It means 9 that there is a belief in people that you must have balls -10 and I want to appeal to women not to take this as my way of speaking, I'm just trying to explain the particular context 11 12 - therefore meaning that you are man enough to withstand 13 any environment, so be strong and be prepared. 14 COMMISSIONER TOKOTA: Thank you very 15 much. The next question I want to check with you, in your 16 experience as a unionist, taking into account that Lonmin 17 had obtained an interdict on the 10th of August 2012, regard 18 being had to the incidents that had taken place on the 11th, 19 13th, could Lonmin have dismissed those illegal strikers 20 before the 15th or even the 16th for that matter, as a 21 result of this? 22 MR 70KWANA: Yes, the company could have 23 dismissed them if there were no opposing argument by a

2 MR MPOFU: Yes. 3 FURTHER CROSS-EXAMINATION BY MR MPOFU: 4 Mr Zokwana, arising from what Commissioner Tokota was 5 asking you about the translation, would you agree, 6 generally speaking, that the songs that get sung in those 7 kinds of occasions are not always to be translated 8 literally? In other words, sometimes the meaning is not 9 what it purports to be. 10 MR ZOKWANA: Yes, but you have to take into account that African songs, I mean generally, are sung 11 12 in different events. For instance, if young men are going 13 to the mountain you will sing Sonagwaza and you know its 14 meaning. Once, if you were to sing another song than 15 Sonagwaza, people will look at you and wonder if you are up in your head. So songs have got meanings and as I am 16 17 saying, the song I have referred to, I have said many people believe that the size of your body determines your 19 strength and I won't mention the part but I'm saying that 20 in my view that song was not sung in the NUM meetings. It 21 is a song that would be like taking a vow that this is a 22 stand we take and in taking this stand we are prepared, as 23 we have, to make sure that we are strong. 24 MR MPOFU: And - yes, and similarly if

Page 5230

CHAIRPERSON: Though they had the legal 1 2 right to dismiss the people who were engaging in an 3 unprotected strike, we know they didn't do so at that stage 4 certainly. Do you have any opinion that you wish to share 5 with us as to the wisdom or otherwise of their decision 6 not, at that stage at least, to exercise the right of 7 dismissal? MR ZOKWANA: 8 I will be just putting my 9 views and that's to say that maybe the company understood the magnitude of what they have to do if they were to re-10 look for machine operators to come on board. Remember that 11 12 machine operators are not just any other person you will just get along - or maybe they hoped that they may be able 13 14 to persuade some of the drillers to come back to work. 15 CHAIRPERSON: That's a really a question we should ask them rather than you. It's a question we 16 17 should ask Lonmin rather than you. 18 MR MPOFU: Chairperson, could I just ask 19 one or two questions arising from Mr Tokota's questions? 20 CHAIRPERSON: Do you want to ask one 21 question or two?

particular law firm to show reasons why that interdict

Page 5232 of the time which you and I agreed was relatively harmless and peaceful, the song that was sung there was "Dubula, dubula, dubula," which literally means shoot, shoot, shoot and would you agree with me that the literal - if someone 5 were to translate it literally, it would not go accord with 6 the mood of the people that you and I saw on that video. 7 In other words, the song was just a song, it didn't mean 8 anyone intended to shoot anybody on that day. 9 MR ZOKWANA: On this one song, it is a 10 song that is sung by workers generally and it has no 11 meaning to the intention as opposed to the first one we are 12 asking about. 13 MR MPOFU: Thank you, Chairperson. 14 CHAIRPERSON: Thank you, Mr Tip? 15 MR BRUINDERS SC: Commissioners, before -16 good morning, commissioners. 17 CHAIRPERSON: Good morning, Mr Bruinders. 18 MR BRUINDERS SC: Before Mr Tip re-19 examines could I, on behalf of AMCU, place something on

MR BRUINDERS SC: The witness. Those allegations were made for the first time during the crossexamination of Mr Zokwana by Mr Mpofu. In other words, that was after my colleague Ms Barnes had already crossexamined Mr Zokwana. They were also allegations that had 10 never been made before in any affidavits or when he was led by Mr Tip and so on. AMCU simply wants to place on record 11 12 that in relation to those allegations, they may fall in phase 2, we don't - we haven't decided that yet, but in 13 relation to those allegations it reserves its rights fully 14

16 CHAIRPERSON: Mr Bruinders, I don't quite understand what you're doing. Your clients have got 17 18 rights. The mere fact that they sit here silently and 19 don't ask the witness any questions wouldn't amount to an 20 abandonment of their rights, so they don't have to stand up

as to what to do later on about them.

21 and wave their arms in the air and say we reserve our

22 rights. Their rights would, in any event, not fall away -

23 but what exactly do you want to do? I mean do you want to

24 cross-examine on these points? Do you want to say in

25 argument perhaps at the end of phase 1 that they're Page 5235

should just make the observation in the hope that it will

2 assist the Commission - Mr Zokwana has, as we all know,

3 been giving evidence for some time and a range of matters

4 have been traversed in the course of certain of the

5 questions that were put. We wish to develop some of those

6 topics in a proper focused way and in a manner that will

7 assist the Commission -

> CHAIRPERSON: You have the fullest right to deal, in re-examination, with any matter that arose in cross-examination for the useful purposes for which reexamination may appropriately be used, which Mr Tokota explained to Mr Mpofu on an earlier occasion.

MR TIP SC: Yes. Mr Chair, I appreciate that and perhaps let me just make it more clear that some of those topics do not lend themselves to re-examination because they will be fragmented and I will identify them. The one particularly is the question of aspects of NUM's policy in relation to collective bargaining positions and the Commission will recall, for instance, that the topic arose as to NUM's attitude to differentials between the work force as a whole and particular segments of the work force and how that might affects its approach to

22

23 negotiation. That sort of aspect, we will be preparing

24 something that will be focused and to the extent

appropriate, documented and we will, at an opportune

Page 5234

irrelevant for the purposes of phase 1? Do you want to say

they're collateral matters on which you don't propose to 2

3 cross-examine because strictly speaking it wouldn't be

appropriate? I don't quite understand what you're doing.

5 MR BRUINDERS SC: All those courses

remain open to us and we simply say that they remain open 6

7 to us and we reserve our right to take those courses. We

8 might well argue that they're all irrelevant anyway but I'm

9 not placing on record now which of those - we haven't made

10 the election as to which of those -

11 [10:07] CHAIRPERSON: Well, I'm saying to you,

12 you haven't - by remaining silent, in any event, you

13 haven't abandoned any, the rights to any of those things so

14 you've said what you've said, I've said what I've said,

15 it's on record, shall we move on? Mr Tip, in the light of

16 that exchange, I don't know whether that's going to alter

17 your re-examination in any way. What you've been told is

18 those statements may conceivably be challenged at some

19 future date in some, in this or some other forum but -

20 MR_TIP SC: In the event of that

21 happening, I'm sure that we'll get notice and we'll deal

22 with it appropriately at that stage. Mr Chairperson,

commissioners, I had indicated in the course of the

25 on one topic only and I will, I will be doing so but I

Page 5236 moment, seek the leave of the Commission to place that

before vou.

CHAIRPERSON: That may be fairly material because the suggestion is made that that caused the rock drill operators to adopt a certain approach to NUM, so obviously material of that, dealing with that matter will be helpful but you'll give it to us at a later stage.

MR TIP SC: We will develop that in the proper way rather than in fragments here. And Mr Chair, there are one or two other aspects that perhaps won't be as helpful as that particular topic. We'll evaluate them properly with regard to the record and where we think it will assist, we will do so. Then if I may, Mr Zokwana, turn to you with the topic that I do want to re-examine you on and to just place that in context, you will recall that you've been asked a number of questions that, to one or other extent, were based on paragraph 4 of Mr Sitelele's statement. Do you recall that paragraph?

