1 [PROCEEDINGS ON 16 APRIL 2013]  
 2 [10:20] CHAIRPERSON: The Commission resumes.  
 3 This morning we had the pleasure of meeting in chambers  
 4 with His Excellency, the High Commissioner for Swaziland,  
 5 who has come here today to attend the proceedings of the  
 6 Commission. From the very beginning the Swazi government  
 7 has been interested in and concerned with the situation at  
 8 Marikana because of their nationals who work for Lonmin,  
 9 one of them was killed, and we're very appreciative of the  
 10 cooperation we received from the Swazi government in  
 11 assisting with regard to the attendance of family members  
 12 and so forth. So we're very pleased to see the High  
 13 Commissioner here; we send a very warm welcome to him.  
 14 Since we last sat here one of the counsel  
 15 representing the miners, Mr Dali Mpofu, was, as I think  
 16 everybody by this time knows, robbed and very seriously  
 17 attacked in East London. I spoke to him on the telephone  
 18 several days thereafter and I received also information  
 19 this morning from the rest of his team. The indications  
 20 are he will be back with us next Monday, and we wish him a  
 21 speedy recovery and hope that we will indeed see him next  
 22 Monday. He is very desirous of addressing the Commission  
 23 on the application for removal to Centurion, and he settled  
 24 the replying affidavits that were filed, and so I indicated  
 25 to him that we would not hear the application this morning,

1 but we would wait until he returns. That's on the  
 2 assumption that he returns next Monday. Also we'll be  
 3 unable to continue this morning with the cross-examination  
 4 of the National Commissioner, and I indicated to him that I  
 5 would ask everyone else to cross-examine, and thereafter I  
 6 would excuse the National Commissioner on the basis that  
 7 she must return when he's ready to continue with his cross-  
 8 examination. National Commissioner, you're still under  
 9 oath.  
 10 MANGWASHI VICTORIA PHIYEGA: s.u.o.  
 11 CHAIRPERSON: I understand that Mr  
 12 Bruinders is to be the next counsel to cross-examine. Is  
 13 that correct, Mr Bruinders? In fact, I understand by Adv  
 14 Tip, and then I have some question marks on my piece of  
 15 paper. Which of the representatives of the parties wishes  
 16 to cross-examine after Mr Tip? So it's going to be Mr  
 17 Bruinders first, then Mr Tip – Ms Lewis, are you going to  
 18 ask questions on behalf of the families?  
 19 MS LEWIS: Mr Chairperson, the families  
 20 do wish to cross-examine the National Commissioner.  
 21 However, Mr Ntsebeza is not here today.  
 22 CHAIRPERSON: But I mean I can't expect  
 23 the Commissioner – you know we want to carry on with the  
 24 hearing and if counsel isn't here then I assume other  
 25 arrangements have been made for someone to cross-examine on

1 his behalf, or in his place.  
 2 MS LEWIS: Mr Chair, I will then, I'll  
 3 convey that to Mr Ntsebeza and if needs be, if it's not  
 4 possible to reserve it until tomorrow –  
 5 CHAIRPERSON: We don't know how long –  
 6 let's cross that bridge when we get there. We don't know  
 7 how long the cross-examination is going to be today. If of  
 8 course the National Commissioner is still under cross-  
 9 examination when we adjourn, then the problem will fall  
 10 away. Do you know how long –  
 11 MS LEWIS: Ja, if we could revisit that  
 12 later.  
 13 CHAIRPERSON: I know it's difficult to  
 14 give a prediction, but do you know how long the cross-  
 15 examination from your side is likely to be? I think Ms –  
 16 MS LEWIS: Chair, I would imagine  
 17 approximately two hours.  
 18 CHAIRPERSON: Alright, anyway, Mr  
 19 Bruinders, I'm not going to ask you how long you're going  
 20 to be. We'll see. Would you like to start your cross-  
 21 examination?  
 22 CROSS-EXAMINATION BY MR BRUINDERS SC:  
 23 Thank you. National Commissioner, at page 6804 of the  
 24 transcript – you don't have to go there now, I'm going to  
 25 tell you what you are recorded to have said. You say that

1 on 10 August you are given an update. That's correct,  
 2 isn't it?  
 3 GENERAL PHIYEGA: Yes, I was given  
 4 updates throughout the process.  
 5 MR BRUINDERS SC: We'll get to the rest  
 6 of the process later, but for now is it correct that on the  
 7 10th you get an update about what is happening in Marikana?  
 8 GENERAL PHIYEGA: Yes, I do say  
 9 throughout the process since the members were here I was  
 10 being given updates.  
 11 MR BRUINDERS SC: This update on the 10th,  
 12 who gave it to you?  
 13 GENERAL PHIYEGA: In all cases, in most  
 14 cases I was given the update by the Provincial  
 15 Commissioner.  
 16 MR BRUINDERS SC: And must the Commission  
 17 accept that on the 10th the update was given to you by the  
 18 Provincial Commissioner?  
 19 GENERAL PHIYEGA: I have already  
 20 confirmed that.  
 21 MR BRUINDERS SC: You say at 6804 that  
 22 she tells you that there are activities taking place in  
 23 Marikana, not so?  
 24 GENERAL PHIYEGA: That is true.  
 25 MR BRUINDERS SC: What did she tell you

Page 7853

1 about these activities?

2 GENERAL PHIYEGA: I want to just read

3 them as I have them on my statement. I will start with

4 what I said in the press statement to say, "Friday 10th, on-

5 duty employees reported intimidation and assault incident.

6 Two employees were shot and were treated in hospital."

7 MR BRUINDERS SC: Commissioner, where are

8 you reading from now?

9 GENERAL PHIYEGA: I read that from the, I

10 said to you I'll look at the records that I'm having. I

11 read from the statement that, the press statement that we

12 gave on the 16th, or 17th.

13 MR BRUINDERS SC: And is that what she

14 told you had happened up to that time in Marikana?

15 GENERAL PHIYEGA: I'm giving you a

16 summary of all the reports that I have received to say one

17 of the things that I was told was that the, there were

18 reported intimidations; there were assault incidences, and

19 there were two employees that were shot and were injured

20 and were being treated in hospital.

21 MR BRUINDERS SC: Did she tell you

22 anything else about the activities that were taking place

23 at Marikana?

24 GENERAL PHIYEGA: I'll go to my other

25 statement, because I just want to be very perfect in

Page 7854

1 telling you what I was told. If you'll give me time, I'll

2 get to my copy. On this statement I didn't reflect on the

3 10th, but I reflected it on my other statement. I just

4 wanted to check that. So actually that's what was reported

5 to me to say that is continuing and the people who are in

6 hospital, as I've said already.

7 MR BRUINDERS SC: Now when she reported

8 this, did she do it over the telephone?

9 GENERAL PHIYEGA: You are correct.

10 MR BRUINDERS SC: And did you not ask her

11 well how is it that this intimidation and these injuries

12 are occurring in Marikana?

13 GENERAL PHIYEGA: At that point in time

14 we already knew that the police were invited because there

15 was labour unrest in the area.

16 MR BRUINDERS SC: So when she telephoned

17 you, you knew that – when you say labour unrest, you mean

18 you knew there was a strike at Lonmin?

19 GENERAL PHIYEGA: We knew that there was

20 those protests, labour unrest as I'm saying, taking place

21 in Marikana.

22 MR BRUINDERS SC: She also said to you,

23 you say at 6804, that there were deployments taking place.

24 GENERAL PHIYEGA: Yes, because remember

25 when this whole thing started we started with the local

Page 7855

1 police, and when the process escalated, as I said in my

2 evidence that we continued to match the escalation through

3 additional deployment.

4 MR BRUINDERS SC: On the 10th when you

5 spoke on the telephone, did she say to you, "Look, at the

6 moment the deployment is of POPs people from Rustenburg?"

7 GENERAL PHIYEGA: At that point in time I

8 did not ask that question, but I knew that the, they would

9 definitely deploy the POPs people that are in the province

10 when, of North West actually, and when they've exceeded

11 their full capacity we would then look at how we further

12 capacitate. They'll start with Rustenburg, look at other

13 areas in the province. If they're not winning, we'll then

14 deploy others.

15 CHAIRPERSON: I'm sorry, National

16 Commissioner, I didn't hear the last sentence. You said if

17 they reach their full capacity from the North West, then

18 you said what was going to happen. I think you dropped

19 your voice.

20 GENERAL PHIYEGA: I normally would, I

21 would then talk to the other provinces to assist.

22 CHAIRPERSON: Thank you.

23 GENERAL PHIYEGA: Ja.

24 MR BRUINDERS SC: So during that

25 conversation you and the Provincial Commissioner spoke

Page 7856

1 about deployments to deal with what you call the labour

2 unrest at Marikana.

3 GENERAL PHIYEGA: Perhaps what I should

4 say is that the issue of capacity would remain a consistent

5 issue for discussion between myself and the commissioner,

6 because at all given times, whatever their response, I

7 would require to give support in terms of that capacity.

8 MR BRUINDERS SC: As I understood your

9 answer just before the previous one, you and the Provincial

10 Commissioner talked about deployments in Marikana to deal

11 with the labour unrest.

12 GENERAL PHIYEGA: Not in the manner

13 you're putting it. I've said to you that our conversations

14 would always touch on capacity and I am not saying on the

15 10th we discussed deployment, as you put it, but capacity

16 would always be an issue. So throughout the process of her

17 feedback, when it was necessary we would discuss capacity.

18 MR BRUINDERS SC: Commissioner, I'm a

19 little confused. I thought in the previous answer you'd

20 given you had said that you and the Provincial Commissioner

21 talked about the deployment of provincial officers in

22 Marikana, and if that wasn't sufficient, then of course

23 there would be, you would consider bringing in people from

24 other provinces. Is that what you talked about over the

25 phone on the 10th?

Page 7857

1 GENERAL PHIYEGA: I think it's important  
 2 again for me to repeat the answers I gave to the previous  
 3 question. In terms of the province the commissioner has  
 4 the full responsibility to deploy the capacity that she  
 5 has. So I would never ask her whether she has gone to  
 6 fetch people in Taung or in corners of this province.  
 7 That's her prerogative with her ops team, but any time she  
 8 runs out of capacity and I need to give her assistance to  
 9 go to Limpopo, to go to KZN, that is my duty.  
 10 MR BRUINDERS SC: Commissioner, did you  
 11 talk to the Provincial Commissioner about the deployment of  
 12 POP personnel in your telephone conversation on 10 August?  
 13 GENERAL PHIYEGA: I have answered you,  
 14 and my first answer to you is that at any given time where  
 15 there was a need for capacity and my input, we would have  
 16 discussed that. At this point in time I don't recall  
 17 whether and on the 10th she was already asking for capacity,  
 18 but what I can tell you is that on the 15th I had, I am on  
 19 record saying I spoke to other commissioners.  
 20 [10:40] So when there is need for capacity to get other  
 21 people she would tell me but I don't recall exactly on the  
 22 10th. On the 10th my stance is that she would still be  
 23 using her capacity in the province.  
 24 MR BRUINDERS SC: You also say at 6804  
 25 that she said that attention was being given to the issues.

Page 7858

1 Is that right?  
 2 MR MAHLANGU: Just the question, Sir.  
 3 MR BRUINDERS SC: You also say at 6804  
 4 that the Provincial Commissioner said that attention was  
 5 being given to the issues. Is that correct?  
 6 GENERAL PHIYEGA: I'm not sure where  
 7 you're reading. Is it the record?  
 8 MR BRUINDERS SC: Yes.  
 9 GENERAL PHIYEGA: Okay surely, I mean at  
 10 any given time because she's in charge of the province she  
 11 would have to give attention to all issues. It's expected  
 12 of her. I was expecting that of her.  
 13 MR BRUINDERS SC: Did she say in that  
 14 conversation on the 10th that attention was being given to  
 15 the issues?  
 16 GENERAL PHIYEGA: I think I've answered  
 17 you to say I'm expecting of her to give attention but I  
 18 don't have a verbatim record of how we conversed. If I had  
 19 I probably would have been able to answer the questions you  
 20 were asking.  
 21 CHAIRPERSON: Mr Bruinders, I don't want  
 22 to curb your cross-examination but you do appreciate that  
 23 the Provincial Commissioner herself will be giving evidence  
 24 and she may have a more precise recollection on this point  
 25 than the National Commissioner does. So as I say I'm not

Page 7859

1 going to stop you but I would remind you of that.  
 2 MR BRUINDERS SC: Did you ask her what  
 3 attention are you giving to the issues at Marikana?  
 4 GENERAL PHIYEGA: I think the way you are  
 5 posing your question maybe makes it complex for me to  
 6 respond to you but my discussion with her is based on the  
 7 expectation that she is in charge of this province and at  
 8 any time when you talk about attention, whether it's  
 9 attention to attend to stuff or attention to attend to a  
 10 protest such as this one I would take it that she would be  
 11 doing her duty in accordance with what she's expected to  
 12 do, her prescript, to ensure that she engages whoever she  
 13 has to engage, she deploys the way she's supposed to  
 14 deploy, she ensures that - what she has come to do to  
 15 ensure that there is restoration of normal economic  
 16 activity, ensure that there is conversation between parties  
 17 that should converse. Those are the types of things I  
 18 would expect of her but I would not be asking her you know  
 19 ABC like a child because she is in charge.  
 20 MR BRUINDERS SC: Commissioner, can you  
 21 not recall whether you asked the Provincial Commissioner  
 22 how the province was dealing with this labour unrest,  
 23 intimidation of sorts, at Marikana?  
 24 GENERAL PHIYEGA: Again let me say to you  
 25 that I've said to this gathering that the police in the

Page 7860

1 past 18 years have dealt with 151 000 of this nature of  
 2 activities. It would be remiss of me really to be asking  
 3 those types of minute details. She is the head of  
 4 operations and being the head of operations she knows what  
 5 needs to be done and I am sure she will tell you when she  
 6 comes here what she did. It is not my space to be asking  
 7 those minute questions to a leader of a province. Those  
 8 are the discussions she will have with her operations team.  
 9 I ask strategic, critical issues that makes me understand  
 10 the situation and I've done so and I've given you my  
 11 answer.  
 12 MR BRUINDERS SC: What strategic  
 13 questions did you ask of her during that telephone  
 14 conversation?  
 15 GENERAL PHIYEGA: I shall repeat again,  
 16 I've said to you one of the key questions I would ask as an  
 17 example is whether the capacity they have is sufficient  
 18 because I carry the responsibility to actually mobilise  
 19 other capacity if it is needed. That would be one of the  
 20 examples of strategic questions I would ask.  
 21 MR BRUINDERS SC: And during that call  
 22 she assured you that there was no need for any additional  
 23 deployment?  
 24 GENERAL PHIYEGA: That's not what I've  
 25 said in my answer, I've said to you capacity issues were

Page 7861

1 discussed throughout this process.

2 MR BRUINDERS SC: Did she in that call

3 assure you that at stage there was no need for any

4 additional deployment?

5 GENERAL PHIYEGA: I have not answered you

6 like that.

7 MR BRUINDERS SC: Well the question is

8 did she in that call assure you that at that stage there

9 was no need for any additional deployment in her area?

10 GENERAL PHIYEGA: I think in terms of

11 this question I've given you the best of my answers, beyond

12 that I'm not able to answer you and I'm sure General Mbombo

13 can answer you on the verbatim issues you're looking for.

14 MR BRUINDERS SC: Did she also in that

15 call assure you that at that stage as Provincial

16 Commissioner she had matters under control in Marikana?

17 GENERAL PHIYEGA: She had matters under

18 control and I was also satisfied at that point in time that

19 whatever they needed to do she and her team had the

20 capacity to do so.

21 MR BRUINDERS SC: After that call was

22 there any need for you to talk to the Minister about your

23 exchange with the Provincial Commissioner?

24 GENERAL PHIYEGA: Not at that point.

25 MR BRUINDERS SC: And was that the

Page 7862

1 position until 13 August?

2 GENERAL PHIYEGA: In my assessment yes it

3 was, there was nothing untoward, we were doing our normal

4 duties as police up until then.

5 MR BRUINDERS SC: Last year you travelled

6 down to Marikana, not so?

7 GENERAL PHIYEGA: Correct, Advocate.

8 MR BRUINDERS SC: And the reason you do

9 that is because of the death of the two SAPS officers?

10 GENERAL PHIYEGA: It wasn't because of

11 that, it was because whatever was happening in Marikana was

12 escalating and part of it was that.

