1 [PROCEEDINGS ON 10 FEBRUARY 2014]
 2 [09:20] CHAIRPERSON: The Commission resumes.
 3 Provincial Commissioner, you're still under oath.
 4 MIRRIAM NOSAZISO ZUKISWA MBOMBO: s.u.o.
 5 CHAIRPERSON: Mr Bizos, I understand you
 6 have further questions in cross-examination.
 7 CROSS-EXAMINATION BY MR BIZOS SC (CONTD.):
 8 In your evidence before the Commission you have testified
 9 that your main concern and the goal of the SAPS operation
 10 at Marikana was to disarm the strikers. You were not
 11 concerned with dispersing the unprotected strike. Is that
 12 correct?
 13 GENERAL MBOMBO: That is correct, Mr
 14 Chair.
 15 MR BIZOS SC: Now you know that you made
 16 this clear to the SAPS generals under your command that
 17 that was what was required of them.
 18 GENERAL MBOMBO: That is so, Mr Chair.
 19 MR BIZOS SC: And on day 178, page 21362,
 20 you said, "I then saw it fit that the commander of the
 21 police in the area to tell the police that the main thing
 22 that I wanted, that I wish for in whatever they were doing
 23 was that the weapons be taken away from the strikers
 24 because the weapons were the main issue, the main thing
 25 that caused fear amongst the people. It was also suspected

Page 21855

1 that the weapons were used in killing the people that were
 2 already killed." Do you agree with that?
 3 GENERAL MBOMBO: That is so, Mr Chair.
 4 MR BIZOS SC: And then the examination of
 5 Mr –
 6 CHAIRPERSON: Mr Bizos, sorry to
 7 interrupt you. What you said, you read out from the record
 8 is now on the screen. I don't know whether the witness
 9 would like to just check on the screen that she is
 10 satisfied that what she said has been correctly
 11 transcribed.
 12 MR BIZOS SC: Well, you've heard the
 13 reference and if you want to confirm that what I am putting
 14 to you is correct, you can raise that, Commissioner.
 15 GENERAL MBOMBO: Thank you, Mr Chair.
 16 MR BIZOS SC: Then on day 178, 21350,
 17 line 8, Mr Semanya, "You then agree that the option of the
 18 voluntary" –
 19 CHAIRPERSON: Mr Bizos, let's wait to get
 20 the page on the screen so we can follow.
 21 MR BIZOS SC: Sorry.
 22 CHAIRPERSON: What page is it?
 23 MR BIZOS SC: Page 21350.
 24 CHAIRPERSON: Yes, and line?
 25 MR BIZOS SC: 8.

Page 21856

1 CHAIRPERSON: 8, thank you.
 2 MR BIZOS SC: You follow, "You then agree
 3 that the option of the voluntary surrender of weapons was
 4 preferable and that it must be given a chance, correct?"
 5 GENERAL MBOMBO: That is so, Mr Chair.
 6 MR BIZOS SC: Mr Semanya, "You made it
 7 plain though that if the promise does not come to pass the
 8 strikers would have to be disarmed, right?"
 9 GENERAL MBOMBO: That is so.
 10 MR BIZOS SC: "That is correct," you
 11 said. You adhere to that, and then Mr Semanya, "But you
 12 continue to say that you left the implementation of the
 13 decision to disarm the strikers and how that disarming
 14 would be done to the commanders." Is that correct?
 15 GENERAL MBOMBO: That is what I said, Mr
 16 Chair.
 17 MR BIZOS SC: And "that you relied on the
 18 collective experience to carry out the operation given the
 19 experience and also the extending operating procedures."
 20 Correct?
 21 GENERAL MBOMBO: The standing, I'm not
 22 sure the extending. The standing operating procedures,
 23 yes. Yes, that is so, Mr Chair. It's standing operating
 24 procedures.
 25 CHAIRPERSON: I think she's right. The

Page 21857

1 word "extending" is presumably a misprint. Mr Semanya, can
 2 you remember what she said or can you help us, Mr Semanya?
 3 MR SEMENYA SC: Standing operating
 4 procedures, Chair.
 5 CHAIRPERSON: Standing, yes.
 6 MR SEMENYA SC: Standing.
 7 CHAIRPERSON: Yes, it must be.
 8 MR BIZOS SC: Well, subject to that
 9 correct, do you agree?
 10 GENERAL MBOMBO: That is so, Mr Chair.
 11 MR BIZOS SC: But if the people on the
 12 koppie had disarmed and handed over their weapons they
 13 would have been entitled to remain on the koppie and
 14 continue their strike action against Lonmin. You as SAPS
 15 had no concern if the strike continued and the group would
 16 not have needed to be dispersed if they handed in their
 17 weapons because you as the SAPS were not mandated nor
 18 interested in involving yourselves in a labour dispute. Is
 19 that what you said?
 20 GENERAL MBOMBO: That is so, Mr Chair.
 21 MR BIZOS SC: General, we find it
 22 difficult to reconcile your evidence with what really you
 23 said, what was said to have been said by you, and also with
 24 the other evidence. The slip of the tongue, if what you
 25 said in your evidence so clearly that you were not

Page 21858

1 concerned about stopping the strike, how did the slip of
2 the tongue come about?

3 GENERAL MBOMBO: Mr Chair, I'm not sure
4 how I explained the issue of the slip of the tongue because
5 a slip of the tongue when one is talking is something
6 normal, even if it's not acceptable, but it's normal.

7 MR BIZOS SC: I do not want to traverse
8 the ground that was traversed by our learned friend Mr
9 Budlender, but what I want to remind you of is that you as
10 the Provincial Commissioner were responsible for whatever
11 may have happened in your area of operation. Do you agree
12 with that?

13 GENERAL MBOMBO: I agree with you, Mr
14 Chair.

15 MR BIZOS SC: Now the telephoning and
16 discussing with the National Commissioner, which was your
17 prerogative, is correct. The involvement of the Minister
18 or politicians should not have influenced you in any way
19 because it is your responsibility. Is that right?

20 GENERAL MBOMBO: That is correct, Mr
21 Chair, and they did not influence me in any way.

22 MR BIZOS SC: Well, we will argue about
23 that in due course, but I just want your comments. Do you
24 agree that military commanders, political leaders and other
25 civilians in position of authority are responsible for what

Page 21859

1 happens and what their subordinates do?

2 GENERAL MBOMBO: I did not get the
3 question clearly, Mr Chair.

4 CHAIRPERSON: I'm sorry, before you carry
5 on, someone has got a cell phone that hasn't been turned
6 off. I want that cell phone turned off immediately and I
7 want everyone else here to make sure that their cell phones
8 are turned off, and I will order the person who has – the
9 person whose cell phone it is doesn't have to leave; he
10 must just turn it off. Obviously it's an important phone
11 call he wants to make, but those who have cell phones
12 please turn them off because it's very disturbing, wastes
13 time, and it's very difficult for the witness and for
14 counsel to concentrate and for the rest of us to listen if
15 we have these disturbances. Please tell us your question,
16 Mr Bizos.

17 MR BIZOS SC: Well, I'm putting to you,
18 do you realise that you as the Provincial Commissioner had
19 a primary responsibility that nothing went wrong?

20 GENERAL MBOMBO: Mr Chair, as I've
21 already said, I know that and I'm aware that working of the
22 police in this province depends on me. I therefore take
23 responsibility of what the police do whilst working under
24 my command.

25 MR BIZOS SC: Yes, and we will come to

Page 21860

1 the questions of what they did, what your knowledge was,
2 but in the meantime let's continue along this line.

3 Throughout the SAPS presentations in exhibit L and the
4 evidence of your SAPS commanders, the dual aims of the
5 dispersal and disarmament are consistently claimed as the
6 purpose of the SAPS operation at Marikana on the 14th of
7 August. You agree?

8 GENERAL MBOMBO: I'm not sure if I
9 understand the questions correctly, Mr Chair.

10 MR BIZOS SC: Well, I'll repeat it.
11 Throughout the SAPS presentation in exhibit L and the
12 evidence of your SAPS commanders, the dual aims of the
13 dispersal and disarmament are consistently claimed as the
14 purpose of the SAPS operation at Marikana from the 14th of
15 August onwards. Do you agree that that is a fair summary?

16 GENERAL MBOMBO: I agree with that, Mr
17 Chair. As I've said earlier on, our aim was to disarm and
18 retrieve the weapons.

19 MR BIZOS SC: Listen to what is said in
20 exhibit L72, the operation plan. "Negotiations, the SAPS
21 had to deploy one of POPS monitoring contingents with a
22 negotiation component to engage in dialogue, seeking a
23 peaceful disarming and dispersion solution. This would
24 allow the SAPS to move closer to the crowd of protesters
25 gathered at the koppie in order to monitor their behaviour

Page 21861

1 and to engage in dialogue to negotiate a peaceful
2 dispersion and laying down of arms." Do you agree with
3 that statement in exhibit L?

4 GENERAL MBOMBO: I agree with that
5 statement, Mr Chair.

6 MR BIZOS SC: And in exhibit L75, "Stage
7 2, a show of force seeking a peaceful" –

8 CHAIRPERSON: Sorry, Mr Bizos, we haven't
9 got that on the screen yet. It would help if you waited
10 until we got it on the screen. I don't want to be
11 difficult, but it would help me.

12 MR BIZOS SC: I'll wait, Mr Chairman.

13 CHAIRPERSON: Thank you.

14 MR BIZOS SC: Have you had a look on what
15 is set out in L72?

16 CHAIRPERSON: I'm sorry, could we please
17 have slide 75 of exhibit L on the screen? Thank you.

18 MR BIZOS SC: "A show of force seeking a
19 peaceful disarming and dispersion resolution." You agree
20 with that?

21 GENERAL MBOMBO: I see it, Mr Chair, and
22 I agree with it.

23 MR BIZOS SC: In JJJ92 the interview is –
24 JJ92, in response to a question by a reporter as to how the
25 group was breaking the law you did not refer to the weapons

<p style="text-align: right;">Page 21862</p> <p>1 but rather to the illegal gathering. Do you agree with 2 that?</p> <p>3 CHAIRPERSON: What page and what line are 4 you referring to? This is, is it 192 or just 92?</p> <p>5 MR BIZOS SC: 192, I'm sorry.</p> <p>6 CHAIRPERSON: We have 192 on the screen.</p> <p>7 MR BIZOS SC: Double J, and not –</p> <p>8 CHAIRPERSON: Yes, and what page are you 9 referring to?</p> <p>10 MR BIZOS SC: JJJ192.</p> <p>11 CHAIRPERSON: Yes, page?</p> <p>12 MR BIZOS SC: It's a record. It's a 13 video.</p> <p>14 CHAIRPERSON: No, no, I understand, but 15 what we have on the screen is a transcript. So what page 16 of the transcript?</p> <p>17 MR BIZOS SC: We haven't got that noted, 18 but it's to the effect that –</p> <p>19 CHAIRPERSON: No, Mr Bizos, I understand 20 that you've got a summary of it in your notes, but to be 21 fair to the witness I think she's entitled to have her 22 words in front of her. It it's the –</p> <p>23 MR BIZOS SC: The reference that we have 24 noted is eNCA JJJ92.</p> <p>25 CHAIRPERSON: It's not 192, but 92?</p>	<p style="text-align: right;">Page 21864</p> <p>1 mentioned her name, and by some strange telepathic 2 coincidence she arrives. What we're looking for, Ms Pillay 3 – sorry, welcome, good morning – we're looking for the 4 transcript to the eNCA interview between this witness and a 5 representative of eTV. Can you wave your magic wand and 6 tell us what the transcript exhibit number is?</p> <p>7 MS PILLAY: Chair, if I can just have a 8 few minutes, I can find it for you.</p> <p>9 CHAIRPERSON: Mr Bizos, might it not be 10 advisable to move on to another topic in the meanwhile and 11 when Ms Pillay gives us the transcript reference we can 12 find the passage and your cross-examination, (a), will be 13 more effective; and (b), will be fairer to the witness.</p> <p>14 MR BIZOS SC: Very well, Mr Chairman. 15 We'll leave that in abeyance. The evidence of your 16 generals is that the illegal gathering was of a major 17 concern to the SAPS and that the key aim of the operation 18 was to disperse it. Do you agree with that summary?</p> <p>19 Assume for the moment that we have summarised the position 20 correctly, that they were concerned about the illegal 21 gathering.</p> <p>22 GENERAL MBOMBO: Mr Chair, I want to 23 explain that they had a concern and it was understandable 24 because the gathering was not legal, although our aim was 25 to get the weapons.</p>
<p style="text-align: right;">Page 21863</p> <p>1 MR BIZOS SC: 92.</p> <p>2 CHAIRPERSON: I see, alright. Well, that 3 will help us, and then I understand what you say that that 4 is in fact a video clip –</p> <p>5 MR BIZOS SC: Yes.</p> <p>6 CHAIRPERSON: - with the audio as well.</p> <p>7 MR BIZOS SC: Yes, yes.</p> <p>8 CHAIRPERSON: And so I understand you 9 can't provide a page.</p> <p>10 MR BIZOS SC: Yes. Yes.</p> <p>11 CHAIRPERSON: Did they actually –</p> <p>12 MR BIZOS SC: You did not refer to 13 weapons, but rather to the illegal gathering.</p> <p>14 CHAIRPERSON: I'm sorry to interrupt you, 15 Mr Bizos. It is also transcribed, this, but it's quite a 16 short interview, isn't it? So perhaps we can find the 17 relevant passage.</p> <p>18 MR BIZOS SC: Yes.</p> <p>19 CHAIRPERSON: But unfortunately we 20 haven't got Ms Pillay here; she would tell us instantly 21 what the exhibit number is of the transcript.</p> <p>22 MR BIZOS SC: Can we just assume that 23 there is no reference to the weapons, but rather to the 24 illegal gathering for the purposes of –</p> <p>25 CHAIRPERSON: Here's Ms Pillay. I</p>	<p style="text-align: right;">Page 21865</p> <p>1 [09:40] MR BIZOS SC: Now the dialogue process, 2 or what SAPS has termed the negotiations process, which in 3 fact lasted just under a day, not a week, from 4:30pm on 4 Tuesday until about 12pm on Wednesday. It is clear that 5 SAPS commanders understood their role and purpose to be to 6 instruct the people to disperse. Would you agree – assume 7 that to be correct?</p> <p>8 GENERAL MBOMBO: I did not get you 9 clearly, Mr Bizos.</p> <p>10 MR BIZOS SC: I'm sorry I didn't hear.</p> <p>11 GENERAL MBOMBO: I did not get the 12 question clearly.</p> <p>13 MR BIZOS SC: I want you to assume that 14 your generals and your subordinates engaged in negotiations 15 for a short period of time, from 4:30 on Tuesday until 16 about 12pm on Wednesday - noon.</p> <p>17 CHAIRPERSON: 12pm is midnight, 12 noon 18 you mean?</p> <p>19 MR BIZOS SC: 12 noon or midday, ja, 20 sorry. Would you assume that to be correct?</p> <p>21 GENERAL MBOMBO: I'm not sure, Mr Chair, 22 whether the length of time had any influence in this, 23 because when you talk to people, you can see if you are 24 progressing or not.</p> <p>25 MR BIZOS SC: Ja, you see it does matter,</p>

Page 21866

1 because the Standing Orders provide that there must be
2 meaningful negotiations over whatever period may be
3 necessary in order to avoid confrontations, and what I am
4 putting to you is that it would appear on the evidence so
5 far given before the Commission that the negotiations, if
6 they can really be called negotiations proper, lasted for a
7 very short period of time. Would you agree with that?

8 GENERAL MBOMBO: I do not agree, Mr
9 Chair, as I say I'm not sure what influence the time would
10 have in the discussions.

11 MR BIZOS SC: You see it seems if in fact
12 the aim of the negotiations was to persuade the group to
13 disarm, but to allow them to continue their strike, then
14 not only should this have been made very clear, but that
15 this was something that would have constituted a real
16 negotiation in which the concerns of the group, with
17 relation to their vulnerability to attack and the nature of
18 the weapons to be confiscated, could have been engaged and
19 constructively negotiated. Would you agree with that?

20 GENERAL MBOMBO: Mr Chair, as you had
21 outlined earlier on, what our Standing Order allows us to
22 do, according to the way I see it and the way I know, the
23 police tried to follow the Standing Orders, and again as I
24 see it and as I know, their circumstances that they were
25 facing there would demand of them to look beyond the

Page 21867

1 Standing Order. As I am saying, there were also problems
2 of people's lives being at risk.

3 MR BIZOS SC: Well, were the people not
4 entitled to be told in clear and unmistakable language what
5 the purpose of the police was - that they wanted them to
6 disarm?

7 GENERAL MBOMBO: Mr Chair, I will not be
8 clear about the details of the negotiations there where
9 they were taking place, but what I know by the negotiations
10 the idea was to have the people disarm peacefully and
11 disperse.

12 MR BIZOS SC: You were the leader and you
13 were given the orders and the order was that they must
14 disarm. Is that correct?

15 GENERAL MBOMBO: I did not hear the
16 question.

17 MR BIZOS SC: Did you give the order that
18 they should be disarmed?

19 GENERAL MBOMBO: Mr Chair, I had given
20 the order for the people to disarm. What remained then
21 depended on the people on the ground how that is effected.

22 MR BIZOS SC: Did you also say that there
23 were to leave the koppie?

24 GENERAL MBOMBO: That was our aim, Mr
25 Chair, if they had disarmed peacefully on the koppie, they

Page 21868

1 would then leave their weapons there so that we could
2 continue doing our job in peace.

3 MR BIZOS SC: You wanted them not only to
4 be disarmed, but they must leave the koppie?

5 GENERAL MBOMBO: It was supposed to be
6 like that. As I said, if it was according to our request
7 with them - our negotiations with them for them to leave to
8 weapons on the koppie, they would then leave the koppie
9 after that so that we collect the weapons.

10 MR BIZOS SC: Was that made clear?

11 GENERAL MBOMBO: As I said, Mr Chair, I'm
12 not sure about how the details of the negotiations took
13 place, because I was not there.

14 MR BIZOS SC: Why would you want them to
15 leave the koppie if your intention was not to put an end to
16 strike? Did you and your fellow officers consider the
17 gathering of the people on the koppie as something that was
18 not pleasing to the employers and they showed the strength
19 of coming together, about 3 000 of them, in order to get a
20 better wage? Why must they leave the koppie? Do you
21 understand the question?

22 GENERAL MBOMBO: Mr Chair, I'm not sure
23 if what I'm explaining is understood. What I'm saying is
24 our aim in talking to the strikers was for them to hand
25 over the weapons to us, and our thinking if the give us the

Page 21869

1 weapons by leaving them on the koppie, we would then remain
2 there collecting them. It would be better if they had left
3 whilst we're doing that, whilst we're collecting the
4 weapons. That does not mean they were not allowed to come
5 back and gather there if they wanted to.

6 MR BIZOS SC: Now, first of all, not
7 everybody there was armed. Would you agree with that?
8 Despite some of the statements of some of your colleagues,
9 not everybody was armed.

10 GENERAL MBOMBO: I want to agree with you
11 there, because I'm not sure how many were armed.

12 MR BIZOS SC: Well, the idea that there
13 were 3 or 3 and a half thousand armed people was in the
14 statements of some of your colleagues, but during cross-
15 examination and after viewing the material, it appeared
16 that the majority of the people on the koppie were not
17 armed. Do you agree with that?

18 GENERAL MBOMBO: As I say, Mr Chair, I
19 already told the Commission that I'm not sure how many were
20 armed.

21 MR BIZOS SC: Would you accept the
22 proposition that I'm putting to you that if you were well-
23 informed, as you should have been, the majority of people
24 on the koppie were not armed?

25 CHAIRPERSON: Mr Bizos, she said she's

Page 21870

1 not sure. I don't know if you take it any further than
2 that. It may be that you've got enough for the purposes of
3 the point you want to make.

4 MR BIZOS SC: Well, I'll put the – why
5 should the people that were not armed be called upon to
6 leave the koppie?

7 GENERAL MBOMBO: Mr Chair, because of the
8 reason that I'm putting forward that I'm not sure how many
9 people were armed. I'm also certain that the police who
10 were there would not be sure how many were armed.

11 MR BIZOS SC: Let me read to you what the
12 evidence of General Mpmembe, in exhibit GGG12, paragraph 27
13 –

14 CHAIRPERSON: Let's wait to get it on the
15 screen. GGG12, paragraph? Paragraph 27, as I understand.
16 There we have it on the screen, thank you very much. You
17 may proceed, Mr Bizos.

18 MR BIZOS SC: Will you have a look at it
19 as to what he said and then I'll have number of questions
20 for you.

21 CHAIRPERSON: You see under SAPS'
22 strategy, you see that section? There are a number of
23 bullet points. The first one is to communicate to the
24 group on the koppie to try to resume negotiations with the
25 protestors to disarm and leave the koppie. And then the

Page 21871

1 next bullet point says, "Protestors had to be asked to
2 leave their dangerous weapons on the koppie and they
3 voluntarily dispersed." And then the third one reads,
4 "After the anticipated voluntary departure, those refusing
5 to leave would be searched and the whole area be swept for
6 dangerous weapons thereby protecting life and property."
7 And then the – those are the paragraphs, or bullet points I
8 think that Mr Bizos is specifically drawing your attention
9 to.

10 MR BIZOS SC: And paragraph 27, Mr Chair.

11 CHAIRPERSON: Yes, I was reading from
12 paragraph 27.

13 MR BIZOS SC: Yes.

14 CHAIRPERSON: I read under the headings
15 SAPS' strategy, which is part of that paragraph, I read the
16 first two bullet points and the first half of the third.

17 MR BIZOS SC: Yes. General Mpmembe was
18 the commander-in-chief, so to speak.

19 GENERAL MBOMBO: That is so, Mr Chair.

20 MR BIZOS SC: Appointed by you?

21 GENERAL MBOMBO: That is so.

22 MR BIZOS SC: To take responsibility for
23 what he said and what he may have done?

24 GENERAL MBOMBO: That is correct, Mr
25 Chair.

Page 21872

1 MR BIZOS SC: Here I'm going to suggest
2 to you that what he says in paragraph 27 indicated the
3 police really wanted, for the benefit of the employer, that
4 people should not gather in such large numbers at the
5 koppie in order to show solidarity for the demands of R12
6 500. This was the – this could only be the reason why you
7 wanted them not to gather on the koppie.

8 GENERAL MBOMBO: I do not agree with
9 that, Mr Chair.

10 MR VAN AS: Sorry, Mr Chair -

11 CHAIRPERSON: Mr van As, are you
12 objecting to Mr Bizos' question?

13 MR VAN AS: There's no basis for putting
14 that to the witness on the evidence before the witness.
15 Firstly, one must bear in mind that the strikers, or those
16 who were Lonmin employees, were participating in an
17 unprotected strike which had already been interdicted by
18 the Labour Court.

19 CHAIRPERSON: You are now arguing the
20 matter. What Mr Bizos is putting is what he is suggesting
21 was the thought processes and motivation of the police in
22 acting what as did, not necessarily suggesting that your
23 client, Lonmin, is responsible for that, if that was indeed
24 the motivation of the police. He's merely probing the
25 motivation of the police in acting as they did. So I don't

Page 21873

1 think there's any point – any substance, and objecting is
2 overruled. Carry on, Mr Bizos.