MR ZOKWANA: Yes.

MR TIP SC: And some of the questions that were put to you, in fact several of the questions that were put to you went along the line of seeking to raise the contention that the possibility was that NUM had indicated to RDOs that it could not assist them with their demand for R12 500 and that that may have given rise to the decision

     Mr Zokwana, what I just want to make clear at the outset is

                               Now before I come to OO17,

                                                                    18

18
     which is the initial witness statement of Mr Da Costa,
                                                                                                  He says, "I went on to

                                                                        ways of raising their concerns. By way of example I

     to refer to one sentence in it, I'll just read it out.
                                                                        indicated to them that the concerns they had" and then it
                                                                        says in brackets, "(which they had not yet discussed with

second sentence, he says "They then went on to state that

their respective unions." And in paragraph 3.16, the

19

```
the matter only concerned RDOs at Karee and it was
2
    therefore not appropriate for them to raise it with their
3
    trade unions or with line management."
```

4 MR ZOKWANA: Yes, I see that.

5 MR TIP SC: In paragraph 3.18 and 3.19 at the same meeting the two representatives then identify that 6 7 they are really after an increase in their remuneration to a basic of 12 500 per month. Mr Da Costa says that he 8

9 advised them that there was a procedure for negotiating 10 salaries and that the issue should be dealt with through

the established central bargaining structures, do you see 11 12 that?

13 MR ZOKWANA: Yes, I see that.

14 CHAIRPERSON: I think, Mr Tip, it should 15 be pointed out that in 3.16 he says that they said that

because it only concerned the RDOs, it wasn't appropriate 16

for them to raise it with their trade unions or with line 17

18 management and that they, that's why they wanted the matter

19 dealt with outside the ordinary wage negotiation

20 structures, which is what is said in 3.22 which you're now

putting to him but the point is though they were members of 21

AMCU, he says he only discovered that later, they didn't 22

23 mention that. They said they wanted to deal with the

24 matter outside the union structures but I think it's a

25 point that should be put to the witness at this stage.

Page 5242

MR TIP SC: Yes, certainly, Mr Chair. Mr 1 Zokwana, you've seen that portion in paragraph 3.16? 2

3 MR ZOKWANA: Yes.

4 MR TIP SC: And as the Chairperson has 5 correctly pointed out, the two representatives did not at

the time announce themselves as AMCU members, that is 6

something that he established after the meeting had come to

8 an end.

7

15

22

9 MR ZOKWANA: Yes, yes, they didn't explain that to him, they didn't say that. 10

11 MR TIP SC: And you've taken note of the 12 sentence that the Chairperson has read out?

13 MR ZOKWANA: Yes, yes, I've done.

14 MR TIP SC: Yes. Then if I may just go

back to paragraph 3.18 after the portion that I'd indicated where Mr Da Costa said to them that they should take this

16 17 up with the central bargaining structure and he then says,

and I quote, "They objected to dealing with the matter in

18 19 this way because, so they told me, they did not want any

20 union involvement in the matter."

21 MR ZOKWANA: Yes, I see that.

ARCHIVE FOR JUSTICE

MR TIP SC: And in paragraph 3.19 the two gentlemen, the two representatives went on, he says, to

express the view that trade union involvement would only be

appropriate if the issue raised was one which affected the

Page 5243

Page 5244

entire work force. "They stated that the issue they came

to see me about affected only RDOs at Karee and for that

3 reason the unions should not be involved."

MR ZOKWANA: Yes, I see that.

5 MR TIP SC: And then still at the same

6 meeting in paragraph 3.22, the second sentence - well, I'll

7 read the first couple of sentences – "The conversation was

8 an engaging one which went on for approximately one hour.

9 I kept referring back to the structures in place which

10 dealt with wage negotiations, whereas they kept stating

11 that they wished to deal with the matter outside of those

12 structures." Now of course, Mr Zokwana, you were not at

13 that meeting, you're not in a position to say anything

14 about it but in terms of your understanding of the events 15 as they unfolded, would this description of that first

encounter by Mr Da Costa appear to you to accord with what

17 followed?

18

MR ZOKWANA: Yes, I can only come to a view that says this was the beginning of the whole demand.

20 It began when that area, Impala – sorry, at – sorry, sorry,

21 at Lonmin but at Karee raised on that time but it was to

22 carry on to come to what it came to be later. It was the

23 beginning of the demand, in my view.

24 [10:27] MR TIP SC: Then I want to turn to

paragraph 3.26 which is where Mr Da Costa deals with the

next meeting between himself and the RDOs and their

representatives. That meeting was on 2 July 2012 and I'll

3 just summarise. He says that on that occasion five

4 representatives came to him. There was Maggabine and

Mofokeng, there were two others, Mtshake and Motobe. He

established that later, that they were AMCU members and we 6

7 now also know from the questions put to you by Mr Mpofu

8 that the fifth person who was there was Mr Simphiwe Boye.

9 MR ZOKWANA: Yes.

MR TIP SC: 10 And it will go on record soon 11 enough that he also was a member of AMCU. Then I want to

12

just place on record a portion of paragraph 3.27, if you

13 would - which captures, it appears to me, the essence of

14 the nature of the interaction that took place on that day. 15 The third sentence, and I'll read it, I quote, "I further

16 expressed my view that the issue could not be dealt with in

17 the manner in which the RDOs had dealt with it and that it

18 should take place through the proper wage negotiation

19 process. I then pointed out to them that there was a two

20

year wage deal which was still in place and that the next 21 wage negotiations would be held towards the end of 20:13.

I also indicated to them that in the light of all of this,

Lonmin was highly unlikely to increase their salaries as 23

24 requested. Lonmin was concerned that if it had started

separate negotiations with RDOs, Lonmin would have been

Page 5247

Page 5248

Page 5245

required to be consistent and thereafter negotiate with

- other individual groupings as well. Their response was 2
- 3 that if other groupings had similar issues, they could deal
- 4 with me directly."
- 5 MR ZOKWANA: Yes.
- MR TIP SC: 6 And as is apparent from the
- 7 passage that I've put to you, Mr Zokwana, certainly by no
- later than 2 July 2012, the entire question of the 8
- 9 relationship between the RDOs' demands and the role of
- 10 central bargaining had been clearly identified and they had
- set out their response to it. 11
- 12 MR ZOKWANA: Yes, I agree with you
- 13 because by that stand - by that stage, as early as that
- 14 time the RDOs were against any processes of negotiations on
- their issue. They wanted it to be done as a separate 15
- matter. 16

1

- 17 MR TIP SC: Then just for the purposes of 18 narrative, in paragraphs 3.29 and 3.30 Mr Da Costa
- 19 describes that after this meeting had concluded with the
- 20 five representatives, they gave feedback to a meeting of
- 21 RDOs. Later in the afternoon there was a march of RDOs to 22 his office. He wasn't there, they dispersed. Then the
- 23 next meeting of consequence is on 23 July 2012, some three
- 24 weeks later and if you turn to paragraph 4.1 -
- 25 MR ZOKWANA: Yes?