13 MR BRUINDERS SC: What was escalating in

14 Marikana?

15 GENERAL PHIYEGA: Whatever was happening

16 in Marikana, the continued strike, the inability to disarm

17 those who were protesting and the continued disruption of

18 social and economic activity, destabilisation continued.

19 And damage to property was continuing, lives were

20 continuously being lost, that for me spoke about

21 escalation.

22 MR BRUINDERS SC: And the situation that

23 you describe was the reason for your having to intervene

24 personally at Marikana?

25 GENERAL PHIYEGA: It was necessary for me

Page 7863

1 to engage and to get firsthand understanding of issues as

2 they were developing and that type of response any leader

3 does, it is not written in any book. At that point in time

4 my assessment, my strategic assessment was that I needed to

5 engage.

6 MR BRUINDERS SC: AMCU - is you did act

7 as a leader should under those circumstances so it is quite

8 respectful of the fact that you went down there on the 13th

9 but as AMCU understands the situation you didn't go down

10 there just to get an account, face to face from your

11 employees and officers, not so? That's not the only reason

12 you went, not so?

13 GENERAL PHIYEGA: You are right because

14 my employees, police were not the only stakeholders, it was

15 important for me to understand the multi-faceted

16 dimensions, not the situation. The situation wasn't just

17 the police. If it was just for us I wouldn't have even

18 come here.

19 MR BRUINDERS SC: You went there on the

20 13th because you felt it was necessary personally to give

21 personal direction to the SAPS at Marikana, not so?

22 GENERAL PHIYEGA: Let me go back to what

23 you mentioned earlier on to say I have come - I came to

24 Marikana to understand first hand the situation for myself,

25 you are correct on that one, and secondly there was a team

Page 7864

1 led by the Provincial Commissioner dealing with the

2 operation and my being there I would be appraised by them

3 in terms of what they are doing in the province in terms of

4 the matter. And where my strategic intervention is

5 required I would lend that.

6 MR BRUINDERS SC: Commissioner, you went

7 there on the Monday not just to listen and to lend an ear

8 but also to give strategic intervention, not so? I beg

9 your pardon, to make strategic intervention at Marikana.

10 GENERAL PHIYEGA: The last aspect was -

11 my answer was exactly that, I said where there is need for

12 strategic intervention I would lend that, I've said so.

13 MR BRUINDERS SC: And the way that you

14 thought that you would best hear out people involved and

15 then give strategic guidance would be as follows, first you

16 had a meeting with the SAPS team at which they reported on

17 the events up to that stage, correct?

18 GENERAL PHIYEGA: You are correct.

19 MR BRUINDERS SC: Then you had a meeting

20 with Lonmin where you wanted to hear Lonmin's side of the

21 story, not so?

22 GENERAL PHIYEGA: Yes, you are correct.

23 MR BRUINDERS SC: And then after that

24 there was a meeting of the SAPS at which you planned for

25 how to deal with the unrest from the 13th going forward, I

Page 7865

1 beg your pardon -

2 MR MAHLANGU: Chairperson, just switch on

3 - they were asking if the Chairperson can switch on.

4 CHAIRPERSON: The question you asked was

5 - led up to a question as to whether, to use your words,

6 you planned what was to happen or to be done. Now all I

7 asked you was when you said to the witness you, did you

8 mean you in the singular or you in the plural?

9 MR BRUINDERS SC: Forgive me Chair, I

10 must clarify that yes. Forgive me, National Commissioner,

11 what I should have asked you was after you heard Lonmin's

12 side of the story you as the National Commissioner together

13 with the team at Marikana got together to plan how to deal

14 with this unrest going forward from the 13th.

15 GENERAL PHIYEGA: No you're not correct.

16 MR BRUINDERS SC: Are saying that it is

17 not correct that the second time you met the SAPS on the

18 evening of the 13th, it's not correct to say that you met

19 with them to plan with the team, the Marikana team how to

20 deal with the unrest?

21 [11:00] CHAIRPERSON: Mr Bruinders, the trouble

22 is, it is a double question. You met with them to plan.

23 Now when she says no, it could be she's denying everything,

24 or she may admit that she met them, but not to plan. So

25 because you've asked a double question, we get difficulty

Page 7866

1 with the answer. Perhaps you should ask the question in

2 the form of a single question. It may require you to ask

3 two questions, but then we get clarity with the answers.

4 MR BRUINDERS SC: Commissioner, it is

5 correct, is it not, that you personally met with the

6 Marikana team of commanders after the Lonmin report-back?

7 GENERAL PHIYEGA: Yes, I did.

8 MR BRUINDERS SC: And the purpose of that

9 meeting was so that the SAPS team could plan how to deal

10 with the unrest at Marikana from the 13th onwards.

11 GENERAL PHIYEGA: No, that is not

12 correct.

13 CHAIRPERSON: What was the purpose of the

14 meeting?

15 GENERAL PHIYEGA: The purpose of the

16 meeting, what happened in that meeting is that when we

17 left, in my statement I talk about Lonmin telling us about

18 faceless people that they do not know. We went back into

19 our meeting and we looked at the pictures that were taken

20 already by the police. We spoke to the security head of

21 Lonmin to say, "Are you saying these people that are on the

22 pictures, you don't know?" He indicated during that

23 discussion to say some of his security people are not

24 there; he is not able to identify those people. We

25 requested him to go and fetch those security people because

Page 7867

1 it was of concern to us to say if these are supposed to be

2 Lonmin workers and Lonmin is telling us about faceless

3 people, it was a concern for us, and when those people came

4 they were able to identify two, three, four, five, some of

5 them, and it was on the basis of that that the main

6 discussion of us as the SAPS team was to say, "Do whatever

7 you do; now that we know these are your employees,

8 intervene and ensure that we get a peaceful resolution on

9 this matter," because at least we'd established that

10 they're not faceless.

11 MR BRUINDERS SC: Commissioner, we all

12 know, because you told us at the beginning of your evidence

13 of your managerial expertise and experience. You have a

14 lot of that, don't you?

15 GENERAL PHIYEGA: Yes, I do.

16 MR BRUINDERS SC: And that's the reason

17 you were brought into the SAPS, not so?

18 GENERAL PHIYEGA: Part of that.

19 MR BRUINDERS SC: And the reason you went

20 to Marikana that Monday evening was not to play detective.

21 Correct?

22 GENERAL PHIYEGA: I don't understand what

23 you mean by playing detective.

24 MR BRUINDERS SC: Your role was not to

25 identify people and names and strikers. That was not your

Page 7868

1 role. Correct?

2 GENERAL PHIYEGA: I think that's your

3 assessment. I think it was a necessary engagement because

4 when you discuss with leaders of a place that has called

5 you to come and assist them with the protest and they tell

6 you about faceless people, you would be keen to know what

7 do you mean when you say people are faceless. It's not

8 because I was a detective. I think it was a rational

9 intervention by any normal thinking person.

10 CHAIRPERSON: I think you and counsel are

11 talking past each other. He puts to you that you didn't go

12 there to act as a detective, and essentially as I

13 understand it, you're agreeing. You went, amongst other

14 things, to deal with the Lonmin people who said they didn't

15 know who was involved in the disruption, they were faceless

16 people, and you then were able to – after you'd spoken to

17 the security people, to show them pictures and say, "Look

18 here, don't you know these people?" and they admitted that

19 they did. So you were able to take the matter further in

20 your discussion with them, to persuade them they weren't

21 just faceless people; they were actually some of their own

22 employees who were involved. Is that correct?

23 GENERAL PHIYEGA: I think, Judge, you put

24 it in a better way. I understand you. Yes.

25 CHAIRPERSON: Yes, I think you and

Page 7869

1 counsel actually are not understanding it, but I think the  
2 problem has been sorted out now, Mr Bruinders.

3 MR BRUINDERS SC: Thank you. Perhaps it  
4 is usual with me, I'm moving ahead of myself. So let's go  
5 back to the first meeting you had with the SAPS on the  
6 night of the 13th. Shall we do that? At that meeting, as  
7 we understand it there were SAPS and Lonmin people, not so?

8 GENERAL PHIYEGA: The meeting I had with  
9 the Lonmin people was on the 13th.

10 CHAIRPERSON: Again I think, I'm afraid  
11 you don't understand each other. I understood you to say  
12 that on the 13th you had a meeting with the SAPS people at  
13 Marikana.

14 GENERAL PHIYEGA: Yes.

15 CHAIRPERSON: You then had a meeting with  
16 the Lonmin people.

17 GENERAL PHIYEGA: Yes.

18 CHAIRPERSON: Now what counsel is asking  
19 you is whether your first meeting with the SAPS was a  
20 meeting where the Lonmin people were also present. Is that  
21 your question? He's suggesting to you, you didn't have  
22 separate meetings with the SAPS people and then the Lonmin  
23 people. He's suggesting to you, as I understand his  
24 question, that you had a meeting with SAPS people and  
25 Lonmin people both there together. Is that right?

Page 7870

1 MR BRUINDERS SC: No, Chair, we accept  
2 that there were three meetings, a SAPS, Lonmin, and a SAPS  
3 meeting.

4 CHAIRPERSON: Yes.

5 MR BRUINDERS SC: But at the first SAPS  
6 meeting I'm suggesting to the National Commissioner that  
7 there were some Lonmin people present too.

8 CHAIRPERSON: Yes, that's what I  
9 understand you to be asking.

10 GENERAL PHIYEGA: I'm sorry, I thought  
11 you were talking about the 9th, that's why I was saying to  
12 you I didn't have a meeting on the 9th; my meeting was on  
13 the 13th, and the question you are asking I really am not  
14 able to tell whether in that first meeting there was  
15 anybody from Lonmin, and I'm sure the people who were there  
16 may talk to that, but I wasn't aware of that.

17 MR BRUINDERS SC: At that meeting, this  
18 is the first SAPS meeting on the evening of the 13th, the  
19 SAPS officers who are there do the following. The first is  
20 they give you an account of what had been happening since  
21 the 9th of August, not so?

22 GENERAL PHIYEGA: Yes.

23 MR BRUINDERS SC: And the other thing  
24 they do is they give you a detailed account of what  
25 happened on the 13th when SAPS and employees were shot and

Page 7871

1 killed – sorry, were killed. I beg your pardon.

2 GENERAL PHIYEGA: Yes, that is also  
3 included.

4 MR BRUINDERS SC: Now by that stage the  
5 North West POP had been there since the 9th, not so?

6 GENERAL PHIYEGA: It is true.

7 MR BRUINDERS SC: And we know this  
8 because we've been given them; there are reports and plans  
9 for the 9th to the 13th by essentially SAPS POP North West.

10 GENERAL PHIYEGA: It could be correct,  
11 and I'm sure it will be confirmed by those who are coming  
12 to talk.

13 MR BRUINDERS SC: And in fact that's what  
14 they tell you. The commanders there tell you that the  
15 North West POPs had been on the scene since the 9th where  
16 they have been dealing with the unrest and planning for how  
17 to deal with the unrest, not so?

18 GENERAL PHIYEGA: I've not discussed any  
19 plan of theirs from the 9th. They gave me a broad account  
20 of what was happening. The plan I haven't asked for, and  
21 the plan I haven't discussed with them.

22 MR BRUINDERS SC: Will you please turn to  
23 exhibit U?

24 MR MAHLANGU: What document would that  
25 be, Sir?

Page 7872

1 MR BRUINDERS SC: Exhibit U. Sorry  
2 Chair, I just want to – there is somebody assisting the  
3 National Commissioner? I assumed that that was the case,  
4 but I don't know that that is so. I don't -

5 CHAIRPERSON: There is someone sitting at  
6 the table –

7 MR BRUINDERS SC: So we'd like her –

8 CHAIRPERSON: - if you don't mind. It's  
9 just to –

10 MR BRUINDERS SC: We want her –

11 CHAIRPERSON: - assist her with all the  
12 documents –

13 MR BRUINDERS SC: No, we want that. The  
14 point I'm making is if there isn't, then we'll assist her.  
15 That's the only point I'm making.

16 CHAIRPERSON: She might prefer to be  
17 assisted by her own people, but let's give her the choice.  
18 It is correct, is it National Commissioner, that you have  
19 assistants with you to find the documents for you quickly  
20 while you're there?

21 GENERAL PHIYEGA: Sorry Judge, I wasn't  
22 listening.

23 CHAIRPERSON: It is correct that you have  
24 people with you to assist you to get to the documents  
25 quickly? Because Mr Bruinders says if you haven't, he's

Page 7873

1 prepared to assist you. I said I thought you'd prefer to  
2 be assisted by your own people rather than his, but you  
3 must decide that, not me.

4 GENERAL PHIYEGA: Ja, Judge, I thought  
5 when we, when the spoon-feeding discussion took place, I  
6 had to relieve the person who was assisting me with papers.

7 CHAIRPERSON: No, that's correct, but he  
8 talked about exhibit U and it's obviously sensible to have  
9 someone nearby who can quickly find exhibit U and hand it  
10 to you, rather than you having to fumble around looking for  
11 it yourself. He was tendering his assistance, but I said I  
12 thought if you had your own people, you'd prefer to be  
13 assisted by your own people rather than his. But that's  
14 your decision as to what you would prefer.

15 GENERAL PHIYEGA: The decision not to  
16 have?

17 CHAIRPERSON: No, no, I understood you  
18 had a member of the service behind you, two rows behind,  
19 not immediately behind you, whose job it was to help you  
20 find the documents quickly that were referred to. Counsel  
21 referred you to exhibit U.

22 GENERAL PHIYEGA: I don't have a person  
23 to help me with documents. I have my security.

24 CHAIRPERSON: Oh, I see. I see.

25 GENERAL PHIYEGA: Thank you.

Page 7874

1 CHAIRPERSON: So that's the answer to  
2 that question. Now the next thing is Mr Bruinders says  
3 he'll help you to find the documents if you haven't got  
4 anyone to help you yourself. Is that correct, Mr  
5 Bruinders?

6 MR BRUINDERS SC: Yes.

7 GENERAL PHIYEGA: Yes, I am helping  
8 myself.

9 CHAIRPERSON: She says she's helping  
10 herself. Remember, there was an earlier – I'm not sure if  
11 you were here – there was an earlier stage in her evidence  
12 when someone was sitting next to her, finding the documents  
13 for her, and that person was requested to go so that she  
14 must be on her own. So that's the background against which  
15 she's answering your question.

16 MR BRUINDERS SC: Perhaps I should just  
17 move on and deal with the document then. Exhibit U, do you  
18 have it, National Commissioner?

19 GENERAL PHIYEGA: I beg your pardon?

20 MR BRUINDERS SC: Do you have exhibit U  
21 in front of you?

22 GENERAL PHIYEGA: Yes, we are sharing  
23 hers.

24 MR BRUINDERS SC: Thank you. Now if you  
25 look at the heading, it's the contingency plan for 10-8-

Page 7875

1 2012. Do you see that?

2 GENERAL PHIYEGA: I see that.

3 MR BRUINDERS SC: And the first paragraph  
4 under situation reads, "On Friday 2012-08-10, plus-minus  
5 7 000 employees, machine operators at East and Western  
6 Karee Mine affiliated to the National Union of Mineworkers  
7 and Association of Mineworkers and Construction Union  
8 embarked on an unprotected strike. Among other things,  
9 employees complained about poor salaries as compared to  
10 their counterparts in Gauteng mines, and poor working  
11 conditions in this mine." I've read that correctly,  
12 haven't I?

13 CHAIRPERSON: I take it you've read it  
14 correctly. Shall we take the tea adjournment at this stage  
15 and you can then put your question based upon what you've  
16 read, or do you want to read something else first?

17 MR BRUINDERS SC: No, we can do that, but  
18 before I do that, perhaps we should before the tea  
19 adjournment hand up – this is not the only plan; there are  
20 plans for the 11th, 12th, 13th, etcetera, and I suppose this  
21 is an opportune moment to hand those up, copies of those,  
22 so that the National Commissioner can look at them as well.

23 CHAIRPERSON: Yes, alright. No, that  
24 seems sensible. It will save time that way, if she doesn't  
25 mind having her tea break spoiled by reading these plans as

Page 7876

1 well. Well, hand them up and Ms Pillay will tell us how to  
2 mark them, and then we'll take the tea adjournment.

