The TRC Archival Audit

Between 2003 and 2006, SAHA and Historical Papers, University of Witwatersrand embarked on a project to locate, retrieve and make available records relating to the South African Truth and Reconciliation Committee (TRC). The project entailed conducting an archival audit of all existing TRC records in order to identify and locate documentation in danger of being lost.

In the process of conducting the archival audit, SAHA and HP located many collections from individuals and organizations that participated in the TRC process, including this collection. Selections from these materials as well as TRC related material found in the freedom of Information Collection and other pre-existing SAHA and HP collections, were digitized and can be accessed online at <http://truth.wvl.wits.ac.za/>