- the crowd. I was asked, 'What do we do tomorrow?' I
- replied that the RDOs should return to work. I was then
- asked, 'How do we return to work when you have not given us
- what we want?" And, says Mr Da Costa, "I stated that if
- 5 the RDOs did not return to work this would amount to an
- illegal strike." All of that on 23 July 2012. 6
- 7 MR ZOKWANA: Yes, I see that.
 - MR TIP SC: On 30 July 2012 the
- 9 announcement was conveyed to the RDOs of the EXCO decision
- 10 of Lonmin to approve certain allowances to different
- categories of RDOs, their deputies and assistants. You're 11
- 12 familiar with that, Mr Zokwana?
- 13 MR ZOKWANA: Yes, yes, I am.
- 14 MR TIP SC: And in paragraph 4.12 Mr Da
- Costa says, "Maggabine and Mofokeng advised me that they
- were unhappy with the offer because it did not meet the R12
- 17 500 demand. However, they advised me that they would
- communicate the offer to the other RDOs. They did not
- 19 undertake to revert to me, nor would there have been any
- 20 purpose in doing so because I had no mandate to negotiate
- 21 the allowances with the RDO delegation." You will see from
- 22 that, that Mr Da Costa is alive to the importance of a
- 23 mandate for the purposes of negotiations. Does that in a
- 24 sense run parallel to the concern which you've expressed
 - more than once for the need of a mandate by NUM -

Page 5246

- MR TIP SC: He says that the five
- representatives again came to his office. In the third 2
- 3 sentence he says, "The mood at the meeting from the RDO
- 4 representatives was more aggressive. I advised them that
- 5 Lonmin would not agree to an increase in the basic salary
- of RDOs to 12 500. During the course of our discussion I 6
- 7 could sense the potential for strike action."
- 8 MR ZOKWANA: Yes, I see that.
- 9 MR TIP SC: And just to put that in a bit
- of context I didn't read the passages from the earlier 10
- meeting but he does say, Mr Da Costa, that at the meeting 11
- 12 of 21 June 2012 the attitude of the representatives who
- 13 came to him on that day was respectful and that the meeting
- 14 was cordial, so he is noting a shift.
- 15 MR ZOKWANA: Yes, in such meeting he
- 16 noted that.
- 17 MR TIP SC: Then in paragraph 4.2 and
- 18 4.3, again I'm just going to summarise, there he discusses
- 19 the event of him speaking to the crowd of the RDOs, the
- group that had been outside the office in the course of the
- 21 meeting of 23 July and that he again said to them as a
- 22 whole, that this was a matter that should be dealt with
- through the recognised bargaining structures and in
- paragraph 4.3 he notes the following, "After I spoke,

 - MR TIP SC: Now as part of the

- 12 MR ZOKWANA: I do have.
 - MR TIP SC: Exhibit YY1, if you could
- 14 turn to paragraph 6.
- 15 MR ZOKWANA: Yes, I do have it.
- 16 MR TIP SC: He deals there with the NUM
- 17 report back meeting which was held at four o'clock in the
- afternoon on 8 August 2012, do you see that? 18
- 19 MR ZOKWANA: Ja, I see that, yes.
- 20 MR TIP SC: And he speaks about the
- 21 report back to the members concerning the allowances that
- 22 had been decided upon by Lonmin and then he says, and I
- 23 quote, "At that meeting some of the RDOs indicated that
- 24 they would approach management directly concerning their 12

MR MABUYAKHULU: 18 CHAIRPERSON: Before he starts giving Saturday with the lawyers. When I arrived at the place 19 evidence, there was a matter that was raised with me and my 19 where I reside I was told that there was a private - oh, 20 colleagues in chambers. Later another person came to me and advised me not 22 MR MPOFU: 22 Yes, Chairperson, I raised it to put up in the house because there were people looking 23 with Mr Tip in the morning, not since I raised it with you 23 for me. I did so, Mr Chairperson, I didn't sleep in my but it was raised with Mr Tip and what I did not say to Mr 24 residence on that night, I put up somewhere else. On 24 Tuesday at the Commission here, I was approached by another 25 Tip was that I did not intend to raise it specially but Page 5254 Page 5256 through the witness at the end, which I'm now raising with 1 person who said to me I have to be careful, he has been 2 everybody - unless if it's felt that it should be raised up told that there are people looking for me and he said he's 3 front, which might be a gang or members of the NUM. - attention at an earlier stage of the week but, Mr Chair,
- 2 let me just say this, this is now being stated under oath,
- 3 I certainly don't intend to embark on a cross-examination
- 4 of Mr Mabuyakhulu in respect of these events and aspects of
- 5 what he has said and who told him things and who can
- identify persons. We, as the NUM, have had occasion to 6
- 7 deal with similar complaints at a very early stage in the
- proceedings where allegations were made about AMCU people 8
- 9 having been subjected to some or other form of harassment.
- We've discussed those situations fully with the NUM 10
- 11 leadership here and at the regional level and I can assure
- the Commission that no event of this kind could have been 12

sponsored or would have been sponsored by any structure of 13

14 the NUM in or around Lonmin.

That having been said, I will of course take it up now that we have some details in relation to the event and in whatever way that we can ensure that the concerns that Mr Mabuyakhulu has expressed will be addressed - but nothing that I have said should be understood as implying any kind of admission in respect of the truth of what he has said or the reliability of what are essentially hearsay allegations that there were people of NUM involved in these events. We [indistinct] that but I can give the assurance to the Commission that NUM's ongoing position is one of

This Commission has embarked upon a task which is very important for the future of this country. It is important for all of us that the Commission be allowed to do its work without anyone who comes to give evidence before it, being interfered with in any way. And therefore I trust that all of you who are here present will not only take seriously what I've said but convey it to those of your friends and associates who are not here in the auditorium today.

Mr Mabuyakhulu, if anything happens which causes you to fear that what I've said has not been taken seriously by everyone concerned, do not hesitate to communicate it to the evidence leaders and of course to your own lawyers who will then see to it that the machinery of the law is put into operation so that you receive the protection to which you're entitled. Understand?

17 MR MABUYAKHULU: I'll be grateful.

> CHAIRPERSON: Please proceed, Mr Mpofu.

19 MR MPOFU: Thank you very much,

20 Chairperson. Without pressing, Chairperson, I just wish to 21 place on record that we, as well as the legal team, will be

22 seeking the guidance of the Commission because we are

23 obviously not equipped to provide witness protection. We

24 have just stepped in because it was an emergency but

obviously that's not a matter that can be discussed in open

- 4 CHAIRPERSON: Mr Mabuyakhulu, you heard
- 5 what the representative of NUM has said.
- 6 MR MABUYAKHULU: I heard.
- 7 [11:43] CHAIRPERSON: What he's – and he has
- impressed upon the local leadership of NUM that any conduct 8
- 9 of the kind that you fear will be frowned on and is not to
- 10 be - not to happen, and that instruction has apparently
- 11 been passed down to other members of NUM. Inasmuch as you
- 12 say that the suggestion that people who were looking for
- 13 you who were members of NUM were here at the Commission, I
- want to say to all those present in the auditorium that up 14
- 15 to now this Commission has proceeded in a very harmonious
- fashion. It's important for this Commission to be able to 16
- 17 do its work properly and to ascertain the truth of these
- 18 events that we're investigating, that all witnesses who
- 19 come to give evidence before us should be able to do so
- without fear of any repercussions or violence of any kind
- 21 and if anything happens which constitutes inference with a
- 22 witness any witness, not just this witness but any
- 23 witness we in the Commission will do our best to ensure
- 24 that the full weight of the law is brought to bear against

MR MPOFU: Thank you, Chairperson, I

10 appreciate that swift action. Mr Mabuyakhulu, the last

question I had asked you or rather I pointed you to BBB8. 11

I will read out certain parts of that statement to save

13 time, sometimes word for word, sometimes paraphrasing them,

14 depending on the importance of the section but I would like

15 us now to go through that statement. According to the

16 statement, you are a 31 year old RDO who comes from the

17 Ingwavuma area of KwaZulu Natal and you have been in the

18 employ of Lonmin since January 2008, can you confirm that?