3 MS PILLAY: Chair, would it be possible  
4 to mark them after tea? I just want to make sure that they  
5 haven't been – because we have exhibit SS3 that is also  
6 contingency plans. I just want to make double sure that  
7 there's nothing marked –

8 CHAIRPERSON: Have you got that, Mr  
9 Bruinders? Hand the documents up. Ms Pillay will tell us  
10 after tea if they're already before us as exhibits, and if  
11 they're not, she will then tell us what exhibit numbers  
12 would be appropriate, but in the meanwhile the National  
13 Commissioner will read them unmarked and give us the  
14 benefit of her input after the tea adjournment in response  
15 to your questions. Mr Bruinders [inaudible] -

16 MR BRUINDERS SC: I can't hear. Your  
17 microphone is –

18 CHAIRPERSON: Oh, sorry. I've hoped  
19 without amplification you could hear me. Exhibit U, I've  
20 got it somewhere here, but can you describe it for me?

21 MR BRUINDERS SC: The facing page reads  
22 "Annexures Friday 2012-08-10," and what it is, is the  
23 contingency plan of the Rustenburg POP for 10 August 2012.  
24 But the facing page of annexure U –

25 CHAIRPERSON: Ja, okay –

Page 7877

1 MR BRUINDERS SC: - apparently reads  
 2 "Annexures" –  
 3 CHAIRPERSON: You handed us annexures  
 4 relating to Saturday, the 11th, Sunday, the 12th, and  
 5 Monday, the 13th, and it sounds as if the document exhibit U  
 6 is the preceding document in the series relating to the  
 7 10th. Is that correct? Now I understand it. On that note,  
 8 can we take the tea adjournment? The National Commissioner  
 9 will in addition to drinking her tea, look at these  
 10 documents and you'll question her about them afterwards,  
 11 and Ms Pillay will first tell us how to mark them if  
 12 they're not before us already in a marked form. Is that  
 13 correct? We'll take the tea adjournment.  
 14 [COMMISSION ADJOURNS COMMISSION RESUMES]  
 15 [11:49] CHAIRPERSON: During the adjournment we  
 16 received a copy of a letter from Attorneys Kgomo, Mokhetle  
 17 & Tlou who act on behalf of the Bapo Ba Mogale Royal  
 18 Family. They deal with the application for the removal of  
 19 the seat of the Commission from Rustenburg in the letter,  
 20 and they say that their client, who is a party in these  
 21 proceedings, that's to say the Bapo Ba Mogale Royal Family,  
 22 have instructed them to place on record their position with  
 23 regard to the application. It's to abide by the decision  
 24 of the Commission on whether to move the Commission to  
 25 Pretoria, Centurion, or not, and they want it placed on

Page 7878

1 record that ES Kgaka Attorneys and its appointed counsel do  
 2 not act for the royal family, and their stance is that the  
 3 Administrator of the Traditional Community, Mr Isaac Seboko  
 4 "Oupa" Monamodi, who signed the confirmatory affidavit in  
 5 the opposition to the application, was acting, as they put  
 6 it, on a frolic of his own insofar as not having taken into  
 7 account the interest of their client. I mention this  
 8 because I do not know whether a copy of this letter has  
 9 been sent to the Administrator or his attorneys, and if so,  
 10 I would request that a copy be communicated to them. The  
 11 matter, as I indicated earlier, will be dealt with on  
 12 Monday next when Mr Mpofo returns, but obviously it's  
 13 important that this question of the opposition and who is  
 14 behind the opposition and who is not behind the opposition  
 15 should be clarified. You're still under oath National  
 16 Commissioner.  
 17 MANGWASHI VICTORIA PHIYEGA: s.u.o.  
 18 CHAIRPERSON: Ms Pillay, you were going  
 19 to tell us whether these documents we've been handed are  
 20 already before us as exhibits and if not, how they must  
 21 they be described.  
 22 MS PILLAY: Chair, the document with the  
 23 cover page "The 11th of August," if you look at the actual  
 24 contingency plan which is attached to that document, it's  
 25 the plan of the 10th of August. So the contingency plan

Page 7879

1 itself is exhibit U. It's been marked exhibit U already.  
 2 The document marked "The 12th of August," if you look at  
 3 the actual document itself you'll see that again it's the  
 4 contingency plan of the 10th of August, which is exhibit U,  
 5 and similarly, Chair, the document that on the cover has  
 6 "The 13th of August," if you look at the plan, the plan is  
 7 for the 13th of August and that's exhibit SS3. SS3, that's  
 8 right.  
 9 CHAIRPERSON: Do we have them already?  
 10 MS PILLAY: The substance, the actual  
 11 plans themselves are exhibits already.  
 12 CHAIRPERSON: SS3:  
 13 MS PILLAY: That's the 13th.  
 14 CHAIRPERSON: Thank you for giving us  
 15 these documents. We have them already, but it would be  
 16 useful to have them "byderhand," as it were, while you  
 17 proceed with your cross-examination based upon them.  
 18 CROSS-EXAMINATION BY MR BRUINDERS SC (CONTD.):  
 19 National Commissioner, before the tea break I asked you to  
 20 look at that first paragraph of exhibit U, and you did so,  
 21 not so?  
 22 GENERAL PHIYEGA: Yes, I have.  
 23 MR BRUINDERS SC: And what exhibit U  
 24 shows is certainly by, or on the 10th, I mean this is signed  
 25 by the Unit Commander Marake and the Cluster Commander

Page 7880

1 Seboloke, which you'll find on the last page of that  
 2 report. On this day, the 10th the SAPS POP personnel in  
 3 Rustenburg had a fair deal of information about what the  
 4 labour unrest was about. You'd agree with that?  
 5 GENERAL PHIYEGA: Yes.  
 6 MR BRUINDERS SC: Commissioner, during  
 7 that first meeting with the SAPS on the 13th, did any one of  
 8 the SAPS officers present in that meeting, did any of them  
 9 relay this information we see in the first paragraph of  
 10 exhibit U to you?  
 11 GENERAL PHIYEGA: No, we did not discuss  
 12 this plan.  
 13 MR BRUINDERS SC: Commissioner, I accept  
 14 that you - I'm not suggesting that you discussed the plan.  
 15 What I want to ask you is did nobody pass on in that  
 16 meeting this information to you, or information like this  
 17 to you?  
 18 GENERAL PHIYEGA: I think I've already  
 19 maybe in a way answered this question because I did  
 20 indicate that the information that we're discussing was  
 21 about the labour unrest that was there. I was aware that  
 22 there is an NUM, there is an AMCU. I was aware that there  
 23 are issues of salaries. I was aware that economic activity  
 24 is not taking place. So all those issues were relayed in a  
 25 manner that was, if I may use maybe some phrases we use in

Page 7881

1 my language, we use [African language], you know high level  
 2 presentation, not specifically as you want me to say in  
 3 this manner, but those issues were highlighted to me.  
 4 MR BRUINDERS SC: So we can accept that  
 5 at the end of that first meeting of the SAPS on the 13th you  
 6 had - your understanding of what had taken place was very  
 7 similar to what we see at the first paragraph of exhibit U?  
 8 GENERAL PHIYEGA: I've say yes, there'd  
 9 be a fair commonality, but the details, you see here you  
 10 talk about details, machine operators and Karee Mine.  
 11 Those details were not things that I engaged in, but I  
 12 understood that the Lonmin employees had an issue; there  
 13 were two unions; there were salaries; there had been people  
 14 not going to work, all those issues were -  
 15 MR BRUINDERS SC: Once you got this  
 16 overview of what the problem was at Marikana, I take it  
 17 that you would have asked your SAPS commanders present how  
 18 they dealt with the labour unrest up to that point.  
 19 GENERAL PHIYEGA: Of course they would  
 20 have shared what has been happening, and this is why in our  
 21 report, the statement that I read earlier on from the press  
 22 statement, they would have shared whether there were things  
 23 that have happened, property that was damaged or people  
 24 that were injured, whether the people are back at work or  
 25 not at work, whether the unprotected strike continues,

Page 7882

1 those types of issues they would share.  
 2 MR BRUINDERS SC: Did you ask who'd been  
 3 in charge on the ground between 10 and 13 August?  
 4 COMMISSIONER HEMRAJ: Sorry, in charge  
 5 of? I didn't hear your question clearly, Mr Bruinders, I'm  
 6 sorry.  
 7 MR BRUINDERS SC: Did you ask who had  
 8 been in charge on the ground at Marikana for the SAPS in  
 9 the period 10 to 13 August?  
 10 GENERAL PHIYEGA: I knew who was in  
 11 charge; the Provincial Commissioner together with her team.  
 12 She would appoint who goes to the JOC and all those things.  
 13 I knew that the commissioner of this province was in  
 14 charge.  
 15 MR BRUINDERS SC: Did the Provincial  
 16 Commissioner in that first meeting give you an overview of  
 17 the deployment of SAPS personnel at Marikana during that  
 18 time?  
 19 GENERAL PHIYEGA: I did not ask for that  
 20 because I knew she had everything in control, and should  
 21 she need additional capacity she would address me on that.  
 22 MR BRUINDERS SC: Did you not in that  
 23 meeting want to know whether the resources up to that point  
 24 had been sufficient to cope with the unrest?  
 25 GENERAL PHIYEGA: I have a very deep

Page 7883

1 appreciation and respect for my commanders, and that's part  
 2 of their duty, is to ensure that they plan adequately and  
 3 appropriately, and if they have a need they know that there  
 4 are things I can unlock, and if that need presents they  
 5 will tell me. I do not - and I think it's important for me  
 6 just say these are senior executive, I don't micro manage  
 7 them.  
 8 MR BRUINDERS SC: So your answer is you  
 9 were not interested in whether the resources up to that  
 10 point were adequate to cope with the unrest in Marikana?  
 11 CHAIRPERSON: I'm not sure if that's a  
 12 fair summary of what she said. This is an angle to it that  
 13 I think is a bit unfair. Perhaps you should reformulate  
 14 the question. "Wasn't interested" implies that she was,  
 15 you know, had no interest in it at all. I don't think  
 16 that's what she was conveying, but perhaps you could  
 17 reformulate the question in a way which doesn't suggest  
 18 that she showed no interest at all. I don't think it's at  
 19 all consistent with the evidence she's given.  
 20 MR BRUINDERS SC: National Commissioner,  
 21 you did not at that meeting ask of the Provincial  
 22 Commissioner and the commanders present whether the  
 23 resources at that point were sufficient to cope with the  
 24 unrest.  
 25 GENERAL PHIYEGA: I did not ask it in a

Page 7884

1 manner that you're asking, but if - because I knew that if  
 2 there is any capacity need that requires my strategic  
 3 intervention, that would be brought to my attention.  
 4 MR BRUINDERS SC: Will you please turn to  
 5 exhibit SS3, and in particular to the contingency plan for  
 6 13 August 2012?  
 7 CHAIRPERSON: This of course is only part  
 8 of SS3. SS3 contains a number of documents, but this part  
 9 of it.  
 10 MR BRUINDERS SC: Correct Chair, and if  
 11 my memory serves me correctly it isn't - I don't think that  
 12 SS3 is numbered, I don't think it's paginated.  
 13 CHAIRPERSON: Some of the annexures are  
 14 not paginated. The contingency plan itself has got page  
 15 numbers at the bottom, except Greek letters are huge,  
 16 rather than Roman letters but nothing turns on that. The  
 17 pages are numbered in that rather funny way, but thereafter  
 18 the annexures are not paginated whether in Greek letters or  
 19 in Roman ones.  
 20 MR BRUINDERS SC: Commissioner, are you  
 21 at the plan for the 13th?  
 22 GENERAL PHIYEGA: Yes, I am.  
 23 MR BRUINDERS SC: If you turn to page  
 24 three under 4.1.3, Public Order Policing -  
 25 CHAIRPERSON: Sorry to interrupt you, Mr

Page 7885

1 Bruinders. When I said the plan was paginated with these  
 2 Greek letters for the word page, that only goes up to page  
 3 six. There are two more pages which aren't numbered at  
 4 all, and thereafter there are these annexures. So I'm just  
 5 correcting what I said. Forgive me for interrupting.  
 6 MR BRUINDERS SC: Are you at 4.1.3,  
 7 Public Order Policing, Commissioner? Commissioner, we can  
 8 see there that apart from the Rustenburg POP, there were  
 9 also personnel from the Johannesburg POP, the East Rand POP  
 10 and the KwaMhlanga POP. Is that so?  
 11 GENERAL PHIYEGA: Yes.  
 12 MR BRUINDERS SC: And you can accept from  
 13 me that if you compare this plan of the 13th to the plan of  
 14 the 10th, this seems to be the first time that there's the  
 15 introduction of people from outside of the North West into  
 16 Marikana. Do you accept that?  
 17 GENERAL PHIYEGA: Yes.  
 18 MR BRUINDERS SC: Were you before the 13th  
 19 asked to approve the introduction of personnel from outside  
 20 of the province into Marikana?  
 21 GENERAL PHIYEGA: I've said earlier on  
 22 and in my other testimony that any capacity outside this  
 23 province, myself together with ORS at head office, I'm that  
 24 person who can say that must happen.  
 25 [12:09] MR BRUINDERS SC: Commissioner, we simply

Page 7886

1 want to know whether we must accept that before the 13th,  
 2 certainly before your meeting on the 13th, you had approved  
 3 the use of personnel from other provinces at Marikana.  
 4 GENERAL PHIYEGA: I'm saying yes, any  
 5 capacity outside this province I have to assist in that.  
 6 MR BRUINDERS SC: When you had the first  
 7 meeting with SAPS on the [inaudible] were aware that  
 8 [inaudible] that day, or by that time, SAPS personnel from  
 9 outside of the province had been introduced at Marikana?  
 10 GENERAL PHIYEGA: You are correct,  
 11 because it has escalated.  
 12 MR BRUINDERS SC: Can you please in that  
 13 same plan turn to paragraph 8, Equipment? Have you looked  
 14 at it, Commissioner?  
 15 GENERAL PHIYEGA: You said 13?  
 16 MR BRUINDERS SC: It's the plan of the  
 17 13th, paragraph 8, heading "Equipment."  
 18 GENERAL PHIYEGA: Paragraph 8.  
 19 MR BRUINDERS SC: Heading "Equipment."  
 20 Do you see it?  
 21 GENERAL PHIYEGA: Yes, I do.  
 22 MR BRUINDERS SC: And again you can  
 23 accept from us, Commissioner, that this is the first plan  
 24 on the 13th when we see the introduction of R5 and water  
 25 cannon at Marikana, for use at Marikana. You do accept

Page 7887

1 that?  
 2 GENERAL PHIYEGA: I think on the  
 3 equipment issue the OPS people will talk to you because I'm  
 4 not sure whether it was the first time you see it in  
 5 writing. They can tell you whether they had them on  
 6 standby, didn't have them, and I'm sure they will be able  
 7 to answer those questions.  
 8 MR BRUINDERS SC: We will pursue that  
 9 with them. What I'm simply asking you is this, do you  
 10 accept that the 13th was the first time that we see a  
 11 reference to the introduction of the use of R5 at Marikana?  
 12 GENERAL PHIYEGA: In the report that you  
 13 see, but I'm saying when the operations commanders come  
 14 here they will testify to you whether the equipment was  
 15 here, in abeyance, or being used. They would be able to  
 16 answer those questions.  
 17 MR BRUINDERS SC: Did anybody in that  
 18 first meeting report to you that on the Monday sharp-point  
 19 ammunition was used in dealing with labour unrest?  
 20 GENERAL PHIYEGA: No, I'm not aware of  
 21 that report.  
 22 MR BRUINDERS SC: So nobody talked about  
 23 sharp-point ammunition in that first meeting on the Monday?  
 24 GENERAL PHIYEGA: Because we did not  
 25 discuss ammunition and the things that you're referring to

Page 7888

1 under 8 because those who are sitting in operations, I said  
 2 to you I didn't discuss the operation, I didn't discuss the  
 3 plan. So those people would be able to answer you on that.  
 4 CHAIRPERSON: Mr Bruinders, I'm not  
 5 entirely clear as to what the question was. Could you  
 6 repeat it again? I'm not sure that I heard it correctly.  
 7 Could you repeat the question?  
 8 MR BRUINDERS SC: Did anybody in that  
 9 meeting report to you that sharp-point ammunition had been  
 10 used on that Monday?  
 11 CHAIRPERSON: I understood you to say  
 12 sharp ammunition had been used to redress labour unrest. I  
 13 thought you said that. You're not putting it now –  
 14 MR BRUINDERS SC: During the course of  
 15 labour unrest, yes.  
 16 CHAIRPERSON: In the course of labour  
 17 unrest. Our understanding is that it was never used for  
 18 labour unrest per se; it was used in a situation where  
 19 people had been killed. They were casualties of the  
 20 police; people were killed, policemen were killed. It's  
 21 never been suggested, as far as I understand, that sharp  
 22 ammunition was ever used simply in a labour unrest  
 23 situation, unless by unrest you mean something more than  
 24 the word by itself connotes, and you actually are referring  
 25 to a system of violence, breakdown in law and order where

Page 7889

1 people are assaulted and murdered.  
 2 MR BRUINDERS SC: Perhaps I can rephrase  
 3 my question.  
 4 CHAIRPERSON: Please do. Your question  
 5 should be reformulated in fairness to the witness, and  
 6 frankly to yourself.  
 7 MR BRUINDERS SC: Did anybody in that  
 8 meeting tell you that sharp-point ammunition had been used  
 9 on the 13th?  
 10 GENERAL PHIYEGA: My answer is still no.  
 11 MR BRUINDERS SC: Did anybody in that  
 12 meeting tell you that provision had been made for the use  
 13 of sharp-point ammunition at Marikana?  
 14 GENERAL PHIYEGA: My answer is no,  
 15 because we did not discuss equipment.  
 16 MR BRUINDERS SC: That first meeting, it  
 17 seems as if you got there just after 8 o'clock, not so?  
 18 GENERAL PHIYEGA: Ja, it was anything –  
 19 18 and much later, around that time. 18:00 or much later.  
 20 MR BRUINDERS SC: Perhaps this is the  
 21 occasion to produce the occurrence book, because I think  
 22 there is a reference to it there and I suppose that will  
 23 sort it out. Shall we do it now, Mr Chair?  
 24 CHAIRPERSON: Are you referring to the  
 25 Lonmin occurrence book?