3 MR BIZOS SC: General Annandale - GGG1,
4 at paragraph 8 reads as follows, "The negotiators were
5 tasked to encourage the protestors to return to their
6 working stations, whereafter the mine management would
7 engage in negotiations about labour related matters."
8 Isn't this an attempt to put an end to the strike,
9 according to what General Annandale said the purpose was?

10 GENERAL MBOMBO: Mr Chair, I'm not sure
11 what it has to do anything, this statement.

12 MR SEMENYA SC: Chair, I think the
13 context to that statement was that the strikers themselves
14 said they want to speak to the employer, and here it is
15 communicated back that the employer's interest to talk to
16 you would be if you went back to your workstations. That's
17 the context.

18 MR BIZOS SC: Would you allow me to lead
19 –

20 CHAIRPERSON: Sorry, you put the passage
21 to the witness, I'm not sure that I heard her answer.
22 Perhaps the answer she gave could be repeated, otherwise if
23 she hasn't answered it yet, perhaps she could give her
24 answer now. What do you say about the point that Mr Bizos
25 is putting to you? That according to General Annandale,

Page 21874

1 one of the tasks of the negotiators was to encourage the
 2 protestors to return to the working stations, whereafter
 3 the mine management would engage in negotiations about
 4 labour-related matters. Mr Bizos suggests that that
 5 indicates that the police were endeavouring to bring the
 6 strike to an end by encouraging the strikers to go back to
 7 the workstations. That's Mr Bizos' point, if I understand
 8 him. Am I right, Mr Bizos?
 9 MR BIZOS SC: That is so.
 10 CHAIRPERSON: Now, what comment do you
 11 make in regard to that point?
 12 [10:00] GENERAL MBOMBO: Mr Chair, I'm not sure
 13 what that was leading to, but what our aim was for the
 14 workers to talk to their employers, they had to go back to
 15 their stations. But our aim was also to get the weapons
 16 from them.
 17 CHAIRPERSON: Yes, the mere fact that
 18 they went back to their working stations wouldn't
 19 necessarily mean going back to their working stations to
 20 work. Is that right?
 21 GENERAL MBOMBO: That is correct, Mr
 22 Chair.
 23 CHAIRPERSON: Can I approach the matter
 24 from a slightly different angle? Assuming the strikers had
 25 said to the negotiators you ask us to lay our weapons down

Page 21875

1 and to leave the koppie, we've got another suggestion.
 2 We're willing to lay our arms down, we will bring our arms
 3 forward and put them in front of the Nyala and then we'll
 4 go back to the koppie without our arms. Would that be
 5 satisfactory to you, the police? I assume the answer, well
 6 let me ask you what would the police answer to such a
 7 suggestion from the strikers have been?
 8 GENERAL MBOMBO: Mr Chair, that angle was
 9 looked at, we agreed that if they were prepared to do that
 10 that is what was going to be done.
 11 CHAIRPERSON: Was that communicated to
 12 them, or don't you know?
 13 GENERAL MBOMBO: I'm not sure, Mr Chair.
 14 MR BIZOS SC: Well let's have a look what
 15 Lieutenant-Colonel McIntosh says in exhibit HHH14. He was
 16 the chief negotiator appointed by you, is that right?
 17 GENERAL MBOMBO: That is correct, Mr
 18 Chair.
 19 MR BIZOS SC: Do you hold yourself
 20 responsible for the role that he may have played in these
 21 events?
 22 GENERAL MBOMBO: Mr Chair, I already said
 23 I'm the Commissioner of Police in that province, whatever
 24 the police do in their duties that is done under my command
 25 and I take responsibility for what they do according to the

Page 21876

1 powers vested in me by the Constitution.
 2 CHAIRPERSON: Mr Bizos, what is the
 3 paragraph in Colonel McIntosh's statement to which you
 4 refer?
 5 MR BIZOS SC: There are two paragraphs.
 6 CHAIRPERSON: And what are the numbers?
 7 MR BIZOS SC: Paragraph 7 and paragraph
 8 14, Mr Chair.
 9 CHAIRPERSON: Paragraph 7 starts "later I
 10 informed them that the SAPS want a solution to the problem
 11 and that we want them to disperse peacefully, as the
 12 gathering was illegal." And he also requested them to
 13 leave their arms on the koppie and that we will collect it
 14 when they left. "I specifically informed them that the
 15 police do not want to fight with them or hurt them, but
 16 that we want a peaceful solution to the problem. And we
 17 guarantee their safety." And then 14, 14 reads –
 18 MR BIZOS SC: "We informed them that the
 19 mine management stated that there is a two year wage
 20 agreement in place and that the strike is unprotected. But
 21 the mine will talk to the unions again when the workers lay
 22 down their weapons and return to normal duties." Was that
 23 your attitude and did you authorise your negotiator to
 24 convey this to the workers?
 25 CHAIRPERSON: Mr Bizos, that's two

Page 21877

1 questions. The part relates simply to a conveying to the
 2 strikers of what the employer had to say, without
 3 necessarily indicating the police agreeing with it. The
 4 second point is a different one. Let's take the questions
 5 one by one. It appears from what appears in paragraph 14
 6 of the statement that after the police had conveyed to the
 7 employers what the strikers wanted, they wanted someone to
 8 come and discuss with them their wage demand. That the
 9 employers had said they didn't want to talk to them before
 10 they put down their weapons and returned to work and the
 11 employer also said that there's a two year wage agreement
 12 in place with all the unions. The strike is unprotected
 13 and they would talk to the unions again when the workers
 14 lay down their weapons and returned to normal duties. Now
 15 if that's what the employer said as an answer to what the
 16 strikers had to say, was there any objection to the police
 17 negotiators repeating that to the strikers as being what
 18 the employer had to say?
 19 GENERAL MBOMBO: Mr Chair, I see no
 20 reason for the negotiators not to pass over that
 21 information if that is what they repeat, that message.
 22 CHAIRPERSON: Mr Bizos's next question
 23 relates to the attitude of the police in that regard, so
 24 perhaps you can now put the second question to the witness.
 25 MR BIZOS SC: Yes. Was it the business

Page 21878

1 of the employer or the hope of the negotiator to rely on
 2 the alleged fact that the gathering was illegal and
 3 therefore they must go away from the mountain? Would it be
 4 that - a proposition would have had an effect of actually
 5 preventing the people that had gathered from the strength
 6 that they had, strength in numbers, we'll withdraw our work
 7 until our demand was met? Surely it's not the police
 8 business to disperse such a gathering and not for them to
 9 decide on the legality or illegality as part of the
 10 negotiation process.

11 CHAIRPERSON: You're putting that
 12 proposition even where a number of the gatherers, a
 13 significant number of the gatherers are armed.

14 MR BIZOS SC: That it should be treated
 15 as a separate issue. The right to strike legally or
 16 illegally is not -

17 CHAIRPERSON: I'm sorry to interrupt you.
 18 It's not a question of the right to strike legally or
 19 illegally. It's the right to strike in circumstances which
 20 are protected and the right to strike in circumstances
 21 which are not protected, that's the one side of the case.
 22 The other side of the case is if in pursuance of the right
 23 to strike they have a gathering but the gathering is
 24 accompanied by a significant number of dangerous weapons,
 25 that introduces a new factor with which the police have to

Page 21879

1 deal surely.

2 MR BIZOS SC: Yes, what we are leading up
 3 to, Mr Chairman, is this. I'll put the question which will
 4 make it easier for the Commissioner to see the distinction
 5 that we are making. The people did not gather in mass
 6 early in the morning. They came along in small groups, do
 7 you agree with that, was that in accordance with the
 8 information that you had?

9 GENERAL MBOMBO: That is how I heard it,
 10 yes, Mr Chair.

11 MR BIZOS SC: It may be that some were
 12 armed, but it would appear that the majority were unarmed.

13 GENERAL MBOMBO: That could be the case,
 14 Mr Chair.

15 MR BIZOS SC: Now if the assistance of
 16 the police was to be limited to disarming people did it
 17 occur to you or any of your underlings that early in the
 18 morning as the small groups were coming to say you're
 19 unarmed, you're welcome, go to the koppie. You put your
 20 arms down before they got into a big number somewhere along
 21 the way where they were walking to the mountain and wasn't
 22 that a proper way for the police to take steps in disarming
 23 people? And not to couple it with not only you disarm
 24 yourself but you must disappear from the koppie?

25 GENERAL MBOMBO: Mr Chair, firstly I want

Page 21880

1 to request the Commission to the effect that there is some
 2 noise at the back, I think it's the earphones, you can pick
 3 up the Advocate's voice there. I've got a question.

4 CHAIRPERSON: Sorry, I did speak about
 5 this matter last week and said those who haven't got the
 6 earphones on must please turn them off because if the
 7 earphones are not on someone's ears but on the desk then
 8 one can hear sounds of voices coming from the earphones and
 9 - I can hear that now as I speak. And that causes
 10 disturbance and makes it difficult for the witness to
 11 concentrate and difficult for us to concentrate on her
 12 answers.

13 GENERAL MBOMBO: Thank you, Mr Chair.
 14 Now to answer the questions that was asked, I want to say
 15 the people who went to the koppie to go and negotiate, talk
 16 to the people who were there their aim was for us to get
 17 the weapons peacefully from them. Also the statement you
 18 just put, Mr Advocate, that they could have been disarmed
 19 on the way or the weapons taken from them on the way to the
 20 koppie, I do not deny that it could have been done and been
 21 successful. But there were promises, indications that we
 22 could get hold of the weapons on the koppie when they were
 23 all together on the koppie.

24 MR BIZOS SC: Did you or any one of your
 25 senior officers raise the question that it is foolhardy to

Page 21881

1 try and disarm among 3000 people, that it is really
 2 completely contrary to the principles of crowd management
 3 as contained in the reports of the experts on crowd
 4 management? Did anyone suggest that this was a foolhardy
 5 object and their was an obvious simpler solution of gaining
 6 the disarming portion of the police duty? Did anybody
 7 suggest it?

8 GENERAL MBOMBO: I don't remember
 9 suggesting such a thing, but my hope was that all the
 10 people directly involved with the details of this plan must
 11 have looked at all the angles to see if there were easier
 12 angles to address this issue.

13 GENERAL MBOMBO: But you as the senior
 14 officer responsible, did you not think that this simple,
 15 peaceful solution - not thought of by you and none of your
 16 senior officers contemplated it and it was not discussed at
 17 any level?

18 GENERAL MBOMBO: Mr Chair, I did not say
 19 it was never discussed, what I'm saying is I was never
 20 involved in such a discussion.

21 MR BIZOS SC: One would have expected
 22 that at the JOC meetings on Tuesday and Wednesday and even
 23 early on Thursday, that simple proposition that I have put
 24 to you is so obvious, are you telling us that all the
 25 senior officers, it did not occur to any senior officers to

Page 21882

1 put it forward as a proposal at any of the JOC meetings?
 2 CHAIRPERSON: Mr Bizos, the difficulty is
 3 this witness wasn't at those JOCCOM meetings as I
 4 understand it.
 5 MR BIZOS SC: Well some of them, Mr
 6 Chair.
 7 CHAIRPERSON: Well let's find out. Which
 8 JOCCOM meetings did you attend? I know you were there for
 9 part of the time at the 1:30 meeting on Thursday. Were you
 10 there at any of the JOCCOM meetings on the Tuesday or the
 11 Wednesday?
 12 GENERAL MBOMBO: It was only that of the
 13 16th at 1:30, Mr Chair, that I attended.
 14 CHAIRPERSON: The thing was I was
 15 proposing to take a comfort break at about this stage.
 16 Would it be convenient if I did it now or do you want you
 17 round it off?
 18 MR BIZOS SC: I'll continue along the
 19 line after the adjournment.
 20 CHAIRPERSON: Yes, very well. We'll take
 21 a five minute comfort break now.
 22 [COMMISSION ADJOURNS COMMISSION RESUMES]
 23 [10:24] CHAIRPERSON: As soon as the interpreter
 24 returns, the Commission will resume, but in the meanwhile,
 25 you're still under oath, Provincial Commissioner.

Page 21883

1 MIRRIAM NOSAZISO ZUKISWA MBOMBO: s.u.o.
 2 CHAIRPERSON: I understand that Adv
 3 Pillay succeeded in finding the exhibit number for which Mr
 4 Bizos was looking, namely the exhibit number of the
 5 transcript of the eNCA interview. So I take it when the
 6 present point is finished he will be able to revert to that
 7 point. The interpreter is now with us. Mr Bizos
 8 [microphone off, inaudible] remind you to turn your
 9 microphone on, Mr Bizos.
 10 CROSS-EXAMINATION BY MR BIZOS SC (CONTD.):
 11 On Monday the 13th at midday you were at the JOC meeting.
 12 Is that correct?
 13 GENERAL MBOMBO: I was not at the JOC
 14 meeting on Monday the 13th. I was at a briefing that was
 15 given to me when I arrived.
 16 MR BIZOS SC: But you attended a meeting
 17 and you discussed matters at midday on Monday the 13th? Is
 18 that correct?
 19 GENERAL MBOMBO: Yes, Mr Chair, because I
 20 was being briefed.
 21 MR BIZOS SC: And you were also at a
 22 meeting in the evening on Monday.
 23 GENERAL MBOMBO: That is correct, that is
 24 when we were briefing the National Commissioner.
 25 MR BIZOS SC: So you were present there,

Page 21884

1 and on Tuesday the 14th you were at a JOC meeting according
 2 to paragraph 17 of – on the 14th there was a briefing
 3 session.
 4 GENERAL MBOMBO: That was also not a JOC
 5 meeting, Mr Chair. I was being briefed there.
 6 MR BIZOS SC: When you are being briefed,
 7 you can also brief in return, can't you?
 8 GENERAL MBOMBO: That is correct.
 9 MR BIZOS SC: Yes, and you met with
 10 Naidoo and Mpembe, and Annandale on the phone, and passed
 11 by the JOC, according to the evidence, on the same day, on
 12 Wednesday. There were lots of opportunities on those days,
 13 as there were on the 16th and even at the 13:30 meeting. So
 14 you had lots of opportunities to discuss with your fellow
 15 officers this simple alternative way of solving the
 16 problem, but not you nor any of them suggested it.
 17 GENERAL MBOMBO: That is so, Mr Chair.
 18 MR BIZOS SC: Now when you were asked why
 19 things went wrong, you mentioned a few and we will come to
 20 the much longer list in due course during this cross-
 21 examination. But is it a coincidence that none of you
 22 thought of the simple and safe solution?
 23 GENERAL MBOMBO: I'm not sure, Mr Chair,
 24 what you mean.
 25 MR BIZOS SC: What I'm saying is that you

Page 21885

1 had plenty of opportunity to discuss reasonable solutions
 2 to the problem that you were facing. Was it a coincidence
 3 that none of you thought of this simple and safe solution?
 4 GENERAL MBOMBO: I cannot be sure, Mr
 5 Chair, how it happened.
 6 MR BIZOS SC: You're not so sure as to
 7 how it happened, as to why it did not happen?
 8 GENERAL MBOMBO: Yes.
 9 MR BIZOS SC: You know, the expression
 10 favoured by you and your colleagues about hindsight, permit
 11 me to use the expression followed by them. In hindsight
 12 don't you think that that was a simple solution and it was
 13 a grievous fault that no-one thought about it?
 14 GENERAL MBOMBO: It could have been like
 15 that, Mr Chair.
 16 MR BIZOS SC: I beg your pardon?
 17 GENERAL MBOMBO: It could have been like
 18 that.
 19 MR BIZOS SC: And you take responsibility
 20 for the failure to take that simple step?
 21 GENERAL MBOMBO: As I've already said, Mr
 22 Chair.
 23 MR BIZOS SC: You take responsibility for
 24 it?
 25 CHAIRPERSON: It's quite clear that she's

Page 21886

1 not seeking to evade responsibility of any kind. She said
 2 over and over again that people acted under her
 3 instructions, under her command, and even if she hadn't
 4 commanded them to do things specifically, she accepts
 5 responsibility for what happened. As I understand it she's
 6 very commendably facing her responsibilities.
 7 MR BIZOS SC: Well, I just want clarity
 8 that this does not fall away. It was a simple thing that
 9 if it happened could have saved the lives of the people
 10 that were killed and injured. Do you take responsibility
 11 for that?
 12 GENERAL MBOMBO: I already said so, Mr
 13 Chair -
 14 MR BIZOS SC: Thank you.
 15 GENERAL MBOMBO: - that what was done by
 16 the police working in the province, whether good or bad,
 17 whether present or not, the commanding officer was me
 18 there. I therefore have to take responsibility for the
 19 problems or mistakes made by the people working under me.
 20 MR BIZOS SC: Yes, thank you for that.
 21 But you see, the other – I just want to give references
 22 that it was not only McIntosh but Colonel Scott, and I can
 23 give the references without reading them, just for the
 24 record so that we can have easy access when we prepare the
 25 argument, in HHH20, paragraph 7.21.1, and again in FFF18,

Page 21887

1 paragraph 10, and again Scott, exhibit FFF18, paragraph 21.
 2 Let me read that. "During discussions in the JOC the
 3 possible courses of action of the protesters would either
 4 honour their commitment to lay down their weapons and
 5 disperse peacefully, the next day return to work to follow
 6 the set channels through the unions to address their
 7 demands." So it would appear that certainly Colonel Scott
 8 was concerned that people should go back to work as one of
 9 the objectives of the people in high authority, and not
 10 only to just disarm them. Would you agree with that?
 11 GENERAL MBOMBO: I'm not sure about that,
 12 Mr Chair, but I know one thing though, that our aim was to
 13 get the weapons.
 14 MR BIZOS SC: No, but you see there is so
 15 much evidence that it was not the only objective and the
 16 reason why simple solutions of solving that problem was
 17 because of another aim of actually breaking the strike.
 18 GENERAL MBOMBO: As I've already said
 19 earlier on, Mr Chair, that I know that although their
 20 strike was illegal, they also had a right to strike if they
 21 had issues with their employer and we only had one aim. We
 22 had to get the weapons that were a problem to us, that
 23 caused fear amongst the people and other people had already
 24 been killed.
 25 MR BIZOS SC: The attempt to put into

Page 21888

1 effect the third tactical plan in phase 3 certainly did not
 2 achieve its purpose. They did not lay down their arms and
 3 they didn't disperse, they were shot down.
 4 CHAIRPERSON: Mr Bizos, I think that
 5 question should be reformulated. Remember the evidence is
 6 clear that what the – or the police evidence is clear that
 7 what they intended to do was that they were given warnings
 8 to the people to put down their arms, I think two warnings
 9 with an interval in between, and thereafter they were going
 10 to proceed with the dispersal operation. The only part of
 11 stage 3 that in fact was implemented was the uncoiling of
 12 the wire. The later portion, the beginning of the warning
 13 hadn't happened yet. So in the circumstances I think you
 14 should reformulate the question. The question seems to
 15 suggest that they did what they intended to do, namely gave
 16 the warning, set out to disperse the people, and with the
 17 disastrous results that we know about. But as I've
 18 endeavoured to indicate, it's a little bit more complicated
 19 than that, but I suggest you could capture that by
 20 reformulating your question.
 21 MR BIZOS SC: How would your problem have
 22 been served if they dispersed with their weapons?
 23 GENERAL MBOMBO: I did not get the
 24 question clearly, Mr Chair.
 25 MR BIZOS SC: If the intention was to

Page 21889

1 disperse them and surrender their weapons, what would have
 2 been the position if the attempt to disperse them was that
 3 they did disperse, but run away with their weapons? How
 4 would your purposes have been served?
 5 GENERAL MBOMBO: We had the chance to try
 6 again, Mr Chair.
 7 MR BIZOS SC: To try what? To try
 8 again –
 9 CHAIRPERSON: "We would have had a chance
 10 to try again." That's what she said.
 11 MR BIZOS SC: Try what?
 12 GENERAL MBOMBO: To try and get the
 13 weapons from them.
 14 MR BIZOS SC: If they dispersed, what
 15 were the police going to do? Were they going to chase them
 16 all the way home with their weapons?
 17 GENERAL MBOMBO: Mr Chair, as I'm saying
 18 we would get a chance again to try and get the weapons from
 19 them.
 20 MR BIZOS SC: Where and how?
 21 GENERAL MBOMBO: That would all depend on
 22 the information we shall have had at that time and how the
 23 people doing the operation would have seen things.
 24 MR BIZOS SC: Let us assume that they all
 25 run away from the koppie with their arms. Would you have

<p style="text-align: right;">Page 21890</p> <p>1 expected them to come again and gather with their arms? 2 Was that part of the plan? 3 GENERAL MBOMBO: Mr Chair, you'll 4 remember the plan had various stages. As you say, if the 5 plan was implemented and the people dispersed go to their 6 respective places, as you say, there was a follow-up plan 7 that would have been implemented. 8 MR BIZOS SC: What was the follow-up 9 plan? 10 GENERAL MBOMBO: They had already asked 11 me to sign a cordon and search document. 12 MR BIZOS SC: A what? 13 GENERAL MBOMBO: A cordon and search. 14 MR BIZOS SC: So you were going to go to 15 their homes and try and search them there? 16 GENERAL MBOMBO: That's one of the things 17 we would have tried also, Mr Chair. 18 MR BIZOS SC: Was this discussed as a 19 possibility? 20 GENERAL MBOMBO: It was in our plan, Mr 21 Chair. 22 MR BIZOS SC: Was that going to be a 23 fourth phase? 24 GENERAL MBOMBO: That is correct – 25 CHAIRPERSON: It is the sixth phase, Mr</p>	<p style="text-align: right;">Page 21892</p> <p>1 GENERAL MBOMBO: Mr Chair, the people on 2 the ground were saying that the people appeared to be 3 heavily armed with the – in the front of the koppie and 4 they estimated the number of those people to be between 300 5 to 400. 6 MR BIZOS SC: Now you are a Xhosa and a 7 proud Xhosa and justifiably so. What weapons did you 8 expect people to surrender? 9 GENERAL MBOMBO: We were expecting them 10 to hand over all the weapons that they had there that could 11 cause harm to people. 12 MR BIZOS SC: Well is a knob kerie 13 weapon that you – were you going to gather all the 14 knobkeries? 15 GENERAL MBOMBO: You will say, Mr Chair, 16 I'm a proud Xhosa and whilst growing up I've seen people 17 being killed by knobkerie. 18 MR BIZOS SC: Yes, but you have seen, I 19 am sure, 100s of 1 000s of people carrying knobkeries who 20 didn't kill anybody. 21 GENERAL MBOMBO: I do not have that 22 evidence, Mr Chair. 23 MR BIZOS SC: You don't have? 24 GENERAL MBOMBO: That evidence. 25 MR BIZOS SC: Isn't the knobkerie a</p>
<p style="text-align: right;">Page 21891</p> <p>1 Bizos. 2 MR BIZOS SC: Or sixth. 3 CHAIRPERSON: It was called, in stage 6, 4 I think, of the plan, and she signed the – I forget the 5 section number and so – section 13 I think of the Police 6 Services Act. What's the name of the act, Mr Chaskalson? 7 You remember? Anyway, under the relevant legislation, 8 section 13, the Provincial Commissioner is empowered to 9 authorise what amounts to a warrant to search over a 10 certain period in a defined area, and this is what she did. 11 MR BIZOS SC: At your meetings was there 12 a discussion about the number of people that you had to 13 deal with? Because we have evidence which suggests that 14 you wanted to deal with 3 or 4 - in some instances in a 15 statement 4 000 people. 16 [10:44] Or merely 2 to 300 of heavily armed people, what 17 was your discussions? What were you going to put right? 18 GENERAL MBOMBO: I did not get the last 19 part of the question. 20 MR BIZOS SC: The number of heavily armed 21 people that had to be disarmed, according to the evidence 22 before the commission, varies from statements that you had 23 to do it were 3 000 people and later on it was really that 24 you had to disarm 300 heavily armed people. What was the 25 discussion? What was your task?</p>	<p style="text-align: right;">Page 21893</p> <p>1 symbol of manliness of Xhosa males? 2 GENERAL MBOMBO: That is correct, Mr 3 Chair, the males do carry a stick or kerie in our 4 homeland. 5 MR BIZOS SC: Doesn't mean that you are 6 going to kill people? 7 GENERAL MBOMBO: That is correct, Mr 8 Chair, but that does not mean if you forcefully use it, it 9 will not cause that harm. 10 MR BIZOS SC: Now, the carrying of some 11 of the very dangerous weapons which we saw was it the 12 people in the crowd that started carrying those weapons in 13 the beginning or after a number of them had been seriously 14 injured and a couple of them killed on the 13th? 15 GENERAL MBOMBO: I'm not sure, Mr Chair, 16 where is the counsel going to, but from what I have seen 17 already from the 13th they had these weapons. 18 CHAIRPERSON: Do you know whether the 19 people had their weapons on the 12th when the security 20 guards were killed? 21 GENERAL MBOMBO: I did not see that 22 clearly, Mr Chair, but from what we see how the security 23 guards were killed it appears that these weapons were used. 24 MR BIZOS SC: It was not only security 25 guards that were killed from the 10th onwards, there were</p>

