Introduction

The Ahmed Kathrada Foundation (AKF) collection was first created in September 2015 as a digital collection, intended to create access to various digital records relating to the Ahmed Kathrada Foundation's work on non-racialism, through SAHA's online repository "Tracing the Unbreakable Thread".

The first series in this collection relates to the AKF's 2011 Leaders' Project. This series consists of 26 transcripts of interviews conducted for the project, as well as the project report, published by the AKF in 2012.