Page 7890

1 MR BRUINDERS SC: No.  
 2 CHAIRPERSON: The police occurrence book?  
 3 MR BRUINDERS SC: The SAPS occurrence  
 4 book. I don't think it's in the exhibits.  
 5 CHAIRPERSON: Ms Pillay, am I correct in  
 6 thinking that the SAPS occurrence book has not yet been  
 7 handed in as exhibit?  
 8 MS PILLAY: That's correct, Chair. Only  
 9 the Lonmin OB book has been - an exhibit.  
 10 CHAIRPERSON: Yes, yes. So you're  
 11 correct, now I see the lady assisting you is standing up  
 12 with a pile of papers in her hand. Presumably these are  
 13 copies of the SAPS occurrence register. Ms Pillay, what do  
 14 we call that?  
 15 MS PILLAY: Chair, it will be FFF25.  
 16 CHAIRPERSON: 25, thank you. Yes, I see  
 17 this document is typed. I don't know whether the original  
 18 was typed. Do we know, this was obviously taken off the  
 19 hard drive. Has anyone checked to see whether this, what  
 20 is presumably a copy of the occurrence register, is in fact  
 21 an accurate one? Unless it was kept, you know, in  
 22 typewritten form as it was being kept.  
 23 MR BRUINDERS SC: No, I don't think so.  
 24 I haven't personally checked it, but I think we have, we,  
 25 somebody in our team has looked at both and I don't, I mean

Page 7891

1 I haven't picked up any, they would have obviously said if  
 2 there are discrepancies, but I can't –  
 3 CHAIRPERSON: We can proceed for the  
 4 moment on the basis that the document is in order and is  
 5 for practical purposes materially accurate copy of the  
 6 original.  
 7 MR SEMENYA SC: Chair, there may very  
 8 well be valid reasons why we're getting the document now,  
 9 but it would be difficult for us to follow unless we have  
 10 read the document. If there are matters objectionable  
 11 about it, we'll raise them. I can't, just looking at the  
 12 document, and the cross-examination continues.  
 13 CHAIRPERSON: It will depend on the  
 14 questions. I have great sympathy for the point you put and  
 15 I certainly would need time to look at the document because  
 16 it's quite a lengthy document. I don't know if Mr  
 17 Bruinders is going to take us painfully through every page,  
 18 so let's here the question first. If the questions raise  
 19 any questions of context or anything of that kind, which  
 20 require a perusal of the relevant section of the document,  
 21 you can then renew your point and I'll deal with it, I hope  
 22 sympathetically. Mr Bruinders, what's the first question  
 23 you're going to ask on the basis of this document? The  
 24 exhibit number is FFF25, as I understand.  
 25 MR BRUINDERS SC: Can I ask you,

Page 7892

1 Commissioner, to go to – if you look at the bottom, page 6.  
 2 Against the number 60 there's an entry, 20:20 and which is  
 3 a situation report, "The National Commissioner General  
 4 Phiyega and Lieutenant-General Petros visited, everything  
 5 in order." Do you see that?  
 6 CHAIRPERSON: Where is this?  
 7 MR BRUINDERS SC: It's page 6, entry  
 8 number 60, 20:20, situation report.  
 9 CHAIRPERSON: Oh, I see.  
 10 MR BRUINDERS SC: Do you see that,  
 11 Commissioner?  
 12 GENERAL PHIYEGA: Yes, I do.  
 13 MR BRUINDERS SC: The only question here  
 14 is can we accept that it would have been just after 8  
 15 o'clock that you would have started that first meeting with  
 16 your SAPS commanders?  
 17 GENERAL PHIYEGA: I'll refer you to my  
 18 statement because my statement tells you my estimation of  
 19 the time. If you go to my statement, I don't know what  
 20 exhibit it is, but it talks about the –  
 21 CHAIRPERSON: We have several copies of  
 22 your statement, but it's FFF2, I think is the one that –  
 23 GENERAL PHIYEGA: Where it talks about –  
 24 CHAIRPERSON: As far as this part of the  
 25 statement is concerned, there's no controversy.

Page 7893

1 GENERAL PHIYEGA: Okay.

2 CHAIRPERSON: So we can look at FFF2 or

3 3. It's paragraph 13, I'm informed.

4 GENERAL PHIYEGA: Okay. I think

5 basically what I wanted to refer to is that I do indicate

6 that around 18:00 or much later I arrived there. I think

7 that's what I said to this Commission, I arrived at

8 Marikana. So the 20:20 could well be much later, but I

9 arrived around 18:00 hours, 7, around that time.

10 MR BRUINDERS SC: Okay, so let's accept,

11 so you get there between 6 and 7 o'clock in the evening.

12 Do you start your meeting immediately with your SAPS

13 people?

14 GENERAL PHIYEGA: Yes.

15 MR BRUINDERS SC: How long does the first

16 meeting take approximately?

17 GENERAL PHIYEGA: I actually did not time

18 that, but it could have been anything between an hour to

19 two, hour and a half.

20 MR BRUINDERS SC: And then Commissioner,

21 do you go directly from that SAPS meeting to the Lonmin

22 meeting?

23 GENERAL PHIYEGA: You are correct.

24 MR BRUINDERS SC: And how long was the

25 Lonmin meeting?

Page 7894

1 GENERAL PHIYEGA: It was quite a longish

2 meeting. It could have been in excess of two hours.

3 MR BRUINDERS SC: And Commissioner, as we

4 understand your evidence so far about Lonmin meeting, the

5 first is that Lonmin said to you that the strikers on the

6 koppie were faceless people.

7 GENERAL PHIYEGA: It is correct.

8 MR BRUINDERS SC: They said to you they

9 did not know who to talk to about the demand of these

10 strikers.

11 GENERAL PHIYEGA: They were – yes, they

12 did say they were unable to talk to faceless people.

13 CHAIRPERSON: That's dealt with in

14 paragraph 17 of your statement.

15 MR BRUINDERS SC: And they did not say to

16 you at that meeting, Lonmin management, that they wanted to

17 talk to NUM and AMCU?

18 GENERAL PHIYEGA: We did ask about the

19 unions that they have on the mine, and they told us that

20 the official union they had was NUM. AMCU was there, but

21 they didn't have the requisite numbers and therefore were

22 not their official union, and they also indicated that they

23 were outside their bargaining period. They were going to

24 bargain in October this year. They mentioned all those

25 issues in the process of discussion.

Page 7895

1 MR BRUINDERS SC: By the end of that

2 meeting did the Lonmin management say to you and your team

3 that it wanted to talk to AMCU and NUM about what was

4 happening on the koppie?

5 GENERAL PHIYEGA: We encouraged that

6 because we said these people, according to what we are

7 seeing, are not faceless people, and we encouraged that

8 everybody must do what they can to secure a peaceful

9 solution of the matter.

10 MR BRUINDERS SC: So Commissioner, you

11 and your team encouraged the Lonmin management to talk to

12 both the unions?

13 GENERAL PHIYEGA: Yes, we did, and I am

14 sure when General Mbombo comes to give her testimony she

15 would even tell that for the first time we managed to get

16 the two unions – she managed to get the two unions to meet

17 and talk.

18 MR BRUINDERS SC: During your Lonmin

19 meeting, did the Lonmin management say to the SAPS

20 delegation that it would, or that it undertook to meet with

21 the two unions?

22 GENERAL PHIYEGA: I did not get that

23 commitment that I encouraged, we encouraged the mine to say

24 it is important, because those are stakeholders, to engage

25 them. We can't direct them, but we can encourage.

Page 7896

1 MR BRUINDERS SC: So National

2 Commissioner, you quite properly encouraged Lonmin

3 management to talk to the unions. You say you did not get

4 that commitment from them in that meeting?

5 GENERAL PHIYEGA: I'm comfortable in

6 saying to you we encouraged and emphasised.

7 MR BRUINDERS SC: Did you understand at

8 the end of that meeting with the Lonmin management that

9 they were not prepared to commit to talk to the two unions?

10 [12:29] GENERAL PHIYEGA: No, I thought, you

11 know, we had encouraged them.

12 CHAIRPERSON: So would it be accurate

13 then to say that you encouraged them; they did demur, they

14 didn't say we won't do it –

15 GENERAL PHIYEGA: Uh-uh.

16 CHAIRPERSON: - but equally they didn't

17 say we will do it.

18 GENERAL PHIYEGA: Mmm.

19 CHAIRPERSON: But you assume, I take it,

20 that in view of the fact that you'd encouraged them and

21 they hadn't disagreed, that they would do what you

22 suggested. Is that a fair summary of what you say?

23 GENERAL PHIYEGA: I think it's a fair

24 interpretation of that, Judge.

25 COMMISSIONER HEMRAJ: But what, General,

<p style="text-align: right;">Page 7897</p> <p>1 was their actual response when you made the suggestion that 2 Lonmin meet with the two unions? Did they verbalise a 3 response to that? 4 GENERAL PHIYEGA: My interpretation of it 5 was that these are people who are always together. It's 6 their employees, or it's people they work with, it's 7 stakeholders they deal with. So an encouragement like 8 that, if somebody is saying no, I will not do it, I 9 wouldn't take it that they are saying no. I, we encouraged 10 them because we felt you invited us to say there's a 11 protest in this place, and we are doing what we can and 12 what we were trying to say, to say work with us, try as 13 much as possible to achieve a peaceful resolution of 14 whatever misunderstanding that is there between you and the 15 stakeholders that you are dealing with. 16 CHAIRPERSON: National Commissioner, it 17 sounds to me from what you say as if it actually went 18 further than that, because when you first spoke to Lonmin, 19 Lonmin seemed to think that nothing could be done because 20 they didn't know who the people were; they were faceless. 21 You then were able, with the assistance of your colleagues, 22 to show them that they weren't faceless people, they were 23 actually their employees, and then you encouraged them to – 24 as you've said, and they didn't demur, or decline to do 25 what you were saying. Is that correct?</p>	<p style="text-align: right;">Page 7899</p> <p>1 when you were told by Lonmin that these are faceless 2 people, you had not yet seen or gotten confirmation of 3 photos that showed who these people were, not so? That 4 happened later, correct? 5 GENERAL PHIYEGA: I hadn't looked at them 6 in a manner of saying identify, but I knew that there was 7 footage that was being taken by the police as they were 8 doing their work. 9 MR BRUINDERS SC: Commissioner, I do 10 understand that. I'm really trying to just pin down the 11 sequence here. In the Lonmin meeting when Lonmin said to 12 you these people are faceless, that is not when the SAPS 13 looked at photographs, called security and showed Lonmin 14 that these people were actually employees, correct? 15 GENERAL PHIYEGA: You're correct. 16 MR BRUINDERS SC: So in the Lonmin 17 meeting then there are clearly three categories of 18 participants; there are the strikers, who are faceless 19 according to Lonmin, then there's NUM and then there's 20 AMCU, not so? 21 GENERAL PHIYEGA: Mmm. 22 MR MAHLANGU: Yes. 23 GENERAL PHIYEGA: Yes. 24 MR BRUINDERS SC: I understood perfectly 25 well, Commissioner, and what you were concerned about as</p>
<p style="text-align: right;">Page 7898</p> <p>1 GENERAL PHIYEGA: That is correct, Judge, 2 and I'm sure when my other colleagues come here they'll 3 talk about other engagements that they've had to advance 4 the further encouragement, because that was just, I'm 5 talking about when I was there, what we said at the time 6 and what we encouraged. But there was even more 7 encouragement over and over, and I'm sure when my 8 colleagues come here they will talk to that. 9 CHAIRPERSON: I take it that if you'd 10 thought that they weren't going to do what you'd suggested 11 that they should do, that they weren't going to talk to the 12 unions, you would presumably not have left it there, but 13 you would have taken the matter further in some way? 14 GENERAL PHIYEGA: Definitely. If indeed 15 I thought there wasn't some common view on the matter, I 16 would have – because while we even said if these people are 17 faceless, let's talk, let's see; if they are your 18 employees, it is expected of them as employers to engage 19 their protesting employees. 20 CHAIRPERSON: I'm sorry, Mr Bruinders, I 21 interrupted your cross-examination, but I was trying to get 22 some clarity on this particular point. I think I've 23 succeeded – at least I hope I have. 24 MR BRUINDERS SC: We're very 25 appreciative, Chair. Commissioner, at this Lonmin meeting</p>	<p style="text-align: right;">Page 7900</p> <p>1 the SAPS and you as the National Commissioner, was that in 2 that situation Lonmin actually talks to the two unions, 3 never mind whether the strikers are faceless or not, 4 correct? 5 GENERAL PHIYEGA: Indeed, because we were 6 called there to come and deal with a labour matter, a 7 labour protest of their employees. 8 MR BRUINDERS SC: And Lonmin didn't 9 respond either positively or negatively to your 10 encouragement? 11 MR MAHLANGU: I don't understand the 12 question. 13 MR BRUINDERS SC: Lonmin – 14 CHAIRPERSON: When you, or what counsel 15 wants to know is this. When you encouraged – I think he 16 covered this ground already, but he wants to go over it 17 again for some reason. When you encouraged Lonmin to speak 18 to the unions and all those involved, Lonmin didn't say 19 yes, we will, and they didn't say no, we won't. They 20 remained quiet, as I think you said assumed that they 21 agreed with what you said because they didn't express 22 disagreement. Is that right? 23 GENERAL PHIYEGA: It is right, Judge, 24 because remember I've also indicated that they've already 25 started telling us about the genesis of the problem, what</p>

Page 7901

1 is the problem, two labour unions, the salary protest and  
2 all those issues, and all we were saying was to say you  
3 have a role to play, and they didn't show any rejection of  
4 our encouragement.

5 CHAIRPERSON: But as I said before as you  
6 say in your statement, it went further than that because it  
7 appears from paragraph 17 of your statement that they said,  
8 when you spoke to them, that the protesters were not their  
9 employees and were unknown to them, and that as such – in  
10 other words because they were not their employees, were  
11 unknown – they found no reason to negotiate with what they  
12 referred to as faceless people. So what they were saying  
13 to you was by implication, as I read it, that they couldn't  
14 negotiate with people they didn't know, who didn't work for  
15 them. You then with the assistance of your colleagues were  
16 able to show them that the basis upon which they had said  
17 they couldn't negotiate with them was incorrect because  
18 they were known to them and they were their employees. Is  
19 that correct?

20 GENERAL PHIYEGA: It is correct, because  
21 then the head of security we said, "These people that you  
22 say are faceless, let us show you the pictures that we are  
23 having. Do you know these faces?" and then he said, "No, I  
24 would not be able to do it myself. My security people  
25 are," we said fetch them. He fetched him – he fetched them

Page 7902

1 and they came, they started reading faces and we said,  
2 "Sure they are not faces, they are employees. Please talk  
3 to these people."

4 MR BRUINDERS SC: National Commissioner,  
5 what you've just described happened at that third meeting,  
6 not so? What you've just described happened at the third  
7 meeting that evening.