<p style="text-align: right;">Page 21894</p> <p>1 also strikers who were attacked and killed. Not so?</p> <p>2 GENERAL MBOMBO: That is correct, Mr</p> <p>3 Chair.</p> <p>4 MR BIZOS SC: And the people that became</p> <p>5 – that carried those real dangerous weapons proclaimed that</p> <p>6 they carried them for self protection because they</p> <p>7 themselves –</p> <p>8 CHAIRPERSON: It was for protection, self</p> <p>9 protection, I thought you said something else.</p> <p>10 MR BIZOS SC: Say what?</p> <p>11 CHAIRPERSON: I thought you said –</p> <p>12 MR BIZOS SC: For their protection –</p> <p>13 CHAIRPERSON: - self protection –</p> <p>14 MR BIZOS SC: For their protection. They</p> <p>15 carried them for their protection and not for offensive</p> <p>16 purposes. You were aware of that? Was that the</p> <p>17 information given to you at the various meetings at JOC or</p> <p>18 the informal gatherings that you may have held by your</p> <p>19 senior police officers?</p> <p>20 GENERAL MBOMBO: I hear what you say, Mr</p> <p>21 Chair.</p> <p>22 MR BIZOS SC: Did it come to your notice</p> <p>23 that the strikers said that we required these weapons, not</p> <p>24 in order to attack people, but to defend ourselves?</p> <p>25 GENERAL MBOMBO: I've heard mention of</p>	<p style="text-align: right;">Page 21896</p> <p>1 GENERAL MBOMBO: That is correct.</p> <p>2 MR BIZOS SC: Of the decisions of the</p> <p>3 courts that life is sacrosanct even for those that are the</p> <p>4 worst among us, to quote a constitutional court judge?</p> <p>5 GENERAL MBOMBO: That is so, Mr Chair.</p> <p>6 What I know is what you have already said that all the</p> <p>7 citizens of this country are protected in the constitution</p> <p>8 or their life is protected. Actually I wanted to say they</p> <p>9 have the right to life.</p> <p>10 MR BIZOS SC: Yes. You were responsible</p> <p>11 for the resources that were going to be used in this</p> <p>12 operation that was put together by Mr Scott.</p> <p>13 GENERAL MBOMBO: I did not get the</p> <p>14 question, Mr Chair.</p> <p>15 MR BIZOS SC: You were party to the plan</p> <p>16 drawn by Mr – Colonel Scott.</p> <p>17 GENERAL MBOMBO: From what I know Colonel</p> <p>18 Scott drew up the plan together with a team that was</p> <p>19 assisting him. I was not part of that team.</p> <p>20 MR BIZOS SC: You approved of the plan.</p> <p>21 GENERAL MBOMBO: Yes, as it was narrated</p> <p>22 to me, yes, I did the person who had to affix his signature</p> <p>23 there was General Mpmembe.</p> <p>24 MR BIZOS SC: Yes. Now the resources</p> <p>25 that were needed were the resources that had to be gathered</p>
<p style="text-align: right;">Page 21895</p> <p>1 that being made.</p> <p>2 MR BIZOS SC: If they had been unlawfully</p> <p>3 killed or assaulted, were they entitled to arm themselves</p> <p>4 in a manner which may have protected them?</p> <p>5 GENERAL MBOMBO: According to me I don't</p> <p>6 think it is supposed to be like that.</p> <p>7 MR BIZOS SC: It's unfortunate but to put</p> <p>8 the blame only on protestors or those participating in the</p> <p>9 strike is an unfair conclusion. Did you have that in mind</p> <p>10 and did you try to negotiate possibly the safety of</p> <p>11 everyone including the protestors?</p> <p>12 GENERAL MBOMBO: Our aim, Mr Chair, was</p> <p>13 to negotiate especially concentrating on protecting</p> <p>14 everybody that was there.</p> <p>15 MR BIZOS SC: Yes. And protecting</p> <p>16 everyone that was there, the danger of having to use lethal</p> <p>17 force was that seriously discussed at your meetings?</p> <p>18 GENERAL MBOMBO: I think so, Mr Chair.</p> <p>19 MR BIZOS SC: Yes. Were you familiar</p> <p>20 with the standing orders?</p> <p>21 GENERAL MBOMBO: That is so, Mr Chair.</p> <p>22 MR BIZOS SC: You were familiar with the</p> <p>23 provisions of the constitution?</p> <p>24 GENERAL MBOMBO: That is so.</p> <p>25 MR BIZOS SC: Of the legislation?</p>	<p style="text-align: right;">Page 21897</p> <p>1 and provided under your authority and on your initials.</p> <p>2 GENERAL MBOMBO: That is correct, Mr</p> <p>3 Chair.</p> <p>4 MR BIZOS SC: Who ordered the 4 000 sharp</p> <p>5 bullets?</p> <p>6 GENERAL MBOMBO: I do not know, Mr Chair.</p> <p>7 MR BIZOS SC: You are in charge of</p> <p>8 resources. We have been informed that somebody ordered</p> <p>9 4 000 bullets. You – when did you hear that this order had</p> <p>10 been placed? You're the head of the resource department.</p> <p>11 GENERAL MBOMBO: Mr Chair, I do not</p> <p>12 dispute what the advocate SC is saying that all the</p> <p>13 resources in the province were dependent on me or I had the</p> <p>14 authority over it. But I do not have knowledge of the day</p> <p>15 to day running or procurement of the resources, what was</p> <p>16 taken together with what and what was used.</p> <p>17 CHAIRPERSON: When did you – I take it</p> <p>18 you heard at some stage about that – what we've been told</p> <p>19 that somebody ordered 4 000 extra bullets to be delivered</p> <p>20 at Marikana. Did you hear that?</p> <p>21 GENERAL MBOMBO: I heard, Mr Chair, when</p> <p>22 they were looking for the diaries, I heard that one of</p> <p>23 member's diaries was saying that.</p> <p>24 CHAIRPERSON: Yes and then apparently</p> <p>25 when they came, Brigadier – I am not sure if they actually</p>

Page 21898

1 came and certainly Brigadier Pretorius indicated that they
2 weren't required and sent them back. Did you hear that
3 too?

4 GENERAL MBOMBO: I heard that as well, Mr
5 Chair, from Brigadier Pretorius.

6 CHAIRPERSON: Did you only hear about
7 that after the shootings on the 16th or did you hear about
8 that before the shootings took place on the 16th?

9 GENERAL MBOMBO: I heard about it, Mr
10 Chair, almost at the end of last year if it was not around
11 about June, July but that was past 2012.

12 MR BIZOS SC: We can't read the name of –
13 it's in the diary in J – JJJ186 on page 16, it is the –
14 it's the diary of Mr Merafi.

15 CHAIRPERSON: He's a colonel he? Or a
16 lieutenant-colonel –

17 MR BIZOS SC: He's a colonel, yes.

18 CHAIRPERSON: Yes. But the witness says
19 she only heard about that last year, in 2013. She thinks
20 the middle of the year, possibly even later. Am I
21 understanding you correctly?

22 GENERAL MBOMBO: That is so, Mr Chair.

23 CHAIRPERSON: Let's see what it says in
24 the diary – the diary's been put on the screen for us to
25 look at.

Page 21899

1 MR BIZOS SC: The last page of the
2 exhibit, page 16, Mr Chair. The 16th of August.

3 CHAIRPERSON: I don't think – is that
4 right? Because he wasn't there of course, was he – there
5 it is. Against the – against 15:30. Can you, is your
6 ability to read the diary better than mine? I can't make
7 out the first part.

8 MR BIZOS SC: Lieutenant – it's not
9 legible. It seems to start with a K.

10 CHAIRPERSON: It seems quite – Mr Tokota
11 who knows these things tells me it's Lieutenant Kgwadibana
12 and then it goes on, "send 4 000 rounds of R5 to Marikana
13 for Lonmin conflict." That's what's written there in
14 Lieutenant-colonel Merafi's diary. He of course wasn't
15 there at the time because he went to Klipgat for the
16 memorial service of the late Warrant Officer Lepaaku who
17 had been killed on the 13th. Anyway you say you only heard
18 about that last year – last year some time.

19 GENERAL MBOMBO: That is so, Mr Chair.

20 CHAIRPERSON: And you – I think you said
21 that Brigadier Pretorius told you that she sent them back,
22 did I understand that correctly too?

23 GENERAL MBOMBO: That is correct, Mr
24 Chair. After I heard about it I wanted to know what
25 happened, how it all happened and that's when the Brigadier

Page 21900

1 Pretorius explained to me that she or he sent them back.

2 CHAIRPERSON: She, Brigadier Suzette
3 Pretorius. She sent them back.

4 GENERAL MBOMBO: She sent them back.

5 MR BIZOS SC: How does the budget work?
6 You're in charge of the budget having your background as
7 set out in your CV. It must be a matter of some concern
8 that things are not ordered without your knowledge.

9 GENERAL MBOMBO: Mr Chair, I have the
10 greatest of respect for Advocate SC for many reasons. I
11 did answer this question that I'm not responsible for the
12 day to day running, how many toilet papers were issued, how
13 much water was drunk because I have people I work with at
14 different levels who take care of those things.

15 MR BIZOS SC: You don't credit us with
16 much intelligence, General.

17 CHAIRPERSON: Is that a question or a
18 sarcastic comment.

19 MR BIZOS SC: Well -

20 CHAIRPERSON: - sarcastic comment. I
21 don't think sarcastic comments are appropriate.

22 [11:04] MR BIZOS SC: Ordering 4 000 bullets for
23 an operation is quite different to the day-to-day things
24 that you have mentioned in your evidence. You are in a
25 situation where you were in control of what is going to

Page 21901

1 happen on matters that may have been life or death to
2 people. How did anyone without your authority or without
3 discussing with you, could take the initiative without your
4 authority to order 4 000 rounds of live ammunition?

5 GENERAL MBOMBO: Mr Chair, it was not
6 important that I be consulted about how much ammunition had
7 to be acquired. It was a job of the people who were at the
8 operation on the ground to see to it how much and what kind
9 of ammunition is needed. I did not know what ammunition
10 they had or how much of it they had.

11 MR BIZOS SC: Surely when this ammunition
12 was ordered the person or persons that ordered it, coupled
13 with the fact that mortuary vehicles were ordered to be
14 present on the 16th, did you know anything about that?

15 GENERAL MBOMBO: I heard lately about
16 that, Mr Chair.

17 MR BIZOS SC: And if I were to tell you
18 that we are going to submit that you remained ignorant for
19 some reason or other of this, may be your fault that you
20 remained ignorant or not, that that had in mind that a
21 battle was going to be fought on the morning of – or on the
22 16th, a battle was going to be fought. Did you get the
23 impression from anyone among your senior officers that a
24 battle was being prepared?

25 GENERAL MBOMBO: According to me, Mr

<p style="text-align: right;">Page 21902</p> <p>1 Chair, we were not going through a battle.</p> <p>2 MR BIZOS SC: No, now that you are made</p> <p>3 aware of these bullets, mortuary vans, those are things for</p> <p>4 battles, not for settling disputes.</p> <p>5 CHAIRPERSON: What do you say about that,</p> <p>6 Provincial Commissioner?</p> <p>7 GENERAL MBOMBO: Firstly, Mr Chair, we do</p> <p>8 not have mortuaries in our operations. It's possible</p> <p>9 whoever requested for them had their own reasons.</p> <p>10 CHAIRPERSON: So are you saying that</p> <p>11 whoever asked for four hearses, or mortuary vehicles, and</p> <p>12 whoever asked for 4 000 rounds of ammunition for the Lonmin</p> <p>13 conflict, as it's described in the diary, that's either the</p> <p>14 same person or different people, but whoever asked for</p> <p>15 those things thought that there was going to be what is</p> <p>16 described here by Colonel Merafe in his diary, a conflict,</p> <p>17 some kind of battle. That does seem – that's really what</p> <p>18 Mr Bizos is putting to you. That does seem a fair</p> <p>19 inference, doesn't it? But you were not aware of a request</p> <p>20 for the mortuary vehicles or the 4 000 rounds of</p> <p>21 ammunition. Is that your evidence?</p> <p>22 GENERAL MBOMBO: Totally not, Mr Chair.</p> <p>23 I was not aware of these things. I only became aware of</p> <p>24 them later when they came up.</p> <p>25 CHAIRPERSON: Yes. Do you agree with Mr</p>	<p style="text-align: right;">Page 21904</p> <p>1 MR SEMENYA SC: Well, the question calls</p> <p>2 for the witness to second-guess the mind of those who would</p> <p>3 have made those requests, Chair.</p> <p>4 CHAIRPERSON: Yes, that is so. I suppose</p> <p>5 the answer is that, it's covered by rulings I've given in</p> <p>6 the past that if it's an inference that we're as able to</p> <p>7 make, to draw as the witness, then we shouldn't really ask</p> <p>8 the witness because her answer takes the matter no further.</p> <p>9 It's open to you to argue that the inference is an</p> <p>10 appropriate one.</p> <p>11 MR BIZOS SC: Yes.</p> <p>12 CHAIRPERSON: Whether you need to press</p> <p>13 the witness to agree with the inference is the point in</p> <p>14 issue now, and we have repeatedly in the past said if it's</p> <p>15 an inference we can draw as we – I mean the Commissioners</p> <p>16 and counsel arguing before us – then it's a matter that the</p> <p>17 witness shouldn't be pressed on. That's essentially what</p> <p>18 Mr Semenya is saying.</p> <p>19 MR BIZOS SC: Yes, I'm mindful of the</p> <p>20 rulings, but I am entitled to ask more questions on this</p> <p>21 issue in order to buttress up the argument that we are</p> <p>22 going to make, and I am entitled to put questions to the</p> <p>23 witness of the improbability that the person who was in</p> <p>24 charge of the whole operation would have been kept in</p> <p>25 ignorance in order to challenge her credibility, Mr</p>
<p style="text-align: right;">Page 21903</p> <p>1 Bizos's contention that whoever was responsible for these</p> <p>2 requests – whether it was one person or more we may found</p> <p>3 out later – seemed to think that there might well be a</p> <p>4 battle with a fair amount of bloodshed so that four hearses</p> <p>5 would be required and 4 000 extra rounds of ammunition</p> <p>6 would be required? Would you agree with – that's Mr</p> <p>7 Bizos's inference. Would you agree with that?</p> <p>8 GENERAL MBOMBO: I do not agree with</p> <p>9 that, Mr Chair. That is why I'm saying the people who made</p> <p>10 these requests, individually or separately might have</p> <p>11 reasons why they made such requests.</p> <p>12 CHAIRPERSON: I understand that, but what</p> <p>13 Mr Bizos says is those people, he suggests that those</p> <p>14 people, the reasons that they would have had would have</p> <p>15 been a foresight that there was a strong possibility that</p> <p>16 there'd be something approximating to a battle with a lot</p> <p>17 of dead bodies for which four hearses were required, and a</p> <p>18 lot of action which required 4 000 extra rounds of</p> <p>19 ammunition. That's Mr Bizos's point, as I understand it.</p> <p>20 You agree with that?</p> <p>21 MR SEMENYA SC: To that, Chair –</p> <p>22 GENERAL MBOMBO: I do not agree.</p> <p>23 MR BIZOS SC: Why do you not agree?</p> <p>24 CHAIRPERSON: No, Mr Bizos, Mr Semenya</p> <p>25 wants to raise an objection.</p>	<p style="text-align: right;">Page 21905</p> <p>1 Chairman.</p> <p>2 CHAIRPERSON: Well, that's another</p> <p>3 matter, but before you proceed with that, Adv Hemraj wants</p> <p>4 to make a point.</p> <p>5 COMMISSIONER HEMRAJ: General, any</p> <p>6 requisition for official ammunition would need to be done</p> <p>7 on prescribed forms, wouldn't they?</p> <p>8 GENERAL MBOMBO: That is correct, Mr</p> <p>9 Chair.</p> <p>10 COMMISSIONER HEMRAJ: Mr Chaskalson, are</p> <p>11 any of these forms to hand? I'd be very interested in</p> <p>12 seeing when this requisition was made, given that this</p> <p>13 entry in this diary is made at 15:30 on the 16th.</p> <p>14 MR CHASKALSON SC: Commissioner, we</p> <p>15 aren't in possession of any of those forms. We'll ask SAPS</p> <p>16 to make available to us all the –</p> <p>17 COMMISSIONER HEMRAJ: Mr Semenya, could</p> <p>18 you assist us?</p> <p>19 MR SEMENYA SC: To the extent that we</p> <p>20 can, Commissioner, yes, we will.</p> <p>21 COMMISSIONER HEMRAJ: Would you please</p> <p>22 do? I'd like to see the date and time on that requisition.</p> <p>23 I'd be most interested.</p> <p>24 MR SEMENYA SC: We will indeed.</p> <p>25 CHAIRPERSON: Now while we're busy with</p>

Page 21906

1 this point, before we take the tea adjournment let me ask
 2 you a couple of questions that are relevant. You told us
 3 that you were concerned when you heard about this - you
 4 said you heard it last year – which is one of the reasons
 5 why you spoke, as I understood you, to Brigadier Suzette
 6 Pretorius. That's correct, isn't it? And she told you
 7 that she actually cancelled the order, sent the bullets
 8 back. Is that correct?
 9 GENERAL MBOMBO: Yes, Sir.
 10 CHAIRPERSON: Right, now did you ask her
 11 who had requested the ammunition, or did she tell you
 12 without you asking her?
 13 GENERAL MBOMBO: I asked her, Mr Chair.
 14 At the time she did not know who exactly requested them.
 15 CHAIRPERSON: And in regard to the
 16 request to the mortuary for hearses, I think originally
 17 they, eventually they only agreed to have one on standby,
 18 but the request was for four. Do you know who made that
 19 request?
 20 GENERAL MBOMBO: Mr Chair, when I
 21 enquired about it after hearing, I discovered that it was
 22 Brigadier Van Zyl who ordered them.
 23 CHAIRPERSON: Did you speak to Brigadier
 24 Van Zyl about it, ask him what made him make a request of
 25 that sort?

Page 21907

1 GENERAL MBOMBO: I asked him, Mr Chair,
 2 what was the purpose of that.
 3 CHAIRPERSON: And what was his reply?
 4 GENERAL MBOMBO: Mr Chair, he said he did
 5 not say they should be four in number and he also did not
 6 say they should come to Marikana. He just said there
 7 should be one available from, saying that from the
 8 experience they had on the 13th when people were injured and
 9 killed and there was a struggle in getting those services.
 10 CHAIRPERSON: Now in the case of previous
 11 operations, Public Order operations that you've been aware
 12 of, have you ever heard of a request of that kind for 4 000
 13 extra rounds of ammunition to be sent to the scene, or is
 14 this the first occasion which you encountered something of
 15 that kind?
 16 GENERAL MBOMBO: This was the first
 17 encounter, Mr Chair. I've never heard of it.
 18 CHAIRPERSON: And have you ever heard of
 19 hearses being requested before a Public Order operation
 20 takes place?
 21 GENERAL MBOMBO: I've never heard of it,
 22 Mr Chair.
 23 CHAIRPERSON: I see. I think we'll take
 24 the tea adjournment now.
 25 [COMMISSION ADJOURNS COMMISSION RESUMES]

Page 21908

1 [11:48] CHAIRPERSON: The Commission resumes.
 2 Provincial Commissioner, you're still under oath.
 3 MIRRIAM NOSAZISO ZUKISWA MBOMBO: s.u.o.
 4 CHAIRPERSON: Mr Bizos.
 5 CROSS-EXAMINATION BY MR BIZOS SC (CONTD.):
 6 Our learned friend will show the clip that we have agreed
 7 to.
 8 MS PILLAY: Chairperson, we don't have a
 9 transcript of JJJ92, which is the footage which Mr Bizos
 10 relies on, so we've agreed that they would play the piece
 11 that he wishes to cross-examine on.
 12 CHAIRPERSON: I must confess, I thought
 13 it had been transcribed, but I am obviously incorrect. But
 14 anyway, so the section that Mr Bizos relies on will now be
 15 played to us. Is that correct?
 16 [VIDEO SHOWN]
 17 MR SEMENYA SC: No, but in all fairness,
 18 it must be played to the end. We're only a second away,
 19 because there's a vital part of that –
 20 CHAIRPERSON: I uphold Mr Semanya's
 21 objection. Let's carry on to the end of the tape.
 22 [VIDEO SHOWN]
 23 CHAIRPERSON: May I say that if I was
 24 incorrect in thinking there is a transcript of that, a
 25 transcript should be prepared because I think it will be

Page 21909

1 important for us.
 2 MS PILLAY: Chair, we will attend to
 3 that.
 4 MR BIZOS SC: General, you seem to be
 5 concerned about the illegality and when asked by the
 6 questioner what are they doing wrong your answer was they
 7 haven't got permission to gather in this way. Were you
 8 there in such great force in order to prevent an illegal
 9 gathering from taking place or breaking up the strike?
 10 GENERAL MBOMBO: Chairperson, as I have
 11 already said earlier that yes, the gathering was illegal,
 12 but that was not the most important issue for us. I was
 13 responding to the question by the reporter. I was saying
 14 to him what worries us is that the people gathered there
 15 have weapons.
 16 MR BIZOS SC: But the alleged illegality
 17 of the gathering was one of the reasons why you wanted to
 18 break the gathering up?
 19 GENERAL MBOMBO: If those people who had
 20 gathered there, because it is illegal, had dangerous
 21 weapons that could be used in the community, it becomes a
 22 responsibility of the police, Mr Chairperson, to protect
 23 everybody, including themselves.
 24 MR BIZOS SC: The direct answer to the
 25 reporter was because it is illegal gathering, but as my

Page 21910

1 learned friend insisted you later finished up and talking
 2 about the illegal arms. But the main reason that you gave
 3 was because it was an illegal gathering, and I'm asking you
 4 is it the business of the police to go with automatic
 5 weapons and all the other paraphernalia in order to use
 6 force and kill people in order to break up an illegal
 7 gathering?

