

ON THE PURPOSE AND FUNCTIONING OF A JOC

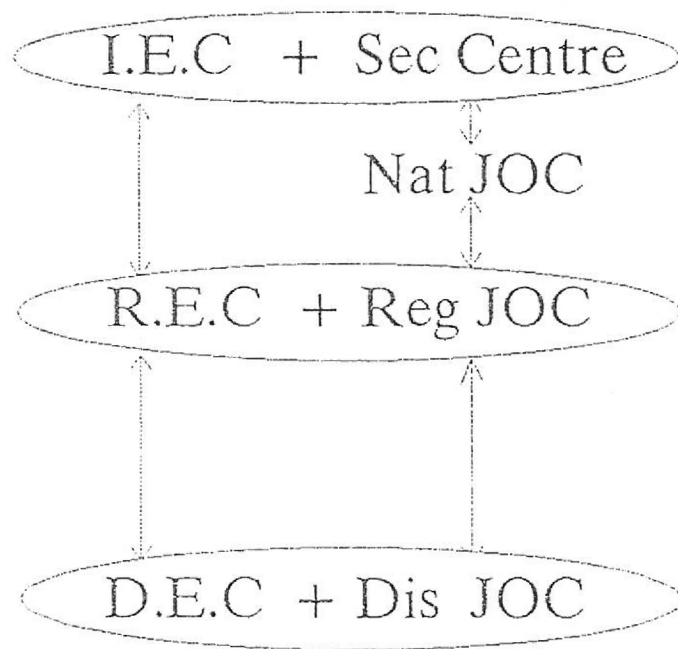

- Joint Operational Centres (JOC) are established in advance on national, departmental, regional and district levels and form the basis of an integrated hierarchical security management system for the IEC

- Within the JOC on each level areas for joint operations are identified, planned and execution co-ordinated and monitored. This is done in a spirit of mutual support and understanding of each other's line function and specialist field

- The site of a JOC is determined by aspects such as availability of accommodation/logistics/communication; security considerations; and proximity to area of influence
- Only bona fide members of a JOC will have access thereto - not open to general public
- When appointing personnel to a JOC due regard to be had to experience, seniority, qualifications.
- JOC's will function on a 24h basis and in terms of Standing Operational Procedures.

VERKIESING: AANWENDING VAN LEDE VAN MBO IN UNIFORM

1. Na aanleiding van verskeie versoeke is besluit dat lede van die Afdeling: Misdaad Bestryding en Onderzoek as volg aangewend kan word tydens die verkiesing.
 - 1.1 Lede wat onlangs vanaf die Uniform Onderzoek en Navrae na die afdeling oorgeplaas is, moet sover moontlik tydens die verkiesing in uniform aangewend word.
 - 1.2 Ander lede van die afdeling moet in privaatdrag werk maar kan saam met lede in uniform vir patrollies aangewend word. Waar lede nodig is vir observasie in privaatdrag kan van die lede ook aangewend word.
2. Aangesien spoedige en deeglike ondersoek na sake uiters belangrik is, moet lede so aangewend word dat die funksie nie benadeel word nie.
3. Dit sal nie moontlik wees om lede gratis van uniformstukke te voorsien nie, en sodanige aansoek sal nie uitgevoer kan word nie.