8 GENERAL PHIYEGA: Remember the security  
9 was with us in the second meeting and we said, we continue  
10 with him to say, "Now we want to show you the pictures."  
11 The chief of security was in the second meeting. We  
12 continued with him to say, "Now we want to show you the  
13 pictures," because we then went and we showed him the  
14 pictures; we identified these people, we say talk to your  
15 people. Then we continued on our own as SAPS after we  
16 finished the engagement with Lonmin.

17 MR BRUINDERS SC: This engagement that  
18 you – sorry, let me rephrase that. When you say that you  
19 spoke to Lonmin security for the purpose of identifying who  
20 employees were, or that strikers were employees, when that  
21 happened, did you at the end of that exercise again call  
22 upon Lonmin to talk to the NUM and AMCU, or did you call  
23 upon them to talk to the strikers, their employees?

24 GENERAL PHIYEGA: What was important for  
25 us is that there was an employer/employee relationship.

Page 7903

1 Where that employee is really, is another matter, but we  
2 were interested in the employer sorting out their issues  
3 with the employees. Whether they were AMCU or NUM or non-  
4 members, it was important to say that destabilisation that  
5 is there at that place, the employer must talk to their  
6 employees.

7 MR BRUINDERS SC: So at the end of the  
8 detective exercise, what happened was you said to Lonmin  
9 talk to these employees who are no longer faceless, not so?

10 GENERAL PHIYEGA: I've already said yes  
11 to that.

12 MR BRUINDERS SC: What was the response  
13 to that encouragement from you?

14 GENERAL PHIYEGA: I did not have a sense  
15 that they are saying no to whatever. I did not, they did  
16 not say yes, but I thought with the employers who now  
17 realise that they have to do something.

18 MR BRUINDERS SC: Their response is  
19 neither yes nor no?

20 GENERAL PHIYEGA: I said my impression  
21 was that it is an employer who understood that they had a  
22 responsibility.

23 MR BRUINDERS SC: If we, and I know it's  
24 some time and I'm not asking you to be exact, National  
25 Commissioner, but if we think back and you get there just

Page 7904

1 after 6 o'clock, between 6 and 7, you have a meeting with  
2 the SAPS that takes an hour to two hours, you then have a  
3 meeting with Lonmin that takes about two hours, the two  
4 meetings would have finished round about 10 o'clock that  
5 evening, not so?

6 GENERAL PHIYEGA: Time issues – maybe I  
7 may not be able to put my finger on it, but all I know is  
8 that we had a meeting in the early evening and it stretched  
9 and stretched, and the facts are in my statement.

10 MR BRUINDERS SC: How long was that third  
11 meeting where the SAPS met on their own?

12 GENERAL PHIYEGA: It took time. It could  
13 have been, I would say between an hour, hour, two. They  
14 were longish meetings, because remember this other one we  
15 even had to wait for those security to come so that we can  
16 show them, when we started, in other words the process of  
17 security being fetched from home and all that. It was a  
18 longish exercise, all those three meetings.

19 MR BRUINDERS SC: Commissioner, in  
20 exhibit FFF18, which is the affidavit of Lieutenant-Colonel  
21 Scott, he says at paragraph 6 of that affidavit that that  
22 third meeting started at about 11 o'clock at night. Does  
23 that sound right to you?

24 GENERAL PHIYEGA: It could have been  
25 around there, or even much earlier, but it was those out

Page 7905

1 hours of the day.

2 MR BRUINDERS SC: In fact, Commissioner,

3 it's pointed out to me that your statement also says at

4 paragraph 20 that that meeting started at 11 o'clock. So

5 we can accept that, not so?

6 GENERAL PHIYEGA: Ja, it could be that.

7 I'm saying it could be.

8 MR BRUINDERS SC: And that third meeting,

9 how long did that take more or less?

10 GENERAL PHIYEGA: I can only approximate,

11 you know. If I knew that I'd be sitting here, I probably

12 would have kept a nice little diary to tell you exactly,

13 but it could have been around an hour again, an hour, two,

14 or even longer.

15 MR BRUINDERS SC: Mr Russo-Bello, who

16 seems to have been at both those meetings – he was of

17 Lonmin – says at paragraph 7.12 of his affidavit that you

18 left the scene at about 2:30 on Tuesday, 13 August 2012.

19 GENERAL PHIYEGA: I did say to you that

20 it was longish meetings and it was those out hours of the

21 day.

22 MR BRUINDERS SC: So National

23 Commissioner, we've now established that the question of

24 faceless people, photograph identification, that was dealt

25 with really at the end of the Lonmin meeting, not so?

Page 7906

1 [12:49] GENERAL PHIYEGA: I've already said to

2 you in a previous response that remember the security head

3 was then with us at JOC so that we can show him the

4 pictures and he can go and fetch the people so that the

5 continuation of those meetings, particularly the second one

6 and the other one is interchanged, because we take the

7 security boss with us to the JOC to show him the pictures.

8 He fetches the people; we bring the people at the JOC for

9 him to identify and we say, "These are your people; please

10 ensure that you talk to them."

11 MR BRUINDERS SC: And you participated in

12 that exercise where these faceless people were identified?

13 GENERAL PHIYEGA: I was in that place

14 when the security worked with the team to look at the

15 pictures, to ring and to identify them to the security, ja.

16 MR BRUINDERS SC: The purpose of that

17 third meeting, apart – let's leave aside this question of

18 trying to identify people, so that's been done. Now we're

19 going to the meeting, the third meeting with the SAPS

20 commanders, not so?

21 GENERAL PHIYEGA: Indeed when everything

22 is finished we met as SAPS people.

23 MR BRUINDERS SC: And the purpose of you

24 meeting with your commanders, National Commissioner, at

25 that hour, at that time, was so that you could give

Page 7907

1 strategic guidance on the way forward in this labour unrest

2 situation at Marikana, not so?

3 GENERAL PHIYEGA: I think the important

4 thing for us was to say what has happened today. We've

5 managed to actually say these are employees of this mine,

6 we've encouraged them, encouraging them to say, you know,

7 as you go forward work with them to ensure that this

8 peaceful solution is found, and if there is any other thing

9 that I can help you with, let me know so that that happens.

10 We needed to wrap up as SAPS after that meeting.

11 MR BRUINDERS SC: Commissioner, you

12 participated in a discussion with your commanders. Were

13 you advised that the way forward was first to negotiate?

14 Would that be right?

15 GENERAL PHIYEGA: I emphasised a

16 principle of achieving as much as possible a peaceful

17 solution, and how they were going to do they know. They

18 have the prescripts; they know precisely what to do to get

19 there. They must read the situation, apply the prescripts

20 and do what they're supposed to do, and that would also

21 include processes of trying to achieve a peaceful solution.

22 MR BRUINDERS SC: So in that meeting your

23 requirement of your commanders was that they first seek to

24 resolve the unrest by way of a peaceful solution.

25 GENERAL PHIYEGA: I did not plan the

Page 7908

1 operation for the members. I am saying to you one of the

2 philosophies and principles that I encourage everybody, I

3 encourage the mine, I encourage my team to say together

4 with all the stakeholders they should work towards

5 achieving a peaceful solution. As to how that is done,

6 there are clear prescripts, protocols, SOPs, in terms of

7 how they should do it. They must read the situation,

8 decide, plan and do whatever, and they would do that

9 operationally.

10 MR BRUINDERS SC: The next thing that you

11 must have agreed with your commanders in that meeting was

12 that there should be a drastic escalation of resources in

13 Marikana.

14 GENERAL PHIYEGA: I'm on record as saying

15 any need for additional capacity, whether it's in Marikana

16 or anywhere else, I am advised by the heads of those

17 environment, in this regard the Provincial Commissioner,

18 should she need any other additional capacity, particularly

19 from other provinces, they advise me and I make sure that

20 that happens.

21 MR BRUINDERS SC: Please turn to exhibit

22 DD.

23 CHAIRPERSON: You say DD. Has the

24 witness got a copy of DD?

25 GENERAL PHIYEGA: Uh-uh.

Page 7909

1 CHAIRPERSON: Because if she hasn't, it  
2 must be given to her.  
3 MR BRUINDERS SC: Sorry, Chair, I'll have  
4 to give her a copy. It's the affidavit of General Naidoo,  
5 and it's exhibit DD. If the National Commissioner doesn't  
6 have a copy we'll obviously make one available for her.  
7 CHAIRPERSON: Are you going to give it to  
8 her? So I don't have to give her our copy. Is it a  
9 longish passage from the affidavit you want to read to her?  
10 I see it's 3 minutes to 1.  
11 MR BRUINDERS SC: It's not –  
12 CHAIRPERSON: A copy has been obtained.  
13 MR BRUINDERS SC: Apparently she has a  
14 copy in front of her.  
15 CHAIRPERSON: Do you have a copy now of  
16 exhibit DD?  
17 GENERAL PHIYEGA: Yes, I do.  
18 MR BRUINDERS SC: It's not a long  
19 passage. Should we just do it before the lunch adjournment  
20 and then the Commissioner can reflect –  
21 CHAIRPERSON: Okay, well let's do it  
22 before lunch.  
23 MR BRUINDERS SC: Commissioner, at the  
24 second page, third paragraph, we see the following. "The  
25 National Commissioner and the Provincial Commissioner

Page 7910

1 Gauteng arrived at Lonmin later that evening and the  
2 situation was discussed. It was decided that a drastic  
3 escalation of the police resources will be necessary to  
4 both stabilise the public order situation, as well as  
5 facilitate the investigation of the murders and attack  
6 which had occurred on the police officers." I have read  
7 that correctly, haven't I?  
8 GENERAL PHIYEGA: Mmm.  
9 MR BRUINDERS SC: Then it goes on to say,  
10 "This escalation of police resources was facilitated by the  
11 NATJOC structures and the contingency plan in place for the  
12 operation was extended and operationalised for this  
13 purpose." I've read that correctly?  
14 GENERAL PHIYEGA: Mmm.  
15 MR BRUINDERS SC: Chair, would this be a  
16 convenient – that's the only paragraph I want to read.  
17 CHAIRPERSON: Do you want to put  
18 something to her about it - the witness - to comment, or do  
19 you want to do that after the lunch adjournment?  
20 MR BRUINDERS SC: I can do it now. What  
21 I want to put to you is this, National Commissioner, that  
22 you must have been involved in a discussion at which  
23 General Naidoo was present, where at the end of that  
24 discussion you were party to a decision that a drastic  
25 escalation of police resources would be necessary in

Page 7911

1 Marikana, not so?  
2 GENERAL PHIYEGA: I have indicated that,  
3 you know, in that meeting I don't recall having this  
4 specific discussion. However, as I have indicated to you  
5 that at any given time, should there be a need for  
6 additional resources, I would be approached for me to be  
7 able to do so, and I read that statement to actually be  
8 saying there is an expression of a need for additional  
9 resources, and if that is a need, Provincial Commissioner  
10 would alert me and I'd make the resources available.  
11 CHAIRPERSON: I'm not sure that I  
12 understand your answer. Are you saying that if extra  
13 resources were required, you had to be approached? Is that  
14 what you're saying?  
15 GENERAL PHIYEGA: Because what they would  
16 – yes, Judge, I'm saying when they need any resources  
17 outside this province –  
18 CHAIRPERSON: Yes, yes. No –  
19 GENERAL PHIYEGA: - particularly of  
20 people –  
21 CHAIRPERSON: Yes.  
22 GENERAL PHIYEGA: - POP members, I'm the  
23 one who should be able to say to them yes, let's talk to  
24 province Y, province Z and province X.  
25 CHAIRPERSON: Yes, I understand that.

Page 7912

1 That's the background against which the question is asked.  
2 I understood you to say that it was agreed that if – which  
3 is effectively stating what was said to you already –  
4 GENERAL PHIYEGA: Then I'm –  
5 CHAIRPERSON: - that if more people were  
6 required, then you would have to be contacted and you would  
7 obviously do the necessary. Is that what you're saying?  
8 GENERAL PHIYEGA: What I'm –  
9 CHAIRPERSON: I just wonder if I  
10 understand you. I don't want to misunderstand.  
11 GENERAL PHIYEGA: Ja, I think the "if"  
12 for me is again back to the principle to say how do we get  
13 additional resources outside the province. It's, maybe I  
14 used it in a manner that confused you. I'm saying any  
15 discussion around additional resources outside this  
16 province, the commissioner of this province will approach  
17 me.  
18 CHAIRPERSON: Yes.  
19 GENERAL PHIYEGA: If General Naidoo's  
20 saying there's need for escalation for more resources, then  
21 her, his commissioner will come and tell me to say we need  
22 more people, and I will make sure that that happens.  
23 CHAIRPERSON: So that was something that  
24 was going to happen after the 13th, the next day or  
25 thereafter.

Page 7913

1 GENERAL PHIYEGA: Precisely. It could  
2 have happened after the 13th. It could have happened on the  
3 15th. It could have happened whatever, ja.

4 CHAIRPERSON: As I understand Mr  
5 Bruinders' question, he is putting to you that according to  
6 General Naidoo's statement the discussion that night went  
7 further. If you look at the second sentence of the third  
8 paragraph on page 2 of General Naidoo's statement, you'll  
9 see it reads as follows. "It was decided that a drastic  
10 escalation of the police resources will be necessary to  
11 both stabilise the public order situation, as well as  
12 facilitate the investigation of the murders and attack  
13 which had occurred on the police officers. This escalation  
14 of the police resources was facilitated via the NATJOC  
15 structures and the contingency plan in place for the  
16 operation was extend and operationalised for this purpose."  
17 So I understand Mr Bruinders' point to be that the  
18 necessary decision to bring extra people in was already  
19 made that night. That is his interpretation, as I  
20 understand him, of the passages I read. If I'm wrong, I  
21 hope you'll correct me. Now I think it might be  
22 appropriate for us to take the lunch adjournment at this  
23 stage. You can think about the question that Mr Bruinders  
24 asked, which I've endeavoured to paraphrase, and he's  
25 nodded his head, so he agrees with my paraphrase, so you

Page 7914

1 can think about it and give us the answer after the lunch  
2 adjournment. Would that be appropriate? We'll take the  
3 lunch adjournment.

4 [COMMISSION ADJOURNS COMMISSION RESUMES]  
5 [14:05] CHAIRPERSON: The Commission resumes.  
6 National Commissioner, you're still under oath.

7 MANGWASHI VICTORIA PHIYEGA: s.u.o.  
8 CHAIRPERSON: Mr Bruinders, do you want  
9 to repeat your question, or do you think we should just  
10 give the National Commissioner a chance to answer it  
11 without your repeating it?

12 MR BRUINDERS SC: No, I'm more than  
13 happy. It depends what the National Commissioner prefers.

14 CHAIRPERSON: National Commissioner,  
15 would you like Mr Bruinders to repeat his question?

16 GENERAL PHIYEGA: [Inaudible]  
17 CHAIRPERSON: Yes.

18 CROSS-EXAMINATION BY MR BRUINDERS SC (CONTD.):  
19 Commissioner, before the break we referred you to the third  
20 paragraph on the second page of General Naidoo's affidavit.  
21 Do you remember that?

22 GENERAL PHIYEGA: Yes, I do.  
23 MR BRUINDERS SC: And you've read it?  
24 GENERAL PHIYEGA: I have, yes.  
25 MR BRUINDERS SC: Reading this affidavit,

Page 7915

1 it appears that you must have been involved in the  
2 discussions about the escalation, the addition of a lot  
3 more resources to deal with the unrest in Marikana.

4 GENERAL PHIYEGA: I have indicated that  
5 that evening we did not discuss any plan. However, I've  
6 also said to you that issues of capacity had been a  
7 continuous strategic discussion with General Mbombo.

8 MR BRUINDERS SC: National Commissioner,  
9 forgive me, I didn't quite hear the full answer. Did you  
10 say that on that evening you did not discuss any plan?

11 GENERAL PHIYEGA: Yes.  
12 MR BRUINDERS SC: Now when General Naidoo  
13 says in his affidavit that what was discussed there was a  
14 drastic escalation of police resources, that of course to  
15 you did at the time make sense, not so?

16 GENERAL PHIYEGA: I shall again try and  
17 say what I've said. I've said issues of capacity I would  
18 always discuss with the Provincial Commissioner, and you  
19 would understand that on that day, which is the 13th, a lot  
20 had already happened. We were talking about a situation  
21 where a lot of property has already been burned. We were  
22 talking about a situation where almost nine people were  
23 dead.