8 GENERAL MBOMBO: The business of the
 9 police, Mr Chairperson, as I've already stated, is to
 10 protect the citizens from any person who looks, who is
 11 dangerous or looks like being dangerous. The fact that
 12 they were carrying dangerous weapons which could cause
 13 death caused us as members of the police, Chairperson, to
 14 see that we have a responsibility to protect people.

15 MR BIZOS SC: If there were other ways of
 16 disarming them, the fact that they were gathering would not
 17 be a reason for bringing a massive force armed with lethal
 18 weapons in order to disperse them, if there was an
 19 alternative way of disarming them.

20 GENERAL MBOMBO: If they were not armed,
 21 Mr Chairperson, and if we did not know that they are using
 22 these weapons, that they have indeed used these weapons to
 23 kill people –

24 MR BIZOS SC: I don't think it's an
 25 answer to the question, but I'll leave it at that on that

Page 21911

1 issue. We want to discuss the orders that you actually
 2 gave, Commissioner. In your evidence you said that you
 3 gave the order to disperse, disarm, and arrest, and your
 4 generals had to operationalise it, and this despite the
 5 fact that, we will submit, the instruction is inconsistent
 6 with sound crowd management policy and Standing Order 262.
 7 Now you were very familiar with this and were you familiar
 8 with a background on section 1, "The purpose of the order
 9 is to regulate" - and not control, regulate – "crowd
 10 management during gatherings and demonstrations in
 11 accordance with democratic principles of the Constitution
 12 in acceptable international standards." Do you agree with
 13 that?

14 GENERAL MBOMBO: I agree with it,
 15 Chairperson.

16 MR BIZOS SC: A number of your colleagues
 17 have indicated in answer to questions by us and our learned
 18 friends, is that these democratic principles do not take
 19 into consideration that the experts will have given reports
 20 as to what ought and ought not to be done from foreign
 21 shores, and that we are Africans and we must find African
 22 solutions. Do you agree with that?

23 MR SEMENYA SC: Chair, I'm not aware of
 24 those contentions.

25 CHAIRPERSON: I don't remember that being

Page 21912

1 put by any of the witnesses either. If you can quote
 2 chapter and verse it will be a different matter, but my
 3 recollection is the same as Mr Semenya's.

4 MR BIZOS SC: Annandale said so, Mr
 5 Chairman. I haven't got the specific reference, but it is,
 6 I submit and we will lead evidence to it, that this is a
 7 prevalent view in the South African Police. I'll amend the
 8 question. Is this the view of a substantial number of
 9 police officers in South Africa that these orders,
 10 provisions in the Constitution, can be ignored because we
 11 are in Africa? Is this a point of view shared –

12 MR SEMENYA SC: Chair, objection. There
 13 is no view held by substantial people that the
 14 constitutional principles don't apply.

15 MR BIZOS SC: Please, I'm going to ask
 16 not to drop his voice. I can't hear him.

17 MR SEMENYA SC: Chair, the objection is
 18 that there is no evidence that there is substantial number
 19 of members of the South African Police Force who hold the
 20 view that the principles of the Constitution do not apply.

21 MR BIZOS SC: There will be evidence by
 22 experts, Mr Chairman, that the political rhetoric, which we
 23 have referred to before, by high-ranking police officers
 24 and some politicians have imbued this view to be held among
 25 others in the police who found it necessary to remilitarise

Page 21913

1 the police after Mr Mandela's presidency came to an end,
 2 and I'm entitled in my submission to have the view of the
 3 Commissioner and to test her credibility as to whether she
 4 agrees or disagrees with that.

5 CHAIRPERSON: Why don't you put the
 6 question on a conditional basis; if there is such a view,
 7 do you agree with it, or something of that sort? That
 8 would eliminate the objection. Mr Semenya, as far as I can
 9 recall, based on the evidence we've heard, is right in
 10 saying there's been no evidence that that is a view held in
 11 the service, but – not the force, service, Mr Semenya – but
 12 if you put the question on a conditional basis as I've
 13 suggested you'll get the answer you want, I think, and we
 14 can then carry on.

15 MR BIZOS SC: Yes. You have heard what I
 16 have suggested, that if there is any such position in the
 17 South African Police, or a substantial number of the
 18 police, including senior commissioners, Minister of the
 19 Police, that actually have expressed themselves that we
 20 have to be – I'll use the Afrikaans word – "kragdadig" in
 21 order to bring about peace and tranquillity in South
 22 Africa, if there is such a view among the police, or among
 23 previous commissioners, or a Minister of Police, do you
 24 agree or disagree with it?

25 GENERAL MBOMBO: I disagree with that,

<p style="text-align: right;">Page 21914</p> <p>1 Chairperson.</p> <p>2 MR BIZOS SC: Yes, and you are aware that</p> <p>3 during the period 1944 to – I beg your pardon, '94 –</p> <p>4 CHAIRPERSON: You're 50 years out. It's</p> <p>5 '94.</p> <p>6 MR BIZOS SC: Yes. '94, to almost '99,</p> <p>7 1910, there were – 1990, there was an about-turn in</p> <p>8 relation to the demilitarisation of the police. Are you</p> <p>9 aware of that?</p> <p>10 GENERAL MBOMBO: Yes, Sir.</p> <p>11 MR BIZOS SC: Do you subscribe to the</p> <p>12 view that those that claimed for the demilitarisation of</p> <p>13 the police were wrong, and those that are now in the police</p> <p>14 force and some of the politicians controlling the police</p> <p>15 force are of the view that demilitarisation of the police</p> <p>16 is justified?</p> <p>17 GENERAL MBOMBO: I'm not sure if I</p> <p>18 understand the question clearly.</p> <p>19 MR BIZOS SC: There is a debate going on,</p> <p>20 which as a senior police officer you should be aware of,</p> <p>21 that there is a considerable section of the population,</p> <p>22 including the police, including some politicians, that if</p> <p>23 we are not "kragdadig" we will not reduce crime, we will</p> <p>24 not be able to defend democracy, and so on, and so forth.</p> <p>25 Which camp are you in? Do you yearn for the years '94 to</p>	<p style="text-align: right;">Page 21916</p> <p>1 screen, yes. Thank you.</p> <p>2 MR BIZOS SC: The degree of force must be</p> <p>3 proportional to the seriousness of the situation and the</p> <p>4 threat posed in terms of situational appropriateness. Do</p> <p>5 you understand that term? Sectional -</p> <p>6 GENERAL MBOMBO: I understand this, Sir.</p> <p>7 MR BIZOS SC: Now you know the meaning of</p> <p>8 the word proportional?</p> <p>9 GENERAL MBOMBO: I do.</p> <p>10 MR BIZOS SC: The net result of the plan</p> <p>11 that you approved of and your co officers executed led to</p> <p>12 34 deaths, 76 seriously injured and not a single scratch on</p> <p>13 any policemen that say that they shot these people in self</p> <p>14 defence. Do you accept that as a fact?</p> <p>15 GENERAL MBOMBO: I would not be able to</p> <p>16 say I agree to that as a fact, Sir.</p> <p>17 MR BIZOS SC: I beg your pardon?</p> <p>18 GENERAL MBOMBO: I would not say –</p> <p>19 MR BIZOS SC: You would not agree what?</p> <p>20 With what? Do you accept the facts that 34 people were</p> <p>21 killed –</p> <p>22 MR SEMENYA: The witness should not be</p> <p>23 battered, Mr Chair.</p> <p>24 CHAIRPERSON: Mr Bizos, don't you think</p> <p>25 you should give the witness a chance to finish her answer?</p>
<p style="text-align: right;">Page 21915</p> <p>1 '99 when you were not demilitarised, and do you prefer now,</p> <p>2 the militarised view? Which of the two?</p> <p>3 GENERAL MBOMBO: Chairperson, as far as I</p> <p>4 know the police was demilitarised '94, or in 1994, and as</p> <p>5 far as I know we have to work in accordance with the</p> <p>6 Constitution, how the Constitution wants us to do. I am</p> <p>7 still there, Mr Chairperson, I'm holding it there.</p> <p>8 MR BIZOS SC: Now there are certain</p> <p>9 orders that I want to deal with and ask you whether they</p> <p>10 were complied with or not. In order 11 of the execution of</p> <p>11 the conduct of the police, "The degree of force must be</p> <p>12 proportional to the seriousness of the situation and the</p> <p>13 threat posed in terms of situational appropriateness." You</p> <p>14 know the meaning of proportional, don't you?</p> <p>15 GENERAL MBOMBO: Just clarify the</p> <p>16 question, Sir.</p> <p>17 [12:07] CHAIRPERSON: What are you reading from,</p> <p>18 Mr Bizos?</p> <p>19 MR BIZOS SC: 11 –</p> <p>20 CHAIRPERSON: Because what you're reading</p> <p>21 from is from the screen.</p> <p>22 MR BIZOS SC: 11.3B.</p> <p>23 CHAIRPERSON: I'm sorry?</p> <p>24 MR BIZOS SC: 11.3B.</p> <p>25 CHAIRPERSON: I see, that's now on the</p>	<p style="text-align: right;">Page 21917</p> <p>1 She's turned her light on, so let her speak and then when</p> <p>2 she's finished you can proceed.</p> <p>3 MR BIZOS SC: Yes. What did you want to</p> <p>4 say, Ma'am?</p> <p>5 GENERAL MBOMBO: I was saying,</p> <p>6 Chairperson, that I cannot agree to that as a fact or not a</p> <p>7 fact. The people who were there I believe have explained</p> <p>8 thoroughly what happened.</p> <p>9 MR BIZOS SC: You are the commissioner,</p> <p>10 the question is do you accept the fact that there were 34</p> <p>11 people killed by the police?</p> <p>12 GENERAL MBOMBO: According to explanation</p> <p>13 given to me, yes it is so.</p> <p>14 MR BIZOS SC: Do you accept that 76 were</p> <p>15 seriously wounded as a fact?</p> <p>16 GENERAL MBOMBO: That is the explanation</p> <p>17 I received, Chairperson.</p> <p>18 MR BIZOS SC: Do you accept that never</p> <p>19 mind percentages, but a significant proportion of those</p> <p>20 were killed and those who were injured were shot either in</p> <p>21 the back or the side?</p> <p>22 GENERAL MBOMBO: I am not very certain of</p> <p>23 those details, Mr Chair.</p> <p>24 MR BIZOS SC: You will not – you are not</p> <p>25 what?</p>

Page 21918

1 GENERAL MBOMBO: Not certain of those
2 details.

3 MR BIZOS SC: Not what – I'm sorry, she's
4 –

5 CHAIRPERSON: She's not certain of those
6 details.

7 MR BIZOS SC: You're not certain.

8 CHAIRPERSON: Of those details.

9 MR BIZOS SC: Will you accept that as a
10 fair summary of the ballistics and medical evidence that is
11 before the commission? Will you accept that?

12 GENERAL MBOMBO: I would accept it.

13 MR BIZOS SC: You accept it. If those
14 facts are true and if it is true that no police officer, on
15 the 16th, got any scratch, do you say that if the amount of
16 force used was proportional?

17 MR SEMENYA: That's the question for the
18 commission to answer, Chair.

19 MR BIZOS SC: No, it's not, with respect,
20 Mr Chairman.

21 GENERAL MBOMBO: She says no.

22 CHAIRPERSON: You know, there are two
23 points really, Mr Bizos. The first one is that we
24 repeatedly said that questions of law or even disputed
25 factual questions which depend upon the – an opinion which

Page 21919

1 can as easily be arrived at by the members of the
2 commission as the witness, then we won't allow the witness
3 to give us the benefit of his or her opinion but we will
4 draw inferences – the necessary inference ourselves from
5 the facts. That's the first point. The second point is
6 I'm not sure that it's a principle of the law in self
7 defence, I'm sure it isn't, that you can't have a
8 successful invocation of the defence's self defence unless
9 you, yourself, can show some kind of injury. I've never
10 heard that doctrine before. I'm not aware of any case
11 that's laid it down or any text book writing that states
12 it. Your question is based upon that proposition that
13 unless the police had some scratches themselves, they
14 couldn't be said to be acting in self defence. Now that
15 sounds to me to be a point that can't really be persevered
16 in.

17 MR BIZOS SC: It shows –

18 CHAIRPERSON: You have to reformulate the
19 question. Avoid the point the problem of asking the
20 witness to express an opinion on a matter we have to
21 decide, in respect of which she has no special expertise.
22 Avoid that and don't base a question on an assumption that
23 you can't bring a defence of self defence unless you're
24 injured as well.

25 MR BIZOS SC: No. It's not – it's not

Page 21920

1 universally true, Mr Chairman, with this difference
2 relating to my learned friend's objection. That a National
3 Commissioner that the witness, the generals, the colonels
4 all passed judgement on the self defence evidence and made
5 that public then I am entitled to –

6 CHAIRPERSON: Mr Bizos, they did that but
7 it doesn't bind us and if we disagree with them based upon
8 – I say if we disagree with them based on the evidence
9 we've heard and the arguments that are put before us, we
10 will not hesitate to say so. And the fact that they said
11 it will, as far as I'm concerned, cut no ice.

12 MR BIZOS SC: Mr Chairman, with respect,
13 to put up a self defence story on paper after 9 days where
14 the witness and others have produced a document like
15 Exhibit L, I am entitled, Mr Chairman, to ask them now that
16 they – these facts have emerged do they still support the
17 version put on Exhibit L and we are entitled to –

18 CHAIRPERSON: I haven't a problem with
19 that question. I didn't understand you to ask it
20 previously. If you're asking it now I haven't got a
21 problem with it. Clearly if the police put up a version
22 and you say, do you in the light of extra information
23 that's come to hand –

24 MR BIZOS SC: This is what –

25 CHAIRPERSON: - since then do you persist

Page 21921

1 in that explanation. That question is permissible.

2 MR BIZOS SC: Yes. This is what I am
3 leading to, Mr Chairman. Having regard to the facts that I
4 have summarised for you and you said well if they are true,
5 do you believe that it was correct for the police to put
6 out the version that they did that proportional force was
7 used in self defence or have you changed your mind as a
8 result of the information that has come to the fore to
9 contradict what you made yourself a party to with Exhibit
10 L?

11 GENERAL MBOMBO: I have not changed, Mr
12 Chair, because I am standing by the explanation I got from
13 the police.

14 MR BIZOS SC: This statement was made
15 within an hour or two after the tragedy, are you aware of
16 that?

17 CHAIRPERSON: Mr Bizos, I'm missing
18 something. What statement are you referring to?

19 MR BIZOS SC: The statement that the
20 killings were in self defence.

21 CHAIRPERSON: Yes, well I think you
22 should give the witness reference to who made the statement
23 and details of the statement so she can deal with it.

24 MR BIZOS SC: Well let us start with you.
25 In your evidence on Thursday you said that on the 16th of

<p style="text-align: right;">Page 21922</p> <p>1 August you were in the JOC but as a consequence of a 2 combination of going to the ladies room waiting outside, 3 you did not hear the casualties at either scene one or 4 scene 2 until after it occurred. You agreed that that is 5 correct? 6 GENERAL MBOMBO: That is so. 7 MR BIZOS SC: That you agreed with 8 Advocate Budlender that the failure of the JOC or General 9 Annandale to inform you of these events was disgraceful. 10 Do you recall that? 11 GENERAL MBOMBO: I recall that, Mr Chair. 12 MR BIZOS SC: And although you sent an 13 SMS to the National Commissioner at 16:02 you cannot recall 14 what it said although this was seconds after the shootings 15 and more or less simultaneous with Brigadier – 16 CHAIRPERSON: No. Not seconds after the 17 shootings. The shootings were some minutes before. 18 MR BIZOS SC: Sorry. 19 CHAIRPERSON: It was I think seconds 20 after certain information had been received in the JOC and 21 after Brigadier Pretorius, I think it is, had contacted – 22 MR BIZOS SC: After – yes. 23 CHAIRPERSON: - sent an sms to – 24 MR BIZOS SC: It's more or less 25 simultaneous with Brigadier Pretorius reporting IPID</p>	<p style="text-align: right;">Page 21924</p> <p>1 and for the reference is Marikana is transcript day 64 2 pages 6833 line 7 to 25 and that perhaps can go up. 3 CHAIRPERSON: I think repeat the page 4 number again so we can see it on the transcript. 5 MR BIZOS SC: Page 6833, line 7 to 25, Mr 6 Chair. 7 CHAIRPERSON: We now have 6833, what line 8 again? 9 MR BIZOS SC: 7, line 7 to 25. 10 CHAIRPERSON: Yes, alright. Well let's 11 just look at that. General Phiyega says, "later that day 12 of the 16th Lieutenant General Mbombo informed me about the 13 tragedy that had just occurred and Mr Semanya says more or 14 less what time did it happen? General Phiyega says, that 15 time is around late afternoon, maybe 3, 4 that time. It 16 could've been even – it could have even been much later, 17 around 3, 4 that 3, 4, 5 that time. Mr Semanya, what did 18 she say about the tragedy? And General Phiyega said, she 19 said that the protestors had charged the police line with 20 an assortment of dangerous weapons. She also relayed that 21 the police had also been fired at and the police had shot 22 and killed a number of protestors which later turned out to 23 be 34 and that they had done so in private defence. I was 24 also informed, she continues, that there were other people 25 who were injured. She also stated that 250 protestors had</p>
<p style="text-align: right;">Page 21923</p> <p>1 Exhibits – in Exhibits LLR and KK4. Do you – 2 CHAIRPERSON: I take it that you accept 3 that, that's what your – 4 MR BIZOS SC: Yes. 5 CHAIRPERSON: - your evidence says. 6 MR BIZOS SC: And in your evidence you 7 spent a bit of time trying to collect information of what 8 had occurred and at about 17 minutes past 4, that is 15 9 minutes after the shootings, you did call National 10 Commissioner – 11 CHAIRPERSON: No, more than 15 – sorry, 12 Mr Bizos, more than 15 minutes after the shootings. 15 13 minutes after the SM that she sent to the National 14 Commissioner and after the SMS that Brigadier Pretorius 15 sent to IPID. Anyway, I'm sorry to interrupt you but 16 you've got to correct these. 17 MR BIZOS SC: - and spoke for about 7 18 minutes. Can you recall what evidence you collected to 19 give to the National Commissioner? 20 GENERAL MBOMBO: As I said earlier, Sir, 21 I wanted to make sure exactly what had happened before 22 making the report. 23 MR BIZOS SC: You see, the reason I'm 24 asking you these questions is according to the evidence of 25 the National Commissioner Phiyega, she heard from you at -</p>	<p style="text-align: right;">Page 21925</p> <p>1 also been arrested." Is that the passage to which you 2 refer, Mr Bizos? 3 MR BIZOS SC: Yes, Mr Commissioner. And 4 do you agree that it was within a very short period after 5 the tragedy you reported to the National Commissioner that 6 the killings and the wounds were in self defence? 7 CHAIRPERSON: It's actually private 8 defence is the words used by the National Commissioner and 9 I take it in the context that by the expression private 10 defence she meant both self defence and private defence. 11 MR BIZOS SC: Yes. 12 GENERAL MBOMBO: I was reporting, Mr 13 Chairperson, as it had been related and reported to me. 14 MR BIZOS SC: So you reported the 15 conclusion or conclusions of the reason why the tragedy 16 occurred to the National Commissioner? 17 GENERAL MBOMBO: As reported to me, Mr 18 Chairperson, yes. 19 MR BIZOS SC: Who reported to you? 20 GENERAL MBOMBO: As I said earlier here, 21 Sir, that General Annandale talking to General Naidoo were 22 trying to find those details. 23 MR BIZOS SC: The orders provide that 24 there has to be a recording, audio recording of what was on 25 radio between the members of the police and specifically</p>

<p style="text-align: right;">Page 21926</p> <p>1 that any operation has to be videoed. Do you recall that 2 there – that is a provision in the standing orders? 3 GENERAL MBOMBO: Yes, that's true, that 4 is how it is supposed to be. 5 MR BIZOS SC: Why do you think that is 6 expected of the police and why – what was the purpose of 7 the standing orders? 8 GENERAL MBOMBO: To be of assistance in 9 matters such as this commission and other matters. 10 MR BIZOS SC: But also that the 11 commission and that the widows and children and parents 12 should have a record of why the police behaved in the 13 manner in which they did. A record is necessary for that 14 purpose, would you agree? 15 GENERAL MBOMBO: That's one of the 16 purposes, yes. 17 MR BIZOS SC: An important part – the 18 legislature and the drafters will – must have been serious 19 when they said that events have to be recorded on radio, on 20 video as they are reported standing orders which are 21 provided for which you knew about. 22 GENERAL MBOMBO: It is so, Chairperson. 23 MR BIZOS SC: Do we have any radio 24 records of the conversations between you, the other members 25 of JOC and the commanders on the field? Is there any radio</p>	<p style="text-align: right;">Page 21928</p> <p>1 GENERAL MBOMBO: I am not very certain of 2 that. 3 MR BIZOS SC: You know you're senior, 4 well educated, clever people, do you believe coincidences 5 of non-recording were just coincidence, it happened? 6 Nobody's able to explain why and you expect the Commission 7 to say that there was – well the evidence is not there. 8 And not draw the inference which we are going to suggest 9 that there was deliberate interference with both the radio 10 and the video taping. 11 GENERAL MBOMBO: According to me, 12 Chairperson, if we had all the gadgets that senior counsel 13 now refers to this would have been of very great assistance 14 to us in trying to explain ourselves to this honourable 15 Commission. I take it these were not things that were done 16 deliberately because we are supposed to do this in terms of 17 law and in terms of our standing orders. 18 MR BIZOS SC: At the Potchefstroom 19 meeting was it discussed that you had to do a debriefing in 20 terms of the orders? 21 GENERAL MBOMBO: Chairperson, I think I 22 have already mentioned that the this question about 23 debriefing this was handled not in Potchefstroom, before 24 then. 25 MR BIZOS SC: There was no record of any</p>
<p style="text-align: right;">Page 21927</p> <p>1 recording? 2 GENERAL MBOMBO: I think, Mr Chairperson, 3 that the witnesses from the police that have previously 4 given evidence here and including myself, and I gave 5 evidence - evidence in Chief. I explained the challenges 6 and the difficulties we had pertaining to the radios. 7 MR BIZOS SC: Is it yet another 8 coincidence that the radios were not working properly? Is 9 that a coincidence? 10 GENERAL MBOMBO: I wouldn't be certain of 11 that, Sir. 12 MR BIZOS SC: I beg your pardon? 13 GENERAL MBOMBO: I'm not certain of that, 14 Sir. 15 MR BIZOS SC: Not a coincidence? You're 16 not certain whether it was a coincidence. Was it also a 17 coincidence that 4 minutes of what was recorded is missing? 18 The vital 4 minutes when the shooting took place, or the 4 19 minutes or thereabouts is missing, is that also a 20 coincidence? 21 GENERAL MBOMBO: I have no knowledge of 22 that, Mr Chairperson. 23 [12:27] MR BIZOS SC: And also is it a 24 coincidence that the radio was silent for about ten 25 minutes, four minutes?</p>	<p style="text-align: right;">Page 21929</p> <p>1 meeting indicating that you were at all concerned as to how 2 this strange coincidence which could have corroborated the 3 version of the police was no longer there. 4 GENERAL MBOMBO: If you could just repeat 5 that, Sir. 6 MR BIZOS SC: You know when you got 7 together you were obliged by the order to do a debriefing, 8 you know that. 9 GENERAL MBOMBO: I know that, 10 Chairperson, yes. 11 MR BIZOS SC: Did you ask please give us 12 the written records, the minutes, the tapes, the radio 13 conversations so that we can have a proper debriefing and 14 did anybody raise that question in that form? 15 GENERAL MBOMBO: Because, Chairperson, we 16 were not in the debriefing. 17 MR BIZOS SC: It's not only in order to 18 comply with the rules, your meeting was in order to try and 19 help the Commission to find the truth like it says. 20 GENERAL MBOMBO: It is so. As you say, 21 Sir. 22 MR BIZOS SC: Did anybody say what 23 happened, why did the radio not work during this vital 24 period? Why did the video machine not work? Why were no 25 minutes in relation to it anywhere, did anybody raise that</p>

Page 21930

1 question?