19 MR MABUYAKHULU: That is correct.

20 MR MPOFU: And according to the second

paragraph of your statement, on the 9th August 2012 there

22 was a meeting called for all RDOs from C shaft, which was

- to us and said those people are gone, they have gone to
- talk to the employer, that we should wait there. After 2
- 3 some time the white people came back to us but they didn't
- 4 have anything to report back to us and a decision was then
- 5 made that we proceed further to the employer. On arrival
- there, we had a tape -6
- 7 MR MAHLANGU: He refers to this as a
- 8 danger tape.
- 9 MR MABUYAKHULU: - and next to the danger
- 10 tape were security officers who were armed. We had not 11
- gone there to fight. We stood on the one side and allowed
- 12 the people that were selected to proceed further. The five 13 that were selected went in and after some time returned
- 14 back to us and made the following report, that the employer
- had said to them that the NUM had said they should, the 15
- 16 employer should not talk to us. We asked them to return
- 17 back to the employer to go and ask what should be done
- 18 next. They came back to us and reported that the employer
- 19 says we can do what we want, then let's make the decision
- 20 what to do. This is where the problem started, Mr
- 21 Chairperson. We decided that let's go and sit down and
- 22 talk and allow the employer to come back to us and this is
- 23 where the trouble started.
- 24 MR MPOFU: Sorry, Mr Mabuyakhulu, before
- 25 you made that decision did you disperse from the LPD and

- employer to talk to us, because the person who employs us
- is the employer and they, the NUM, are in those offices
- because of us. A report was also received by others who
- made a report that some people had been shot by members of
- the NUM who were driving around in a Quantum that is owned
- 6 by the mine. There were also reports, Mr Chairperson, that
- 7 some of the people that had gathered there with us later
- 8 went to the buses to go and find out what is happening and
- 9 when they arrived at the buses they were pointed, guns were
- pointed at them and they were told to get to work,
- forcefully so. The decision that was then arrived at there 11
- 12 was that we go to the NUM to go and enquire from them as to
- 13 why they do not want us, the employer, to talk to us.
- Okay, alright. It's common 14 MR MPOFU: 15 cause that the gathering at that point then marched towards

the NUM offices where -

- 18 MR MPOFU: But what is in contention is
- 19 that the - while you state in your statement that you did
- 20 not have any violent intentions and none were discussed,
- 21 there have been suggestions, I wouldn't call it evidence as
- 22 such but there have been suggestions that the reason to go
- 23 there was indeed or rather did entail violent intentions,
- 24 including burning up of offices, a vehicle and maybe even
 - harming the people. Are you aware of that?

Page 5266

- did you meet somewhere else or -
- 2 MR MABUYAKHULU: From the LPD we
- 3 proceeded together to the place where we had originally
 - been and it was from there that we dispersed.
- 5 MR MPOFU: Yes and then at the Wonderkop
- Stadium, which is the original place where you had met, 6
- 7 what decisions did you then make about the way forward?
- MR MABUYAKHULU: 8 We came there, said the

- 16
- 17
- 18 the 11th?
- [12:03] MR MABUYAKHULU: We met again the
- 21
- 22 different views, seeing things differently about what
- 24 some people came out with ideas that why don't we go to the
- 25 NUM and ask them why is it that they don't want the

- report that was made and then the decision was made that we
- wait for the employer there, unless he has changed his
- MR MPOFU: So was the decision then to
- 15 the employer would speak to you?
 - MR MABUYAKHULU: Yes.
 - MR MPOFU: Okay and then what happened on
- following day at about 9 o'clock. I arrived there at about
- nine in the morning. We discussed, people came with
- transpired on the 10th. As a result of these discussions

- Page 5268 MR MABUYAKHULU: No.
- 2 MR MPOFU: And when you, as you say in
- your statement that there was an exchange of views which
- preceded the march, were any of those views including a
- call to go and cause some of the violence that I've
- described?
- 7 MR MABUYAKHULU: No, nobody mentioned
- 8 that.

16

1

- 9 MR MPOFU: Right. Now, it's also common 10 cause that the march proceeded through the street that has
- 11 a taxi rank, would you agree with that?
- 12 MR MABUYAKHULU: That is so.
- 13 MR MPOFU: In other words, you proceeded 14 from the stadium and then turned at right angles into the
- street that has the taxi rank. No, it's the left hand. 15
 - MR MABUYAKHULU: Yes.
- 17 MR MPOFU: Okay, now once again as I've
- 18 said, when we get to contentious material I would prefer it
- that you give it yourself. What then happened as you were 19
- 20 proceeding towards, in the street in the direction of the 21 satellite police station?
- 22 MR MABUYAKHULU: Whilst we were walking
- 23 there, there is a street that joins this one in which we
- were walking and it is there that we came across members of
- the NUM who were singing a song. When we met these people

Page 5271

Page 5269

- they were singing this. The first thing I heard was "AMCU
- 2 Karee," then there was a gunshot and then they said, then
- 3 it was said "Eastern Bop" and another gunshot. We turned
- 4 away and ran away. As we were running along, I saw one
- 5 person dropping, I thought he had been hit. I turned
- 6 around and went to the opening at the precast wall - which
- 7 he refers to as a stop nonsense. As we were proceeding
- after going through the opening into the stop nonsense 8
- 9 there is a row and as we were running around there, I felt
- 10 some cold substance on my back as I was running. I told
- the other people with whom I was running because I'd become 11
- 12 aware of the fact that I'd been shot, I drew their
- attention to the fact that I was shot but I tried to run 13
- 14 away. There was no-one who was prepared to help another
- 15 man there, it was difficult, we were all running away. I
- tried to run away, turning towards the buses, the bus rank, 16
- and as I was going up, when I entered the main road my 17
- 18 right hand side just became dizzy and I collapsed. It was
- 19 difficult for me to come up after I'd fallen. The NUM
- 20 members were following from behind. They found me lying
- 21 down there. They asked me where do you work. I lied to
- them, Mr Chairperson, and said at the Rowland Shaft. They 22
- 23 asked my station, I said to them stage 25. One of them
- 24 spoke in Xhosa and said, "He's lying, he's working at
- 25 Karee, he's an AMCU person." One of them appeared from the

- side and said, "Let's finish him up." One of them that I
- could see was standing on my left hand side as he points 2
- 3 out - had a spear but he hit me on the back with the handle
- 4 of the spear until it broke. There was one who was
- 5 standing right in front of me wearing white overalls and
- with an NUM T-shirt. He had a butcher's knife. I felt a 6
- 7 blow on the back of my head, whether it was with his
- 8 butcher's knife or anything - I then, from there I lost
- 9 consciousness. Later at hospital, when I felt the stitches
- 10 on my head I noticed I had several other injuries.
- 11 MR MPOFU: Mr Mabuyakhulu, before going 12 to hospital - we will come to that - after your, the
- 13
- assault that you have just described and after losing
- consciousness, after some time obviously you won't know 14
- 15 after how long - you did regain your consciousness and you
- were still at the scene where you had fallen, is that 16
- 17 correct?

