

**INTERVIEW: Q=QUESTIONS
A=ANSWERS**

Q1: WHAT MADE YOU DECIDE TO LOOK AFTER CHILDREN?

A: I love children a lot, you know you can't do something if you don't love it so I decided to do it because I love children and I studied for home care, that's why I started to look after children.

Q2: SO WHAT WERE YOUR REASONS FOR DOING THIS JOB?

A: I saw many children suffering a lot and facing problems by being left alone by parents in their homes, so I said because this is my job let me just help them by looking after their children.

Q3: DIDN'T YOU THINK THAT IT WOULD BE DIFFICULT FOR YOU?

A: I knew it would, because it's not an easy job it's real hard and you know children always make noise a lot of noise. Sometimes I feel like I must just run away because of their noise, but I can't help it because that's the way children are, it's real hard but I have to do it because it's something I have to do for our children's sake.

Q4: OK, I SEE IT'S REAL HARD FOR YOU. SO SINCE YOU STARTED LOOKING AFTER CHILDREN, ARE THERE ANY CHANGES YOU'VE NOTICED

A: I've noticed a big change because, lets say if you always angry and you know children always make noise, I do get angry lot when they make, but I can't beat or punish them because that's the way children are. Sometimes I'm also like a child, so I really love the change that this job made for me.

Q5: DO YOU ENJOY BEING WITH THESE CHILDREN EVERY DAY OF THE WEEK?

A: Well, I do enjoy being with them because they love me a lot and sometimes when a parent comes to fetch a child, a child sometimes don't want to leave he just wants to be with me every time, so it

makes me enjoy my job. And sometimes parents even ask what do you give our children for loving you a lot, when I hear that it makes me feel happy and love my job.

Q6: OH! THAT'S GOOD. SO DON'T SOME OF YOUR FAMILY MEMBERS DISAGREE WITH YOUR JOB?

A: Some of them do, because they think it's a dirty job and too hard they forget that a job is job, and some of them are even criticizing me that I'm a maid, I don't mind because did this job for a purpose.

Q7: AND THESE CHILDREN DON'T THEY FEEL BAD FOR BEING WITHOUT THEIR PARENTS FOR A WHOLE DAY?

A: They only feel bad at the beginning, but after a few days when they get use to me they don't cry anymore, they just keep on playing and enjoy being with me.

Q8: HOW WOULD YOU FEEL IF YOU GET PEOPLE WHO WANT TO SUPPORT YOU?

A: I would feel very happy, because since I started this job I've seen anyone to support me, so it will make me very happy because I want more for these children.

Q9: OK, I HOPE GOD WILL HELP YOU. WHAT CAN YOU TELL OTHER WOMEN OUT THERE, I MEAN LIKE WHAT DO THEY HAVE TO DO SO THAT THEIR CHILDREN MAY HAVE A BETTER LIFE?

A: The only thing that I want to say is, parents please lets take good care of our children and always make them fell free. And when they've done wrong please let them know by telling them in a good way but not by beating them, because the more you beat a child you are encouraging him to do bad. So please parents lets teach our children in a good way. Thank you so much and may God be with your children where ever they are.

Thank you.