2 GENERAL MBOMBO: I think, Chairperson,

3 those were things that were looked at.

4 MR BIZOS SC: They were raised?

5 GENERAL MBOMBO: I said that. I think

6 that amongst quite a number of things that were looked at.

7 MR BIZOS SC: No, no, no these three

8 specific things. None of them appear in L, in exhibit L.

9 You put exhibit L together, there is no evidence in L as to

10 why there were these unfortunate coincidences.

11 GENERAL MBOMBO: I would not be very

12 sure, Mr Chairperson, as to why they were not there.

13 MR BIZOS SC: It leads us to the

14 conclusion that we have to submit to the Commission that

15 they are not accidentally absent, but they were

16 deliberately not put into operation or were destroyed or

17 manipulated later in order to hide the truth from the

18 Commission rather than helping it.

19 MR SEMENYA SC: Chair, there is no basis

20 for that proposition being put to the witness. If Mr Bizos

21 has we would gladly welcome to have a look at it too.

22 CHAIRPERSON: Mr Bizos, what do you say

23 about Mr Semanya's objection?

24 MR BIZOS SC: Mr Chairman, if we argue

25 this our learned friend will say it wasn't put to the

Page 21931

1 witnesses. It is legitimate, Mr Chairman, to put what

2 appear high degree of probabilities to the witnesses and

3 ask them what their comment in relation thereto is.

4 MR SEMENYA SC: Chair, for instance that

5 we destroyed evidence, it can't be argued without any

6 foundation to it.

7 MR BIZOS SC: It's one of the

8 alternatives for the high degree of improbability, Mr

9 Chairman, that it was an accident or it just happened.

10 CHAIRPERSON: Mr Bizos, this issue has

11 been debated in the past in this Commission and the rulings

12 that I've given have been as follows and if there's direct

13 evidence it must be put. If the argument is going to be

14 raised later, based on circumstantial evidence then the

15 circumstances which will be relied on, which it will be

16 contended give rise to the inference must be put to the

17 witness also. So I'm not sure that you've put in terms the

18 circumstances upon which you will rely in support of the

19 inference which you would argue. And I think those should

20 be put to the witness so she can deal with this point that

21 you're putting to her.

22 MR BIZOS SC: Well, Mr Chairman, with

23 respect, am I entitled to an answer to the question from

24 the witness or not?

25 CHAIRPERSON: You're entitled to an

Page 21932

1 answer from the witness but the witness need only answer a

2 question based upon contention that a certain submission

3 will be made. If the submission is not based on direct

4 evidence the witness is entitled to be told what

5 circumstances will be relied on to support the inference so

6 that she can deal with it. She can't just deal with an

7 inference in the air as it were, she's got to have a basis,

8 direct or circumstantial to deal with it in answering the

9 question.

10 MR BIZOS SC: Well let me put it in

11 another way to the witness which I think will satisfy my

12 learned friend. Do you agree that if you and the other

13 members of the police force saw to it that there were

14 minutes that the radios did record and there were not

15 missing portions of the tape, the work of the Commission

16 would have been very much more easy to be made in the

17 interests of justice? Would you agree with that?

18 GENERAL MBOMBO: I agree with you there,

19 Sir.

20 MR BIZOS SC: I beg you pardon.

21 GENERAL MBOMBO: I do agree with you

22 there.

23 MR BIZOS SC: You do agree. Now you

24 heard the songs of praise immediately or almost immediately

25 or very shortly after the event by the National

Page 21933

1 Commissioner and by the Operational Commander that things

2 happened and the police did not have to answer to any –

3 CHAIRPERSON: Sorry to interrupt you, Mr

4 Bizos, you're actually running two things together. I'm

5 not sure if that's appropriate. Mr Bizos is referring

6 firstly to two speeches I think that were made. One media

7 conference addressed by the National Commissioner and

8 thereafter a speech that she made some days later. And

9 he's also referring to a speech made on the 18th of August

10 about Brigadier Calitz and to various members of the

11 service who were present. Now were you present when the

12 National Commissioner gave the media conference that he's

13 referring to? That was on the 17th at Marikana, were you

14 present there, did you hear what she said?

15 GENERAL MBOMBO: I was present, Chair.

16 CHAIRPERSON: Were you present, I think

17 it was the 20th, I may be wrong on that, when she addressed

18 a number of members of the service and spoke about what had

19 happened and gave her views about standards of

20 professionalism being complied with and so on? Were you

21 present there, did you hear what she said?

22 GENERAL MBOMBO: I was there,

23 Chairperson, yes.

24 CHAIRPERSON: Were you present on the 18th

25 at Marikana when Brigadier Calitz addressed a number of

Page 21934

1 members of the service and gave his views also about the
 2 line having been held and that things were done in the way
 3 they should have been? I'm summarising rather loosely, but
 4 I think you know what I'm referring to. Were you present
 5 when he gave that address?
 6 GENERAL MBOMBO: I was not present,
 7 Chairperson.
 8 MR BIZOS SC: In exhibit FFF5, media
 9 statement from the South African Police Service Corporate
 10 Communication, National Media Centre. There the
 11 Commissioner says what the police version is, one of the
 12 police versions that were put "and the militant group
 13 stormed towards –
 14 CHAIRPERSON: I think you must say where
 15 it is so that the relevant section can be put on the screen
 16 for us all to watch.
 17 MR BIZOS SC: The second page, the last
 18 two paragraphs when the police started deploying -
 19 CHAIRPERSON: Yes, that's now at the top
 20 of the screen.
 21 MR BIZOS SC: "When the police started
 22 deploying the barbed wire the group of protestors armed
 23 with general weapons and firearms hastily flanked the
 24 vehicles deploying the wire. They were met by members of
 25 the police who tried to repost the advance with water

Page 21935

1 canon, teargas, as well as stun grenades. The attempt was
 2 unsuccessful and the police members had to employ force to
 3 protect themselves from the charging group. The dispersion
 4 action had commenced at this time and the armed protestors
 5 were driven from their stronghold to a high bushy ground in
 6 the close vicinity. The police members encircled the area
 7 and attempted to force the protestors out by means of water
 8 canons, rubber bullets and stun grenades. The militant
 9 group stormed towards the police, firing shots and yielding
 10 general weapons. Police retreated systematically and were
 11 forced to utilise maximum force to defend themselves. The
 12 death toll of the protestors currently stands at 34 with
 13 more than 78 require – the total number arrested was 259."
 14 CHAIRPERSON: You said you were present
 15 when the National Commissioner read that statement out at
 16 a media conference on the 17th at Marikana, that's correct
 17 is it?
 18 GENERAL MBOMBO: It is so, Chairperson.
 19 CHAIRPERSON: Now what do you want to ask
 20 the witness about it, Mr Bizos?
 21 MR BIZOS SC: Yes, now part of that
 22 information came from you to the Commissioner.
 23 GENERAL MBOMBO: We received this
 24 information, Mr Chairperson, from the people who were in
 25 front there at the koppie.

Page 21936

1 MR BIZOS SC: The Commissioner heard part
 2 of this from you.
 3 GENERAL MBOMBO: Yes, as the person who
 4 had to give the report to the National Commissioner of
 5 police, you are right.
 6 MR BIZOS SC: You reported that and the
 7 National Commissioner took it for granted that what you and
 8 other policemen may have told them was the absolute truth.
 9 GENERAL MBOMBO: It is so.
 10 MR BIZOS SC: And when you gathered there
 11 did you question the veracity of the statements that you
 12 had heard from certain police officers? Did you ask why
 13 there were no records, did you wait for the medical or
 14 ballistics –
 15 CHAIRPERSON: Mr Bizos, that's about
 16 three or four questions together. I think to be fair to
 17 the witness you should put them singly so she can deal with
 18 each one as you ask it.
 19 MR BIZOS SC: Yes. Did you raise the
 20 question as to the veracity of any of the statements of
 21 fact that you made about what happened?
 22 GENERAL MBOMBO: Chairperson, the police
 23 were explaining. We did ask questions to get some clarity
 24 on some of the reports they were making.
 25 MR BIZOS SC: Did you hear the main –

Page 21937

1 Calitz say that the police did 110%?
 2 CHAIRPERSON: No, no she said she wasn't
 3 present on that occasion. I asked her, that was his
 4 address on the 18th of August, she said she wasn't present
 5 at that. It might be appropriate to ask her whether she
 6 saw the video thereafter and when she did so and so on, but
 7 she says she wasn't there on the 18th.
 8 MR BIZOS SC: Has anything happened since
 9 Potchefstroom to put any doubt in your mind as to the
 10 correctness of the version that was put out?
 11 GENERAL MBOMBO: I'm not sure if I
 12 understand the question clearly, Mr Chairperson.
 13 MR BIZOS SC: Have you been following the
 14 proceedings?
 15 GENERAL MBOMBO: That's correct, yes.
 16 MR BIZOS SC: Have you heard the evidence
 17 that was given by your colleagues?
 18 GENERAL MBOMBO: That's correct, Sir,
 19 yes, Sir.
 20 MR BIZOS SC: Was anything said by any of
 21 them that cast doubt in your mind as to the truthfulness or
 22 otherwise of the version that was put out?
 23 GENERAL MBOMBO: Mr Chairperson, it's not
 24 for me, Mr Chairperson, to either criticise or praise. The
 25 Commission will be of assistance to all of us, to help all

Page 21938

1 of us. That is my hope.

2 [12:47] MR BIZOS SC: Now I think we are entitled

3 to know that any conviction that you may have, a decision

4 that you have made about what happened when you were at

5 Potchefstroom and thereafter has been shaken in any way by

6 what evidence has been led before the Commission up to now?

7 GENERAL MBOMBO: As I say, Sir, truly as

8 I was following the sessions of this Commission it's not

9 for me, Sir, to make a finding either for or against.

10 MR BIZOS SC: Now when asked what

11 mistakes may have been made by my learned friend, Mr

12 Semenya, you –

13 CHAIRPERSON: You mean when asked by Mr

14 Semenya what mistakes were made –

15 MR BIZOS SC: Yes, sure. When you were

16 asked by Mr Semenya as to what mistakes may have been made

17 you said that the radio was one of the difficulties. You

18 recall that?

19 GENERAL MBOMBO: I recall that, yes.

20 MR BIZOS SC: Now what do you think, why

21 did you think that the trouble that may have occurred in

22 relation to the operation of the radio was a mistake by

23 anyone?

24 GENERAL MBOMBO: If you could just

25 clarify the question again, Sir, please.

Page 21939

1 MR BIZOS SC: Why did you mention the

2 radio as one of the, or the malfunction of the radio as one

3 of the mistakes?

4 GENERAL MBOMBO: In the manner in which I

5 was told it was because of the malfunction of the radios

6 the police could not communicate with each other there as

7 during this operation.

8 MR BIZOS SC: I see, and if you were in

9 the JOC, which you were outside, what advice or procedure

10 would you have advanced towards the police with the

11 numerous guns in their hands shortly before the shooting?

12 GENERAL MBOMBO: As I say, because of the

13 breakdown in the communication systems that we had this

14 created problems. I am sure that at the JOC, as you are

15 mentioning, Chairperson, if the people could hear what was

16 happening over there they could have given some advice if

17 necessary.

18 MR BIZOS SC: Now we have a statement

19 from Colonel Sepale. We don't have the exhibit number, Mr

20 Chairman.

21 CHAIRPERSON: Is it a statement that's

22 been provided by the police service?

23 MR BIZOS SC: Yes.

24 CHAIRPERSON: Well, according to my notes

25 the latest exhibit that we have is LLL6. If this is not,

Page 21940

1 or unless Ms Pillay can tell us, is this already an

2 exhibit?

3 MS PILLAY: Chair, I haven't been able to

4 find it as an existing exhibit, so I think it will be LLL7.

5 CHAIRPERSON: Yes. LLL7, who is the

6 deponent?

7 MR BIZOS SC: Colonel Sepale.

8 CHAIRPERSON: Will you spell his surname,

9 please?

10 MR BIZOS SC: S-E-P-A-L-E, and we have a

11 reference, LLL7.

12 CHAIRPERSON: That's an exhibit number

13 we've just given it. Yes, so exhibit LLL7 will be the

14 affidavit by Colonel Sepale.

15 MR SEMENYA SC: Chair, I don't know if

16 the document was ever given to the witness for her

17 consideration.

18 CHAIRPERSON: Is it a long document, Mr

19 Semenya? I haven't seen it either. Is it a long document?

20 MR BIZOS SC: It's referred to, Mr

21 Chairman, in Mr Hendrickx's supplementary –

22 CHAIRPERSON: Alright. Well, I don't

23 know, I don't mean if it was referred to, is it a long

24 document? If the witness requires some time to study it,

25 then –

Page 21941

1 MR BIZOS SC: No, we want to quote, Mr

2 Chairman -

3 CHAIRPERSON: Yes, now I –

4 MR BIZOS SC: There's one paragraph –

5 CHAIRPERSON: I understand. Alright,

6 well let's –

7 MR BIZOS SC: It's only over a page, but

8 there is one paragraph that I want to put to the witness.

9 CHAIRPERSON: Yes, I understand. Has the

10 machine operator got a copy of it, so can we see it on the

11 screen? Otherwise what we can do is we can take the lunch

12 adjournment five minutes earlier than I intended and during

13 that time the witness and we, the Commissioners, can look

14 at the document so we'll be better able to deal with it

15 when we resume. So I suggest we do that and let's try to

16 reassemble at about 20 to 2 so we make up the five minutes,

17 and if we could please be given copies of the document and

18 the witness as well, then we'll all be equipped to deal

19 with it once we resume. We now take the lunch adjournment.

20 MR BIZOS SC: Thank you, Mr Chairman.

21 [COMMISSION ADJOURNS COMMISSION RESUMES]

22 [13:48] CHAIRPERSON: The Commission resumes.

23 Provincial Commissioner, you're still under oath.

24 MIRRIAM NOSAZISO ZUKISWA MBOMBO: s.u.o.

25 CHAIRPERSON: Mr Bizos. Yes, during the

<p style="text-align: right;">Page 21942</p> <p>1 adjournment we were given copies of the statement of 2 Colonel Sepale, which has already been admitted as exhibit 3 LLL7. I should have asked, Provincial Commissioner, have 4 you seen the statement of Colonel Sepale? 5 GENERAL MBOMBO: I did not see it, Mr 6 Chair. I don't have it. 7 CHAIRPERSON: I understand that the 8 passage that they want to put to you in fact consists of 9 two paragraphs at the end and my impression of reading 10 through the statement is that those paragraphs can more or 11 less be dealt with by themselves. So am I correct in 12 thinking – I was told during the adjournment it's 13 paragraphs 6 and 7. Is that right, Mr Bizos? 14 MR BIZOS SC: It's paragraph 2 – yes, 15 let's start with paragraph 5, Mr Chairman. 16 CHAIRPERSON: Do you want to deal with it 17 now or do you want give Mr – 18 MR BIZOS SC: Let me read it to her. 19 CHAIRPERSON: Alright. 20 MR BIZOS SC: Yes. 21 CHAIRPERSON: Well, you've got a copy of 22 the statement, have you, Provincial Commissioner? 23 GENERAL MBOMBO: I received it, Mr Chair, 24 here it is. 25 CHAIRPERSON: Now Mr Bizos wants to deal</p>	<p style="text-align: right;">Page 21944</p> <p>1 installed on the sites or the radio control room." Those 2 are the paragraphs, Mr Bizos, that you rely on. Is that 3 correct? 4 MR BIZOS SC: Yes. 5 CHAIRPERSON: To which you're going to 6 refer the witness. 7 MR BIZOS SC: Yes, paragraph 4, "On the 8 same day at about 15:15 I received a call from JOC with 9 regard to the faulty hand radio of Brigadier Calitz, which 10 I immediately proceeded to spot where Brigadier Calitz was 11 standing. I immediately noticed that the power line was 12 the hampering factor with the hand radio signal and I 13 decided to install a base radio which transmits more power 14 than a hand radio. After the installation the base radio 15 which was converted to mobile radio was tested through JOC 16 and was working fine thereafter. We went back to the 17 caravan JOC." 18 CHAIRPERSON: So you've now seen the 19 relevant paragraphs that are going to be referred to. So 20 Mr Bizos, please proceed with your cross-examination. If 21 there's any extra information you require or anything of 22 that kind you can ask for it then, but I doubt whether it 23 will be necessary, but carry on, Mr Bizos. 24 CROSS-EXAMINATION BY MR BIZOS SC (CONTD.): 25 The Colonel was an expert in the operation of radios, as</p>
<p style="text-align: right;">Page 21943</p> <p>1 with paragraphs 5, 6 and 7, so let's go through them 2 together first and then he'll ask you about them. 5 says, 3 "All the radios in that day were working fine as we could 4 hear from the radio in the caravan that the members posted 5 on the ground were giving situation report to the JOC. Out 6 of 100 hand radios that we used in the operation a total of 7 85 hand radios were booked from the radio control register 8 and the OB in the morning of the 16th August 2012. The 9 members from Pretoria POPS, Johannesburg POPS, Pretoria 10 NIU, Pretoria TRT, and other North West provincial stations 11 booked out the hand radios as per the attached copies of 12 radio control register and OB." We weren't given the 13 attached copies. I don't think anything turns on that. 14 Para 6 goes on, "The reasons why the members were 15 issued with the hand radios was to cater for all members 16 from other provinces like Gauteng who use TETRA radio 17 system, not UHF analogue system that is used in the North 18 West. This issue was also communicated during the morning 19 briefing where the section commanders and the Nyala drivers 20 were urged to book out the radio from the ICT technician's 21 caravan. The simple reason was TETRA radios would not 22 communicate with UHF radio system because TETRA is digital 23 and UHF is analogue." 24 Then paragraph 7, "During the whole operation 25 there were no recordings done as the voice logger was not</p>	<p style="text-align: right;">Page 21945</p> <p>1 appears from his statement. 2 GENERAL MBOMBO: That is so, Mr Chair. 3 MR BIZOS SC: Reading the statement as a 4 whole it would appear that there was no reason why there 5 was no communication between JOC and the commanders. 6 GENERAL MBOMBO: I do not see it like 7 that, Mr Chair, according to this statement, because when 8 he was doing the tests he did those tests before the 9 operation started. 10 MR BIZOS SC: Yes, but he says that on 11 the 16th they appeared to be in order. He was at JOC and he 12 could hear from 80 hand radios, so there was communication 13 between JOC, or if the JOC members were there and prepared 14 to listen, between the people or in the field and the 15 people at the JOC gathering. 16 CHAIRPERSON: Someone has headphones that 17 are not on his or her head but are on quite loudly and so 18 we can hear what's being said and it interferes with the 19 audibility of what's happening. 20 MR BIZOS SC: The Colonel does not 21 mention the four-minute silence, does he? 22 GENERAL MBOMBO: Mr Chair, according to 23 what I was told it is true that the radios were tested, but 24 when the operation had started, that is when problems 25 cropped up, not that the people at JOC and the others could</p>

<p style="text-align: right;">Page 21946</p> <p>1 not hear, but they could not communicate with the radios. 2 I do not have knowledge about this technical things, but we 3 were told that there was a blockage, it would block, you 4 could only hear the two people talking, other people could 5 not communicate. 6 MR BIZOS SC: Well, can you explain why 7 at the end of paragraph 4 the Colonel should say that the 8 base radio which was converted to mobile radio was tested 9 through JOC and was working fine thereafter and was back in 10 the, to the – 11 CHAIRPERSON: No, "Thereafter we went 12 back to the caravan at JOC." 13 MR BIZOS SC: - the caravan at JOC. All 14 the radios were working fine, in paragraph 5. It doesn't 15 say anything about the four-minute silence or any of the 16 other reasons that have been advanced as to why there was 17 no communication and why there was no record. 18 GENERAL MBOMBO: Mr Chair, I also do not 19 know why it doesn't mention that. 20 MR BIZOS SC: Why would it not be turned 21 on? Didn't you want to record because of the provision of 22 the Standing Orders that there must be evidence of what is 23 happening? Why would it not have been switched on? 24 GENERAL MBOMBO: I agree with you that is 25 what the Standing Order says, but I do not know what</p>	<p style="text-align: right;">Page 21948</p> <p>1 trained as a security officer. 2 MR BIZOS SC: But you say that you joined 3 the security police, in your statement. 4 GENERAL MBOMBO: That is so, Mr Chair, I 5 was doing the administration of the security branch. 6 MR BIZOS SC: Of the security branch. 7 Who was in charge of the security branch in Transkei? 8 GENERAL MBOMBO: At the time when I was 9 working there, I forgot, it was Major General, I forgot his 10 name. I cannot recall the name. 11 MR BIZOS SC: You remained in the 12 security police of the Transkei during the troubled years 13 of the early 90s after the release of Mr Mandela. Is that 14 right? 15 GENERAL MBOMBO: Yes, I was still working 16 for the Transkei forces, but I was not with the security 17 branch. 18 MR BIZOS SC: I don't understand why you 19 want to distance yourself from your fellow security 20 policemen. 21 CHAIRPERSON: There's still disturbance 22 coming from one set or a number of sets of earphones which 23 are obviously not being used by the people to whom they'd 24 been issued and they're on the desk; the sound is coming 25 from them and it's very disturbing. I'd be grateful of</p>
<p style="text-align: right;">Page 21947</p> <p>1 happened. 2 MR BIZOS SC: Shouldn't you have known 3 what was happening? Communication was vital, particularly 4 as you knew that come 4 o'clock there would be D-day? 5 GENERAL MBOMBO: Everything that was 6 happening there, including the communication, was vital, as 7 you say. 8 MR BIZOS SC: You know I want to put to 9 you that you were a police officer in Transkei; you served 10 as an ordinary constable for a short period. For eight 11 years thereafter you were in the security police of the 12 Transkei. Is that correct? 13 GENERAL MBOMBO: That is correct, Mr 14 Chair. 15 MR BIZOS SC: Who trained the security 16 police of the Transkei when you became a security police 17 person? 18 GENERAL MBOMBO: I do not know if you're 19 asking about the person who trained me personally. 20 MR BIZOS SC: No, not you personally. 21 You couldn't have been the only security police person. 22 Were you trained in the security police of the Transkei by 23 the security police from South Africa? 24 GENERAL MBOMBO: Firstly, Mr Chair, my 25 job at the time was in the administration. I was not</p>	<p style="text-align: right;">Page 21949</p> <p>1 that could be attended to. 2 MR BIZOS SC: I'll repeat the question. 3 The early 90s were troubled times in South Africa and in 4 Transkei and the other so-called Bantustans. 5 GENERAL MBOMBO: I hear what you're 6 saying. 7 MR BIZOS SC: Do you agree that they were 8 troubled times, and more particularly on the control of 9 gatherings within South Africa and in the Bantustans? 10 GENERAL MBOMBO: I can say I hear what 11 you said, but I'm not sure if that was indeed the case. 12 MR BIZOS SC: I beg your pardon? The 13 last bit? 14 GENERAL MBOMBO: I'm not sure if that was 15 indeed the case. 16 MR BIZOS SC: Oh, I see. Did you not 17 follow what was happening in South Africa; there was talk 18 in certain circles that your employer, the Transkei 19 government and that Matanzima may soon come to an end? 20 GENERAL MBOMBO: Mr Chair, I cannot 21 remember if there were such talks. It's possible there 22 were such talks. 23 MR BIZOS SC: I'll tell you why I'm 24 putting all this to you, because unfortunately during those 25 years there was a tendency among the police to shoot at</p>

