COMMISSIONER,

TAUNGS.

Contributions to Government Provident
Fund. Mr. W. J. du Plessis.

Kindly collect Provident Fund contributions at the rate of 5% of the salary of the above officer who is employed as a temporary tractor driver on the Taungas Irrigation scheme.

Mr. du Plessis was appointed in this department on the 1st November, 1939, on transfer from the Department of Irrigation where he was a contributor to the Provident Fund.

Unfortunately his last pay certificate which was received by this office in January, 1940, was not transmitted to Taungas and consequently the necessity for continuing to make deductions from his salary was overlooked.

The amount of R4.4.0. which is the amount of the contributions due for the period 21st November, 1939, to 1st August, 1940, should be collected from Mr. du Plessis as soon as possible please. There is unfortunately no provision for the payment of arrears contributions in instalments.
