**Subject:** RE: FW: Request for information in terms of PAIA: SAH EKM0010

Dear Gen.

I have studied the request and am of the view that the following information may be released: -

1. In as far as the request make reference to a "*gathering template*", the Department does not have a set template. The Act prescribes the following provision in this regard:

1.1 (3) The notice referred to in subsection (1) shall contain at least the following information:

- (a) The name, address and telephone and facsimile numbers, if any, of the convener and his deputy;
- (b) the name of the organization or branch on whose behalf the gathering is convened or, if it is not so convened, a statement that it is convened by the convener;
- (c) the purpose of the gathering;
- (d) the time, duration and date of the gathering;
- (e) the place where the gathering is to be held;
- (f) the anticipated number of participants;
- (g) the proposed number and, where possible, the names of the marshals who will be appointed by the convener, and how the marshals will be distinguished from the other participants in the gathering;
- (h) in the case of a gathering in the form of a procession—
- (i) the exact and complete route of the procession;
- (ii) the time when and the place at which participants in the procession are to assemble, and the time when and the place from which the procession is to commence;
- (iii) the time when and the place where the procession is to end and the participants are to disperse;
- (iv) the manner in which the participants will be transported to the place of assembly and from the point of dispersal;
- (v) the number and types of vehicles, if any, which are to form part of the procession;
- (i) if notice is given later than seven days before the date on which the gathering is to be held, the reason why it was not given timeously;
- (j) if a petition or any other document is to be handed over to any person, the place where and the person to whom it is to be handed over.

2. The response to point 2:

- 2.1 The number of notices received = **106**
- 2.2 No convener meetings held
- 2.3 No gatherings prohibited
- 2.4 Number of gatherings authorized with conditions = **2**
- 2.5 **N/A**

3. No additional training material is available.

I trust the response addresses all the information requested.

Kind regards,

Lieutenant Colonel:

**Pieter Pretorius**