1

- 18 MR MABUYAKHULU: It was after they had
- left me, yes, that I came by. I tried to crawl, to crawl 19
 - away from there in order to so that when they come back
- 21 they shouldn't find me there. There is an opening, a
- 22 fence's opening, I went through there in an endeavour to
- get away from where I was. One person arrived there and
- 24 said to me, hey man, we are together with you but I just
- 25 tried to run away because things were bad here. Mr
- ARCHIVE FOR JUSTICE

- Chairperson, at that time he asked me how he could help me,
- if I had a number that he could dial or anything. I had
- the number which I'd been trying to dial on my phone but I
- had the difficulty of bringing it to my ear. I then showed
- 5 him the number. He said to me thereafter, please relax,
- 6 don't be scared, I have phoned this person, I have also
- 7 phoned the police. He helped me by undressing me, removed
- 8 my jacket and also removed my shoes. I lost consciousness.
- 9 I am told later that some of my people arrived there. I
- 10 later became conscious at the hospital, I came by at the
- 11 hospital where certain pipes had been put in my body, there
- 12 were instruments with which I could breathe, I had stitches
- 13 and they were just trying to keep me alive.
- 14 MR MPOFU: Yes. Mr Mabuyakhulu, I don't
- 15 think it will be disputed that from the scene while you
- were unconscious you were taken to Andrew Saffi Hospital
- but as I understand your evidence, when you came to you 17
- were at Ferncrest Hospital. So are you telling the
- 19 Commission that you did not know that you had been
- 20 transferred from one hospital to another, at least you were
- 21 not aware of your first day at Andrew Saffi?
- 22 MR MABUYAKHULU: I only came by after the
- 23 stitches had been made, the operations had been made. When
- 24 this was made and where, I am not aware.
 - MR MPOFU: Now, we know that - rather,

Page 5272

- you say that you are unable to say on which day you
 - regained consciousness, is that correct?
 - 3 MR MABUYAKHULU: I don't remember.
 - 4 MR MPOFU: Alright, okay, one thing we
 - know objectively is that on the 17th of August you, by then
 - you must have regained your consciousness because that is 6
 - 7 when the statement which has now been marked XX6(1) was

 - 8 made. Would you accept that?
 - MR MABUYAKHULU: That is so.
 - 10 MR MPOFU: Now can you - well, firstly,
 - 11 do you agree with everything that is reflected in that
 - 12 statement?
 - MR MABUYAKHULU: No, there are certain
 - 14 things that are incorrect.
 - 15 MR MPOFU: Now before we go through those
 - things, can you just explain to the Commission the
 - 17 conditions under which the statement was taken, what
 - 18 happened?
 - 19 MR MABUYAKHULU: Yes.
 - MR MPOFU: Please do.
 - 21 MR MABUYAKHULU: When the police arrived
 - on the 17th it was, I still had difficulties. One thing I
 - 23 still remember is that they indicated to me that they were
 - 24 in a hurry, though I'm not quite sure about - there was an
 - argument between them. One was saying, "No, don't take a

            MR MPOFU:

            MR MPOFU:

What do you think that was about?

[12:23] MR MABUYAKHULU:

appears here as mine, this is not mine. Actually my statement, the way I explained it actually commenced on the MR MPOFU: Okay. Now there's also reference in your statement that the people at the NUM offices started throwing stones and hit others with the knobkerries. MR MABUYAKHULU: That I don't know anything about. MR MPOFU: And then somewhere, I think at the end of the statement, it says that you want - you requested the police to investigate, as you are a member of AMCU. In other words, you wanted them to investigate because you are a member of AMCU. Did you say anything like that? MR MABUYAKHULU: That I don't know anything about. MR MPOFU: And can you tell the Commission what was your physical condition at the time? MR MABUYAKHULU: I still had a serious difficulty pertaining to my health. I had a difficulty at that stage of even turning around, I could not wake up, I could not feel my head, my head was dizzy- as it is right now, even if when my hair is being cut, I lack that feeling

difficulty in communicating, even the telephone number that

Page 5274 here, Mr Chairperson, is that the police were asking me who 1 are the people that we used there to represent us and I 2 3 said to them, I don't remember everybody but the one I 4 remember, his name is Boye. I remember him because he 5 works together with me. MR MPOFU: 6 Okay, so can we accept then 7 that the Boye was not the name of a mine but the name of a 8 person? 9 MR MABUYAKHULU: Yes, Boye is a person's 10 name and these are some of the mistakes that happened. MR MPOFU: And is the person now known to 11 12 you as Mr Simphiwe Boye? 13 MR MABUYAKHULU: Yes. 14 MR MPOFU: Right. And then there's reference - well, first of all the statement, what can you 15 16 say about the sequence of the dates in the statement? 17 MR MABUYAKHULU: The question is again, sir? 18 19 MR MPOFU: I'm saying the fact that the statement starts on Saturday the 11th and then goes back to 21 the 10th, is that how you were telling the story or did you 22 tell the story in the sequence you have told the Commission? 23 MR MABUYAKHULU: Mr Chairperson, the

25 difficulty we had here was the language. We had a

The manuscript, yes okay. MR MPOFU: 11 MR MAHLANGU: 11 It is correct, Mr 12 12 Last paragraph of the first page, if I can just have a Chairperson, I was definitely going to come to that. Court 13 look. Yes. If I may just finish the point that I was 13 interpreting is actually not a word for word translation. 14 making, then we'll come back to that. The only point I 14 I was going to come to that. The witness says the talk of the shooting was mentioned in the meeting of the 11th but really wanted to make, Mr Mabuyakhulu, is that that A2 15 reports your mental health and emotional status as how it came about to be written here bugs my mind, it's 16 17 depressive, depressive demeanour. 17 totally confused as it is. 18 MR MABUYAKHULU: I agree with hit. 18 MR MPOFU: I'm sorry, I think it's my And for the record, fault, I disturbed you. And then he said something about 19 MR MPOFU: 19 20 Chairperson, it looks like the stamp on that is the 13th. I 20 the fact that on the 11th indeed there was talk of some 21 don't know what that means but the stamp is stamped the 21 event related to that. 13th. Okay now - I suppose what I'm really getting at is, 22 22 MR MAHLANGU: Yes 23 that state which is recorded there which you have 23 MR MPOFU: Maybe we should just ask the 24 confirmed, was that your state for some time after the 24 witness to repeat. 25 incident? 25 MR MABUYAKHULU: As I said, on the 11th Page 5280 Page 5278 various reports were made. There was mention of people MR MABUYAKHULU: 1 It took some time, being shot by NUM. Late in the evening we met there and 2 Chairperson. As you can see, the police statement, this

3 was done on the 17th and this was - this has also proved to 4 me that when this statement was taken I wasn't in the right 5 state of mind. MR MPOFU: 6 Okay, now let's go back to the 7 statement itself. Can you - there's a part, okay, you can use the typed version just for convenience, XX6(1) and I'm 8 9 going to ask you to comment, firstly, whether you said this and if you said it, what was the context. The statement 10 says, and I'm quoting now, "Someone come to the meeting 11 12 saying that on Friday 20/12 08:10 the members of AMCU were 13 shoot by the members of NUM. After getting those news a person whom I can point if I see said we call go to NUM 14 15 office to hear why they are shooting people of AMCU we walked through the hostel." I suppose that's a new 16 17 sentence. Okay, putting aside the grammatical issues do 18 you – what comment can you make on that portion of the statement? It says, "After getting the news from a person whom I can point."

MR MAHLANGU: Whom I can point. What's the next sentence?

23 MR MPOFU: I sympathise with you, Mr 24 Interpreter. I'm trying to make some sense – I think from 25 "We walked through the hostel" is supposed to be a new

MR MPOFU: Okay, so to clarify this, this whatever is sought to be conveyed in that paragraph that we read to you, do you read it to relate to your earlier evidence that on the 11th one of the issues that was raised was, pertained to things that had happened on the 10th?

MR MABUYAKHULU: Mr Chairperson, because of the condition in which I was at the time I didn't even know that there was a police statement but after reading through it, I started seeing that at one or the other time there were policemen there but the statement is so confused

that it confuses me.

MR MPOFU: Okay. Now, just to be sure,
you are aware that the statement has some writing, the
manuscript statement, each page has a handwriting of
Vusimuzi. So were you, did you know that you signed the
statement or what is the position?

MR MABUYAKHULU: No – no, not at all.