24 MR BRUINDERS SC: Commissioner, at that  
25 final meeting that evening with your SAPS commanders, did

Page 7916

1 the SAPS commanders say to you as the National Commissioner  
2 that as far as they were concerned, there was the need for  
3 a drastic escalation of resources at Marikana?

4 GENERAL PHIYEGA: I have indicated to you  
5 that issues of capacity have always been discussed with the  
6 National Commissioner. We did not discuss a plan around  
7 additional capacity with these members. I do not recall  
8 that, but I can continuously – I can confirm that  
9 continuously issues of capacity with the Provincial  
10 Commissioner were discussed.

11 MR BRUINDERS SC: Now it seems that the  
12 one thing that those commanders were concerned about on the  
13 Monday was that they didn't have, or there wasn't enough  
14 resources to deal with what they saw and you saw as an  
15 escalating problem. That would be right, isn't it?

16 GENERAL PHIYEGA: I would say yes.  
17 MR BRUINDERS SC: If that was so, why is  
18 that not something that they would most pertinently have  
19 discussed with you in that meeting where you had to decide  
20 as a group of leaders in the SAPS how to deal with this  
21 problem?

22 GENERAL PHIYEGA: Because they know that  
23 whatever operational decisions they take, their Provincial  
24 Commissioner would address me on those about the needs they  
25 require to be able to execute the operational decisions

Page 7917

1 that they would have taken.

2 MR BRUINDERS SC: Now National

3 Commissioner, we do know that on the 14th there was a

4 drastic increase in the numbers of people, personnel, SAPS

5 personnel, at Marikana. You agree with that?

6 GENERAL PHIYEGA: Yes.

7 MR BRUINDERS SC: Many of them came from

8 other provinces.

9 GENERAL PHIYEGA: You are correct.

10 MR BRUINDERS SC: And isn't this

11 precisely what, the request that would have been made to

12 you at that meeting that night?

13 GENERAL PHIYEGA: You would recall that

14 you were saying to me I left there at about 2AM, and all

15 those things. This couldn't have been a product of that

16 meeting. This could have been a product of other

17 discussions that we already started having and we continued

18 to escalate people coming there. On the 14th, on the 15th,

19 we continued to do so.

20 COMMISSIONER HEMRAJ: General, the

21 requests that are made for additional personnel and your

22 deployment of them, or your authorisation of the

23 deployment, is that recorded anywhere in your office?

24 GENERAL PHIYEGA: No, not necessarily.

25 It's, I think the only one where in terms of this process

Page 7918

1 where you see some record is the one of the 15th, but

2 ordinarily all the others that were being given to me, they

3 would call and I would call the other Provincial

4 Commissioners. There's no protocol that requires me to be

5 recording that.

6 MR BRUINDERS SC: So, Commissioner, we

7 know from this SAPS15 documents on file that the numbers

8 increased as follows, and I'm just waiting for my learned

9 junior to get them, but from the 13th the numbers went up

10 from – sorry, on the 13th you had a total of 217 personnel

11 at Marikana, and that jumped to 580 on the 14th. That's not

12 a figure you would dispute at this stage?

13 GENERAL PHIYEGA: That's a figure I'd

14 like my operational members to talk to.

15 MR BRUINDERS SC: And again from the

16 SAPS15 documents that your legal team supplied, we've

17 picked up that the number went up from 580 on the 14th to

18 761 on the 15th. Again you would say that's something we

19 must canvass with your operations people.

20 GENERAL PHIYEGA: Yes, I would say that

21 escalation, but the specifics, those members will be able

22 to tell you.

23 MR BRUINDERS SC: And the reason that

24 there was this drastic escalation on 14 and 15, was because

25 you were asked at the meeting of the 13th to approve such

Page 7919

1 drastic escalation, not the numbers, but the drastic

2 escalation. Do you agree with that?

3 GENERAL PHIYEGA: I do not agree with you

4 because I've already answered you on that one to say I did

5 not discuss the plan on the 13th, but I continued to have

6 discussions with General Mbombo on various times on the

7 capitulation.

8 MR BRUINDERS SC: The numbers on the 14th

9 and the 15th, the SAPS personnel, they came from various

10 units from different provinces. You've already said that

11 you accept that.

12 GENERAL PHIYEGA: I've already said yes.

13 MR BRUINDERS SC: You see, the fact that

14 that could happen so quickly must be because you were aware

15 of it on the night of the 13th and gave it the go-ahead and

16 said to your, or advised your employees, the people who

17 report to you, to move ahead on increasing the numbers.

18 GENERAL PHIYEGA: Advocate, I've given

19 you my best answer on this one. If we are not meeting in

20 terms of that I would rest my answer to that what I've

21 given you.

22 MR BRUINDERS SC: Could I ask you to turn

23 to exhibit FFF18, which is the affidavit by Lieutenant-

24 Colonel Scott. We referred to it earlier. Do you have it

25 in front of you? Commissioner, before I move on to this,

Page 7920

1 the affidavit, I'm not suggesting that on that night that

2 you signed approval forms and that sort of thing. What I

3 am suggesting to you is that you had a discussion with your

4 commanders about an escalation, a drastic escalation of

5 resources, and you agreed in principle to do whatever was

6 necessary to supply those resources quickly.

7 GENERAL PHIYEGA: I'll again say to you

8 issues of capitulation, escalation thereof, were continuous

9 discussions between myself and the Provincial Commissioner.

10 I've done so over many times. I have given her support in

11 that regard, but that night we did not discuss the plan.

12 MR BRUINDERS SC: Have you opened

13 Lieutenant-Colonel Scott's affidavit at paragraph 6 -

14 CHAIRPERSON: Before you deal with

15 Lieutenant-Colonel Scott, can I just ask a question which

16 flows from the question you asked, the question of

17 deploying people from other provinces. Now a document that

18 was handed in, which is headed "Annexures Monday 2012-08-

19 13" which I understand is part of exhibit SS3, contains the

20 amended contingency plan from the 13th of August, which I

21 take it was compiled either on the 12th or early on the

22 13th. Now if you look at page 3 of that document, they're

23 dealing with what are called force levels. "Due to the

24 escalation of violence, the force," now this is documents

25 obviously compiled before the meeting on the evening of the

Page 7921

1 13th, which Mr Bruinders was discussing. Paragraph 4.1 on  
 2 page 3, "Due to the escalation of violence, the force  
 3 increased as follows. This," that's from Marikana, that's  
 4 obviously local, Crime Intelligence I take it is also  
 5 local. Public Order Policing, apart from Rustenburg POP  
 6 there are six people from Johannesburg POP, seven from East  
 7 Rand POP, they're obviously both from Gauteng.  
 8 GENERAL PHIYEGA: Yes.  
 9 CHAIRPERSON: And 15 from KwaMhlanga POP,  
 10 which I think is Mpumalanga, and then there's a reference  
 11 to the Tactical Response Team. I'm not quite sure where  
 12 they came from, but this document seems to indicate that  
 13 already either by the morning of the 13th or possibly the  
 14 night of the 12th, these personnel had been deployed from  
 15 other provinces. Now I take it you must have agreed to  
 16 that, because you've explained to us that you had to agree  
 17 to the deployment of police personnel from other provinces.  
 18 GENERAL PHIYEGA: It's true, Judge.  
 19 CHAIRPERSON: So I'm correct, am I, in  
 20 saying that it's clear from this document that you had  
 21 agreed to deployment of personnel from Gauteng and from  
 22 Mpumalanga before the evening of the 13th? You'd agree it  
 23 was either the 12th or early in the morning of the 13th, but  
 24 that seems to be an unavoidable inference that one draws  
 25 from the document to which I referred.

Page 7922

1 GENERAL PHIYEGA: It's true, Judge.  
 2 That's why I said issues of capacity had been continuous  
 3 discussion between myself and the Provincial Commissioner.  
 4 MR BRUINDERS SC: Thank you. National  
 5 Commissioner, I did ask you a little bit earlier just to  
 6 have a look at paragraph 6 and 7 of Lieutenant-Colonel  
 7 Scott's affidavit, and you said you did have it in front of  
 8 you. At paragraph 6 he says, "After the initial police  
 9 briefing, the National Commissioner and the delegation went  
 10 to a meeting with the Lonmin Mine management. Thereafter  
 11 the National Commissioner and delegation returned and a  
 12 second meeting was held that evening at about 23:00 with  
 13 the operational officers. It was generally accepted that  
 14 the situation had escalated with increasing loss of life,  
 15 and it was necessary to develop a coordinated strategy to  
 16 resolve the situation." I've read that correctly? I have  
 17 read that correctly?  
 18 GENERAL PHIYEGA: Yes, Sir.  
 19 MR BRUINDERS SC: Now Commissioner,  
 20 Lieutenant-Colonel Scott here suggests that you were party  
 21 to a general acceptance that it was necessary to develop a  
 22 coordinated strategy to resolve the situation.  
 23 [14:25] GENERAL PHIYEGA: Which I think is  
 24 important for an operations person to say, because it does  
 25 not say we developed; it says they were going to develop a

Page 7923

1 strategy.  
 2 MR BRUINDERS SC: He's right when he  
 3 suggests that you, or says that you were party to generally  
 4 accepting that it was necessary to develop a coordinated  
 5 strategy to resolve the situation, is he not?  
 6 GENERAL PHIYEGA: I think it's important  
 7 to – I mean again I don't know how you interpret it. When  
 8 I'm there and I'm being given a report by my operations  
 9 team by the JOC who says now, given the escalation and all  
 10 the issues that we've not yet in the investigation, we are  
 11 going to develop a coordinated strategy, it's a feedback  
 12 that I'm being given. It's a proposition that people are  
 13 discussing in OPS, and they are going to.  
 14 MR BRUINDERS SC: The people in OPS are  
 15 discussing this at a meeting at which you are present.  
 16 GENERAL PHIYEGA: What I'm trying to say  
 17 to you is that they're not asking for my sign-off to do  
 18 that. They're telling me what they're doing as operations.  
 19 Remember I went back to be briefed, and at this point in  
 20 time the briefing continues. They say they are going to  
 21 develop a strategy.  
 22 MR BRUINDERS SC: So in telling you what  
 23 they're going to do, is one of the things they say look, we  
 24 think there must be a big escalation of a number of  
 25 resources, number of personnel at Marikana?

Page 7924

1 GENERAL PHIYEGA: And I think we should  
 2 not forget that that has been happening even before then.  
 3 MR BRUINDERS SC: And do they say that  
 4 what they plan to do is to, that they want resources to be  
 5 pulled not just from POP, but from other units such as the  
 6 NIU, TRT, STF, and so forth?  
 7 GENERAL PHIYEGA: I do not discuss those  
 8 things there. I've said to you we did not discuss the  
 9 plan.  
 10 MR BRUINDERS SC: Now at paragraph 7  
 11 Lieutenant-Colonel Scott says, "It was discussed that in  
 12 hostage release operations the STF would always use  
 13 dialogue first in the SAPS hostage negotiators before  
 14 opting to resolve a situation with a tactical option, and  
 15 recommended that the same course of action be utilised  
 16 here, namely that the protesters first be engaged by the  
 17 SAPS hostage negotiators to enable them to seek a peaceful  
 18 resolution, before moving to an intervention to enforce the  
 19 law. If this strategy is successful, it will defuse the  
 20 situation without the need for a tactical intervention and  
 21 allow for a peaceful resolution." I've read that  
 22 correctly, haven't I?  
 23 GENERAL PHIYEGA: Yes, you did.  
 24 MR BRUINDERS SC: And what he suggests  
 25 here is that at a meeting at which you were present, the

Page 7925

1 operational commanders talked about the broad plan that was  
 2 to be adopted after the 13th, not so?  
 3 GENERAL PHIYEGA: I will tell you again  
 4 that I did not discuss the plan with that meeting, and I'm  
 5 sure when General, when Scott comes here, he will be able  
 6 to tell you when he discusses that and with who, but I did  
 7 not discuss the plan with the team.  
 8 MR BRUINDERS SC: What do you say you did  
 9 discuss between 11 and 2 o'clock in the morning?  
 10 GENERAL PHIYEGA: I thought I had shared  
 11 what we were doing in that meeting. I have indicated to  
 12 you that part of that was we had time to look at the  
 13 pictures, for the people to come in to be briefed about  
 14 what was taking place there, to talk about all the issues  
 15 that I've mentioned, but I did not discuss the plan with  
 16 the team.  
 17 MR BRUINDERS SC: But you did understand,  
 18 National Commissioner, that your commanders, your  
 19 operational commanders were going to go and develop a plan?  
 20 GENERAL PHIYEGA: You are correct -  
 21 MR SEMENYA SC: Chair, that question has  
 22 been asked many times and there have been many same answers  
 23 to the same question, Chair.  
 24 CHAIRPERSON: Mr Bruinders, the objection  
 25 of undue repetition has been raised against your question.

Page 7926

1 How do you answer to it?  
 2 MR BRUINDERS SC: I'll move on. Do you  
 3 say to your operational commanders – sorry, let me rephrase  
 4 that. Do you, understanding that they're going to go off  
 5 and develop a plan, remind them about your national  
 6 instruction that you'd signed off a mere three weeks  
 7 earlier?  
 8 GENERAL PHIYEGA: I did not, because when  
 9 I signed it, I signed it to all the 200 000 members and I  
 10 take it that they note my instructions.  
 11 MR BRUINDERS SC: Do you not say to them  
 12 at all, when you go away here to deal with what is clearly  
 13 an escalating situation - we're talking about the  
 14 escalation of violence here – when you go away and devise  
 15 your plan, just make a note of consulting my national  
 16 instruction again so that you ensure that you comply with  
 17 my instruction as to how to go about in a Public Order  
 18 Policing situation? You don't say that?  
 19 GENERAL PHIYEGA: No, I didn't, because I  
 20 know they will comply. I had given an instruction -  
 21 CHAIRPERSON: Mr Bruinders, will you  
 22 permit me just to ask a question that flows from a question  
 23 you asked a few questions ago? According to Lieutenant-  
 24 Colonel Scott there was this discussion which is set forth  
 25 in the paragraph that was read to you. You said you didn't

Page 7927

1 participate in that discussion. Is that right?  
 2 GENERAL PHIYEGA: I do say that, Judge.  
 3 CHAIRPERSON: Were you present in the  
 4 room when it was discussed, or was it, you know, with you  
 5 just sitting quietly listening, or had you already left the  
 6 room when this discussion must have taken place?  
 7 GENERAL PHIYEGA: Judge, when I was in  
 8 that room we did not have that discussion, and when I left  
 9 the JOC, I left them there.  
 10 MR BRUINDERS SC: Then lastly, National  
 11 Commissioner, do you not caution them when they're thinking  
 12 about bringing in people from other provinces and other  
 13 units, that they should heed your national instruction,  
 14 particularly in relation to the use of sharp-point  
 15 ammunition?  
 16 MR SEMENYA SC: Chair, there's no  
 17 instruction about the use of sharp ammunition.  
 18 CHAIRPERSON: We had this one before.  
 19 The use of sharp ammunition was dealt with, as far as I  
 20 remember, in the Standing Order. There were two glosses,  
 21 as I called them earlier, on that Standing Order, one in, I  
 22 think it was December 2011, and the subsequent one – or  
 23 maybe in November, towards the end of 2011, and then a  
 24 subsequent one that the witness signed in July 2012. They  
 25 dealt with the use of rubber, the first one rubber bullets,

Page 7928

1 and her one dealt with rubber balls. So she didn't give an  
 2 instruction on the use of sharp ammunition. The  
 3 instruction was a standing one, which is set out in the  
 4 Standing Order. That's my understanding of the position.  
 5 If I'm wrong, I'll be corrected. So your question requires  
 6 reformulation. While Mr Bruinders is looking for something  
 7 in his papers, can I ask you a question? It seems that the  
 8 first involvement of the Special Task Force at Marikana was  
 9 when Lieutenant-Colonel Scott was phoned by Brigadier Fritz  
 10 at 6 o'clock, 6PM on the evening of the 13th of August, and  
 11 instructed to report to Lonmin Mine at Marikana, and he  
 12 then arrived there at 7:30PM that evening on the 13th. Now  
 13 what I'd like to know from you is whose idea was it to  
 14 involve the Special Task Force and to ask Lieutenant-  
 15 Colonel Scott to go to Marikana? I know he was phoned by  
 16 Brigadier Fritz, but the question is whose idea was it to  
 17 get the Special Task Force involved and to get Lieutenant-  
 18 Colonel Scott on the scene? It may be that you don't know,  
 19 but I – I say maybe you don't know the answer to the  
 20 question, but you understand the question I've asked you?  
 21 GENERAL PHIYEGA: Judge, part of dealing  
 22 with entities that will be outside that area, for instance  
 23 when we talk about Task Force, I would be talking to  
 24 General Mawela and General Masemola to say should there be  
 25 a need to give assistance to whatever, there is a request

Page 7929

1 for additional capacity, engage with the province to  
 2 assist. That would be coming from, you know, our central  
 3 ORS platform. It doesn't come from the provinces. The  
 4 other POP people would be coming from the provinces, then  
 5 I'd say to the commissioners, "Commissioners, engage with  
 6 General Mbombo and assist as she requests."  
 7 CHAIRPERSON: Yes, I understand, but you  
 8 haven't quite answered the question. I'm not criticising  
 9 you because it wasn't as clear as it should have been, but  
 10 whose idea was it to – if you don't know then you must just  
 11 say so. Whose idea was it to engage the STF, particularly  
 12 Lieutenant-Colonel Scott, in the Marikana situation? Was  
 13 it your idea or was it the idea of somebody else whom you  
 14 can identify, or was it the idea of someone whom you can't  
 15 identify?  
 16 GENERAL PHIYEGA: I would have – as I've  
 17 said, I would have spoken to two sets of people, (1), the  
 18 provinces, which is the Provincial Commissioners. When it  
 19 comes to the specialist units I would have spoken to  
 20 General Mawela, I would have spoken to General Masemola,  
 21 because those are controlled nationally, and they would  
 22 have to assist as per the request, so I'm sure the ORS  
 23 heads and the general managers would be able to account to  
 24 say how did we get General Scott to go to – because that  
 25 comes from that environment.