Page 21950

1 people gathered and the top officers removed themselves
 2 from the scenes so that there could be no responsibility.
 3 Did you hear about that in the early 90s?
 4 GENERAL MBOMBO: I do not remember such
 5 acts, Mr Chair, in the forces that I was working for.
 6 MR BIZOS SC: Did you hear about the
 7 massacre in the neighbouring Gqozo-led Ciskei?
 8 GENERAL MBOMBO: I remember hearing about
 9 it, Mr Chair.
 10 MR BIZOS SC: Where people were shot at,
 11 live ammunition caused the death of many?
 12 GENERAL MBOMBO: I remember hearing that,
 13 yes.
 14 MR BIZOS SC: Was there close cooperation
 15 between the Transkei and the Ciskei?
 16 GENERAL MBOMBO: Not concerning the
 17 matter you are talking about, Mr Chair.
 18 MR BIZOS SC: No, but generally, they
 19 were fellow Bantustan leaders. Was there doubt about their
 20 future and possibly even your future as a police officer in
 21 the security police?
 22 GENERAL MBOMBO: I did not get the
 23 question, Mr Chair.
 24 MR BIZOS SC: Were there not talks among
 25 your fellow police officers that soon the Ciskei and the

Page 21951

1 Transkei is going to disappear, what is going to happen to
 2 us, the policemen employed by them and more particularly
 3 those that were in the security police of those Bantustans?
 4 [14:08] GENERAL MBOMBO: Mr Chair, maybe there
 5 were such talks but I do not remember encountering them.
 6 MR BIZOS SC: Were you not concerned
 7 about your future as a security police woman, a future
 8 South Africa?
 9 GENERAL MBOMBO: I did have such a
 10 concern, Mr Chair.
 11 MR BIZOS SC: Yes. Now you see what I am
 12 – why I am asking you these questions is that during that
 13 troubled period there were massacres in South Africa and
 14 particular in Boipatong and Sebokeng. And there was a
 15 common factor in relation to the behaviour of the senior
 16 officers that they actually distanced themselves at the
 17 last minute before the shootings. It became a pattern. It
 18 became, if I may use the word, a stratagem of the South
 19 African police that were in those years against the
 20 fundamental changes that are going to take place – were
 21 going to take place in South Africa. Did you know about
 22 that?
 23 GENERAL MBOMBO: Mr Chair, it could be
 24 the case but I do not have that much knowledge about those
 25 things.

Page 21952

1 MR BIZOS SC: And the similarity is
 2 something that I must put to you that in the commissions of
 3 inquiry held there was an invariable defence. Yes, we were
 4 supposed to command and control. Yes, we were to record
 5 what happened during the vital period. But we were absent
 6 for this reason or another for the time being and we knew
 7 that we had to record but somehow or other the record was
 8 wiped clean. Did you hear that as a habitual defence of
 9 the police at the time?
 10 GENERAL MBOMBO: I do not have knowledge
 11 of those details, Mr Chair.
 12 MR BIZOS SC: Is it a coincidence that
 13 those defences about the Vaal Triangle massacres and the
 14 defence here are substantially similar?
 15 GENERAL MBOMBO: I'm not sure what the
 16 Advocate is trying to say, Mr Chair.
 17 MR BIZOS SC: What I am trying to say is
 18 that this stratagem, if – I don't know that you are
 19 familiar with the word, Mr Interpreter, a ploy if you like
 20 – is not uncommon to the South African police for the
 21 leaders to distance themselves and to say sorry, but the
 22 radio didn't work, the video didn't work. You say that
 23 it's merely a coincidence, do you?
 24 GENERAL MBOMBO: According to me the
 25 Marikana problem was a problem to all of us.

Page 21953

1 MR BIZOS SC: I don't –
 2 GENERAL MBOMBO: It was our problem, all
 3 of us, that we encountered problems with the radios that
 4 were not working, that was a problem facing us all in
 5 Marikana.
 6 MR BIZOS SC: I don't know that you
 7 understood the question. Is it a coincidence that this
 8 well rehearsed defence after shootings during the apartheid
 9 regime happens to substantially correspond with the defence
 10 of the police before this commission?
 11 GENERAL MBOMBO: I do not agree with
 12 that, Mr Chair.
 13 MR BIZOS SC: It's not a coincidence?
 14 GENERAL MBOMBO: I do not agree that this
 15 all was done deliberately.
 16 MR BIZOS SC: That all this was done
 17 what?
 18 GENERAL MBOMBO: Deliberately.
 19 MR BIZOS SC: I see. But it's not only
 20 deliberately that may have responsibility for the leaders
 21 and that is did you foresee – did you foresee on the
 22 morning of the 16th that there may well be reason for very,
 23 very careful management and the control of or the
 24 management of the crowd must be by the leaders and not the
 25 leave it to commanders to exercise supposedly individual

Page 21954

1 judgment. That the leaders expected trouble, they
2 should've been there in order to prevent it.
3 GENERAL MBOMBO: That is not how we work,
4 Mr Chair.
5 MR BIZOS SC: Did you foresee that there
6 would be loss of human life on the 16th?
7 GENERAL MBOMBO: As I have said earlier
8 on, all those things, the risks that were possible could've
9 been there when looked at but we ensured that we'll try our
10 level best to prevent any loss of life.
11 MR BIZOS SC: You could better do that if
12 you were present and exercised control over your more
13 junior officers.
14 GENERAL MBOMBO: That is how you put it,
15 but it is not how we work.
16 MR BIZOS SC: You see the other strange
17 fact is that there were cameras on the helicopters, were
18 there not?
19 GENERAL MBOMBO: There were cameras given
20 to the people in the helicopters for them take photos.
21 MR BIZOS SC: For what purpose?
22 CHAIRPERSON: She answered the question.
23 She said there were cameras given to the people on the
24 helicopters so that they could take photos. That's the
25 explanation as to why the cameras were given according to

Page 21955

1 the witness.
2 MR BIZOS SC: There were specialist
3 cameras which pick up minute things on the ground, very
4 sensitive and they can record that. Did you know that?
5 GENERAL MBOMBO: That is so, Mr Chair.
6 That is correct.
7 MR BIZOS SC: Correct. Is it also a
8 coincidence that those cameras did not pick up any
9 information which would've helped the commission as to
10 who's telling the truth?
11 GENERAL MBOMBO: I cannot be sure, Mr
12 Chair, as to what happened.
13 MR BIZOS SC: We are told they were not
14 working. What is the purpose of sending helicopters up in
15 the air with this sensitive equipment if they are not
16 checked as to whether they will work for the particular
17 purpose?
18 GENERAL MBOMBO: You are correct, Sir,
19 that they should've been checked and I am sure that they
20 must have been checked.
21 MR BIZOS SC: The water cannon had
22 videos, were those available to you at Rustenburg?
23 GENERAL MBOMBO: That is so, Mr Chair,
24 that our water cannons can take photos but according to me,
25 at the time of this operation, I was not aware of that.

Page 21956

1 MR BIZOS SC: Shouldn't you have been
2 aware of it as the senior responsible officer for this
3 operation?
4 GENERAL MBOMBO: If I knew the water
5 cannons were capable of taking photos I would've ensure
6 that they were used because we wanted everything that can
7 give evidence as to what happened there.
8 MR BIZOS SC: Is there any explanation as
9 to why that material was provided to the commission only
10 five months after your meeting with Marikana – at – sorry,
11 at Rustenburg?
12 GENERAL MBOMBO: As I am saying, Mr
13 Chair, I personally did not know that the water cannons
14 were capable of taking photos and I'm not sure whether the
15 other people knew about it and what caused the fact there
16 were produced here later.
17 MR BIZOS SC: Did you ever enquire why
18 that material was not given to the evidence givers for a
19 period of approximately five months?
20 GENERAL MBOMBO: I did not enquire, Mr
21 Chair, because when they were sought for it was said that
22 they are available, they can be found.
23 MR BIZOS SC: Were there senior officers
24 on one or other of the four helicopters that were up in the
25 air –

Page 21957

1 MR SEMENYA: Five.
2 MR BIZOS SC: In fact I'm corrected, five
3 helicopters. Did you authorise their presence?
4 GENERAL MBOMBO: Mr Chair, I handed over
5 the operation to the overall commander. As to how many
6 helicopters that were there, that was a function of the
7 overall commander.
8 MR BIZOS SC: Did you authorise that
9 senior police officers in your area should be in the
10 helicopters rather than next to their men with the guns and
11 to possibly control them before they used them?
12 GENERAL MBOMBO: As I am saying, Mr
13 Chair, I did not authorise such a thing. That was a
14 function of the overall commander.
15 MR BIZOS SC: When you heard that your
16 senior – how many senior officers were in the helicopters?
17 GENERAL MBOMBO: I am not sure, Mr Chair.
18 MR BIZOS SC: Were they supposed to do
19 what? Did you enquire from the man that you appointed as
20 the operational commander or the overall commander why were
21 there senior police officers on the helicopters? We needed
22 advice and control from people on the ground where the
23 danger lurked, not up in the air.
24 GENERAL MBOMBO: I've said already – as
25 you have already said, Sir, they had functions to perform

Page 21958

1 that were given to them by the CJOC.

2 MR BIZOS SC: Well what we have heard is

3 that did not communicate with the people on the ground.

4 Only Mr – well what's his name? Vermaak. Vermaak was able

5 to communicate. Why was that?

6 GENERAL MBOMBO: I would not know, Mr

7 Chair.

8 MR BIZOS SC: Helicopters are an

9 instrument of war as well, aren't they?

10 GENERAL MBOMBO: I'm not very sure about

11 that statement, Mr Chair.

12 MR BIZOS SC: It was not part of the plan

13 in order to show who was boss, look we've got five

14 helicopters, we've got water cannons, we've got guns, we've

15 got – well we are ready with 4 000 rounds of ammunition,

16 we've got R4s and R5s that are used in order to prevent the

17 – well to deal with criminals and others. This was a dress

18 up that we are the boss. We are going to be in control and

19 you cannot remain on the ground and continue this strike.

20 Was that possibility discussed that we really need this

21 force in order to show our kragdadigheid that you can't

22 mess around with us, go back to work?

23 GENERAL MBOMBO: I do not agree with that

24 statement, Mr Chair.

25 MR BIZOS SC: Would you agree that if you

Page 21959

1 were a worker below on the ground that this is an inference

2 that may have been drawn by many of the 3 000 people on the

3 ground that were there, unarmed.

4 MR SEMENYA: The witness is not a mind

5 reader, Chair, with respect.

6 MR BIZOS SC: I'm sorry, I didn't hear

7 the objection?

8 CHAIRPERSON: The objection was the

9 witness is not a mind reader. You are asking about matters

10 which she has no direct knowledge. You're asking her to

11 speculate about what other people were thinking. That's

12 the basis of the objection. So what do you say about it

13 and what value are we going to derive from whatever answers

14 she may give?

15 MR BIZOS SC: The question, Mr Chairman,

16 on the plan was that we must show a force and I –

17 CHAIRPERSON: - show of force but the –

18 MR BIZOS SC: - it's an unprecedented,

19 with the greatest respect, for crowd management and our

20 experts say so and we will make reference to their opinions

21 that setting up a warlike situation will have effects on

22 the people below that are not consistent with proper crowd

23 management.

24 CHAIRPERSON: Just ask the witness

25 whether she knows anything about that. Provincial

Page 21960

1 Commissioner, you've heard the exchange between me and Mr

2 Bizos and you've heard what Mr Bizos says. He says it's

3 unprecedented to have this kind of show of force directed

4 to the people such as those you were dealing with.

5 [14:27] Now do you know anything about that? Are you

6 able to express an expert's opinion, opinion based on your

7 own experience, as to whether this was kind of way of

8 proceeding is usual or appropriate?

9 GENERAL MBOMBO: Mr Chair, as I've said,

10 I do not agree with the advocate's statement. According to

11 my experience I am not sure there is something to even

12 suggest that or think like that.

13 MR BIZOS SC: Isn't it the duty of senior

14 officers to weigh up what effect will our conduct towards

15 the crowd have?

16 GENERAL MBOMBO: That is correct, that is

17 our duty.

18 MR BIZOS SC: And you didn't think this

19 excessive show of force they have been counterproductive?

20 GENERAL MBOMBO: I do not see a reason

21 why should they be counterproductive.

22 MR BIZOS SC: Sorry?

23 GENERAL MBOMBO: I do not see a reason

24 why should it be counterproductive.

25 MR BIZOS SC: Have you heard the evidence

Page 21961

1 that the crowd believed that the stun grenades that are

2 said to have been thrown off the helicopters, were thought

3 to be that people were being shot from the air?

4 GENERAL MBOMBO: I'm not sure as to when

5 that happened.

6 MR BIZOS SC: Well, either at scene 1 or

7 most probably at scene 2.

8 CHAIRPERSON: No, no, I think it was on

9 the 13th, Mr Bizos.

10 MR BIZOS SC: Oh, was it on the 13th?

11 CHAIRPERSON: The evidence was that the

12 stun grenades were thrown –

13 MR BIZOS SC: I don't – I remember that

14 it was the 13th, but I thought that it was, there was

15 evidence that it was repeated on the 16th.

16 CHAIRPERSON: The stun grenade was thrown

17 on the 16th as well. But wasn't it, if my memory – my

18 recollection was, wasn't it one of the scenes that actually

19 people were running away from one of the scenes, I think

20 scene 2, and stun grenades were thrown, and I think Mr

21 Chaskalson was leading that evidence at the time.

22 MR CHASKALSON SC: The stun grenades that

23 were thrown on the 16th of which we're aware, that were

24 thrown from helicopters, were thrown some distance to the

25 west of scene 2.

<p style="text-align: right;">Page 21962</p> <p>1 CHAIRPERSON: Thank you, that was my 2 recollection, and I wasn't sure what the compass direction 3 was. Thank you. 4 MR BIZOS SC: Did you know that stun 5 grenades were supplied to the people, to your members, 6 whether they were on the ground or on the air, and what was 7 the reason for it? 8 GENERAL MBOMBO: I know, Mr Chair, that 9 stun grenades were given to the police in accordance with 10 the way as we give out resources or equipment. 11 MR BIZOS SC: Can people be blamed for 12 believing that they are actually being shot from the air, 13 when they see something coming down and it spews out 14 substances which may be mistaken as bullets. Very loud 15 bang and frightening. Why would this be thrown from 16 helicopters? It's surely not in self-defence. 17 GENERAL MBOMBO: I'm not sure, Mr Chair, 18 the people who did that would be able to explain why, what 19 the reason for the action was. 20 CHAIRPERSON: Provincial Commissioner, 21 were you aware of the fact that stun grenades were in fact 22 thrown, one at least, that I can remember, thrown from a 23 helicopter, were you aware of that on the 16th? 24 GENERAL MBOMBO: I do not remember 25 clearly, Mr Chair, about the 16th, but I do remember there</p>	<p style="text-align: right;">Page 21964</p> <p>1 important that recordings be made of the radio 2 communications between the various participants in the 3 operation? 4 GENERAL MBOMBO: I did not hear the 5 question, Mr Chair. 6 CHAIRPERSON: Was it important that 7 recordings be made of the communications between - the 8 radio communications between the various participants in 9 the operation? 10 GENERAL MBOMBO: Mr Chair, it is always 11 important. 12 CHAIRPERSON: Alright. Now it appears 13 from the paragraph that the reason that recordings were not 14 made was the fact that the voice logger was not installed 15 on the sites or at the radio control room. Whose 16 responsibility was it to ensure that the voice logger was 17 installed, so that the necessary recordings could be made? 18 GENERAL MBOMBO: I think, Mr Chair, the 19 people who know better about the radios and how to 20 communicate with the radios is this colonel and the people 21 who were working with him. He's the one who should know 22 why there was no voice logger, or why it was not 23 operational. 24 CHAIRPERSON: Yes. You see it was an 25 important omission, was it not, that the recordings were</p>
<p style="text-align: right;">Page 21963</p> <p>1 was such talk on the 13th. 2 MR BIZOS SC: We have heard Mr Chaskalson 3 say that - 4 CHAIRPERSON: Ja, but the question is, 5 whether she was aware of this? Were you aware of that, and 6 were you aware beforehand that people in the helicopters 7 were supplied with stun grenades to use from the air, if 8 that was in fact the case? Were you aware of that? 9 GENERAL MBOMBO: I do not have such 10 knowledge, Mr Chair. 11 CHAIRPERSON: Under the circumstances, Mr 12 Bizos, is there any point in persisting with this line of 13 cross-examination of the witness? She's not aware of the 14 underlying facts upon which the cross-examination - 15 MR BIZOS SC: Well accept that a person 16 who made the decisions about what was to happen on the day 17 can be asked, I submit, did she think, or what effect stun 18 grenades would have had on the people against whom they 19 were thrown? But I will leave the matter there, Mr Chair. 20 Now - 21 CHAIRPERSON: - move back to your point 22 that you raised a few minutes ago. In regard to paragraph 23 7 of this affidavit, LLL7, during the whole operation there 24 was no recordings done, as the voice logger was not 25 installed on the sites or the control room. Was it</p>	<p style="text-align: right;">Page 21965</p> <p>1 not made? Do you agree with that? 2 GENERAL MBOMBO: That is so, Mr Chair. 3 CHAIRPERSON: And it is, I would imagine, 4 a source of embarrassment to the police after the operation 5 that recordings of the kind that should have been made were 6 not available, is that right? 7 GENERAL MBOMBO: A big one, Mr Chair. 8 CHAIRPERSON: And that was brought to 9 your attention? 10 GENERAL MBOMBO: Yes, that was mentioned, 11 Mr Chair, when we were listening to all what people had to 12 say about the problems with radio. 13 CHAIRPERSON: Now were enquiries not made 14 as to whose fault it was that these recording had not been 15 made and that the voice logger had not been installed? 16 GENERAL MBOMBO: There is an explanation, 17 Mr Chair, that this Colonel gave when he was being asked. 18 I just cannot remember what exactly he said. 19 CHAIRPERSON: Are you saying the point 20 was raised and the Colonel was questioned about it, and he 21 gave an explanation, but you can't remember, is that what 22 you're saying? 23 GENERAL MBOMBO: That is what I'm saying, 24 Mr Chair. 25 CHAIRPERSON: Was that at Potchefstroom</p>

Page 21966

1 during the Roots conference, or afterwards?
 2 GENERAL MBOMBO: Probably after that, Mr
 3 Chair.
 4 MR BIZOS SC: Yes. Lieutenant-Colonel
 5 Vermaak is a senior police officer, right?
 6 GENERAL MBOMBO: That is so, Mr Chair.
 7 MR BIZOS SC: He was in the helicopter on
 8 the day? Do you accept that?
 9 GENERAL MBOMBO: That is correct.
 10 MR BIZOS SC: He wrote a letter, exhibit
 11 HHH68, you're aware of that letter?
 12 GENERAL MBOMBO: I remember about that,
 13 Mr Chair.
 14 MR BIZOS SC: Now he has in paragraph 11
 15 set out numerous deficiencies in the planning and execution
 16 of what happened on the 16th of a general nature. Some are
 17 specific to Marikana and particularly during the period
 18 that the lives were lost. You're aware of that?
 19 GENERAL MBOMBO: As he has tabulated
 20 them, Mr Chair, that is correct.
 21 MR BIZOS SC: Have you any reason to
 22 doubt his competence to comment on the conduct of the
 23 police during this period?
 24 GENERAL MBOMBO: I do not have a reason,
 25 Mr Chair, especially when he mentions things that I can

Page 21967

1 also see.
 2 MR BIZOS SC: Things that?
 3 GENERAL MBOMBO: That I can also see.
 4 MR BIZOS SC: Oh, I see. So he expresses
 5 opinions. Are you prepared to contradict him just because
 6 you think differently? Is that what you are telling me?
 7 CHAIRPERSON: She's saying the opposite,
 8 Mr Bizos –
 9 MR BIZOS SC: Oh, I see –
 10 CHAIRPERSON: When you asked, do you
 11 challenge anything he said, she said – or are you able to
 12 challenge him, she says, "No, particularly not in respect
 13 of matters where I see the same thing."
 14 MR BIZOS SC: Oh, I see –
 15 CHAIRPERSON: I'm sure that's what she
 16 said. She's on your side on this point.
 17 MR BIZOS SC: I didn't hear her properly.
 18 I thought that she said that I can't agree with him if I
 19 don't think the same. I'm sorry –
 20 CHAIRPERSON: No, no, on this issue,
 21 she's on your side, as far as I can make out.
 22 MR BIZOS SC: I'm going to accept that
 23 and it's a correct observation. Now, according to him, in
 24 paragraph 11, subparagraph 49.1 – paragraph 11.1 – sorry,
 25 point 1, "Members don't have commanders with experience in

Page 21968

1 charge of unrest at scenes." Do you agree with that?
 2 GENERAL MBOMBO: As I said, Mr Chair, I'm
 3 not sure what he's trying to say in this paragraph, but if
 4 I may make an example about Marikana, for instance,
 5 Brigadier Calitz has got almost the same experience, or
 6 maybe even more than Vermaak.
 7 MR BIZOS SC: But Mr Calitz wasn't there
 8 to direct them? Mr Calitz wasn't there to direct. Members
 9 don't have commanders with experience in charge of unrest
 10 at scenes. In the context of what happened in the opinion
 11 of Colonel Vermaak, there were not sufficient commanders
 12 with sufficient experience to handle the situation. Do you
 13 agree with that?
 14 GENERAL MBOMBO: Even at that point, Mr
 15 Chair, I said I'm not sure what he means.
 16 MR BIZOS SC: You're not sure what he
 17 means, or you are not prepared to admit that he is correct?
 18 GENERAL MBOMBO: I am not sure what he
 19 means, Mr Chair.
 20 MR BIZOS SC: Yes. Calitz and Mpmembe
 21 denied that they were in charge. We assume, if we assume
 22 that, does that mean that the unnamed commanders that were
 23 in charge immediately before the shooting?
 24 MR SEMENYA SC: My recollection, Chair,
 25 is both Mr Calitz admitted to have been the operational

Page 21969

1 commander and General Mpmembe admitted to have been the
 2 overall commander.
 3 MR BIZOS SC: They said that they were
 4 commanders, but they denied that they were in charge on
 5 that day, Mr Chair. And what I am putting –
 6 CHAIRPERSON: Sorry, I don't remember
 7 that evidence. I don't remember that evidence, it was
 8 contradicting, as far as I can remember. There was a
 9 suggestion that Major-General Mpmembe had told Mr Mathunjwa
 10 that he wasn't in charge, that this witness was, but that
 11 was denied by him.
 12 MR BIZOS SC: They were not actually in
 13 charge, Mr Chairman. They were not in charge on the
 14 evidence of both of them, whether they were – they were not
 15 present where they had to be in order to be in charge of
 16 the operation. You can't contradict Colonel Vermaak, can
 17 you, on that point?
 18 GENERAL MBOMBO: I'm not sure, Mr Chair,
 19 what he's trying to say here.
 20 CHAIRPERSON: Shouldn't we wait for
 21 Colonel Vermaak to come and then you can ask him the
 22 question yourself, if he –
 23 MR BIZOS SC: No, Mr Chairman, I have to
 24 put to her the other points that she should have been
 25 concerned about as possible troubles, and we have whole

Page 21970

1 list and I'm entitled in my submission, to put to her why
2 she doesn't consider that as a possible fault.