           MR MPOFU:
                              Alright. Alright, so anyway
3
    the issue is that whatever happened on that day, you had by
4
    then regained your consciousness to some degree?
5
           MR MABUYAKHULU:
                                      I was conscious at the
    time, though I was still not in a right state of mind. I
6
7
    do remember the police coming there. They enquired about
    the bullet, which bullet was only removed at the hospital.
8
9
    The police took the bullet and I was told that on my
10
    discharge from hospital I will be given the results.
11
           MR MPOFU:
                              The results of what?
12
           MR MABUYAKHULU:
                                      As to the bullet that
13
    was removed from me, as to who shot me.
14
           MR MPOFU:
                              Yes. Well -
15
           MR MABUYAKHULU:
                                      I haven't [inaudible] up
    to today and no explanation was given as to the shooting,
16
17
    my shooting.
18
    [12:43] MR MPOFU:
                                Right. The promise to follow
19
    up and identify your shooter or shooters, has it been
20
    carried through?
21
           MR MABUYAKHULU:
                                      I last saw them on the
22
    17th, I have not met the police thereafter.
23
           MR MPOFU:
                              Okay, well, while we are on
24
    that topic, just to make double sure because from your last
25
    answer that the last time any policeman spoke to you was
```

2 MR MABUYAKHULU: The last time I saw the police was the 17th and never thereafter. And I take it that you also MR MPOFU: have not been to any ID parade of those seven people or 6 been shown footage of the NUM people who were involved so 7 that you could identify your assailants. 8 MR MABUYAKHULU: No, that has not 9 happened. The only time I saw this was during the 10 consultation with my lawyers when we saw this on video, not 11 at the police. 12 MR MPOFU: And when you saw it on video, from your lawyers, were you able to identify some of your 13 assailants and what else were you able to identify? 14 15 MR MABUYAKHULU: The one I could point out very clearly is a person I know, it's the one who said 17 to the others, "I know this man, he's from Karee," as I was 18 lying down. On the day, also appearing on the photos, on 19 the day of my shooting I had a kierie. I saw my kierie 20 there, it was being carried by the person who said I should 21 be finished up there because I come from Karee. 22 MR MPOFU: Before we get there, firstly 23 that footage, did you see it in the past two days? 24 MR MABUYAKHULU: It was during this week, I think it was Tuesday or Thursday.

Page 5282 the 17th, then the answers to the following questions would be self-evident but I'll ask them anyway. If you go to XX5, XX5 is the statement of one of the people who was also shot at that scene, also shot at the back. Chairperson, these - okay, let's rather do it from the back. It's the second page from the back of that statement. At the top it says "Investigation Diary" C5. You'll see there paragraph 6 says that, "The suspect here is Mr Brown," whom we now know to be Mr Setelele - if I can just read it out - "and his other seven NUM members who started shooting at the marchers before they could enter the gate." Do you see that part? MR MABUYAKHULU: I understand that, yes. MR MPOFU: And then number 8, it says "Mr Julius as well as Brown should be thoroughly interrogated to clear as to who was part of the people who" - I don't know what that word is, I suppose "who were," something like that - "defending their property." Properties, thank you. Yes, and then on the next page dated the 21st August it says, "Docket received from inspection and instructions

are noted and shall be complied with." Now, since that

to deal with the suspects, have you ever been contacted by

22 decision to follow up and interrogate people and all that,

contained in your previous answer but for the sake of

24 members of SAPS and, as I said, the answer I think is

Page 5284 MR MPOFU: Now just for clarification, 1 3 saw the thing with you but I'm not a witness - did you just describe two separate people in your previous statement to 5 the Commission, in your description of what you observed? 6 MR MABUYAKHULU: The one person I could 7 identify is the one that I saw on the day as I was lying there. He was wearing a white overall with an NUM skipper and a butcher knife, which also appears on the video. It's 10 only the NUM T-shirt that is not visible on the video that 11 I saw. 12 MR MPOFU: The other one? 13 MR MABUYAKHULU: He is the same person, a person that I also know, he's the one who said there I am 15 lying, I'm from Karee, who appears on the video carrying my 16 stick. 17 MR MPOFU: Chairperson, could we play the footage? Or could we do that maybe when we - rather if we 18 19 could play the footage -20 CHAIRPERSON: Are they ready to show it 21 now? 22 MR MPOFU: Not long, Chairperson. 23 CHAIRPERSON: 24 MS PILLAY: Chairperson, they are ready and they're very short clips.

Page 5285 CHAIRPERSON: I think let's have the 1 videos now and perhaps if we can take the adjournment -2 3 MR MPOFU: After lunch. 4 CHAIRPERSON: - and you can continue 5 questioning after lunch. MS PILLAY: 6 If I could just indicate, 7 Chair, for the benefit of the parties, that the videos are 8 SAPS hard drive\video\2012-08-11\AMCU2012-08-3 089090 and 9 091. Chair, if we could mark these videos CCC1.1 to 1.4. 10 MR MPOFU: Thank you, Chairperson, if I 11 may just indicate to the operators just to be on the alert, I might ask you to pause at particular points, thank you. 12 Mr Mabuyakhulu, if you - you can use that screen. If you 13 want to get closer to it, with the permission of the 14 15 Chairperson, you can get closer. MR MABUYAKHULU: I think it will be clear 16 17 from here. 18 [VIDEO IS SHOWN] Chairperson - can you just 19 MR MPOFU: 20 pause? This is a different footage but for the sake of 21 saving time we might as well play all the footages and I'll 22 ask questions on what I was dealing with, but just so that 23 we don't have another pause, we'll play all of them. 24 They're all short, Chairperson. 25 MR TIP SC: Before this footage is

about the - or rather. I might not have raised it with him. 2 I think I raised it with another witness because I wasn't 3 here for Mr Setelele but the point about there being seven 4 witnesses and all that was raised with the NUM witnesses 5 and the point there, which is the same point that is being 6 made here, was simply that there had not been a follow up, 7 rather than to pinpoint specific people. 8 MR TIP SC: Well, in the light of that my 9 objection, with respect, becomes a firmer one. We've had 10 the assurance that none of the persons who has testified is 11 featured in the event. The event itself of course was - or 12 at least the presence of Mr Mabuyakhulu was dealt with by 13 one of the witnesses in passing and none of the present 14 contentions have been raised but if the link of, the 15 purpose of showing this is to the paragraph in a different docket which is XX5, relating to a different person, not Mr 17 Mabuyakhulu, to in some sense underline the existence of an instruction from an investigating officer that Mr Brown, as 19 he's called, and seven other persons from the office must 20 be interrogated by the police, then that is something for 21 the police to do. This is, with respect, not a forum where 22 some step in what might otherwise be a police 23 investigation, is to be dealt with in this way and in a 24 public forum of this kind. 25 CHAIRPERSON: Mr Mpofu, I have a slightly

Page 5286 played, if it can just be stopped. I just need the 2 guidance of the Commission because this now is evidently 3 directly towards establishing people who are said to have committed assaults and in this forum, in the situation 5 where none of this has been put to the witnesses who 6 testified and it may well be that - I don't know quite where this is going - that there are persons who may be 8 pointed out by Mr Mabuyakhulu on the basis of a video who 9 have given evidence and who are really going to be greatly 10 prejudiced in circumstances where none of that has been 11 raised and it is now being dealt with in open forum. 12 CHAIRPERSON: Mr Tip, as I understand the 13 evidence so far, the witness is able to point out two people whom he sees on the video. Mr Mpofu, are you able 14 15 to deal with Mr Tip's point -16 MR MPOFU: Yes. 17 CHAIRPERSON: - that it may be that one 18 or other of those persons has already testified and none of 19 this has been put to him? Thanks, Chairperson, yes I am. 20 MR MPOFU: 21 Well, firstly Chairperson, none of the people who have