Page 7930

1 CHAIRPERSON: I'm sure Lieutenant-Colonel  
 2 Scott would like to hear you calling him General, but it's  
 3 a bit premature.  
 4 GENERAL PHIYEGA: I'm sorry.  
 5 CHAIRPERSON: But in any event, the  
 6 point, what you're saying is you don't know for sure whose  
 7 idea it was to get him, but one of those two gentlemen will  
 8 be able to help us. Is that a fair summary of your answer?  
 9 GENERAL PHIYEGA: Repeat your question  
 10 again, Judge.  
 11 CHAIRPERSON: Is it a fair summary of  
 12 your answer, as I understand it, you say you're not sure  
 13 yourself whose idea it was to get Lieutenant-Colonel Scott  
 14 to go, but one of the two gentlemen you mentioned will be  
 15 able to give us that information?  
 16 GENERAL PHIYEGA: What I can say to you  
 17 is that the instruction to assist to General Mawela was  
 18 given by me. The specifics as to how that was carried out,  
 19 I'm not able to answer to.  
 20 MR BRUINDERS SC: National Commissioner,  
 21 please turn to exhibit S, which is your national  
 22 instruction.  
 23 CHAIRPERSON: Have you got it, or is it  
 24 being found for you?  
 25 GENERAL PHIYEGA: Yes, we have it.

Page 7931

1 CHAIRPERSON: You've got exhibit S?  
 2 GENERAL PHIYEGA: Yes, we have.  
 3 MR BRUINDERS SC: And then what I want to  
 4 refer you to particularly is paragraph 3 on the third page  
 5 of your national instruction. Would you turn there,  
 6 please? Thank you. National Commissioner, do you not  
 7 during the course of your third meeting on the evening of  
 8 the 13th remind the operational commanders that when they go  
 9 off to devise a plan, that their plan stays in line with  
 10 paragraph 3, and in particular 3 and 3.6 of your national  
 11 instruction?  
 12 GENERAL PHIYEGA: No, I did not. As I've  
 13 already said, when I issue an instruction, it is not non-  
 14 negotiable; it's got to be complied with. So I did not  
 15 have to do that because I knew the instruction was issued  
 16 and was already with everybody.  
 17 MR BRUINDERS SC: You see, National  
 18 Commissioner, I must put to you that what AMCU will argue  
 19 is that it is going to ask the Commission not to believe  
 20 you when on the one hand you say that you were involved in  
 21 identifying employees engaged in the strike, yet on the  
 22 other you don't talk to your commanders about keeping  
 23 strictly to your national instruction.  
 24 CHAIRPERSON: Mr Semenya?  
 25 MR SEMENYA SC: Surely, Chair, Mr

Page 7932

1 Bruinders will have to give reasons why that argument can  
 2 be made.  
 3 MR BRUINDERS SC: National Commissioner,  
 4 let me break it up for you. What AMCU, and I'm giving you  
 5 the opportunity to respond, to say whatever it is you would  
 6 like to say about this submission, but the submission will  
 7 be this; if you had the time and the energy and the  
 8 inclination to get involved in the detail of identifying  
 9 employees from photographs that night, then you would  
 10 surely have had the same energy, inclination, and time, to  
 11 remind your commanders that their plan should stick to your  
 12 national instruction.  
 13 [14:45] CHAIRPERSON: That's the reasoning that  
 14 will be advanced in support of the submission. I think  
 15 he's complied with what you've said. Whether it's a good  
 16 reason is a matter that will be debated later, but let's  
 17 give her a chance to answer.  
 18 GENERAL PHIYEGA: I shall say to you, you  
 19 would appreciate that as the National Commissioner - my  
 20 members were in Marikana because there was a labour unrest  
 21 in Lonmin, and if Lonmin was saying to us you know, we've  
 22 called you here, talking about some labour unrest, but the  
 23 people that we see protesting we don't know, are faceless,  
 24 that would have been a very serious issue for me, because  
 25 why are we there if they can't even see the people who are

Page 7933

1 protesting are their people? That was an issue for me, and  
 2 it was critical, and whether you think it was an area where  
 3 I shouldn't have invested energy, at that point in time  
 4 when I looked at the situation, I considered it very  
 5 critical and I gave it my energy, rightfully or wrongly  
 6 judged by anyone who wants to, but at that point in time I  
 7 personally as the National Commissioner found that to be  
 8 critical to establish because we needed to resolve the  
 9 matter.

10 MR BRUINDERS SC: National Commissioner,  
 11 AMCU doesn't criticise you for doing that. It commends you  
 12 for taking up hands-on what you considered to be a critical  
 13 issue. So we have no dispute with you over that.

14 CHAIRPERSON: I'm sorry to interrupt you.  
 15 I have difficulty in understanding what you're putting.  
 16 You will remember that this instruction which the witness  
 17 gave countermanded in effect an earlier instruction which  
 18 had been given late the previous year, and both of them, as  
 19 I've said before, were in effect glossies in general  
 20 Standing Order 262. So are you suggesting that what the  
 21 witness should have done was she should have said to her  
 22 officers, look here, when you go and work out a plan and  
 23 take action, please make sure that you comply with Standing  
 24 Order 262 and the extra instructions then given in  
 25 connection with that? Is that going to be your submission?

Page 7934

1 MR BRUINDERS SC: Yes, and more, so  
 2 that's versed – but perhaps I should do this by way of  
 3 questions to the witness rather than argument to you –

4 CHAIRPERSON: But your question is, you  
 5 see, because I must say obviously I must listen to it with  
 6 as open a mind as I can summon to the submission that's  
 7 made at the end, but there does seem to be an element of  
 8 impracticality at expecting her to say by the way, when you  
 9 carry out these instructions, please remember all the  
 10 Standing Orders and comply with them and the legislation,  
 11 and make sure that you comply with them all. I mean isn't  
 12 she entitled to say, I'm dealing with generals and colonels  
 13 and people of that military, or quasi military rank; I'm  
 14 entitled to assume that they will do the necessary and  
 15 comply with the elementary rules that apply to their  
 16 operation?

17 MR BRUINDERS SC: Certainly.

18 CHAIRPERSON: I'm putting the difficulty  
 19 to you because, you know, it's going to come up sooner or  
 20 later, but –

21 MR BRUINDERS SC: Perhaps I should put  
 22 this – I understand your difficulty. Let me see if I can  
 23 meet that by way of questions. What do you say, National  
 24 Commissioner, to the submission, to this submission; one of  
 25 the things that you would have been careful to impress upon

Page 7935

1 your commanders, would have been in the light of the  
 2 escalating violence, to keep the force used by the SAPS to  
 3 the minimum possible, not so?

4 GENERAL PHIYEGA: The use of force, the  
 5 escalation thereof, the de-escalation thereof, it's well  
 6 documented in our instructions and SOPs, and it is known by  
 7 members.

8 MR BRUINDERS SC: You see, National  
 9 Commissioner, you had gone down to Marikana on the night of  
 10 the 13th because of the escalation of violence there over  
 11 the preceding days. Correct?

12 GENERAL PHIYEGA: Escalation of violence  
 13 was one of those issues. The destabilisation of economic  
 14 activity, social life, all those issues were very crucial  
 15 and critical to me, and I have said in my submission that  
 16 one of our core responsibility is to ensure that in all  
 17 societies and communities, public order is maintained.

18 MR BRUINDERS SC: With the use of minimum  
 19 force.

20 GENERAL PHIYEGA: We would use measures  
 21 that fit a particular situation at any given time, and we  
 22 assess our situation. This SOPs and our instructions and  
 23 our guidelines guide our members on how to intervene.

24 MR BRUINDERS SC: Did you not in that  
 25 third meeting say to your commanders, there's been an

Page 7936

1 escalation of violence here; as the SAPS we are responsible  
 2 to de-escalate the violence with the use of minimum force?

3 GENERAL PHIYEGA: Advocate, I've not said  
 4 because my instructions, the prescripts of how police  
 5 should operate, are clearly communicated to all members.

6 MR BRUINDERS SC: Of course you'd have  
 7 been concerned in that Marikana situation because there had  
 8 already been so many deaths, as you point out. You would  
 9 have been concerned that the SAPS bring the situation to  
 10 order with the minimum force, not so?

11 GENERAL PHIYEGA: How it should be done  
 12 is clearly provided for by our prescripts.

13 MR BRUINDERS SC: It's clearly provided  
 14 for in a national instruction that you had signed three  
 15 weeks before that meeting, not so?

16 GENERAL PHIYEGA: Yes, it is one of those  
 17 prescripts.

18 MR BRUINDERS SC: And you don't take the  
 19 opportunity at that meeting when your commanders are  
 20 talking about planning ahead to stop the violence, you  
 21 don't take that opportunity to remind them of what is a  
 22 very good national instruction?

23 GENERAL PHIYEGA: Advocate, I repeat -

24 MR SEMENYA SC: I think that question has  
 25 been asked and answered many times.

<p style="text-align: right;">Page 7937</p> <p>1 CHAIRPERSON: Mr Bruinders, we've got 2 another one of these undue repetition objections. 3 MR BRUINDERS SC: I'll move on, thanks. 4 Until what time did the national management forum go on, on 5 the 15th of August? 6 GENERAL PHIYEGA: I'm not sure it could 7 have been way beyond 6; half past 5, around there. 8 MR BRUINDERS SC: I'm just taking a 9 moment to find a document. 10 CHAIRPERSON: You and I are looking for 11 the same document at the same time. 12 MR BRUINDERS SC: Commissioner, at 13 paragraph 21 of your statement, which is FFF2 – 14 CHAIRPERSON: You don't have to worry 15 which one. They're all the same as far as that page is 16 concerned, page 6. 17 MR BRUINDERS SC: National Commissioner, 18 at paragraph 21 you say there that you were informed by 19 Lieutenant-General Mbombo of a possibility of peaceful 20 resolution being reached. You see that? 21 GENERAL PHIYEGA: Yes, I do. 22 MR BRUINDERS SC: And as I understand the 23 evidence, and I don't have the reference for it here but as 24 I recollect your evidence that you gave in the inquiry, you 25 say this happened round about lunchtime on the 15th.</p>	<p style="text-align: right;">Page 7939</p> <p>1 particularly that you would recall I had said if the 2 peaceful solution is important for us. 3 MR BRUINDERS SC: What else did she tell 4 you when she was talking to you about the situation then at 5 Marikana? 6 GENERAL PHIYEGA: That there had been 7 discussions between her and the union, that she had 8 facilitated discussions between the two unions. 9 MR BRUINDERS SC: And again I don't 10 expect you to remember chapter and verse; I'm just broadly 11 trying to establish as completely as we can what it was 12 that she told you on the 15th. 13 GENERAL PHIYEGA: As you are saying, is I 14 wouldn't have a verbatim – we spoke about the damage to 15 property; we spoke about the deaths; we spoke about issues 16 that are well reported in a lot of the statements here, and 17 even in the press conference. 18 MR SEMENYA SC: Chair, I read exhaustion 19 of the National Commissioner. Perhaps – 20 CHAIRPERSON: Well, either her exhaustion 21 or yours, but anyway, what you're suggesting is that we 22 should take the tea adjournment at this stage. We'll take 23 the tea adjournment. 24 [COMMISSION ADJOURNS COMMISSION RESUMES] 25 [15:21] CHAIRPERSON: The Commission resumes.</p>
<p style="text-align: right;">Page 7938</p> <p>1 GENERAL PHIYEGA: I mentioned that on the 2 15th General Mbombo did brief me outside the, I said during 3 the day when we were having, it was around, I think in the 4 morning of the 15th, she gave me an update of what was 5 happening in Marikana. 6 MR BRUINDERS SC: Commissioner, I accept 7 that obviously you would have been keen to get an update 8 from her, so let's accept that there was an update. But 9 what I'm asking about is something else. You say that she 10 told you of Mr Mathunjwa having promised that the 11 protesters would lay down their weapons at the koppie at 9 12 on 16 August 2012 and thereafter leave the koppie, not so? 13 GENERAL PHIYEGA: Indeed it was part of 14 that feedback. 15 MR BRUINDERS SC: And when was that? 16 GENERAL PHIYEGA: On the 15th. 17 MR BRUINDERS SC: What time? 18 GENERAL PHIYEGA: I think it was in one 19 of our early morning breaks out of that meeting. It could 20 have been our tea break, which could have been anywhere 21 between 10, 11. 22 MR BRUINDERS SC: And this is what she 23 told you about the – 24 GENERAL PHIYEGA: She gave me an update 25 and part of what was significant for me was that, and</p>	<p style="text-align: right;">Page 7940</p> <p>1 National Commissioner, you're still under oath. 2 MANGWASHI VICTORIA PHIYEGA: s.u.o. 3 CHAIRPERSON: Mr Bruinders, you're still 4 cross-examining. 5 CROSS-EXAMINATION BY MR BRUINDERS SC (CONTD.): 6 Commissioner, on the 16th you spoke to the Provincial 7 Commissioner once. Is that correct? 8 CHAIRPERSON: I'm sorry, Mr Bruinders, 9 before you go on to the 16th, have you finished with the 10 SAPS National Management Forum meeting? Have you finished 11 with that? You were asking questions about that. Have you 12 finished with that? 13 MR BRUINDERS SC: That's as much as we 14 can – I mean it's as far as we'll take it with this 15 witness. We'll take the rest of it further with the 16 Provincial Commissioner. 17 CHAIRPERSON: Now what time did that 18 management forum meeting end? 19 GENERAL PHIYEGA: It was way after 6; 6, 20 half past 6, 7, around there. 21 CHAIRPERSON: 6, half past 6, 7? 22 GENERAL PHIYEGA: Mmm. 23 CHAIRPERSON: And do you see or speak to 24 Lieutenant-General Mbombo after that, after the meeting was 25 over?</p>

Page 7941

1 GENERAL PHIYEGA: Yes, I did, because  
 2 after that meeting I had to release everybody and I asked  
 3 the Provincial Commissioners, because they were there - the  
 4 forum is beyond the Provincial Commissioners – I asked the  
 5 Provincial Commissioners and the Commissioner for ORS, as  
 6 well as the Divisional Commissioner, to remain, and we had  
 7 an extraordinary session where we were talking about  
 8 additional capacity, and again just to request them to give  
 9 support.

