

WHY I CHOSE THE TOPIC

I chose this topic because it involves **UBUNTU, DIGNITY, HUMANITY, DEDICATION, COMMITMENT AND LEADERSHIP QUALITIES**. Another reason why I chose this topic is because I saw that the Heroes we had in our community were not honoured, acknowledged and shown a sign of appreciation the way they deserve. People look upon already well known heroes and heroine like Dr Nelson Rolihlahla Mandela and Mrs Albertina Sisulu and forget about the people in their communities who are doing wonderful jobs.

Most of the time people acknowledge as heroes are always males and we forget that there are females too who can be heroines because of their excellent jobs in their communities like Mrs Mokoena who parented for success showing inclusiveness, togetherness, Ubuntu, Loving, caring and sharing.