22 testified are featured on the video. Secondly, the

ARCHIVE FOR JUSTICE

identities of the people are not known, neither to me nor

thirdly, I did raise the exact, this point with Mr Setelele

even to the witness, except that he can point them out and

Page 5288 different concern which I put to you, which I will put to you now and that was, you will remember when one of the 3 witnesses from NUM gave evidence he said he knew who'd fired the shot but he asked not to be asked, not to be 5 requested to mention it in the auditorium, in fear that 6 that person might end up the way the late Mr Bongo did. 7 Now I'm afraid that if you persist with this line of questioning, it's no good saying I don't know the name, the witness doesn't know the name. If a picture is going to be 10 shown and the witness is going to say, that man there in 11 the white overall or whatever it was, is the person, it may 12 well be that a number of persons present will know who the 13 person is and the very unfortunate consequences, unacceptable consequences which gave - which we wished to 15 avoid by the procedure followed earlier, would then come 16 about. So I think that - I see it's now one o'clock. 17 Perhaps, I know it's undesirable to proceed with the video 18 now but -it's undesirable to interrupt it but I think in 19 the circumstances, in the light of the point I have made to 20 you, perhaps you and Mr Tip could discuss this over the 21 lunch adjournment -22 MR MPOFU: Yes, yes. 23 CHAIRPERSON: - which I will now take and 24 we will resume at half past one. 25 MR MPOFU: Thank you, Chairperson. I'm

Page 5289 Page 5291 sorry to - I'm very sorry, sorry, Chairperson, just to try observations that the witness made when he saw the footage, 2 and save time - thank you, Chairperson, for the guidance. and he will answer to that, but without necessarily showing 3 What I wanted to point out now is that, depending on my 3 the footage. I must add, Chairperson, that at a later 4 discussion with Mr Tip, of course, one of the suggestions 4 stage I might show the footage. In fact let me, because 5 that I will put to him, because it is a -5 now I was going to show it for a different purpose but CHAIRPERSON: 6 You don't have to mention 6 after this consultation I'll try and avoid showing it at 7 7 it now. That's why I - you could all, and particularly the one with the people but I'll put 8 MR MPOFU: 8 the observations to the witness, thank you, Chairperson. So that, because when we come 9 9 back, is that if we come back and play this without the Mr Mabuyakhulu, you've already testified that gallery being filled, then we will come and let you know in 10 when you saw the footage in the presence of your lawyers 10 chambers, Chairperson, if we agree that we do you were able to identify two of the people that you claim 11 11 12 CHAIRPERSON: Thank you. Mr Semenya put 12 were involved in the assault that occurred after you had 13 his microphone on, I think he wants to say something before 13 fallen down, is that correct? 14 14 we take the adjournment I've already announced. MR MABUYAKHULU: Yes. 15 MR SEMENYA SC: Chair, this is critical 15 MR MPOFU: One of them you were able to to the terms of reference and the agreement between Mr identify because of his clothing which was a white overall 16 Mpofu and Mr Tip should not circumvent what is critical. and then an NUM T-shirt, although you said the NUM T-shirt 17 17 18 Unless Mr Tip is of the view that they will admit on record was not rather visible on the footage. 19 19 that the individuals are indeed who they are, secondly that MR MABUYAKHULU: Yes. And the other one you were 20 they are NUM officials and we can then see the possibility 20 MR MPOFU: of the footage not being done, but we cannot lose the able to identify as the person who said you must be 21 21 opportunity of direct evidence implicating NUM. 22 22 finished off, but on the video you were able to identify 23 CHAIRPERSON: We've already had evidence 23 him among other things because he was carrying your stick? 24 MR MABUYAKHULU: 24 from a witness saying that [inaudible] - he asked not to be That is correct. 25 MR MPOFU: 25 requested to mention the name, so we already have on record The other purpose for which I Page 5292 Page 5290 1 that the shots were fired by a NUM official. That's not was going to play the video was that in that footage one challenged, that's common cause. I think that may have 2 2 can see various weapons, including pangas and spears, did 3 happened while you were away. So the concern you raise now 3 you observe that in the footage, and many sticks, more 4 I think already falls away but perhaps, if you want to be 4 sticks than those things, ja? 5 5 part of the discussion between Mr Tip and Mr Mpofu, I'm MR MABUYAKHULU: Yes. sure they'll allow you to do so. Mr Budlender, are you MR MPOFU: 6 6 Thank you, Chairperson, I 7 also wanting to contribute to this point before we take the 7 think those would be the issues covered by the footage. adjournment? 8 8 CHAIRPERSON: 9 MR BUDLENDER SC: 9 No, Chair, I've nothing continue with the examination in chief? to contribute. 10 MR MPOFU: Thank you, Chairperson. You CHAIRPERSON: I think we had better 11

10 11 12 resume at 25 to two. 13 [COMMISSION ADJOURNS **COMMISSION RESUMES**] 14 [13:45] CHAIRPERSON: The commission resumes. Mr 15 Mabuyakhulu, you're still under oath. 16 MR MPOFU: Yes, I am. 17 CHAIRPERSON: Mr Mpofu, what is the 18 position in relation to the matter that was under 19 discussion when we adjourned? 20 MR MPOFU: Thank you, Chairperson, after 21 discussions with my learned colleagues, Mr Tip and Mr Semenya as suggested by the chairperson, we have come to the conclusion that due to the danger or potential dangers 24 rightfully identified by Mr Tip, that we will deal with the

issue in the following manner, that I will put some of the

Thank you, so you can now testified that, or rather when you regained your consciousness at Suncrest Hospital you discovered also that you had some stitches on your head, is that correct? MR MABUYAKHULU: Yes. MR MPOFU: The police in XX6, there is an annexure to XX6, Chairperson, which is A1. CHAIRPERSON: No, the annexure is actually part of the docket A1 being, the A series being the statements filed in the docket -MR MPOFU: Correct -CHAIRPERSON: - and A1 is in fact the first statement filed in the docket. It is by -Richard somebody, Richard MR MPOFU: Thom.

but okay, I'll let it go. You also testified that you yourself made some effort to try and avoid having to go underground, including taking classes of adult based education and training. [14:05] MR MABUYAKHULU: Yes MR MPOFU: Chairperson, I know how the witness feels about this issue of showing his wounds to the Commission but I'll take instructions during the tea break. CHAIRPERSON: You can explain to him, it isn't that we don't believe him -MR MPOFU: Yes. CHAIRPERSON: - we haven't got any power to do what he wants us to do but I've done the best I can in putting it as nicely as I could, and I see the senior counsel for Lonmin is here, and I have no doubt that - Mr Bham, and I've no doubt that the suggestion I made, that the company reconsider the matter, having been examined by a specialist, will be acceded to. I will be very surprised, Mr Bham is actually nodding his head. So you can assure the witness that the best that could be done for him in that regard has been done. Do you have any more questions? MR MPOFU: Yes. Mr Mabuyakhulu, are you aware that there are people who are in a similar position as you who might have been injured during these events that Page 5300 we are discussing, who have been ordered back to work when

position where you are always bending, one might be forced 2 3 to work in that bending condition for up to eight hours. 4 The machine that one uses has got to be balanced on the 5 stomach. The reason I wanted the commission to see my wound is to determine whether I still have the ability to 6 7 balance this machine as I'm supposed to. That is all. 8 CHAIRPERSON: Mr Mabuyakhulu, I want to 9 explain to you, we haven't got any power as commission to 10 order Lonmin not to force you to go back to your work as an 11 RDO. Lonmin representatives are present here today and 12 represented by senior counsel and I suggest that you get 13 your legal representatives to speak to the representatives at Lonmin at the end of the hearing today to ask Lonmin to 14 15 reconsider the matter, and possibly have you examined by a 16 specialist doctor to advise as to whether what you say 17 about your ability to do the work is correct. It is not 18 that we don't want to see your wound, it doesn't mean that 19 we don't believe you, on the contrary we accept that you have the injury that you described. Please proceed, Mr 21 Mpofu? 22 MR MABUYAKHULU: Yes, Lunderstand, Mr 23 Chairperson.