10 CHAIRPERSON: So in other words you were  
 11 talking amongst other things about Marikana?

12 GENERAL PHIYEGA: Not in the NMF. The –

13 CHAIRPERSON: No, no, no, I'm saying  
 14 after that.

15 GENERAL PHIYEGA: Yes.

16 CHAIRPERSON: You say you asked them to  
 17 stay behind –

18 GENERAL PHIYEGA: That extraordinary  
 19 session, yes.

20 CHAIRPERSON: And you had a further  
 21 session with them, talking about capacity, I think you  
 22 said.

23 GENERAL PHIYEGA: Yes.

24 CHAIRPERSON: And so obviously Marikana  
 25 was being discussed.

Page 7942

1 GENERAL PHIYEGA: Precisely, it was for  
 2 that, because I had the, all the Provincial Commissioners  
 3 there face to face; I could talk to them about this  
 4 capacity issue. I had the Divisional Commissioner and the  
 5 Deputy National Commissioner for Operations, so those, I  
 6 released every other person and I remained with those  
 7 because those were the people I could talk to about  
 8 capacity.

9 CHAIRPERSON: Thank you.

10 MR BRUINDERS SC: What did you say about  
 11 capacity?

12 GENERAL PHIYEGA: I requested them to  
 13 give the support that is necessary and requested, to  
 14 General Mbombo, and that was because that type of capacity  
 15 can only be released by me.

16 MR BRUINDERS SC: And is that all that  
 17 was said about capacity?

18 GENERAL PHIYEGA: Yes, because the  
 19 details and the specifics then would be between them and  
 20 the Provincial Commissioner and the ORS, because then she  
 21 would be able to say what is it that they would require.

22 MR BRUINDERS SC: And was that all that  
 23 was said about Marikana?

24 GENERAL PHIYEGA: She also shared with us  
 25 the fact that they continue with their plan to go out there

Page 7943

1 on the 15th to disarm and disperse the protesters, and she  
 2 also shared with me that she had been given a promise that  
 3 in the morning of the 16th there would be a laying down of  
 4 arms.

5 MR BRUINDERS SC: But you did say earlier  
 6 today that that information she gave to you earlier in the  
 7 morning of the 15th?

8 GENERAL PHIYEGA: I have said to you that  
 9 on the 15th I've had two almost briefing sessions with  
 10 General Mbombo. In the morning she gave me an update. In  
 11 the afternoon we had this discussion, and this particular  
 12 one, particularly the one that you're mentioning, on the  
 13 15th is shared in the afternoon.

14 CHAIRPERSON: National Commissioner, you  
 15 say in the afternoon, but from what you say it sounds it  
 16 must have been in the evening because –

17 GENERAL PHIYEGA: I beg yours?

18 CHAIRPERSON: You say in the afternoon,  
 19 but it must, from what you have told us, have been in the  
 20 evening because you said it was after the management forum  
 21 meeting, you said some time after 6, half past 6, 7, when  
 22 you asked the people to stay, certain people to stay behind  
 23 and you spoke to them. So that must have been in the  
 24 evening rather than the afternoon. Is that right, or was  
 25 there another afternoon meeting as well?

Page 7944

1 GENERAL PHIYEGA: I think let me be  
 2 proper and stop direct translation from Sepedi to English.  
 3 [African language] "Mantapama" means afternoon and  
 4 afternoon can drag into "busho." So that time in proper  
 5 English would be early evening.

6 CHAIRPERSON: So the statement about the  
 7 laying down – the promise from Mr Mathunjwa that the  
 8 protesters would lay down their arms at 9 o'clock the next  
 9 morning, was that promise conveyed to you in the morning or  
 10 in the evening?

11 GENERAL PHIYEGA: In the evening. Let me  
 12 say that evening, it was in that later session.

13 CHAIRPERSON: Thank you.

14 MR BRUINDERS SC: And in the evening when  
 15 she made that, when she told you about the promise, what  
 16 she told you is what is contained at paragraph 21 of your  
 17 affidavit, or statement?

18 GENERAL PHIYEGA: Yes, she did indicate  
 19 to me that there will be that laying of weapons, laying  
 20 down the weapons, and that was very profound for me.

21 MR BRUINDERS SC: You say it was  
 22 profound. Why?

23 GENERAL PHIYEGA: Because peace would  
 24 have been achieved, a peaceful solution would have been  
 25 achieved.

<p style="text-align: right;">Page 7945</p> <p>1 MR BRUINDERS SC: Now you believed then 2 during that discussion that evening with the Provincial 3 Commissioner that there was going to be a peaceful 4 resolution on the following morning, on the strength of 5 what she told you? 6 GENERAL PHIYEGA: I wouldn't say 7 "believe." I had high hopes. 8 MR BRUINDERS SC: You had high hopes for 9 what? 10 GENERAL PHIYEGA: That there would be a 11 resolution, and a peaceful one. 12 MR BRUINDERS SC: If that was the case, 13 why would you be talking to the Provincial Commissioner 14 about, I think what you called either the tactical or the 15 third phase of disarming the strikers? 16 GENERAL PHIYEGA: My use of the word 17 "hope" talks exactly to what you're saying. I hoped, and 18 it was important for us to still plan because it was just a 19 hope. 20 MR BRUINDERS SC: What planning did you 21 and the Provincial Commissioner then discuss that evening? 22 GENERAL PHIYEGA: None. 23 MR BRUINDERS SC: Well then when you say 24 it was important for you to plan and that's why you talked 25 about dispersing and disarming, that doesn't make any</p>	<p style="text-align: right;">Page 7947</p> <p>1 4 o'clock on the 16th there was only one conversation 2 between you and the Provincial Commissioner? 3 GENERAL PHIYEGA: Yes, you are correct. 4 MR BRUINDERS SC: And in paragraph 23 of 5 your FFF2 you say what she told you. 6 GENERAL PHIYEGA: On the afternoon of the 7 16th? 8 MR BRUINDERS SC: Yes. 9 GENERAL PHIYEGA: That would have been on 10 the afternoon of the – where we discuss that was on the 11 afternoon of the 15th. On the 16th, that afternoon would, 12 probably would have been part and parcel of 24 and – no, 13 no, let me correct it. Yes, on the 20, on the – my 14 statement says on the afternoon of the 16th I received a 15 call from General Mbombo, informing me of that decision. 16 Yes, it is true. The dispersal operation. 17 MR BRUINDERS SC: When she spoke to you 18 on that occasion, what did she say to you about the 19 implementation of this plan? 20 GENERAL PHIYEGA: Because on that morning 21 where they were promised that there will be a laying of 22 weapons, that didn't happen, and then they were going ahead 23 now to go and disperse, to go and ensure that the dispersal 24 operation does take place. 25 MR BRUINDERS SC: Did you ask her whether</p>
<p style="text-align: right;">Page 7946</p> <p>1 sense. 2 GENERAL PHIYEGA: Disarming, dispersing, 3 and – 4 MR BRUINDERS SC: And what? 5 GENERAL PHIYEGA: - letting people go, is 6 not a plan. It's an action. It needs to be planned. On 7 the, the Operations in Marikana would plan the specific 8 actions to achieve that. 9 MR BRUINDERS SC: You say you didn't talk 10 to her about the plan for the next day at all? 11 GENERAL PHIYEGA: Because that's the 12 function of her JOC under her leadership. 13 MR BRUINDERS SC: Your answer is yes, you 14 didn't discuss anything about a plan for the next day? 15 GENERAL PHIYEGA: I did not discuss the 16 plan with General Mbombo. 17 MR BRUINDERS SC: And she did not talk to 18 you about a plan? 19 GENERAL PHIYEGA: We did not discuss the 20 plan with General Mbombo. 21 MR BRUINDERS SC: Perhaps now I'll be 22 permitted to move to the 16th. As I understand it, there 23 was only one conversation between you and the Provincial 24 Commissioner, National Commissioner, on the 16th? Or let me 25 rephrase that. I beg your pardon, I'm being vague. Before</p>	<p style="text-align: right;">Page 7948</p> <p>1 she knew why the promise to lay down arms didn't happen? 2 GENERAL PHIYEGA: According to that 3 discussion, the promise she had been given by the AMCU 4 leader did not happen and the AMCU leader was nowhere to be 5 found at the time that they agreed that he will lay their 6 weapons, he will be there to ensure that the members lay 7 their weapons. 8 MR BRUINDERS SC: Did you ask her in that 9 conversation whether it wasn't still possible to pursue a 10 peaceful solution? Through negotiation obviously. 11 GENERAL PHIYEGA: The understanding of 12 that 23 was that the operation that they were going to do 13 to disperse the situation wasn't necessarily seen as a, an 14 outcome that was unintended, that happened on the 16th, 15 because they were going there to encircle, to disarm, and 16 to disperse the members. 17 MR BRUINDERS SC: Did you not ask her 18 during the course of that conversation whether it wasn't 19 possible to still try and talk to all the parties to 20 attempt to get the workers to, or the strikers to leave 21 peacefully and go back to work, or talk to management, or 22 something along those lines? You didn't ask her about 23 that? 24 GENERAL PHIYEGA: I'll say again what 25 I've said. The dispersal operation was never meant to be</p>

<p style="text-align: right;">Page 7949</p> <p>1 the unintended consequences of the 16th. They were going 2 there to encircle, to disarm, and to disperse members, and 3 she also indicated that, you know, there had been several 4 calls and exchanges that had, you know, that had been 5 attempted with the leader of AMCU that morning. It wasn't 6 like when that didn't happen there weren't a conversation, 7 and I'm sure she will attest to that when she comes to 8 testify.</p> <p>9 MR BRUINDERS SC: Must the Commission 10 accept that you never asked her in that conversation about 11 the possibility at that late stage of still exploring 12 negotiation rather than encircle, disarm, and disperse? 13 [15:41] GENERAL PHIYEGA: I've already indicated 14 to you that in her conversation she indicated that she had 15 been trying to talk to the leaders of AMCU, and I'm sure 16 she would give details of her attempts for that very day 17 when she gives her testimony.</p> <p>18 MR BRUINDERS SC: These words "encircle, 19 disperse, and disarm," where do they come from? 20 GENERAL PHIYEGA: It is a way of 21 operating, and I'm sure the operations managers would be 22 able to tell you. Those are some of the policing, you 23 know, OPS processes.</p> <p>24 MR BRUINDERS SC: So they're not your 25 words?</p>	<p style="text-align: right;">Page 7951</p> <p>1 this day, I wouldn't be able to say yesterday or tomorrow 2 or whatever, but I've heard about the encircling and all 3 those things, which is the police environment.</p> <p>4 MR BRUINDERS SC: When did you first hear 5 that that encircle, disperse, and disarm, was part of the 6 plan for the week of the 13th? 7 GENERAL PHIYEGA: I don't know. 8 MR BRUINDERS SC: And when was the first 9 time that you knew that was what was going to be done? 10 GENERAL PHIYEGA: Since the Marikana 11 intervention I knew that the police were wishing to disarm 12 the armed protesters. I mean even the footage just shows 13 you on the 13th and other days to say our quest was to 14 ensure that peaceful protest takes place, and therefore the 15 disarming of the protesters has always been an issue for 16 us.</p> <p>17 MR BRUINDERS SC: You see, Commissioner, 18 I'm using the words that I heard you use here this 19 afternoon, which were "encircle, disperse, and disarm," not 20 just disarm. What I really want to know is when did you 21 first know that that was what police were going to do on 22 the 16th? 23 GENERAL PHIYEGA: I'm not able to give 24 you a day on that one, unfortunately. 25 MR BRUINDERS SC: Thank you,</p>
<p style="text-align: right;">Page 7950</p> <p>1 GENERAL PHIYEGA: Being the social worker 2 that I am, I wouldn't have even known of those words.</p> <p>3 MR BRUINDERS SC: So these words must – 4 so they were obviously told to you by somebody else during 5 the course of that week? 6 GENERAL PHIYEGA: I'm saying they are 7 police operations terminology and activities, and police 8 would talk about that.</p> <p>9 MR BRUINDERS SC: When during the course 10 of the week of the 13th of August did you first hear the 11 words "encircle, disperse, and disarm" in relation to 12 strikers on the koppie in Marikana? 13 GENERAL PHIYEGA: In terms of what was 14 happening in Marikana, the encircling, the whatever, has 15 been spoken about, because you, there was a large crowd 16 there that was armed, and the conversation has always been 17 around that.</p> <p>18 MR BRUINDERS SC: My question is when did 19 you first hear those words during the course of that week? 20 GENERAL PHIYEGA: Remember I was already 21 two months in that organisation and I've been reading a lot 22 of documents and I've signed instructions. So those, the 23 lingua franca of the police had started getting into me and 24 I could have heard it not only on, during that week, I read 25 about it, I hear about it, so to say where I heard it on</p>	<p style="text-align: right;">Page 7952</p> <p>1 Commissioner. Commissioner, just one last question, and 2 I'm sorry to take you back to the 15th, but in that meeting 3 after the NMF meeting with the Provincial Commissioners, 4 was there a specific request from the Provincial 5 Commissioner in the North West to increase resources 6 capacity at Marikana? 7 GENERAL PHIYEGA: I have said the reason 8 why I called that extraordinary session, (1) was because I 9 had all the people that would assist me in dealing with 10 capacity issues for Marikana, the Provincial Commissioners 11 and the ORS executives. That was my meeting and I wanted 12 to talk to them about capacity issues based on the 13 discussions I'd been having with the Provincial 14 Commissioner. That was the sole purpose why we were 15 meeting, to talk about capacity and support for capacity 16 for the province.</p> <p>17 MR BRUINDERS SC: Thank you, 18 Commissioner. I'm going to take you back even a little bit 19 further, and that is to the meeting with Lonmin on the 13th. 20 What did Lonmin ask of the SAPS in that meeting? 21 GENERAL PHIYEGA: I do not recall any 22 particular request other than us bringing stability and 23 ensuring that they can go back to be able to run their 24 business and workers back at work. That was the main 25 reason. It wasn't changed from the 9th.</p>

<p style="text-align: right;">Page 7953</p> <p>1 MR BRUINDERS SC: So apart from that 2 general request, you don't remember anything else that they 3 asked the SAPS, that they wanted the SAPS to do at 4 Marikana? 5 GENERAL PHIYEGA: Lonmin wanted the 6 strike to end and Lonmin wanted to go back to business, and 7 they were concerned about also damage to property, the 8 protesting workers, and we were here, public order issues, 9 we were here to give assistance in that space. That's what 10 they had asked us to come here for, and that's what we were 11 discussing in that meeting. 12 MR BRUINDERS SC: In that meeting did the 13 SAPS delegation and Lonmin then talk about how the SAPS 14 might go about putting an end to the strike? 15 GENERAL PHIYEGA: No, because Lonmin can 16 never tell us what to do, neither can we tell Lonmin how to 17 mine. We don't know how to. They don't know how we work. 18 MR BRUINDERS SC: No further questions. 19 CHAIRPERSON: Thank you. Now Mr Tip, we 20 have Mr Ntsebeza with us now. I don't know, do you have an 21 arrangement with him as to who is going to cross-examine 22 first? 23 MR TIP SC: I'd understood the position 24 to be that he would go first, if he's available. 25 CHAIRPERSON: Well, he is here, but let's</p>	<p style="text-align: right;">Page 7955</p> <p>1 CHAIRPERSON: Mr Semenya was complaining 2 of exhaustion. I suppose we must have regard to that. We 3 will adjourn until 9:30 tomorrow morning. 4 [COMMISSION ADJOURNED] 5 . 6 . 7 . 8 . 9 . 10 . 11 . 12 . 13 . 14 . 15 . 16 . 17 . 18 . 19 . 20 . 21 . 22 . 23 . 24 . 25 .</p>
<p style="text-align: right;">Page 7954</p> <p>1 ask him. 2 MR NTSEBEZA SC: Mr Chairman and members 3 of the Commission – 4 CHAIRPERSON: Mr Ntsebeza, are you going 5 to cross-examine or should I ask Mr Tip – 6 MR NTSEBEZA SC: I understood that Mr Tip 7 might not be as long as I think I will be. 8 CHAIRPERSON: I see, alright. 9 MR NTSEBEZA SC: And on that basis – 10 CHAIRPERSON: On that basis. 11 MR NTSEBEZA SC: Even from Johannesburg I 12 arranged that he should go in first. 13 CHAIRPERSON: Yes, thank you, Mr 14 Ntsebeza. 15 MR NTSEBEZA SC: Thank you. 16 CHAIRPERSON: Mr Tip, I doubt whether you 17 can – I don't know how long you will take, you'll probably 18 go on tomorrow, but would you like to use the 10 minutes 19 available today to start your cross-examination? 20 MR TIP SC: Chair, may I say this, I'm 21 going to be really short. My colleague Mr Ntsebeza is 22 quite correct about that, but it's a set of six 23 propositions with a preamble and it would really be 24 convenient if it were done in one segment from beginning to 25 end. So there's not very much time left this afternoon.</p>