3 CHAIRPERSON: I'm not stopping you from
4 dealing with all these points, but some of them are matters
5 where she doesn't know what Colonel Vermaak had in mind,
6 and it's difficult for her to comment upon the accuracy or
7 otherwise of the criticisms he makes. That's my
8 understanding.

9 MR BIZOS SC: The next point that he
10 makes, "Commanders don't know, or have the legislation
11 under in which they can act." Now, Lieutenant-Colonel
12 Vermaak is an experienced police officer, you trust his
13 judgment, would you agree that his interaction with
14 commanders in the police force under him, he would be more
15 knowledgeable than you are as to the – as to whether or not
16 the commanders that were in charge had knowledge of the
17 legislation in which they act? Can you deny that?

18 GENERAL MBOMBO: I do not agree with that
19 statement, Mr Chair.

20 MR BIZOS SC: How do you know that he is
21 wrong?

22 [14:47] GENERAL MBOMBO: Maybe he should explain
23 which commanders he's talking about. According to me the
24 commanders that were at Marikana know under which act they
25 should perform their duties when faced with these problems.

Page 21971

1 MR BIZOS SC: You know that Colonel Scott
2 admitted that he was not conversant with Order 262, and
3 he's supposed to have been an expert to draw up a plan. If
4 that was the lack of knowledge of Mr Scott, how can you
5 contradict Colonel Vermaak who says that commanders don't
6 know or have the legislation under which they can act?

7 CHAIRPERSON: Mr Bizos, there's a problem
8 with that. Colonel Scott wasn't a commander. The
9 expression "commanders" clearly refers to people other than
10 Colonel Scott. Colonel Scott didn't issue any commands.
11 He prepared a draft of a plan which was apparently adopted,
12 but that didn't make him a commander. I don't think he can
13 be used as a basis for suggesting that what Colonel Vermaak
14 says in 11.2 is correct.

15 MR BIZOS SC: Mr Chairman, if Colonel
16 Scott was not familiar with the provisions of the order and
17 he is called upon by generals to do a plan, to infer that
18 he is not a commander for this purpose is in my respectful
19 submission incorrect. One would have expected that the
20 plan would be put together by commanders who were familiar
21 with the orders and legislation and Colonel Scott's
22 admission that he wasn't aware of it, we are entitled to
23 draw an inference that the unknown commanders probably
24 didn't know about the orders or the legislation.

25 CHAIRPERSON: Well, that's a point you

Page 21972

1 can argue. I don't know to what extent we can expect to
2 get an answer from this witness on that point, particularly
3 if she didn't know – let's ask her this; did you know
4 whether Colonel Scott was aware of the contents of the
5 Order 262?

6 GENERAL MBOMBO: That is not how I knew
7 it, Mr Chair.

8 MR BIZOS SC: Mr Chairman, Colonel Scott
9 said that he briefed the commanders as to how they were to
10 implement –

11 CHAIRPERSON: But we're dealing with a
12 different point, whether this witness knew that Colonel
13 Scott wasn't aware of the contents of Standing Order 262,
14 because I can understand if she knew that he didn't know
15 about it, there are points that you would want to take,
16 questions you want to ask her in that regard, but if she
17 didn't know that then I don't see how the question can
18 help.

19 MR BIZOS SC: How can you say that
20 Lieutenant Vermaak is wrong when he says that the
21 commanders did not know? How were the commanders expected
22 to know if the person that drew the plan and briefed them
23 did not know? What were they briefed on?

24 GENERAL MBOMBO: From what I knew, Mr
25 Chair, Colonel Scott was drawing up a plan together with

Page 21973

1 other commanders of the Public Order.

2 MR BIZOS SC: Let's go to the next one,
3 the next opinion of Lieutenant Colonel Vermaak. "Members
4 allow illegal actions and the next day they take actions
5 against, for example illegal strikes. These actions
6 confuse the public and they neglect their responsibility to
7 protect and serve." Do you agree with Colonel Vermaak?

8 GENERAL MBOMBO: Mr Chair, I cannot agree
9 with something, the source of which I have no knowledge
10 where it happened, who knows about it, how did it happen.

11 MR BIZOS SC: Would you agree that if
12 someone in Lieutenant Colonel Vermaak, that he may well be
13 right in this criticism that that was one of the faults
14 that led to the killings?

15 GENERAL MBOMBO: Mr Chair, that is what
16 he says. I cannot agree with something I have no knowledge
17 of.

18 CHAIRPERSON: When you say you can't
19 agree because you have no knowledge of it, do you also mean
20 to say that you can't disagree, you can't agree or disagree
21 because you've got no knowledge of what's being said? Is
22 that a correct summary of your position?

23 GENERAL MBOMBO: Mr Chair, I cannot agree
24 with what he's saying because I have no knowledge of it. I
25 do not know what he means by it.

Page 21974

1 MR BIZOS SC: Now with respect, the
 2 learned judge, the Chairman has asked you if you don't know
 3 you say I don't know and I can't comment, but what you are
 4 saying is with respect the fault of most members of your
 5 force, that you are not prepared to admit that you or your
 6 colleagues have done wrong. This is evidence of your state
 7 of mind that even about things that you know about you are
 8 not prepared to express any unkind thought against your
 9 colleagues, they can do no wrong.

10 GENERAL MBOMBO: That is not what I said,
 11 Mr Chair.

12 MR BIZOS SC: No, I'm saying this is how
 13 I interpret what you did say.

14 GENERAL MBOMBO: Then I do not want to
 15 agree with that interpretation, Mr Chair.

16 MR BIZOS SC: He says that this was one
 17 of the wrong things. You disagree with it. On what basis
 18 do you disagree?

19 MR SEMENYA SC: Chair, maybe -

20 GENERAL MBOMBO: Because I do not know
 21 what it means.

22 MR SEMENYA SC: Chair, the observation
 23 that Colonel Vermaak must come and explain these things,
 24 it's a proper one, particularly the opening line refers to
 25 three mines. We don't know whether that, this 11.3 is with

Page 21975

1 reference to Marikana in particular.

2 CHAIRPERSON: Mr Bizos, isn't the
 3 practical way to proceed the following; the witness said
 4 she agreed with some of the things that Colonel Vermaak
 5 said, but should you ask her what things she agrees with
 6 that Colonel Vermaak said, then we look at the ones that
 7 she doesn't say she agrees with and then maybe she can't
 8 express an opinion because she doesn't know the facts, or
 9 there may be substantive reasons for disagreeing. Isn't
 10 that the practical way to do it?

11 MR BIZOS SC: There can be a third
 12 matter, that she is not prepared to criticise at any level
 13 anyone of her colleagues, and this is what we are
 14 interested in getting across to the Commission, with
 15 respect, and the police and the public at large, that
 16 police officers can do wrong and the time maybe has come
 17 for their colleagues to acknowledge that they have done
 18 wrong. That is the purpose of my cross-examination, Mr
 19 Chairman.

20 CHAIRPERSON: I don't understand that.
 21 She's already said that she agrees with some of these
 22 points of criticism. So it's not correct to say that she
 23 valiantly refuses to admit that any of her colleagues can
 24 be wrong or refuses to criticise them. That's not what she
 25 said. She said some of these points of criticism she

Page 21976

1 agrees with, so I think you should, if I may say so,
 2 approach this matter in a more focussed and refined way.

3 MR BIZOS SC: Well, I can't do more than
 4 - I have a list; I must put to her and she can have an
 5 opportunity to say I agree that Vermaak is right; I
 6 disagree with Vermaak, and I don't know, I don't want to
 7 express any opinion, and inferences will be drawn from the
 8 answers.

9 CHAIRPERSON: Alright, well let's proceed
 10 on that basis.

11 MR BIZOS SC: Thank you, Mr Chair. The
 12 next point, "Senior officers do planning without any
 13 experience in serious incidents and this causes that the
 14 SAPS must afterwards explain their actions. Marikana in
 15 Lonmin is a very good example where senior management was
 16 armed before" -

17 CHAIRPERSON: Warned.

18 MR BIZOS SC: - warned, I'm sorry,
 19 "warned before specific actions was taken, but they did not
 20 give any attention to the advice." Would you agree with
 21 that?

22 GENERAL MBOMBO: I'm not sure, Mr Chair,
 23 what he means.

24 MR BIZOS SC: Oh, I see. So do you blame
 25 the language or the meaning or what is it that you do not

Page 21977

1 know what he means? Well, later on he says that the
 2 conduct of the members put you and the National
 3 Commissioner in a difficult situation. Do they do that
 4 from time to time?

5 GENERAL MBOMBO: It does happen
 6 sometimes.

7 MR BIZOS SC: And then the other,
 8 "Officers and members do planning without any knowledge of
 9 the Gatherings Act of SO262." Here we have an example.
 10 The man that drew up the plan, Colonel Scott, was not
 11 familiar with the order. Is that a grievous fault on the
 12 part of those that accepted the plan, or didn't investigate
 13 whether he knew what the order spoke away?

14 CHAIRPERSON: This point has been covered
 15 already and the witness in fact said when you raised that
 16 example specifically to her, with her, that she understood
 17 that Colonel Scott had drafted the plan and was then
 18 discussed, put to senior officers who had experience of it.
 19 So on that basis she dealt with the criticism. So I think
 20 that point has been raised. I suggest that you turn to the
 21 next one, which is 11.6, after we've taken the tea
 22 adjournment, which we will now take.

23 [COMMISSION ADJOURNS COMMISSION RESUMES]

24 [15:18] CHAIRPERSON: The Commission resumes.
 25 Provincial Commissioner, you're still under oath.

Page 21978

1 MIRRIAM NOSAZISO ZUKISWA MBOMBO: s.u.o.
 2 CHAIRPERSON: Mr Bizos.
 3 CROSS-EXAMINATION BY MR BIZOS SC (CONTD.):
 4 [Microphone off, inaudible] properly trained, do you agree
 5 with him or not?
 6 GENERAL MBOMBO: To a certain extent I
 7 agree with him, Mr Chairperson.
 8 MR BIZOS SC: You agree. And may I
 9 suggest is there any expert in the history of the massacres
 10 in South Africa in the last 30, 35 years, in your
 11 department or in the national department, to teach people
 12 that are to manage crowds how not to do it? Is there such
 13 a person, a specialist to actually educate them properly?
 14 GENERAL MBOMBO: I am not sure, Mr
 15 Chairperson.
 16 MR BIZOS SC: Well, I would have thought
 17 that before engaging people with shotguns and the
 18 equivalent of AK47s with a different name, somebody should
 19 really have trained people that manage crowds what not to
 20 do. Would you agree with that?
 21 GENERAL MBOMBO: I agree with that, Sir.
 22 MR BIZOS SC: You agree with that, good.
 23 "POPS don't have the capacity, every single action and
 24 negotiations were recorded for evidence purposes later when
 25 needed. Some of the video footage that was taken during

Page 21979

1 the Marikana Lonmin incidents did not have any value." Now
 2 to put it bluntly, to have some recording but the vital
 3 moments being missing is not of any value in pursuit of
 4 truth, is it?
 5 GENERAL MBOMBO: The way you put it, Sir,
 6 I am not certain -
 7 MR BIZOS SC: I am sorry, I am not -
 8 GENERAL MBOMBO: - but I would -
 9 MR BIZOS SC: You're not certain?
 10 GENERAL MBOMBO: In the manner in which
 11 you put it, Sir, I am not sure what you are trying to say.
 12 MR BIZOS SC: Well, what it means is
 13 this; that recording but switching off or for some reason
 14 or other not having the vital period recorded is not really
 15 helpful and steps should be taken that nobody should be
 16 able to interfere with the recordings and certainly to make
 17 a full recording in the interest of truth. I think that's
 18 what he means. Do you agree on that basis?
 19 GENERAL MBOMBO: I agree with you, Mr
 20 Chairperson, that the fact that the recording wasn't full
 21 became a problem, but I want to say that it wasn't done
 22 deliberately.
 23 MR BIZOS SC: Well, and if it happens
 24 often it can't be very seriously suggested that it was not
 25 deliberate. Would you agree with that as a general

Page 21980

1 proposition?
 2 GENERAL MBOMBO: I do not want to agree
 3 totally with you, but I must admit there would be such
 4 perceptions.
 5 CHAIRPERSON: I'm surprised you say it
 6 wasn't done deliberately. I'm not asking that question
 7 because I think one can find it was done deliberately, but
 8 what surprises me is that you're able, that you consider
 9 yourself able to say that it wasn't done deliberately. I
 10 mean how do you know? It may have been done deliberately.
 11 It may have been an accident. You can't really tell us one
 12 way or the other, can you? You weren't there. Is that
 13 right?
 14 GENERAL MBOMBO: It is so, Mr
 15 Chairperson, but the manner, the way in which I was told it
 16 looks to me as though it wasn't done deliberately.
 17 CHAIRPERSON: No, I can understand you
 18 were told but presumably you questioned the people
 19 concerned about it and they told you it wasn't done on
 20 purpose. So I can understand that. Whether they were
 21 telling you the truth or not is something which we may have
 22 to decide at some stage, but one can't be certain one way
 23 or the other just on their mere say-so, can we? Is that
 24 right?
 25 GENERAL MBOMBO: That's true, Sir.

Page 21981

1 MR BIZOS SC: Do you agree that there
 2 were no voice recorders when there were commanders
 3 negotiating with leaders?
 4 GENERAL MBOMBO: I agree with that, Sir.
 5 MR BIZOS SC: This is why we have a
 6 conflict of fact here as to what was said by the leaders
 7 and what was said by the negotiators, and that could have
 8 been easily avoided if it was recorded.
 9 GENERAL MBOMBO: That is true, Sir.
 10 MR BIZOS SC: "No members of POP that
 11 took photographs from the crowd that could assist the
 12 investigation officer to identify them after" -
 13 CHAIRPERSON: Could we please have - in
 14 regard to what's on the screen, yes, thank you. Yes, thank
 15 you. Move it over slightly so we can see all the text,
 16 thank you.
 17 MR BIZOS SC: Now our readings say that
 18 even when members of a crowd may have firearms, it is not
 19 correct to shoot at random at the crowd, and the suggestion
 20 is that if in fact there is someone leading the hostile
 21 crowd with a gun, or guns, the response is that a
 22 sharpshooter not necessarily kills, but disables the
 23 carrier of a gun, the threatening gun, which has the effect
 24 of frightening the other people that may attack and you
 25 actually avoid mass killings. Have you ever heard of that?

Page 21982

1 GENERAL MBOMBO: Yes, it is so.
 2 MR BIZOS SC: Now here you had Monday,
 3 Tuesday, Wednesday, early Thursday. If people were
 4 suspected of being in possession of a firearm, like the
 5 suggestion that the man with the green blanket might have
 6 been holding a gun under the blanket, why was that not told
 7 to the people that were to manage the crowd, wound the
 8 leader who is holding a gun or is suspected to have a gun,
 9 then you will avoid a massacre? Does it make sense to you,
 10 Commissioner?
 11 GENERAL MBOMBO: It does, Sir. It does,
 12 Chairperson.
 13 MR BIZOS SC: Why wasn't it done?
 14 Instead of killing 34 you wound one and you also gain on
 15 the facts of this case another great advantage; if the man
 16 who said that he could make them impervious to bullets may
 17 not be taken seriously if the leader that has a gun is
 18 injured, and in that way you avoid a massacre. Does that
 19 make sense?
 20 CHAIRPERSON: Mr Bizos, before the
 21 witness answers your question, Mr Semenya has turned on his
 22 light.
 23 MR SEMENYA SC: Chair, we would submit
 24 the answers of this witness have no value. We know she was
 25 not there, she did not witness the operation at all. So

Page 21983

1 her comments add no value to the inquiry, Chair.
 2 MR BIZOS SC: Mr Semenya does not
 3 understand the purport of my questioning, Mr Chairman. The
 4 purport of my question does not matter whether she was
 5 there or not. The question is what steps were taken to get
 6 control of the situation without killing 34 people, and our
 7 reading tells us that there are ways of dealing with
 8 aggressive crowds in order to avoid a massacre, and this is
 9 what I'm putting to the witness –
 10 CHAIRPERSON: Your question really deals
 11 with what amounts to a detail perhaps, one can call it, of
 12 the plan that was devised to deal with the situation.
 13 MR BIZOS SC: Yes.
 14 CHAIRPERSON: So it was something that
 15 would have arisen or should have arisen or been taken into
 16 consideration prior to the actual events of the 16th.
 17 MR BIZOS SC: That's what I'm putting to
 18 the witness, Mr Chairman.
 19 CHAIRPERSON: What do you say about that,
 20 Mr Semenya?
 21 MR SEMENYA SC: Well, Chair, even on that
 22 basis the witness has told us she does not involve herself
 23 in the how. She doesn't know that area. So her answers
 24 are not going to be worthy, with respect to her.
 25 CHAIRPERSON: It does seem, with great

Page 21984

1 respect to the witness, as if her answers - whatever they
 2 are – to this question are not going to have very much
 3 weight, Mr Bizos.
 4 MR BIZOS SC: Mr Chairman, hence the
 5 responsibility at a planning stage was to put the very
 6 questions that I am putting that are in the books, that are
 7 in the court cases, that are on proper crowd management,
 8 how to avoid massacres, and I submit that this witness has
 9 got to answer why, if she is the person responsible, such a
 10 step was not envisaged and not carried out. It was not
 11 envisaged and it was not carried out. I'm entitled to have
 12 it from her mouth, Mr Chairman.
 13 CHAIRPERSON: I'm inclined to think the
 14 question can be asked. Please proceed, Mr Bizos, but don't
 15 make a meal of this point.
 16 MR BIZOS SC: Well, was this option
 17 discussed by you or anyone else that if we see somebody
 18 with a gun, take him out, or injure him so that the belief
 19 that they are impervious to gunfire can disappear on the
 20 facts of this case? Why was this not thought out by you,
 21 your senior colleagues, or anyone with responsibility to
 22 avoid bloodletting?
 23 GENERAL MBOMBO: I personally did not
 24 discuss such a matter, Mr Chairperson. I cannot say,
 25 however, that it wasn't discussed by the others.

Page 21985

1 MR BIZOS SC: Yes, I don't know that I
 2 want to deal with the next point in the letter about the
 3 Nyalas, and –
 4 CHAIRPERSON: The expenditure may have
 5 been caused, it wasn't budgeted for, but that, as is set
 6 out in 1.8, but it didn't cause the deaths of any of the
 7 people who were killed, so we don't have to spend any time
 8 on it surely.
 9 MR BIZOS SC: Yes. Now do you agree that
 10 after these examples were read to you, that the two or
 11 three faults that you have conceded must be added to the,
 12 at least the faults that you, or omissions, the deeds or
 13 omissions, the number that you have given has to increase?
 14 GENERAL MBOMBO: If you could just please
 15 clarify the question again, Sir?
 16 MR BIZOS SC: I'm sorry, I was
 17 interrupted. I didn't hear the –
 18 CHAIRPERSON: [Microphone off, inaudible]
 19 you should repeat the question, or rather she wants you to
 20 repeat the question.
 21 MR BIZOS SC: I see.
 22 CHAIRPERSON: The interpreter translated
 23 her request that you repeat the question.
 24 MR BIZOS SC: You have made certain other
 25 concessions that there was fault on the part of the police.

Page 21986

1 Do you agree that they must be added to the number of three
2 faults that you have mentioned?

3 GENERAL MBOMBO: As I said already that
4 the faults that were committed, we admit those.

5 MR BIZOS SC: Whilst we are dealing with
6 the question of the lack of communications, there were
7 radio communications on the 13th, were there not, as there
8 should be always? Is that right?

9 GENERAL MBOMBO: Just clarify the
10 question once more, Sir.

11 MR BIZOS SC: There were radio
12 communications between the persons in the field and
13 elsewhere on the 13th?

14 GENERAL MBOMBO: I did not hear any
15 problems that were there pertaining to communication on the
16 13th.

17 MR BIZOS SC: Well, were they recorded,
18 and if they were, where is the recording?

19 GENERAL MBOMBO: I am not sure as to
20 whether there were any recordings.

21 CHAIRPERSON: Mr Bizos, perhaps that's a
22 question we can address to Mr Semenya. Mr Semenya, the
23 question relates to whether there are recordings of radio
24 communications on the 13th. The witness said she's not
25 aware whether there are any, and so the next question is

Page 21987

1 whether you can take instructions on the matter and if
2 there are, make them available, and if there are not, tell
3 us that they're not available. I take it you're not able
4 to give us the answer at the moment, but it's something in
5 respect of which you can take instructions.

6 MR SEMENYA SC: I can tidy up my answer
7 with further instructions, but as I know General Mpembe
8 used a cell phone to communicate the events of that day.

9 MR BIZOS SC: No, but isn't it a general
10 rule that if there is confrontation between police officers
11 and members of a crowd, that communications with the
12 officer in charge should be recorded on the radio which he
13 is supposed to be connected with?

14 GENERAL MBOMBO: I am not denying that,
15 Sir.

16 MR BIZOS SC: Was there any –

17 CHAIRPERSON: I'm sorry, Mr Bizos. You
18 see, Mr Semenya, the evidence was, you remember, that
19 General Mpembe did have a radio and he gave instructions to
20 certain of his men on the day, and in fact on one
21 particular point he said he didn't give an instruction on
22 the radio; if he had given the instruction it would have
23 been on the radio. So it would seem that there were some
24 communications to certain of the people with him by radio,
25 although as you say, he was in touch with, communication I

Page 21988

1 think with Brigadier Calitz by cell phone. Anyway, the
2 question relates to whether there are recordings of radio
3 communications and the answer to that is you'll get
4 instructions.