MR MABUYAKHULU: Yes, I am. 5 MR MPOFU: And we will take the 6 Chairperson's suggestion that this matter be raised 7 directly with Lonmin, but for what it's worth, we will 8 submit, Chairperson, a three page exhibit which is the certificate that declares a person like Mr Mabuyakhulu fit to go back to work. Hopefully when other examples come, we will then use this as the base, thank you. And it should 11 12 be exhibit -13 CHAIRPERSON: CCC1 to 4 is not being 14 persisted in, is that right? So we can use CCC1 as the 15 exhibit number for this document you are handing in. Ms 16 Pillay, am I right, CCC1 to 4 is not being persisted in at this stage anyway. 17 18 MS PILLAY: Not at this stage, no, Chair. 19 CHAIRPERSON: Right. 20 MS PILLAY: So it will be CCC1. 21 CHAIRPERSON: So, the certificate of 22 fitness to perform risk work, which I see is signed by an 23 occupational health nurse or doctor, this will be CCC1. 24 Yes, this is also an important document in another respect, because it indicates the head wounds that he described with

The people 22 who were in front there, five or six, I don't really 23 people. 23 MR SEMENYA SC: No, but the emphasis of 24 remember who all of them were there, whether he was there 25 my question is, the purpose for going to the NUM office was or not, I cannot say. It was very, very high, because 10 11 forwards. You've already said to my learned friend, Mr 11 all the RDOs were present there. Semenya, that the RDOs - you and your group, had elected 12 CHAIRPERSON: 12 - answered the question, 13 not to use collective bargaining structures, but I want to 13 partly because it was a double question. So break it up 14 move on. I would like you, please, to give us some 14 into two halves. The first part of the question is, the description of how the meetings that you have referred to, people who were at the meeting on the 9th, were they by and 15 that were held by the RDOs at Wonderkop, took place and I large the same people who marched on the 10th? 16 will ask you specific questions about that. You've already 17 MR MABUYAKHULU: 17 Same people? 18 indicated that in excess of 3 000 persons attended those 18 CHAIRPERSON: Yes, by and large, I 19 meetings. 19 understand you say there were lot of people on the 10th, 20 MR MABUYAKHULU: Yes. 20 because all the RDOs were there, but all the people who 21 MR TIP SC: And you've also referred to 21 were there – or most of them, who were there on the 9th, 22 the fact that there were speakers who addressed the 22 were they also part of the march on the 10th? That's the 23 23 first half of the question. meetings. 24 MR MABUYAKHULU: 24 MR MABUYAKHULU: Yes. Yes. 25 25 CHAIRPERSON: MR TIP SC: The next half of the And were those speakers able Page 5330 Page 5332 to communicate properly? Did they have loud hailers or question was, the people who took part in the march towards 1 the NUM offices on the 11th, were they by and large people 2 anything similar? 3 MR MABUYAKHULU: They were quite audible, 3 who had been at the meeting on the 10th? 4 though there were no loud hailers. 4 MR MABUYAKHULU: Yes. 5 5 MR TIP SC: So everybody there could hear MR TIP SC: Thank you. Now, on the 10th, what was said? it is clear from your statement that you went to the 6 6 7 offices of the LPD and back to your meeting point at 7 MR MABUYAKHULU: I cannot say this with 8 certainty. 8 Wonderkop, without any incident, do you confirm that? 9 MR TIP SC: 9 MR MABUYAKHULU: That is so. You heard everything that was 10 said? 10 MR TIP SC: You didn't anywhere near the MR MABUYAKHULU: I heard some of the NUM office and no shots were fired at any stage? 11 11 12 things that were being said, and this is what I am saying 12 MR MABUYAKHULU: That is so. 13 13 today. I would not be able to say I heard everything 100%. MR TIP SC: Now, in paragraph 6 – or 14 Was there an opportunity for 14 rather 5, firstly, of your statement, you make the MR TIP SC: 15 people to respond to what was being said by the speakers? 15 assertion that the five members who you had elected as your 16 MR MABUYAKHULU: Yes, there were chances, 16 representatives had gone into the offices, they came back 17 we would debate things. 17 and they told you that, according to the employer, that is 18 according to Lonmin, the union said that the employer 18 MR TIP SC: Yes, you've already said 19 that. So issues would be discussed by all the people 19 should not talk to you. present and a decision would be reached, which would be a 20 MR MABUYAKHULU: That is so. 20 21 decision of all those at the meeting, correct? 21 MR TIP SC: Alright, well I heard the 22 MR MABUYAKHULU: Yes interpreter say NUM for union, but I assume that we can MR TIP SC: And were the people who were 23 take it as read that that was not AMCU you were planning to 23 24 at the Wonderkop stadium on the 10th - Friday, the 10th of 24 refer to? The sentence says the union said that beginning of the interaction there to the very end, is that 2 the employer should not talk to us, and I think that you 3 correct? 4 interpreted that as the NUM -MR MABUYAKHULU: That is so. 5 5 MR MAHLANGU: The union, just instead of MR TIP SC: And you will recall at some stage officials of Lonmin handed out certain notices, and 6 6 7 MR TIP SC: Instead of the union. 7 I'd like you to look at CCC4. 8 MR MABUYAKHULU: It is so that he said 8 MR MABUYAKHULU: Yes. 9 9 the union said so. MR TIP SC: Do you recall notices of this 10 MR TIP SC: Did you understand that that 10 kind being issued by Lonmin to the persons present on 10 was the NUM, or did you think it was AMCU or some other 11 11 August? union? 12 12 MR MABUYAKHULU: Yes, I do. 13 MR MABUYAKHULU: The NUM. 13 MR TIP SC: And were you informed about 14 MR TIP SC: Do you remember who made that 14 the essential content of this notice? 15 report to you? 15 MR MABUYAKHULU: That document wasn't MR MABUYAKHULU: The members that we had 16 read there. We explained to them that, as RDOs, we are 17 elected. 17 illiterate, we do not want letters, we want to talk to the 18 MR TIP SC: Yes. There were five of 18 employer. 19 19 them. I'm sure they didn't all speak at the same time. Do MR TIP SC: Mr Mabuyakhulu, there were 20 you remember which one? Can you give us a name of a person 20 two things. The one was that Lonmin had said to everybody 21 who present that they were being instructed to stop the 22 MR MABUYAKHULU: I would be lying if I unprotected march and the unprotected work stoppage. You 22 23 had to say so. 23 must have heard some discussion about that while you were 24 24 MR TIP SC: there. Alright. Again, I'm not 25 25 going to dwell on it, or to probe for great detail. I just MR MABUYAKHULU: I don't remember that Page 5334 Page 5336 want to put to you and see if you have any comment on this, 1 1 being that the NUM denies that it was in a position to give 2 MR TIP SC: You don't remember. And did 2 3 instructions to Lonmin about what it could do or what it you at any time hear anything to the effect that Lonmin had 4 should not do. gone to the Labour Court and had obtained an interdict 5 CHAIRPERSON: 5 which declared that the work stoppage that you had embarked Mr Tip, I've got two problems with the way you formulated the question. 6 on was not lawful? 6 7 MR MABUYAKHULU: I'm hearing it for the 7 Firstly, he wasn't there when it - he is maintaining that 8 he was told, he wasn't there at the time when the employer 8 first time today. 9 9 said something about its refusal or inability to negotiate. MR TIP SC: I will leave that for those 10 That's the first point. And secondly, to say they weren't who were more closely involved, Mr Chair. Now, the meeting 10 in a position to give instructions, doesn't mean they at the Wonderkop stadium – near the Wonderkop stadium on 11 11 12 didn't try to give instructions, despite the fact that they 12 the 11th of August, that is the Saturday, the very day after 13 weren't legally entitled to do so. So I think that 13 the march to LPD, I want to ask you some questions about 14 question is unhelpful in two respects. You might like to 14 that, and those questions will relate both to the statement 15 revisit it. 15 that you have submitted to this Commission, Exhibit BBB8, 16 16 MR TIP SC: Yes.