5 MR SEMENYA SC: I will get instruction,
6 Chair.

7 CHAIRPERSON: Yes.

8 MR SEMENYA SC: And if we may place on
9 record, this is not a requirement in terms of Standing
10 Order 262 at all. It may be a prudent thing to do.

11 [15:38] MR BIZOS SC: Well we'll find out whether
12 there was such a recording. Now if we can look at Exhibit
13 HHH8, Mr – paragraph 6, Mr Masenya who took a video on the
14 16th and on photographs his camera also stopped for the
15 recording for the operation, the main operation which would
16 prove guilt or innocence. It stopped. Is this another
17 example of incidental or deliberate cover up?

18 GENERAL MBOMBO: Chairperson, if you
19 could see the statement of this person.

20 MR BIZOS SC: There at paragraph 6, there
21 you go. Can we read it out aloud please?

22 CHAIRPERSON: The police followed, this
23 is an encounter of what happened on the 13th, is it?

24 MR BIZOS SC: Yes.

25 CHAIRPERSON: Near the railway line.

Page 21989

1 "The police followed them, that's the strikers, and tried
2 to prevent them from entering the nearby settlement. On
3 their way, I changed direction and drove to their front in
4 order to have clear vision so as to continue with recording
5 footage. The video machine we," I take it is to be were,
6 "operating is an old model and at some stage I observed
7 blank footage and I stopped it forthwith. However, I
8 continued to record at a later stage and it was operating
9 efficiently."

10 MR BIZOS SC: Another interruption.
11 Deliberate or coincidental?

12 GENERAL MBOMBO: I have no idea, Mr
13 Chairperson, but he says over there the instrument that he
14 was using is an old type.

15 MR BIZOS SC: Sorry.

16 GENERAL MBOMBO: I have no idea, Mr
17 Chairperson, but he says himself in the statement that the
18 instrument he was using is an old type.

19 MR BIZOS SC: Old types only decide to be
20 old at vital moments.

21 CHAIRPERSON: Mr Bizos, I think you've
22 made your point. The witness can't tell us. She wasn't
23 there, she doesn't know whether it was coincidental or
24 deliberate. We have the explanation given by the operator
25 of the camera. We've also seen the video in question and

<p style="text-align: right;">Page 21990</p> <p>1 noticed the blank – the black screen in certain points. It 2 seems to be quite an important point in the action when 3 suddenly the screen went blank and then the screen came on 4 again as he in fact says but the witness can't help us as 5 to whether that was a deliberate stopping of the cameras at 6 an inconvenient moment or whether it was coincidental or an 7 accident, can she? So I don't know if there's any point in 8 asking her further about it. 9 MR BIZOS SC: Well another example of the 10 coincidence, Mr Chairman, and they mount up, with respect. 11 On the 16th this person was sent away, why would a camera 12 person be sent away from a scene? 13 GENERAL MBOMBO: Chairperson, I do not 14 have the details of what happened. 15 MR BIZOS SC: You know that journalists 16 and cameramen and women are some times prepared to take 17 some risk in order to record the truth, what was it the 18 business for the policemen to send the journalists away 19 from the scene? Any answer? 20 GENERAL MBOMBO: I do not know, 21 Chairperson. 22 MR BIZOS SC: You have? 23 GENERAL MBOMBO: I do not know. 24 MR BIZOS SC: You don't know. Very well, 25 let us see. Let us now – have you read the statements of</p>	<p style="text-align: right;">Page 21992</p> <p>1 MR BIZOS SC: Well – 2 GENERAL MBOMBO: - in this operation. 3 MR BIZOS SC: - they know the standing 4 orders much better than you and me and they have come to 5 the conclusion having taken at face value the evidence 6 given by the police and others, that it was not done in 7 accordance with the principles, management procedures of 8 these standing orders. You disagree? Sorry, you want to 9 say something? 10 GENERAL MBOMBO: I thought you were 11 asking a question, Sir. 12 MR BIZOS SC: What I'm going to put to 13 you that they are well qualified, that they have made this 14 judgment and do you want to give any reasons why you 15 disagree with them? 16 GENERAL MBOMBO: That is their opinion, 17 Mr Chairperson. 18 MR BIZOS SC: I see. The – they have 19 come to the conclusion that there was lack of adequate 20 intelligence. Do you agree that you were fully informed of 21 what was happening and fully informed as to what has to be 22 done? 23 GENERAL MBOMBO: There I agree with them, 24 Chairperson. 25 MR BIZOS SC: You agree with that, that</p>
<p style="text-align: right;">Page 21991</p> <p>1 Mr Eddie Hendrickx and Gary White? 2 GENERAL MBOMBO: Yes, Chairperson. 3 MR BIZOS SC: Pardon? 4 GENERAL MBOMBO: It is so. 5 MR BIZOS SC: It is so. Do you accept 6 their credentials as experts? 7 GENERAL MBOMBO: I have no reason not to 8 accept them? 9 MR BIZOS SC: Not to accept them. Do you 10 agree that they appear to be well versed in the law and 11 practice of crowd management? 12 GENERAL MBOMBO: I see it that way, yes. 13 MR BIZOS SC: And I'm going to read you a 14 list of their conclusions and ask you whether you agree or 15 disagree with that. They appear to be of the view that the 16 failure to conduct the operation accorded to crowd control 17 management principles and standing orders, this is the 18 conclusion that they have come to. Do you agree or 19 disagree? 20 GENERAL MBOMBO: There I do not agree 21 with them, Sir. 22 MR BIZOS SC: You don't agree? You want 23 to give any reasons why you disagree with that conclusion? 24 GENERAL MBOMBO: Because, Mr Chairperson, 25 our standing orders were followed by the police –</p>	<p style="text-align: right;">Page 21993</p> <p>1 there was lack of adequate intelligence? 2 GENERAL MBOMBO: That is correct. 3 MR BIZOS SC: And would you agree that if 4 you act without adequate intelligence you are likely to 5 contravene the provisions of the orders and the laws? 6 GENERAL MBOMBO: Not at all times, Mr 7 Chairperson. 8 MR BIZOS SC: That there were 9 insufficient negotiations with the crowd, that's just a 10 conclusion that they have come up to and they deal in 11 detail in the criticisms in their lengthy statements as to 12 what the deficiencies were. You don't know of any 13 deficiencies in the negotiations, do you, that you want to 14 admit or deny? 15 GENERAL MBOMBO: I have no idea about 16 that? 17 MR BIZOS SC: And that the lack of 18 comprehensive – of a comprehensive plan, particularly for 19 the disperse disarm and arrest phase 3 intervention, do 20 you agree or disagree with them? 21 GENERAL MBOMBO: I do not agree with 22 that, Sir. 23 MR BIZOS SC: You don't agree. The 24 inadequacy of the briefing prior to the implementation of 25 phase 3, do you agree with that?</p>

<p style="text-align: right;">Page 21994</p> <p>1 GENERAL MBOMBO: I disagree with that, 2 Sir. 3 MR BIZOS SC: Well you couldn't possibly 4 brief them because you were not there, you were not 5 communicating, you were not in the JOC and you don't know, 6 if there was communication, what advice may have been given 7 by you and your senior colleagues which may have avoided 8 the tragedy. 9 GENERAL MBOMBO: Chairperson, that is not 10 the way in which we work. 11 MR BIZOS SC: Isn't it the way that you 12 should be working? 13 GENERAL MBOMBO: Not according to how I 14 know it, Sir, that is not the position. 15 MR BIZOS SC: You say that these experts 16 are wrong when you yourself admit that you are not an 17 expert on crowd management. 18 GENERAL MBOMBO: As I said earlier, Mr 19 Chairperson, these are only their opinions. 20 MR BIZOS SC: Yes. The failure to issue 21 a warning to the crowd before the deployment of the razor 22 wire, is that a fault that the experts express and do you 23 agree or disagree with it? 24 GENERAL MBOMBO: Chairperson, I would not 25 say it was failure, whether it did not – whether there was</p>	<p style="text-align: right;">Page 21996</p> <p>1 operation outnumbering the POP members. 2 CHAIRPERSON: I think he has objected to 3 your – 4 MR BIZOS SC: But I – 5 CHAIRPERSON: - parenthetical reference 6 to the – 7 MR BIZOS SC: - question. 8 CHAIRPERSON: Yes, if you delete the 9 passage in parenthesis you must ask the question. 10 MR BIZOS SC: Yes, I will delete but I 11 will – it's not in my notes but I sometimes get – 12 CHAIRPERSON: Engage on a frolic of your 13 own which those instructing you can't be held responsible 14 for. Alright, never mind, let's get the question. 15 MR BIZOS SC: Yes, Sir. The predominance 16 of special tactical units, armed with lethal ammunition in 17 the operation outnumbering POP members, that is the TRTs in 18 particular and the others with lethal weapons outnumbered 19 the POP people and that is not a desirable practice in 20 crowd management. 21 GENERAL MBOMBO: I am not sure, 22 Chairperson, as to whether they were outnumbered. 23 MR BIZOS SC: Well it's a matter for the 24 evidence and the number of counts of heads. But we will 25 leave it at that. Was there sufficient timely first aid</p>
<p style="text-align: right;">Page 21995</p> <p>1 no chance to give that warning. 2 MR BIZOS SC: I think the next one you 3 ought to agree with, having regard to what you have already 4 told us. The inadequacy of the record of the operation 5 both audio visually and in documents and minutes, do you 6 agree with that? 7 GENERAL MBOMBO: There I agree with them. 8 MR BIZOS SC: Because there was no 9 communication between the senior officers and their view 10 that the apparent absence of command and control, do you 11 agree with that? 12 GENERAL MBOMBO: Yes, I have already said 13 so, Chairperson. 14 MR BIZOS SC: The prominence of 15 specialist tactical units armed with lethal ammunition in 16 the operation outnumbering POP, do you agree with that? 17 GENERAL MBOMBO: Just repeat that 18 question again, Sir? 19 MR BIZOS SC: Yes, the prominence that is 20 the number – there were more – there were a lot of 21 specialist tactical units which was another name for people 22 that shoot to kill, armed with lethal – 23 MR SEMENYA: No, Chairperson, that is not 24 – 25 MR BIZOS SC: - ammunition in the</p>	<p style="text-align: right;">Page 21997</p> <p>1 care for those shot at scene 1 and according to them, there 2 was not. What is your view? 3 GENERAL MBOMBO: I would not be able to – 4 I don't know much about it, Sir. 5 MR BIZOS SC: Yes. Ja. In conclusion 6 I'm going to put to you that the conduct of the police on 7 this day and particularly the senior members is not in 8 accordance with that that is expected and it is not what 9 the law provides for and more particularly, it is not 10 particularly helpful. I want to read to you the commission 11 shall enquire into, make findings, report on and make 12 recommendations concerning the following, taking into 13 consideration the constitution, other relevant legislation, 14 policies and guidelines. What do you think the president 15 had in mind when he made that proclamation? 16 CHAIRPERSON: I don't know that that's a 17 question you could ask the witness what she thinks the 18 president – her opinion as to what the president had in 19 mind, doesn't really help us to comply with our terms of 20 reference. So I don't think I should allow that question. 21 Mr Semenya, you look as if you want to turn your light on. 22 MR SEMENYA: That was the objection I was 23 going to raise. 24 [15:57] MR BIZOS SC: Well it's good to be taken 25 with that it – he wanted to – if you wanted to find out the</p>

<p style="text-align: right;">Page 21998</p> <p>1 conduct of the South African Police Service in particular, 2 the precise facts and circumstances which gave rise to the 3 use of all and any force and whether this was responsible 4 and justifiable in the particular circumstances, what is 5 your answer as a senior policeman to the President's 6 question? Did you do it? Did you sidestep it, or you were 7 less than prepared to admit what had gone wrong? 8 GENERAL MBOMBO: Sir, I do not really 9 understand the question. 10 MR BIZOS SC: Well, if you don't 11 understand the question I don't expect you to be able to be 12 of any help to the President, but let's go on to the next 13 one. "To examine the role played by the SAPS through its 14 represented units individually and collectively in dealing 15 with this incident." What do you say to the President 16 about that? 17 MR MAHLANGU: Again what was the 18 question, Sir – 19 MR BIZOS SC: Are you responsible for 20 what happened? 21 CHAIRPERSON: Are you able from your own 22 knowledge to express an opinion on the first question as to 23 whether the police conduct was justified, and the point 24 raised in the present question, are you able from your own 25 knowledge to express an opinion on these matters? You</p>	<p style="text-align: right;">Page 22000</p> <p>1 MR BIZOS SC: Yes. I'll accept that – 2 CHAIRPERSON: I don't want to hamper your 3 cross-examination, but to be fair to the witness – 4 MR BIZOS SC: No, no, I accept this and I 5 want to put a concluding question, if I may. Has there 6 been any meeting of the senior officers ever since this 7 Commission started its sitting, and the record is made 8 available and the exhibits and statements contradicting the 9 police, has there been a meeting of the people responsible 10 to question whether or not they did anything wrong? Has 11 there been such a meeting? 12 GENERAL MBOMBO: No, there hasn't been 13 such a meeting, Chairperson. 14 MR BIZOS SC: Are they not concerned 15 about the criticisms that are floating all over the country 16 about your conduct? 17 MR BIZOS SC: I think they are very much 18 concerned, just as much as I am very concerned. 19 MR BIZOS SC: Has anyone suggested that 20 we should meet in order to honestly discuss what we and our 21 colleagues did and make a statement for the benefit of the 22 Commission and for the people, the mothers, wives, 23 husbands, children of the victims? 24 GENERAL MBOMBO: We haven't reached that 25 point, Chairperson.</p>
<p style="text-align: right;">Page 21999</p> <p>1 obviously spoke to a number of the members of the service, 2 questioned them about what happened. They made reports to 3 you. Most of them either have come here or will come here 4 or provide affidavits setting out their account of what 5 happened, which we'll have to weight up and evaluate. Are 6 you able really to take the matter any further? We will 7 have to do the job based upon the kind of information you 8 received plus a good deal more. So are you able to make 9 any contribution that takes it any further than that? 10 GENERAL MBOMBO: Sir, not at all. I 11 cannot have an opinion about this. 12 MR BIZOS SC: Did you have a copy of the 13 President's proclamation about the Commission when you met 14 at Potchefstroom? 15 GENERAL MBOMBO: Yes, we had. 16 MR BIZOS SC: One would have expected if 17 you had to have tried and give direct answers to the 18 President's questions – 19 CHAIRPERSON: Mr Bizos, isn't that really 20 a point for argument that you can advance at the end of the 21 hearing? I understand the point that you're making, that 22 presumably there will be an answer from your learned friend 23 for the police service, but can this witness really take it 24 any further? It's an argument you can advance. Your 25 learned friend will respond and mustn't we then decide it?</p>	<p style="text-align: right;">Page 22001</p> <p>1 MR BIZOS SC: Well, it's not for me to 2 make any directive towards you, but perhaps you should 3 convey to your senior colleagues that there may be an 4 appropriate time for such a meeting. Thank you, Mr 5 Chairman, I have no – 6 CHAIRPERSON: Thank you, Mr Bizos. Mr 7 Gotz, it's now after 4 o'clock. I'm not sure whether AMCU 8 or the counsel for AMCU or the families will be next, but I 9 think that there's been a slight change since the original 10 programme was worked out and I understand that Lonmin would 11 like to cross-examine next, but we won't call upon their 12 representative now because I understand, firstly it's after 13 4 and I understand their counsel will be here tomorrow 14 morning. So – senior counsel – 15 MR GOTZ: That's acceptable to us, Chair. 16 CHAIRPERSON: Yes, I'm sure it will be. 17 So we will – may I enquire, Provincial Commissioner, have 18 you got the list of documents upon which Lonmin will rely 19 in their cross-examination? 20 GENERAL MBOMBO: It is so, Chairperson. 21 CHAIRPERSON: You have received it, and 22 have you also received the documents from AMCU and the 23 families, and also the injured and arrested persons, have 24 you got those? 25 GENERAL MBOMBO: They are there, Mr</p>

Page 22002

1 Chairperson. I believe I would be receiving them –
 2 CHAIRPERSON: You have received them, you
 3 will be receiving them. So you'll have to read them, I'm
 4 afraid, before tomorrow. I'm not so sure about the injured
 5 and arrested persons; I'm not sure whether their counsel
 6 will start cross-examining tomorrow, but he might,
 7 depending upon how long or how short the other counsel are.
 8 But in any event, you've got the documents, or you have got
 9 or are going to get the documents you need, so on that note
 10 we will – Mr Gotz, do you have any knowledge, after Mr
 11 Burger has cross-examined, as you see it from your side and
 12 the parties you represent, you're for AMCU, aren't you?
 13 What is proposed, who will follow Mr Burger for Lonmin?
 14 MR GOTZ: Chair, as I understand it, it
 15 will be the representatives for the families. As things
 16 currently stand it's going to be Ms Lewis who will ask a
 17 few questions. It's not anticipated that it will be cross-
 18 examination lasting longer than an hour though, Chair.
 19 CHAIRPERSON: And then will that be
 20 followed by a representative for AMCU?
 21 MR GOTZ: No, so Lonmin will be next, I
 22 understand –
 23 CHAIRPERSON: No, no, I said Lonmin.
 24 Then you say the families –
 25 MR GOTZ: Lonmin, and then Ms Lewis –

Page 22003

1 CHAIRPERSON: - Ms Lewis –
 2 MR GOTZ: No, sorry, I beg your pardon,
 3 then we're at cross purposes. So the order is Lonmin, and
 4 then AMCU, and then the families.
 5 CHAIRPERSON: And you of course represent
 6 AMCU. I think your colleague Ms Barnes will be doing the
 7 cross-examination. Do you have any idea as to how long
 8 she's likely to be?
 9 MR GOTZ: Chair, I think after today's
 10 cross-examination no more than half a day. So perhaps two
 11 to three hours at the most.
 12 CHAIRPERSON: I see. So it sounds as if
 13 the Lonmin, families, and AMCU cross-examination will fill
 14 the whole of tomorrow.
 15 MR GOTZ: Certainly, Chair.
 16 CHAIRPERSON: And then the representative
 17 of the injured and arrested persons will start cross-
 18 examining the day after. So that gives you an idea of what
 19 to prepare and in what order to prepare, Provincial
 20 Commissioner. And then there's Mr Gumbi. Where are you
 21 going to fit in, Mr Gumbi?
 22 MR GUMBI: Yes, we prefer to do our
 23 cross-examination after the families of the deceased, at
 24 the end.
 25 CHAIRPERSON: [Microphone off, inaudible]

Page 22004

1 the families?
 2 MR GUMBI: Yes.
 3 CHAIRPERSON: And how long are you going
 4 to be?
 5 MR GUMBI: 15 to 20 minutes.
 6 CHAIRPERSON: 15 to 20 minutes?
 7 MR GUMBI: Yes.
 8 CHAIRPERSON: And are there documents
 9 which the Provincial Commissioner has already received, or
 10 is going to receive today?
 11 MR GUMBI: Probably we'll finalise our
 12 document tomorrow. There will be no new document.
 13 CHAIRPERSON: No, hang on a second. If
 14 you're only going to finalise your documents tomorrow, when
 15 is the Provincial Commissioner going to read them?
 16 MR GUMBI: No new document we are going
 17 to introduce, Chairperson.
 18 CHAIRPERSON: Sorry?
 19 MR GUMBI: No new document we are going
 20 to introduce.
 21 CHAIRPERSON: You're not going to have
 22 any new – no, never mind new documents, but there are so
 23 many what one can describe as old documents, documents that
 24 are already exhibits, so you can't expect the Provincial
 25 Commissioner to look through the haystack in search of a

Page 22005

1 needle or two that you're going to rely on. So mustn't you
 2 tell her as soon as possible what documents you're going to
 3 rely on so that she can look at them?
 4 MR GUMBI: Tomorrow we'll do that.
 5 CHAIRPERSON: Or you must wait to come
 6 after Mr Mpofu for the injured and arrested persons.
 7 MR GUMBI: Yes, after Mr Mpofu.
 8 CHAIRPERSON: Sorry?
 9 MR GUMBI: After Mr Mpofu.
 10 CHAIRPERSON: After Mr Mpofu, right.
 11 MR GUMBI: Yes.
 12 CHAIRPERSON: So Mr Semanya, you wanted
 13 to say something?
 14 MR SEMENYA SC: No thanks, Chair.
 15 CHAIRPERSON: No, alright. I don't think
 16 there are any – I think I've dealt with all the potential
 17 cross-examiners, have I?
 18 MR FISCHER: Chairperson, for
 19 completeness, the Human Rights Commission does intend to
 20 cross-examine as well.
 21 CHAIRPERSON: The?
 22 MR FISCHER: Human Rights Commission.
 23 CHAIRPERSON: What about it?
 24 MR FISCHER: At the end at the moment –
 25 CHAIRPERSON: You're at the end, so

Page 22006

1 you'll be after Mr Gumbi?

2 MR FISCHER: Yes.

3 CHAIRPERSON: And your documents?

4 MR FISCHER: The list has been provided.

5 CHAIRPERSON: Has been provided, I see.

6 So all the housekeeping is in order as far as we can see,
7 and so we will adjourn now until tomorrow morning at – yes,
8 sorry?

9 MS MAPULE: Sorry, Mr Chair, as far as I
10 could remember my counsel wanted to take the podium last.
11 Yes, Mr Mpfu wanted to be last. When we discussed amongst
12 ourselves, he literally asked to be the last, to take the
13 podium last.

14 CHAIRPERSON: Alright, I won't decide it
15 now. You can discuss it with the representative, with Mr
16 Fischer of the Human Rights Commission, and then when and
17 if you've reached an agreement, come and tell me, and if
18 you haven't reached an agreement I'll have to decide which
19 of you will have the disadvantage of being last. But
20 anyway, see if you can sort it out among yourselves first
21 and then report the result to me thereafter. We won't
22 discuss it further here in the chamber. Instead, we will
23 adjourn until 9 o'clock tomorrow morning.

24 MR BIZOS SC: Mr Chairman, could we
25 appeal to our learned friend Mr Semenya to give us an idea

Page 22007

1 of who the next, or possibly the next two or three
2 witnesses will be in order so that we can manage our lives?

3 CHAIRPERSON: I'm sure he will give that
4 matter urgent consideration and discuss it with those
5 instructing him and those assisting him, and give you the
6 answer tomorrow.

7 MR BIZOS SC: We have tried, Mr Chairman,
8 but we don't seem to be able to get a definitive answer.

9 CHAIRPERSON: Well, let's see; Mr
10 Semenya, do you hope to be able to give Mr Bizos the answer
11 he seeks tomorrow?

12 MR SEMENYA SC: My learned colleague
13 didn't discuss this with me, but I'm in discussion with Adv
14 Budlender as to the next witness that will come. The
15 indications are we're either going to have Mr X with the
16 logistics that go with it, alternatively Colonel Vermaak.

17 CHAIRPERSON: So Mr Bizos, it's one or
18 the other.

19 MR BIZOS SC: That's helpful.

20 CHAIRPERSON: Either Mr X, or Lieutenant
21 Colonel Vermaak. But presumably when clarity is reached on
22 which of the two it will be, you will be informed as soon
23 as possible. Can we now, with your permission, Mr Bizos,
24 adjourn until 9 o'clock tomorrow morning.
